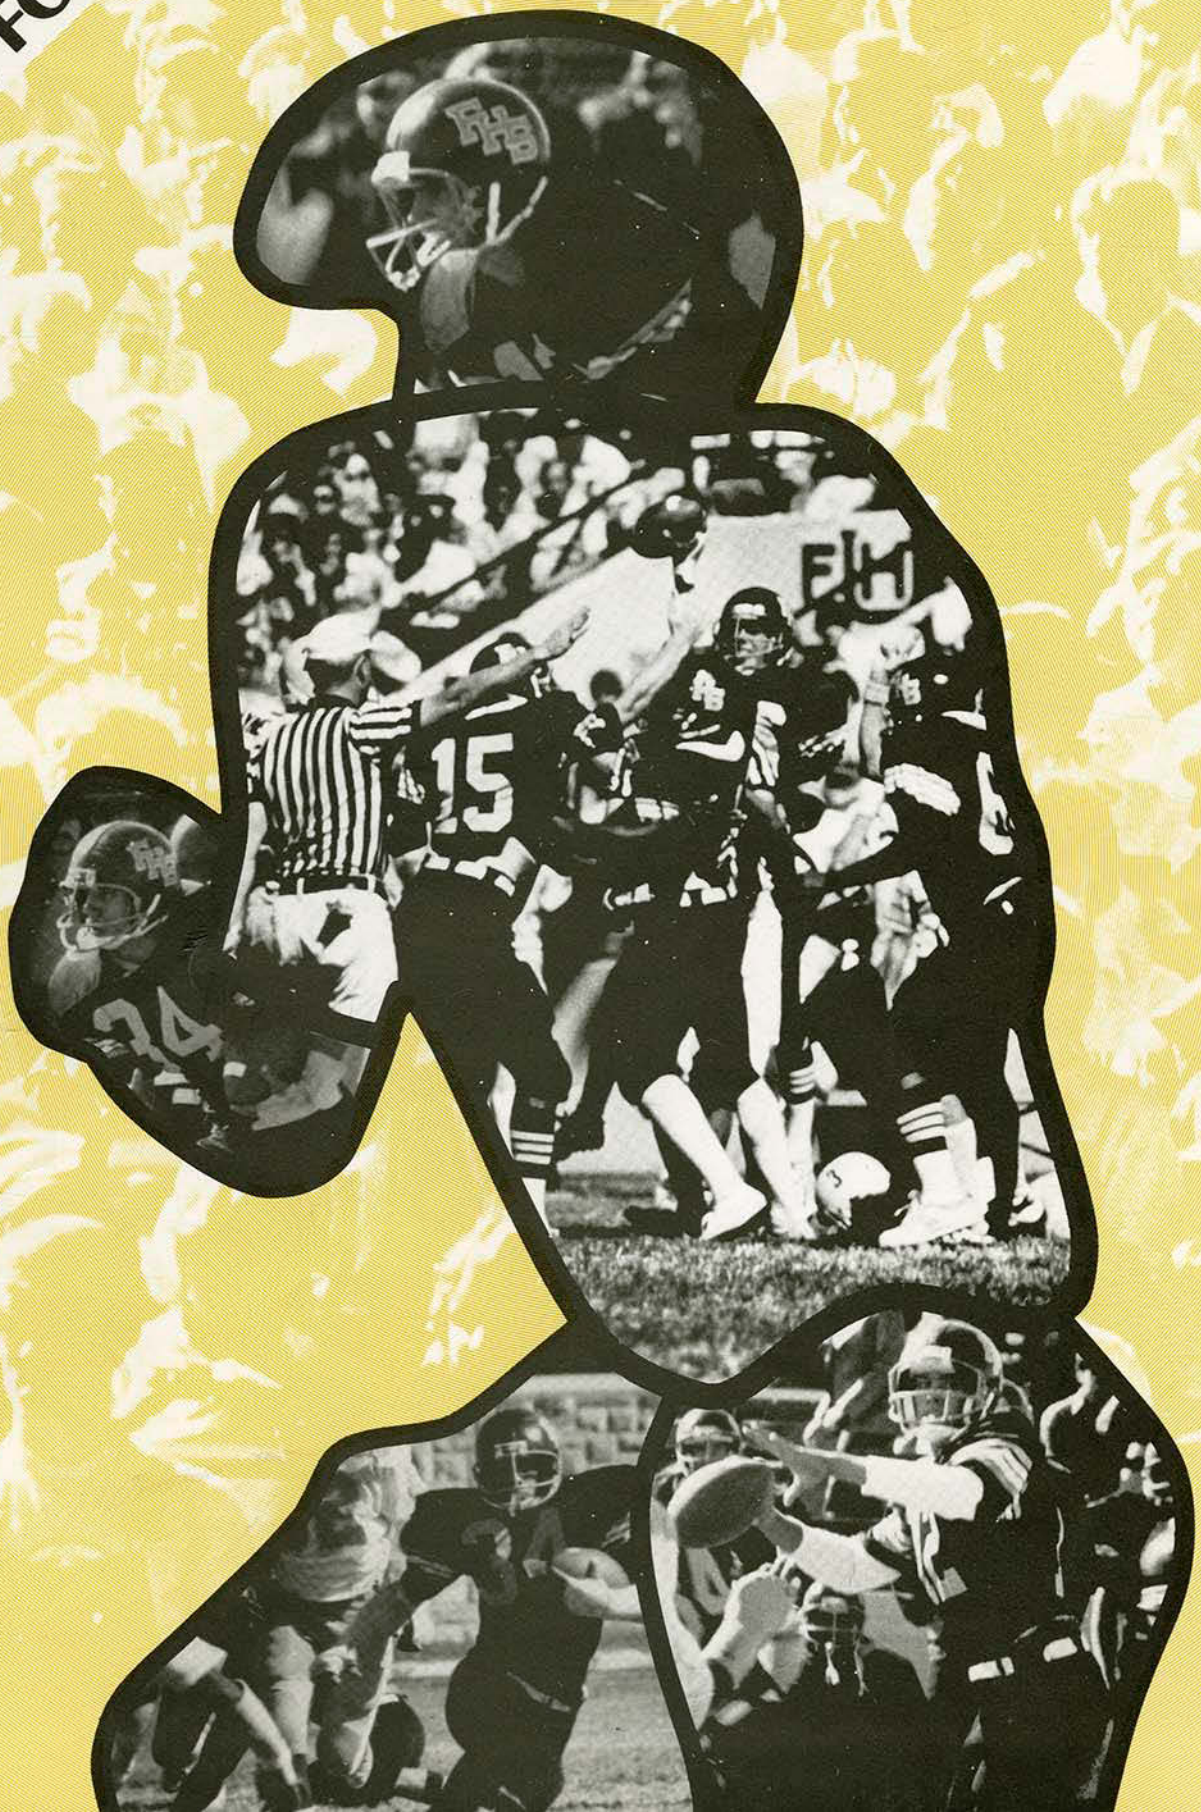
FORT HAYS STATE UNIVERSITY

OFFICIAL PROGRAM



SPEND and money LESS TIME TAPING AND MORE TIME COACHING

Extra Comfortable to assure proper balance and support.

Durable Spandex® construction with positive locking Velcro® strap ends.

Full Compression that fits comfortably, no last minute cutting to relieve pinching.

Save on Expenses as well as time. Save up to 70%–90% of your taping cost.

Easy to Launder right along with the game jerseys.

Pre- or Post-Injury Protection

The national average of an athlete sustaining an injury is at least one per year. It would be beneficial if your entire squad had preventive taping like the major colleges or pros, but from the time school is out until practice starts, many of you don't have the time to accomplish this.

With the re-usable Stromgren Supports, your entire squad can apply the supports themselves and possibly eliminate the "injury bug" that deprives the student athlete playing time, and costs you and I ball games.

As a coach for twelve years at the high school and college levels, I've seen a need for this type of product. It's just a common sense approach that works... they're not a gimmick; over the past two years, coach, we've sold over 100,000.

GERALD TOMANEK
FORT HAYS STATE UNIVERSITY PRESIDENT

The Number One fan of Fort Hays State Athletics is Dr. Gerald (Jerry) Tomanek. Dr. Tomanek and his lovely wife, Ardis, are virtually permanent fixtures at Tiger home football and basketball games. The couple also attend many road contests as well.

Since 1947, Dr. Tomanek has been a part of Fort Hays State University serving in several capacities. On January 17, 1976, Dr. Tomanek was named the seventh President of Fort Hays State University. Dr. Tomanek holds two degrees from the University and has his doctorate in Botany from the University of Nebraska.

Several honors have been bestowed on the expert of grassland ecology and range management. The highest of which came in the early Spring of 1979 when Governor John Carlin decreed Dr. Tomanek as "Kansan of the Year."

Dr. Tomanek recognizes the need for strong academics and the need for excellent administration in an institution of higher learning. The President knows also the importance that athletics can play in institutional success.

"I am very proud of our total athletic program, and it is an integral part of our total university," said Dr. Tomanek. "Young men and women are very fortunate to participate in intercollegiate athletics and can learn valuable lessons like friendship and teamwork in a way that will enrich their lives."

We can stop your energy costs from going through the roof. And the walls.

Besides being able to save you money on the initial construction of your next building, we can help you avoid high utility bills and potential shutdowns through proper application of insulation.

We give you certified (not calculated) insulation values for installed roof and wall systems. So you know before you build your building how it will perform.

Our MR-24* roof system is the most energy efficient in the world. It is designed to keep the elements out. And expensive heated or cooled air in.

We also offer you numerous attractive, yet energy-efficient wall options.

With utility costs rising, there's never been a more important time to have a builder who knows energy planning. Call us.

BUTLER

"That's a Butler Builder!"

TOM STROMGREN
FORT HAYS STATE UNIVERSITY ATHLETIC DIRECTOR

When Bobby Thompson resigned in late May as FHSU's Athletic Director and Head Football Coach, the Tigers were left with two major voids to fill.

Lured by a desire to return to FHSU and the "challenge to see Fort Hays grow into one of the best NAIA schools in the nation", Tom Stromgren was named the Tigers' new Athletic Director on July 5, 1981.

For Stromgren, the appointment was a triumphant return to the school where his coaching career had ended 10 years earlier. In his three years as head football coach for the Tigers (1969-71), Stromgren had posted an overall record of 7-21-1.

Before coming to Fort Hays State in 1969, Stromgren earned his Master's degree at the Kansas State Teachers College of Emporia. After leaving the college setting in 1971, Stromgren entered private business and has enjoyed that venture the past 10 years.

Always an innovator, Stromgren possesses integrity, enthusiasm, fund-raising skills, a successful business background and a knowledge of western Kansas, which will enhance both Tiger Athletics and Fort Hays State University.

TIGER BOOSTER CLUBS

Contributors to the Fort Hays State University athletic program can join one of several booster clubs depending on the amount of their contribution.

The Black and Gold Club is for contributions of $5 to $35. Features of this club include a membership card entitling holder admittance to Tiger Rooms, schedules of athletic events, the athletic newsletter, priority on purchase of football and basketball season tickets and special events and travel.

Contributions of $36 to $99 denote the Varsity Club level. Included in this club are all the features of the Black and Gold Club plus a higher priority on the purchase of season tickets.

A $100 to $499 donation enables contributors to be classified as Century Club members. Besides the above-mentioned features, members receive a plaque with name, reserved parking space at athletic events, name listed on Athletic Board and a card decal.

All-American Club status is achieved with a contribution of $500 to $999. Club members, in addition to the features of the Century Club, are entitled to varsity brochures, VIP parking, coaches letters and after-game parties.

The highest level of membership is the Flying Tigers Club for contributions of $1000 or more. Flying Tiger members have top priority on purchase of football and basketball season tickets, VIP parking, and are eligible for all the features of the other clubs.

A popular booster club at Fort Hays State University is the Tiger Beef Club. Membership in the Beef Club is awarded to interested boosters who contribute a steer or cash ($250 or more which is used to buy a steer) each year. Proceeds from the sale of such livestock go directly into the department's budget. Beef Club Members receive similar benefits as do members of the Century Club.

Today's Game

FORT HAYS STATE —vs— PITTSBURG STATE

Today's game marks the 54th football contest in Tiger history to have been played between Fort Hays State and Pittsburg State. The Gorillas of Pittsburg State currently lead the series record, 28-17-8. Last year in Pittsburg, the Gorillas defeated Fort Hays State, 21-17.

Along with Missouri Western, the Gorillas remain undefeated in conference play heading into the fourth week of CSIC action. At 5-1 overall and 3-0 in CSIC play, Pittsburg State enters today's game as the NAIA's 18th ranked Division I team.

At the hands of the Wayne State Wildcats, FHSU suffered their fourth loss of the season last weekend. Currently the Tigers are 3-4 overall and 0-3 in CSIC action.

Looking for victory number four, Tiger Head Coach Jim Gilstrap said, "we are going to have to stop Pittsburg's option offense with a consistent defensive effort." "Pittsburg State has very good personel on both offense and defense and I look for today's game to be a hard hitting contest," Gilstrap concluded.

Parents' Day 1981
WELCOME TO FORT HAYS STATE

Fort Hays State University would like to welcome all Parents, Grandparents, High School Seniors and Friends in attendance at today's game. We hope you have enjoyed the day's festivities so far and that you will make a return visit to our campus again soon.

Immediately following today's game, the parents, grandparents and foster parents of the 1981 football team are invited to attend a reception in the Tiger Room at Gross Memorial Colisum.

TIGERS ON THE CHAMPIONSHIP TRAIL

Our congratulations to Coach Molly Smith and the FHSU women's tennis team on their recent victory at the NAIA District 10 Tennis Championships in Wichita. For the second year in a row, the Tigerettes have won the District 10 tournament which entitles them to a trip to the NAIA National Finals in Kansas City, May 25-28.

Looking ahead, the FHSU women's volleyball team and both the men's and women's cross country teams will be looking to repeat as District 10 Champions in 1981.

For Coach Jody Wise and the women's volleyball squad, District 10 Play-Offs are set for Nov. 6-7, at Bethel College in North Newton.

Cross Country Coaches Joe Fisher and Tonya Dempsey along with their respective teams will be traveling to Pittsburg on Nov. 14, in an attempt to defend their District 10 Titles.

Best of Luck to all, as the Black & Gold take to the Championship Trail in 1981.

THE FOOTBALL COACHING STAFF

Jim Gilstrap is in his first year as the head football coach at Fort Hays State. Even so, he is no stranger to Tiger football. Gilstrap joined the Tiger coaching staff last season, serving as the squad's defensive line coach. Along with his football duties, he served as the head wrestling coach for the Black and Gold.

The popular 39-year-old South Bend, Indiana native was promoted in late May to replace former head coach, Bobby Thompson. Thompson had been at the Tiger helm the past two years, accumulating a 9-10-2 record in the process. In the transaction, Gilstrap became FHSU's 16th head football coach.

Gilstrap came to Fort Hays State in 1980, after serving two seasons as offensive line coach at Western Michigan. He has also coached football and wrestling at Kansas State, Edinboro State, Illinois State, Case Western Reserve, and Culver Military Academy.

Gilstrap holds a Master's degree in Education from Southern Illinois and his Bachelor's degree from Western Michigan in English and Physical Education.

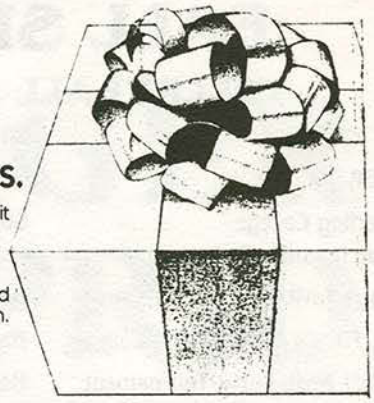
Our Style Fits Yours.

On The Mall, Hays, Kansas

The gift wrapping's on us.

The way we see it, a gift is a gift. And when it comes from our store, it should look like one. At no extra charge. If you think JM McDonald's has gift buying all wrapped up for you, you're right. Come in for that next special gift, and we'll show you what we mean.



Too long? We'll hem it free.

Free alterations have been in style at JM McDonald's for a long time. And we aren't about to change that now. If an inch here or a dart there makes a difference to you, it makes a difference to us.

We're all smiles at the return counter.

At JM McDonald's, we think more than our style should fit. We think our merchandise should fit. If it's not as it should be, bring it back. We'll exchange it, or refund your money—cheerfully.

Special services for our charge customers.

While we don't like to play favorites, we do offer certain benefits for JM McDonald's credit card holders. Being on our mailing list automatically brings you sale and special event previews, plus the latest in fashion information. In addition to our JM McDonald's charge card, we welcome Master Charge and VISA/BankAmericard.
