Submission Deadline: Friday, April 8, 2016

California State University, Los Angeles, and Fort Hays State University, Hays, Kan., are pleased to invite submissions for the third volume of the Journal of International & Interdisciplinary Business Research. JIIBR is a double-blind, triple-peer-reviewed scholarly journal and is published both in print and online.

With its first two volumes now completed, the JIIBR is aggressively seeking and anticipates receiving inclusion in many of the major online scholarly indexes in the upcoming academic year. The JIIBR Review Board now consists of over 250 faculty experts from across the business disciplines, representing numerous countries around the world.

Papers with either an international or interdisciplinary focus are welcomed; the Editorial Board particularly values papers with both international and interdisciplinary elements. In either event, papers should contribute an original theoretical idea and/or empirical insight to at least one of the core academic business disciplines — including accounting, finance, economics, management, marketing, international business, strategy, entrepreneurship, business law, logistics, informatics and ethics. We seek to publish works that will be of interest to a broad business readership.

To submit your paper, please follow JIIBR's new submission procedure:

JIIBR has migrated its online presence to Digital Commons. Beginning immediately, we will accept submissions exclusively through this new website. To submit your paper, please:

1) Go to JIIBR’s new homepage, http://scholars.fhsu.edu/jiibr/ and click Submit Article on the right-hand side.
2) If you have an existing Digital Commons account, log in to your account. If you do not have a Digital Commons account, click on Create New Account. The creation of a new account is free and very quick (it should take less than one minute).
3) Follow the instructions and submit your manuscript in MS Word format. Please ensure that your document is attached in Word format — any version of Word is acceptable.

Please submit your paper as early as possible, as decisions will be made on a rolling basis. We strive to return decisions on manuscripts within six weeks of submission. The final deadline for a submission to Volume 3 is Friday, April 8, 2016. We anticipate that Volume 3 will be published in June or July 2016.

To view JIIBR's new Editorial Policy or Preparation Guidelines, and for other information, please consult our website at http://scholars.fhsu.edu/jiibr/ or contact co-editors Angela Young and Justin Evans at jiibr@mail.com.
