The Tiger

The Tiger became Fort Hays State University's mascot during President Lewis' tenure. The tiger has changed greatly over the course of the university's history. Consider the more realistic tiger heads from the 1930s or the much more stylized but still fierce football and basketball playing tiger of the 1940s. Then there are the friendly cartoon tigers of the 1960s and 1970s.

Throughout the university's history the tiger has been found proudly representing FHSU in all sorts of places from the Reveille Yearbook to promotional materials about the university, to beanies and sports programs.

What tiger symbolizes your time at Fort Hays State University?
