a. Dr. Joey Linn, FHSU Registrar

Social Security Numbers- In the process of getting everyone an 8 digit ID number which will now be your official ID number. It can be found on Tiger Tracks under personal information.

By 2009, tiger cards will change and that is when people will be required to get a new one.

In June 2007, newly issued ID cards have the new ID numbers on them.

You can pay 10 dollars to get card with ID number on it however, it is not required as of yet.

The new ID numbers are a result of trying to lower the risk of identity theft.

This will help try to eliminate use of social security numbers for identification purposes on campus.

Tiger Enroll has been a big project. Fall enrollment was the first time it was used. It will always need to be approved upon. Feedback is needed to make the changes you want and there were surveys sent out for that.

Also working on trying to get a new billing system. We meet every other Wednesday. Please email or stop by to take submit ideas.

Degree audit system: Meet every other Wednesday.

Once a junior you have to meet with registrar's office to determine degree summary; this is now trying to be put on Tiger Tracks. You will be able to see what you have done, what hours you are short, and what classes you need to take. Your GPA will also be listed. Current degree summaries will be available Oct. 15 and will be updated at semester. Also wanting to get all freshman to have this but it will take 5 years to get to that point.

Please provide feedback when that becomes available Oct. 15

Board of regents enrollment report shows that FHSU broke prior enrollment and is now approaching 10000 students. Once again FHSU was the biggest increase.

Trying to increase more out of state student enrollment.

58% female ratio to 42% male enrollment

Any more questions please feel free to ask.

Will come back to update.

#### Executive Reports

##### a. President

Sign up sheet for picture times

Academic advising surveys lasted 3 hours two of which was this. Each institute is required to submit a report on advising. So they came up with questions for it and K-State put it into a format which they took to the meeting on Wednesday. There were some concerns. K-State and Pittsburg surveys were already done at orientation. FHSU survey will be done thru out year on Tiger Tracks. Also discussed the different schools' surveys. Suggestion is to supplement this survey instead of the currently used survey.

Survey hopefully will be done by late October administered on campus thru Tiger Tracks.

Nov. KBOR meeting is were all the schools will bring reports and then compile that information and present it to the regents.

Center of civic leadership came to SAC to endorse the Kansas corp. program. It's like tigers in service, but brings schools together to help with disasters and national education days.

It was brought up and discussed about the community colleges having no representation on KBOR for students so the decided to invite them to the Nov. KBOR meeting. Hopefully this will help them become more involved.

##### b. Vice President

Attended the community fair, times talk, weekly with Shana Meyer meeting, and the budget seminar. The seminar did not have a good turn out. There will be another in October; new senators please attend. Scheduled new guest speakers for up coming meetings. Office hours sign up sheet going back around please sign up if you haven't already. UAB needs help with homecoming voting booth especially on Tuesday from 5-6 and 6-7 in McMIndes. Would prefer two people each hour and after the last hour stay to help count afterwards. Student health insurance defined what is considered a student. Student employees will get a discount and non-student employees will not. International students must show proof of insurance to enroll unless they are wanting to take state insurance.

Passed article around about student fees on a national level please review. On Tuesday Congress approved the College Cost Reduction Act to give more money to students and reduce interest on Stafford loans and increase Pell grants.
