The Block & Bridle Emblem is significant to club members. It represents the principles on which the club is built. Character, sincerity and a moral life are asked of all members when they join and are depicted by the perpendicular lines of the “B”. The distinct curves of the “B” are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our lives. The bridle stands for the behavior of Block & Bridle members; the control over ourselves that we try to maintain, the respect and mannerisms we show toward others, and the way we treat our animals.
Welcome to Fort Hays State University located in Hays, Kansas. The University is home to about 6,000 students. Our Block and Bridle Club membership of 101 students makes us one of the largest student organizations on campus.

Our members made their mark this year by incorporating several new activities that were huge successes. They also continued participating with old activities as well. Whether the members made their mark by producing the first annual Club Calf Sale or by giving the future generations a chance to make their mark through Agricultural Awareness Days, they all came away with a feeling of triumph and confidence that they were able to contribute to the organization. The following pages describe how our members were able to make their mark.

MINUTES

Block and Bridle

April 16, 1997

The April 16th Meeting of Block and Bridle was called to order by President Schafer. Secretary Busby read the minutes and Treasurer Watkins gave the on-campus balance of $3,411.74 and an off-campus balance of $2,997.29.

Sara Hibbard discussed Ag Awareness Days to be held May 1st and 2nd. She said that approximately 500 students would be attending. She also asked for volunteers and said to talk to her after the meeting was adjourned, if you are interested in helping.

Grant Havel and Dale Seeman discussed the upcoming Little "I". They informed all contestants that they should be working with their animal as the contest is on Saturday. They also said that a chairman will be at the Pavilion all night Friday so that you can work with your animals and get them ready at any time.

Additional nominations were accepted for 1997-98 officers and elections were held. The 1997-98 officers are Mark Sorenson, President; Jason Gerstberger, Vice-President; Becky Brooks, Secretary; Sara Hibbard, Treasurer; Kerry Bowman and Donetta Hoss, Historian; Todd Miller and Summer Hemphill, Publicity; Brian Gerstberger, Little "I" Chair; Jared Breinig, Little "I" Assistant; Brandon Selfried, JUCO Chair; Matt Dreiling, Dairy Chair; Randy Lix, Livestock Chair; and Sara Burghart and Amanda Shaver, Ag Awareness.

Matt Dreiling moved that the meeting be adjourned and Shelia Stannard seconded the motion. The meeting was adjourned.

HOMECOMING BOOTH
Each year the Block & Bridle Club helps serve the Back-to-School Picnic, which is open to the entire student body. This gives students, both new and old, the chance to know the club is available for them to join.

The club received extra publicity when a local radio station interviewed President Brian and Vice-President Tammy regarding what Block & Bridle is, and what it does.
At the Kansas State Fair each fall, Block & Bridle members and advisors sit at the Fort Hays State promotion booth to bring in prospective members and students.
As a new activity, Block & Bridle sponsored a cow-milking booth at Hays' annual Oktoberfest celebration. People could milk a cow for a dollar. This attracted both young and old, because some of the youth had never seen a dairy cow, and it brought back memories for the elders. By the end of the day, many bragged, "I milked a cow!"

SPEAKER
LEE LEACHMAN of Billings, Montana

“Do you have a Future in the Business of Agriculture?”
The newest and possibly biggest event of the year was the Prospect Show Steer and Heifer Sale. This event took a lot of time and effort from not only the committee, shown below, but also the entire club. Consignors and buyers came from all across Kansas, and from Colorado and Nebraska. The first sale was successful, and the club hopes to make this an annual event.
In January, twelve members and one advisor traveled to Orlando, Florida, to attend the 1997 Block & Bridle National Convention. While in Florida, they attended meetings, listened to speakers, learned about Florida's agriculture, and still had time to sight-see. The group enjoyed themselves as they met with people from all over the United States and learned about the wide variety offered in the field of agriculture.
On April 19, 1997, the Block & Bridle Club hosted the 24th Annual Little International Fitting and Showing Contest. The event is open to all students enrolled in the university full time. This year the chair for the event was Grant Havel, who was assisted by Dale Seeman. A lot of hard work was put into the preparation for the show by all members, participants, officers and sponsors.

**1997 LITTLE INTERNATIONAL**
OUR BEGINNING

December 2, 1919, student representatives from four animal husbandry clubs met in Chicago and formed the National Block & Bridle Club. The local clubs became chapters in the new national organization. These charter chapters were Iowa, Kansas, Missouri, and Nebraska. The roster of Block & Bridle clubs has since grown throughout the United States to ninety-three members. The objectives of the organization are:

1. To promote higher scholastic standing among animal science students.
2. To promote animal science, especially all phases of animal science work in colleges & universities.
3. To bring about a closer relationship among students pursing some phase of animal science as a profession.

THE EMBLEM

The perpendicular of the B represents straight moral characteristics, sincerity, and honor. The two curves required to complete the letter B represent the fundamentals upon which we base our social pleasure, mental energy, and moral force. The meat block represents the material aspects of our life. The bridle stands for the behavior of B&B members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

The National Agri-Marketing Association (NAMA) is an organization of Fort Hays State University students and established business professionals involved in agriculture marketing, sales, journalism, and other related areas. The FHSU NAMA chapter was formed in the fall of 1993 by interested students and professors.

Throughout this past year, members have worked on several fund raisers including participation in Ellis County Landfill “Litter Lotto” and selling T-shirts during Octoberfest. Funds were also raised by helping Dr. Patrick in a construction project. The members have used the funds for the National meeting. Members attended a Great Plains NAMA chapter meeting in Wichita where the market presentation was given as a practice session. Convention in Nashville, TN where the market presentation was made in competition.

NAMA has proven to be very beneficial to students who are looking for employment; the organization has given them opportunities to speak with professionals one-on-one, thus enabling them to network with potential employers in the agriculture field.

Delta Tau Alpha

The honor society of Delta Tau Alpha recently returned from attending the 38th National Convention at Nicholls State University in Thibodaux, LA. Chapter President, Travis Crites and John Minet represented FHSU at the convention. The FHSU DTA Chapter won first place in the Corbus Book Competition, which is a yearbook of the chapter’s activities (the chapter received a plaque and $150). Chapter members participated in the Ag Quiz Bowl (15 teams competed), business meetings, an area tour of CAMECO (manufacturer of sugarcane equipment, tree harvesting equipment, and John Deere field sprayers) and social activities (crayfish feed and dance). Dr. Robert Stephenson continues to serve as National Treasurer (this will start his sixth year in that position).

President - Travis Crites, Idalia, CO
Vice President - Melvin Rodarmel, St. John, KS (Fall)
Marcella Warner, Spearville, KS (Spring)
Secretary - Kate Shepard, Yates Center (Fall)
Kurt Wilson, Hays, KS (Spring)
Treasurer - Stephanie Helms, Linn, KS
Advisor - Dr. Jean Gleichner
National Treasurer - Dr. Robert Stephenson

Over the past year, DTA has been active both on- and off-campus. The chapter participated in keeping 2-miles of adopted highway near Hays clean, the Homecoming Banner Contest, the Wellness Fair, the Endowment Phonathon, the Christmas Tree Angel Program and sponsored two pitch card tournaments. This spring the 4th Annual Ag Quiz Bowl was held with six teams testing their knowledge in the areas of plant science, soil science, animal science, and agribusiness. The team of Tammy Gerlits, Ty Gerlits, and Brian Gerstberger was victorious. The chapter has a web site at http://www.fhsu.edu/agriculture/dta.html to allow members and alumni access to current information about the chapter. In the upcoming year, the FHSU DTA Chapter will continue to serve the department, university, and community.

A Block & Bridle event would not be complete without a DANCE!!! After everyone enjoyed the delicious dinner of the Little International Awards Banquet, they drove 12 miles to Schoenchen, Kansas, to finish off the evening by relaxing and dancing the night away.
COMMUNITY ACTIVITIES

ENDOWMENT ASSOCIATION TELETHON

AGRICULTURE AWARENESS DAY

OTHER
Each year the Fort Hays State University Endowment Association works to raise money for scholarships for FHSU students by sponsoring a telethon. Block & Bridle helps with this annual event every year.
Ag Awareness Day is a time for elementary school children to become aware of the agriculture scene. As shown, many students enjoyed petting the animals and asking questions about the animals. This day is prosperous for many of the kids, as they have fun and learn at the same time.
For the first time in several years, Block & Bridle went Christmas caroling. The Nursing Club invited the club to join them as they spread holiday cheers to several nursing homes in Hays.

Another event Block & Bridle volunteers to help with is the Special Olympics. Hays is the site for this event each year, and this gives club members a chance to help those who are less fortunate.
LEISURE ACTIVITIES

INITIATE DANCE

CHRISTMAS DANCE

END-OF-YEAR PICNIC & DANCE
At the beginning of each school year, the new initiates of the club jump into the activities by hosting a dance. All of the members look forward to this every year since it gives the new members a chance to get to know everybody and the old members an opportunity to catch up with all of their friends after working hard all summer.

A new event for the initiates was a T-shirt decorating contest. Above are all of the contestants and to the right are the winners.
CHRISTMAS DANCE

As one can see, our Block & Bridle members definitely get into the Christmas spirit, by putting on and attending the Christmas Dance. No Scrooges here!!
To celebrate the end of another school year, Block & Bridle had a BBQ and dance. The event gave members a chance to say good-bye for the summer and to celebrate the friendships they made throughout the school year.
