Dear Reville Reader,

This year closes my thirteenth year working with students and faculty of K.S.T.C.

## The Library

THE 1925 legislature granted K. S. T. C., Hays, \$150,000 for a new library building. The students have this year had the pleasure of watching the new library grow. The contractor promises that we will be able to move into the new building by first of July, 1926.

Although the library renders its greatest service to the student and faculty of K. S. T. C., its field is much greater. During this past year it sent out 451 books, 426 magazines, 282 package libraries and 236 plays. It served 124 cities and 216 persons.

There are approximately 12,200 volumes in the library at the present time. It receives 169 periodicals, besides 13 daily newspapers. However, when it gets into the new home its growth will be much greater, and with increased facilities it will be able to meet the increased demands placed upon it.

## The Coaches

**B**ILL WEIDLEIN, our Football Coach, is a product of K. U. where he won great fame as an athlete. His record includes three K's in Football and two in Basket Ball, besides being selected as captain of the All-Missouri football team.

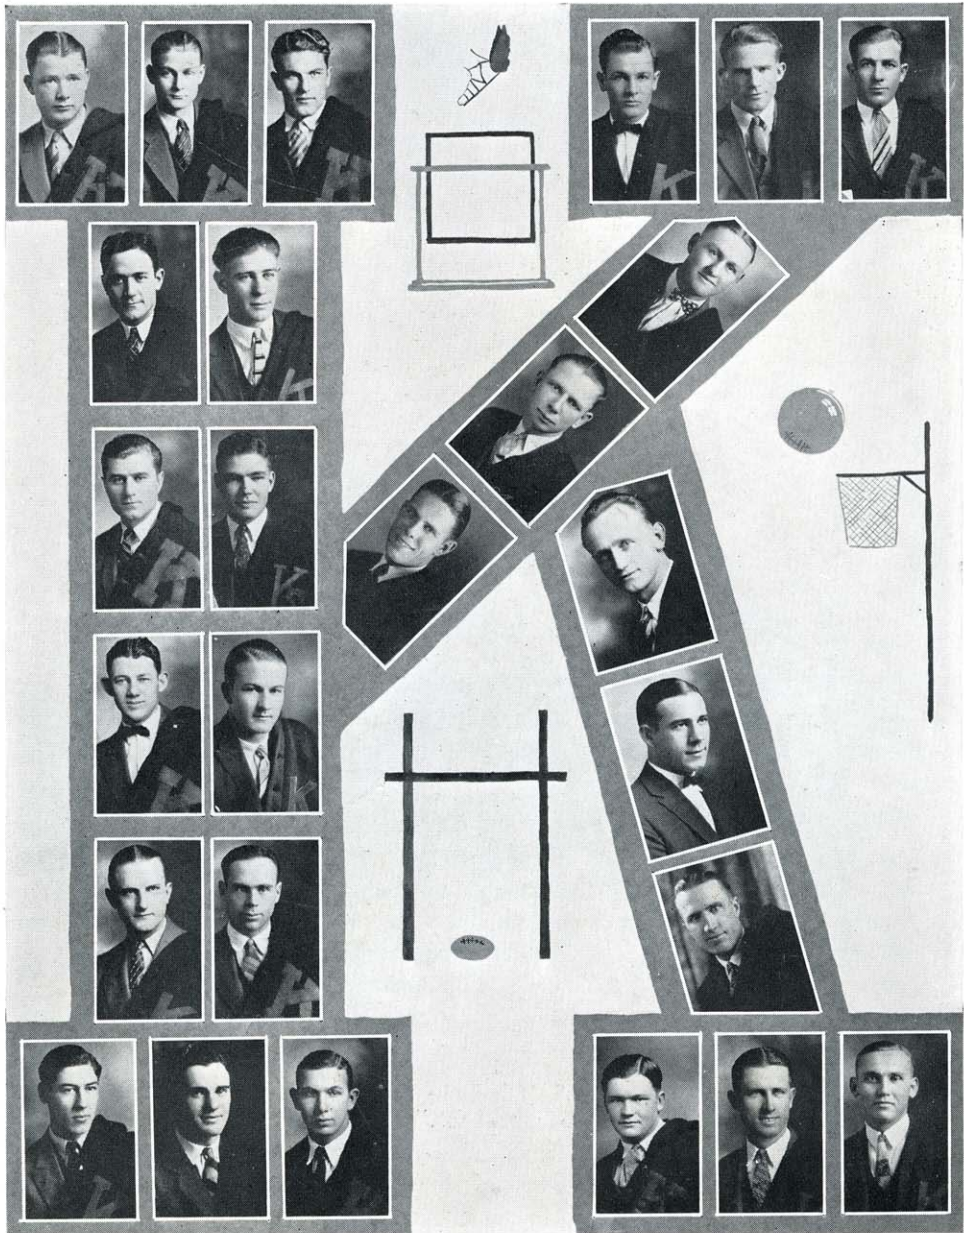

With ability and determination unquestioned, Bill has been successful in bringing recognition to K. S. T. C. Hays, Football teams from the entire Conference. Due to his skill and knowledge of the technique of football, he has developed teams in the last three seasons, that were greatly feared by their Conference opponents. We are looking toward even greater achievements in 1926 and pledge our loyal support to "Bill's team."

Frank Mandeville, also a former Jayhawker grid star, is athletic director at this institution and has charge of basket ball and track. During his three years of leadership he has secured marvelous results in these sports. His strategic guidance coupled with the "Old Tiger Fight," determination has annexed many a victory. Mandy's basket ball team finished third in the conference last year and promises to stand high at the end of the present season.

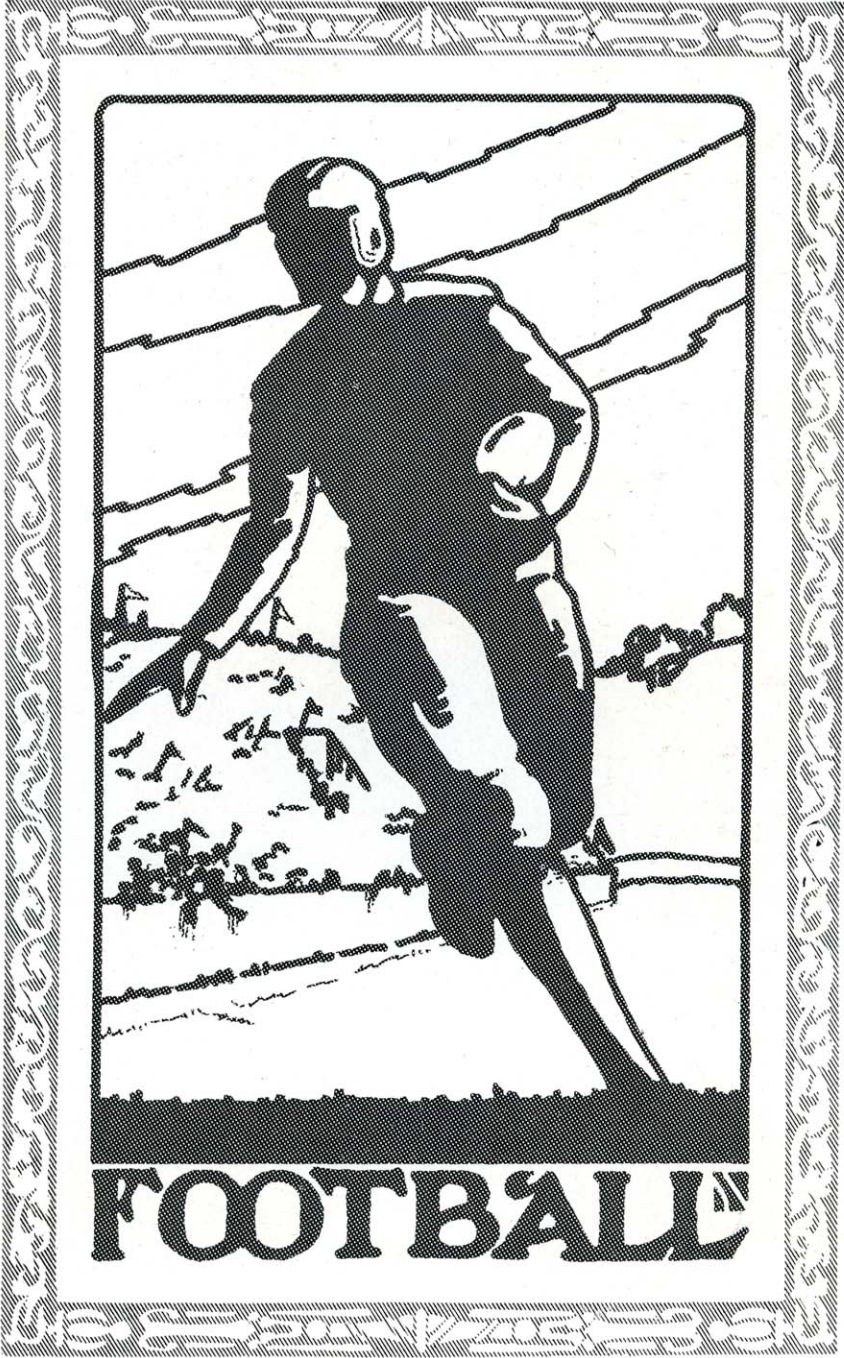

Besides Basket Ball, Mandy also has turned out strong K. S. T. C. track teams and at present Hays holds the Hexangular one mile relay record.

The entire Faculty, Student Body, and Friends of K. S. T. C. are back of Weidlein and Mandeville, and are always ready to boost.

"DUTCH"

"RED"

**E**ARNEST "DUTCH" LORBEER, assistant football coach, was a graduate in the class of 1925. He has earned letters in all of the major sports on the K. S. T. C. campus. After playing four years of good football, he was asked to come back and coach the freshman team. Dutch is training with the Kansas City Blue's this spring and we are looking for big things from him during baseball season.

Robert "Red" Spencer, assistant football coach, is another product of K. S. T. C., graduating with the class of 1924. After a successful year as coach of the Osage High School teams, he was asked to come back to his Alma Mater and assist with the football training.

## Review of 1925 Season

THE 1925 football season was one of the most satisfactory from the viewpoint of the performance of the team, and the most disheartening from the viewpoint of the games won and lost, that the school has ever played.

Only once in the seven games did the team fail to out-play the opponent. That was against the Bethany eleven which was the champion team.

In six conference games the Tigers gained 1054 yards to the opponents' 30.

The disheartening setbacks started against K. S. T. C. at Emporia. The team out-played the Emporians completely until the middle of the last quarter and held a 3-point advantage until that time. Then a fumbled ball, scooped up by a fleet Emporian resulted in a touchdown. A few minutes later the same man ran 40 yards which gave the Emporia team the chance for their other score.

A week of rest followed, then came K. S. T. C. Pittsburg to Hays and took away a 6-0 game. The Tiger eleven out-played the eastern Teachers, doubling the yards and downs on the husky red-jerseyed boys from Pittsburg. The Tigers however could not stop the aerial attack of the easterners and a clever passing game netted a touchdown and the game.

October 24, the Weidlein clan suffered their severest blow, when St. Marys went home with a 7-6 in their favor. The teams appeared very unevenly matched during the game but only once was the Tiger claws able to scratch in the end zone—the kick for point failed. Shortly after the second half started a Hays fumble was snatched up by a St. Marys end who converted the play into a touchdown. With the score tied at 6-6, the try for point by St. Marys was partly blocked, but not enough to keep the ball from going clearly over the bar for the seventh point. In this game the Tigers made 396 yards to St. Marys' 57; 23 first downs to St. Marys' 3, but because of fumbles and penalties were unable to cross the goal more than once.

October 30, the Hays clan lost to the champion Swedes at Lindsborg. This was the only Tiger conflict where the opponent held an advantage throughout the game. Bethany won 16-0 by showing wonderful ease and machine-like precision. The Swedes scored early and piled up an advantage until the final gun.

The Wesleyan game was called off on account of snow

## Review of 1925 Season---Continued

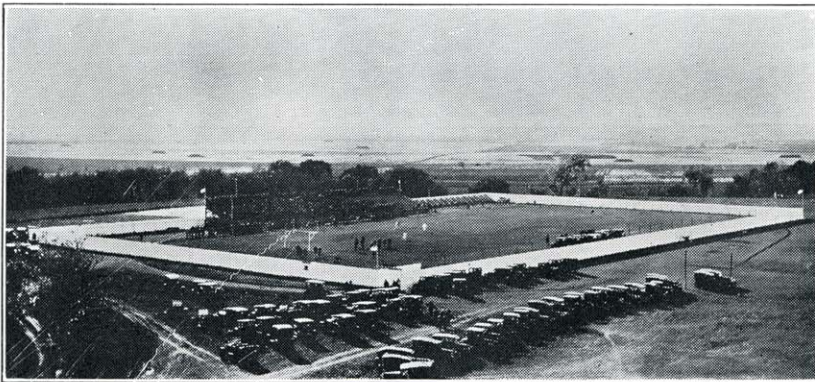

which fell the morning of November 7, and was still falling at the time the game was called. The Wesleyan field was deep with slush and water, and snow falling so thick it was impossible to have the game.

November 14, saw the Tigers play a scoreless game with the Fairmount Wheatschokers. One play in this game seemed to turn a good game to the Hays boys. The play was a long forward pass which was juggled and seemingly completed, but the official covering the play ruled the pass incomplete.

After waiting until November 26, the Hays fans saw the Tigers win their first game which was from Sterling, on the Lewis field. The margin of the victory was small, a lone drop kick from the 25-yard line by Andy Reigel. This however was enough to turn the Sterling team back, undefeated.

The season was marked by fumbles and penalties which always seemed to come when the team was ready to score. Many a brilliant march was halted by a penalty or by losing the ball or by a fumble when about to cross the last white line.

Such was the 1925 football season. Pleasing to watch the team roll up yard after yard only to have a disheartening fumble or penalty stop a brilliant offensive and frequently give the opposing team an easy touchdown.

HARRY ENGSTROM  
*End*

Senior Hays, Kan.  
Weight 185 4 Years Varsity

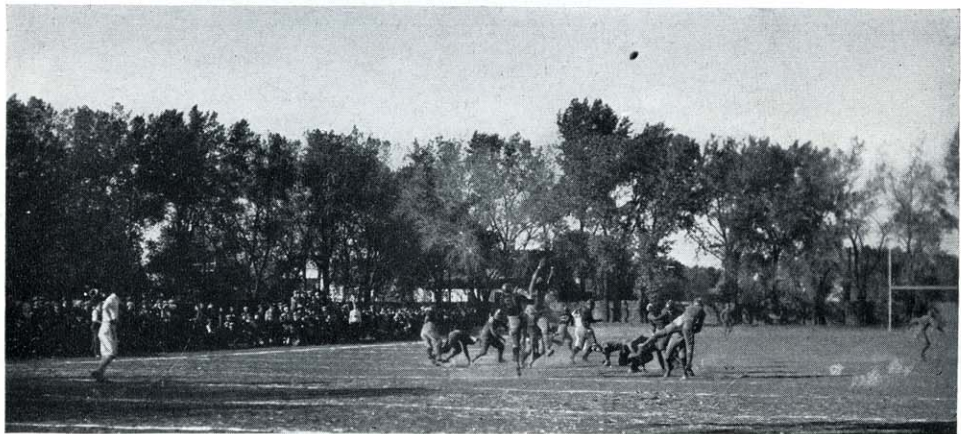

Swede ended his brilliant career for K. S. T. C. Turkey Day. The work of the Tiger chieftain was all that anyone could ask, his fighting spirit went a long way to bolster up the Tigers. K. S. T. C. may have had flashier ends in the past but not one who played a steadier game and who put his whole heart and soul into the game. He will be missed next year.

CAPT.-ELECT IRWIN McVEY  
*Fullback*

Junior Lucas, Kan.  
Weight 175 3 Years Varsity

Mac's team mates rewarded him for his football ability by electing him captain of the 1926 team. An honor that he richly deserves. With Mac leading the Tigers we look for something to be doing in the Tiger camp next year.

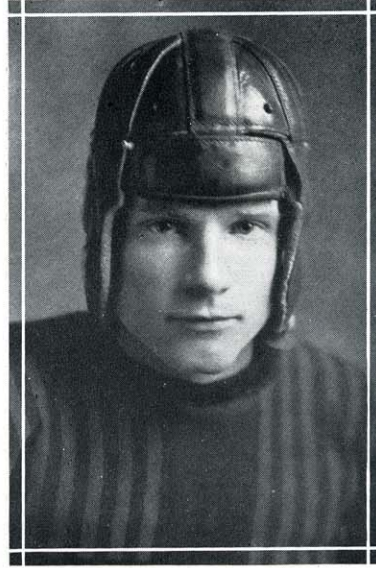

JAMES BURCHETT  
*Quarterback*

Junior  
Weight 145  
Oberlin, Kan.  
2 Years Varsity

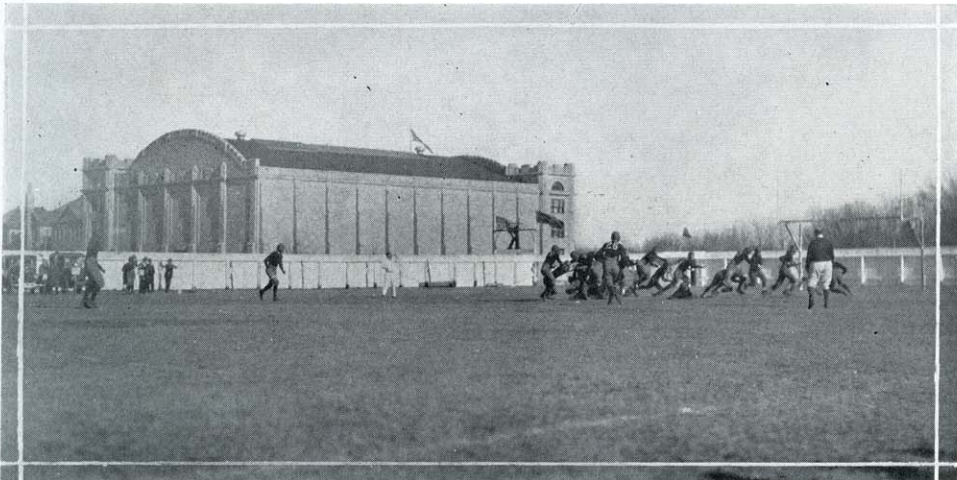

We think that Jimmie was one of the best quarterbacks out for that position last fall, but due to injuries he could not show his best. He is shifty, and a good broken field runner and above all he uses his head. We hope that he comes back and puts another stripe on his sweater.

ANDREW REIGEL  
*Halfback*

Senior  
Weight 145  
Hays, Kan.  
1 Year Varsity

Another of those little but mighty men. What he lacks in size he makes up for in speed and fight. He's coming back next year and we hope that he gets every chance to help make the Tigers stand at the head of the conference.

IRA RHOADS  
*Tackle*

Sophomore  
Weight 180

Hays, Kan.  
2 Years Varsity

Dusty is one of the boys that can't stay out of a football suit, he came back after being out a year. Dusty has the qualities of a good football player, he is a hard worker, quick thinker, clean player, and in other words he is an ideal football man. Dusty promises to be one of our best men next year.

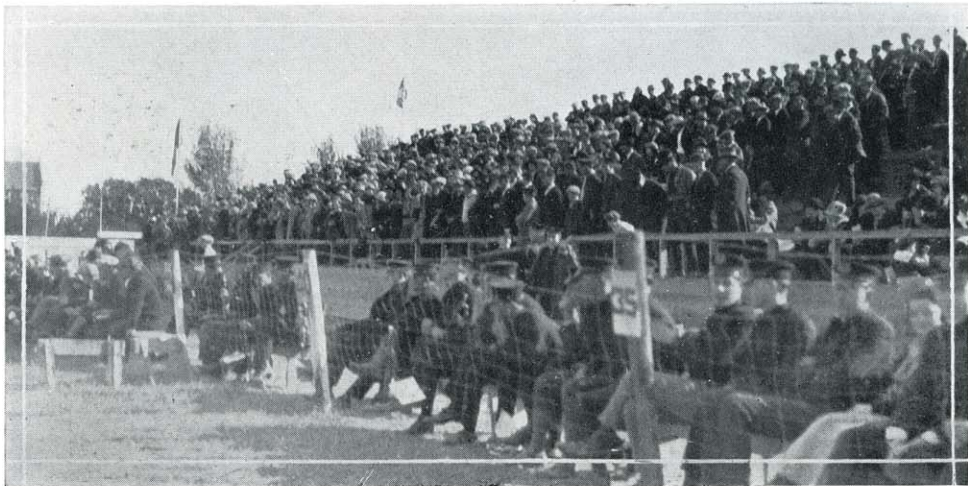

HAROLD LEWIS  
*Center*

Senior  
Weight 155

Palco, Kan.  
4 Years Varsity

Slim is one of the boys who works and works hard. Bill is going to have a hard time finding a center that will fill this position like it has been filled the past four years. We like Slim's attitude, he is always ready to do all he can and he always does his best. His football spirit keeps him going and encouraging his team mates to the limit. This ends his four long years of valuable service for his Alma Mater.

JESSE NELSON  
*Center*

Senior  
Weight 175

Lucas, Kan.  
3 Years Varsity

Jess leaves a place that will be hard to fill and to fill it as well as it has been filled the last three years. He has all the qualities of a good football player and he uses them. We do not know whether Jess would rather eat than play football but judging from his actions on the field we will say football.

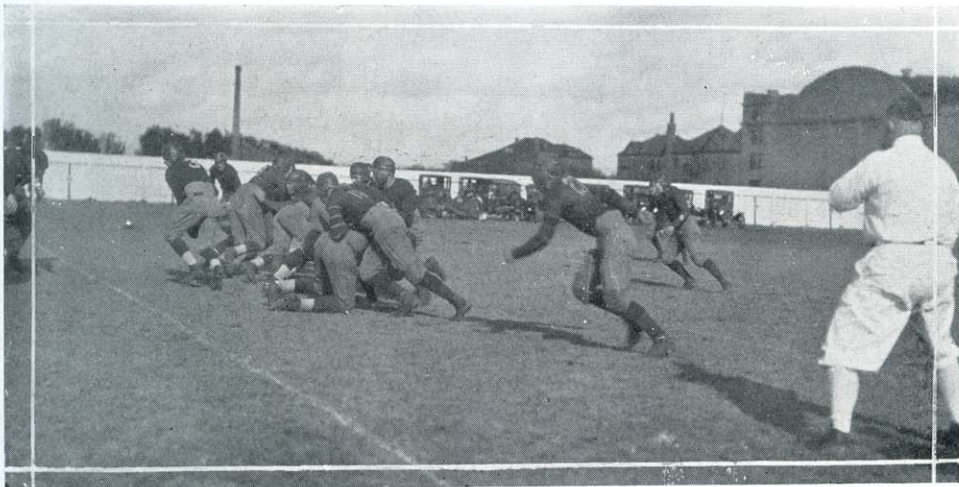

SHERMAN GRISWALD  
*Tackle*

Junior  
Weight 194

Rossville, Kan.  
1 Year Varsity

Gris is one of those players who never says much but always keeps things on his side of the line on the move. He has the old Tiger spirit and he always gives all he has. We hope to find him in the line-up next year as he is one of the important cogs in the Tiger machine.

BURR DEWALD  
*Halfback*

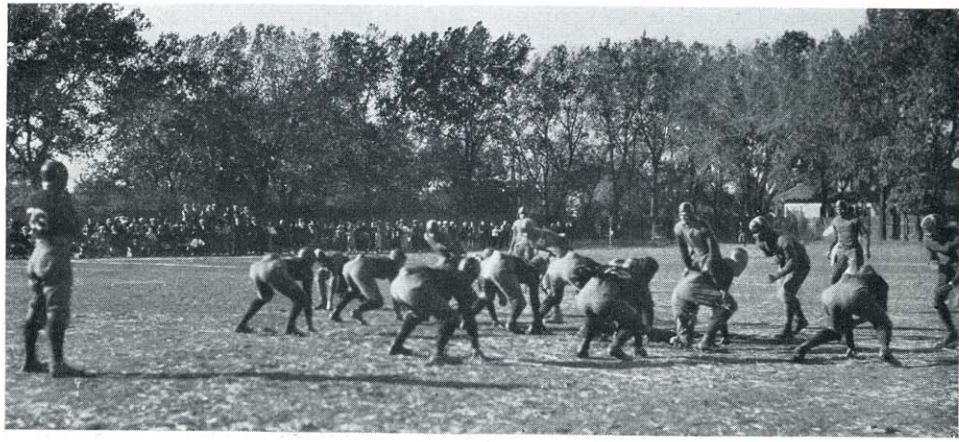

Sophomore                      Smith Center, Kan.  
Weight 140                      2 Years Varsity

Burr is one of those sweet little athletes who keeps his opponents guessing. Burr brought the crowds to their feet with several good runs this year, he is fast, shifty, and is a very open field runner. Burr will make the conference sit up and take notice next year.

ELDRED DIXON  
*Guard*

Freshman                      Rush Center, Kan.  
Weight 214                      1 Year Varsity

Fat is the boy that showed his stuff Turkey Day. Fat surprises his opponents with his swiftness and his shiftiness when in the line. We are expecting big things from Dixon in his remaining three years.

FRANK ANDERSON  
*Quarterback*

Sophomore  
Weight 170  
Oberlin, Kan.  
1 Year Varsity

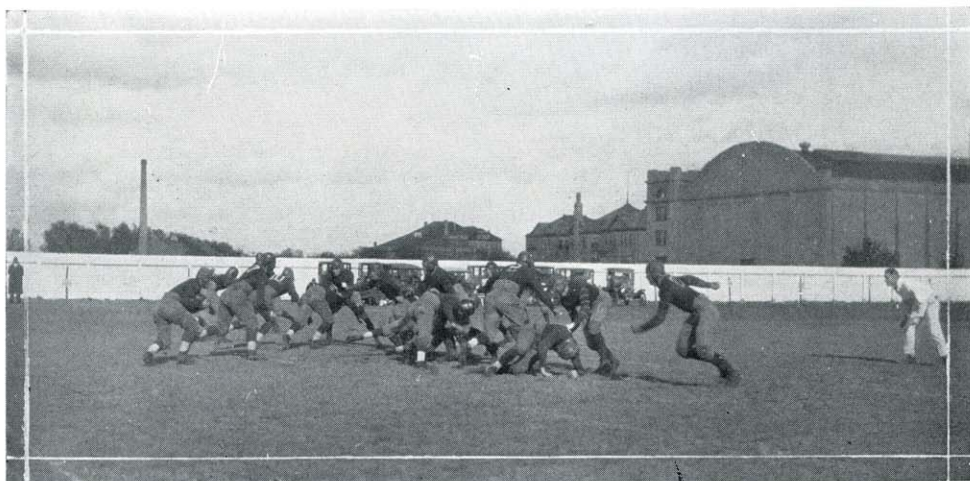

Frank proved his ability to lead the Tigers Thanksgiving Day. His toe helped us out of a good many tight places. Two more years of experience should make a real leader out of this man. We hope he will be with us to chase the pigskin next year.

WALTER MCFERRIN  
*Halfback*

Junior  
Weight 170  
Oberlin, Kan.  
3 Years Varsity

Mac plays good consistent football. His driving power never stops until the last whistle blows. We like Mac's football spirit and we hope he comes back with the same old fight to help carry the old pigskin through with a clean slate.

PAUL HERGERT  
*Guard*

Sophomore  
Weight 168

Otis, Kan.  
1 Year Varsity

This is Hergert's first year as a varsity man. He has made a good showing and we hope he brings the old fighting spirit back next year.

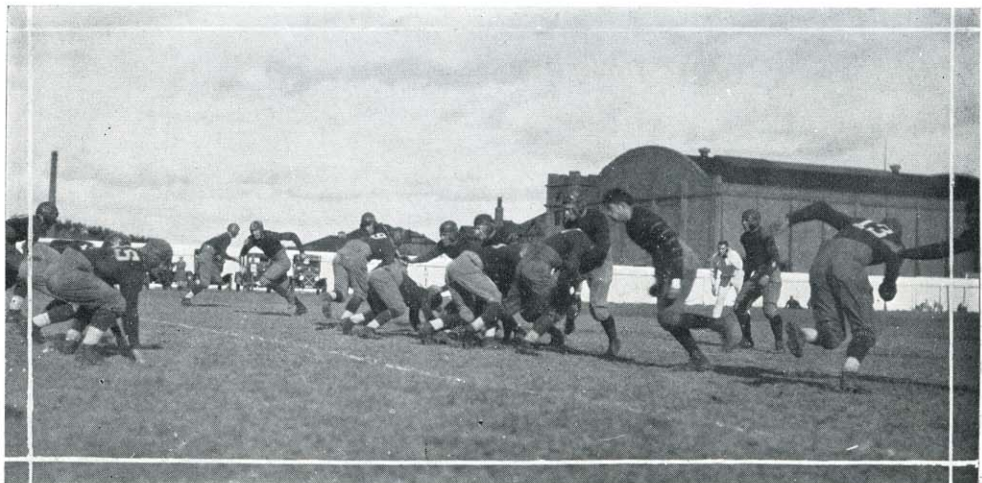

BYRON ROGERS  
*Guard*

Sophomore  
Weight 168

Jennings, Kan.  
1 Year Varsity

Here is a man that might be a little light for guard, but his fight, speed, determination and hard, consistent work offset his weight handicap. We can see no reason why in the next two years that he will not be one of the outstanding guards of the Kansas Conference.

HUGH DOUGLAS  
*Tackle*

Sophomore  
Weight 185

Oberlin, Kan.  
2 Years Varsity

Doug is a man that will not be easily forgotten either by his team mates or possibly by some of his opponents. Doug is always a dependable man always doing his best, and encouraging his team mates. We are expecting Doug to be an All-State tackle next year.

ALLEN ENOS  
*End*

Sophomore  
Weight 165

1 Year Varsity

Enos has had to battle for what he has made. He has the size, speed, and he uses his head. With three more years of experience we should hear some good reports from Enos. We hope he comes back to win three more stripes.

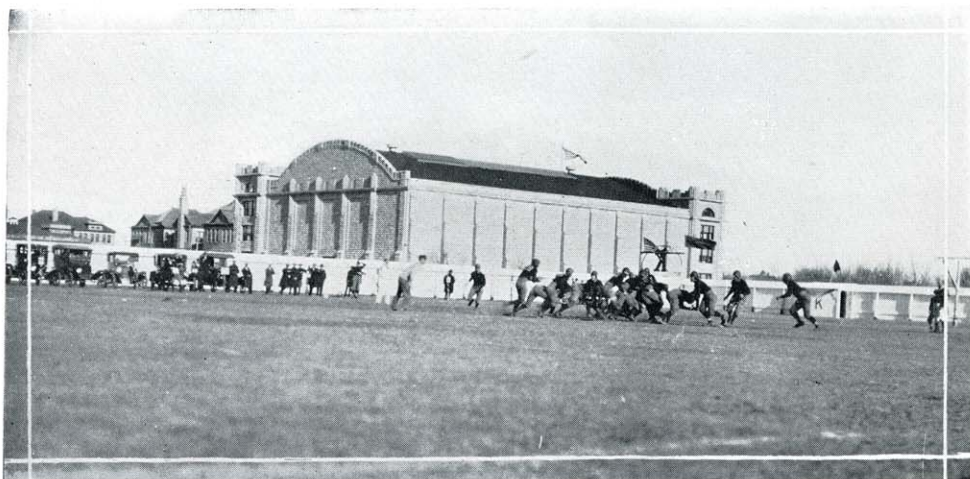

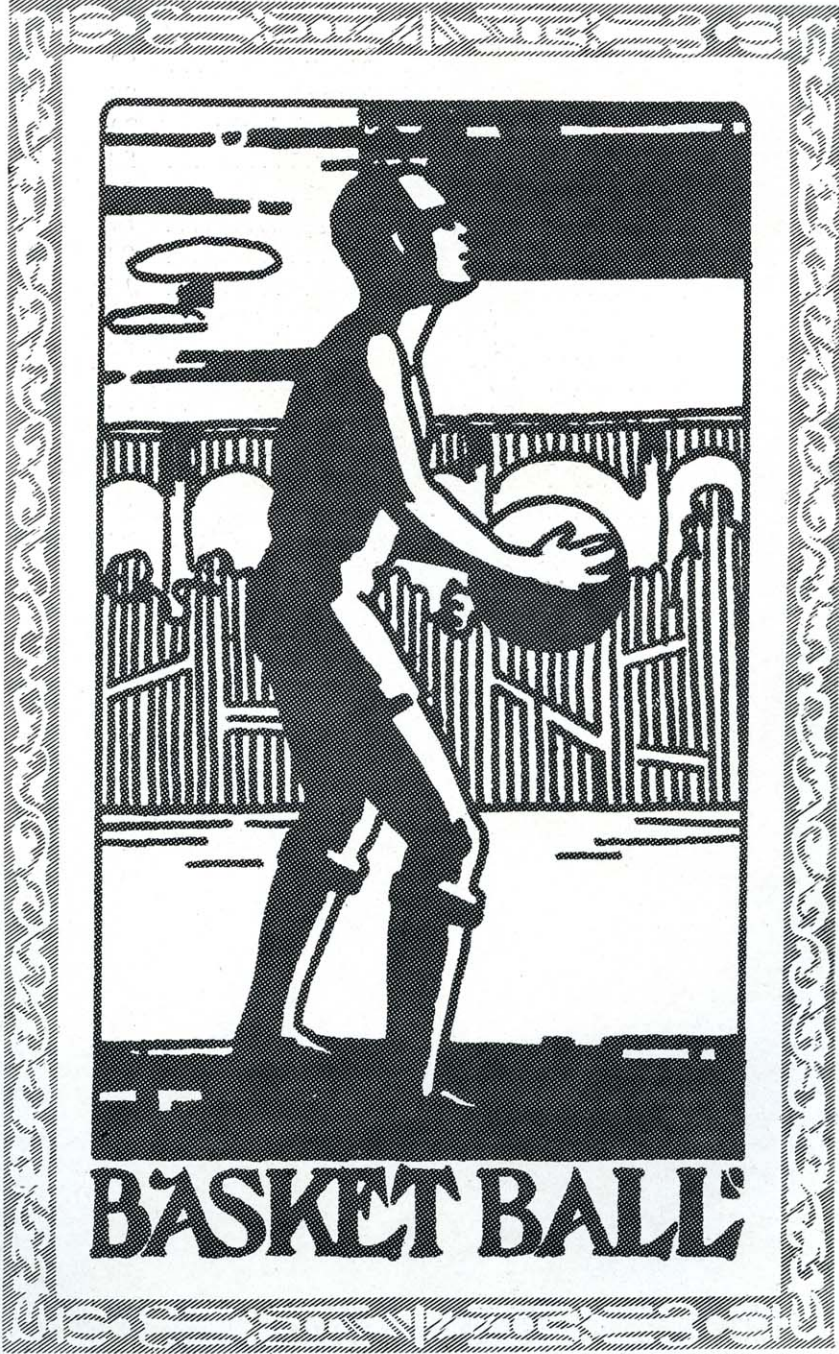

EARNEST HART  
*End*

Junior  
Weight 165

Webster, Kan.  
1 Year Varsity

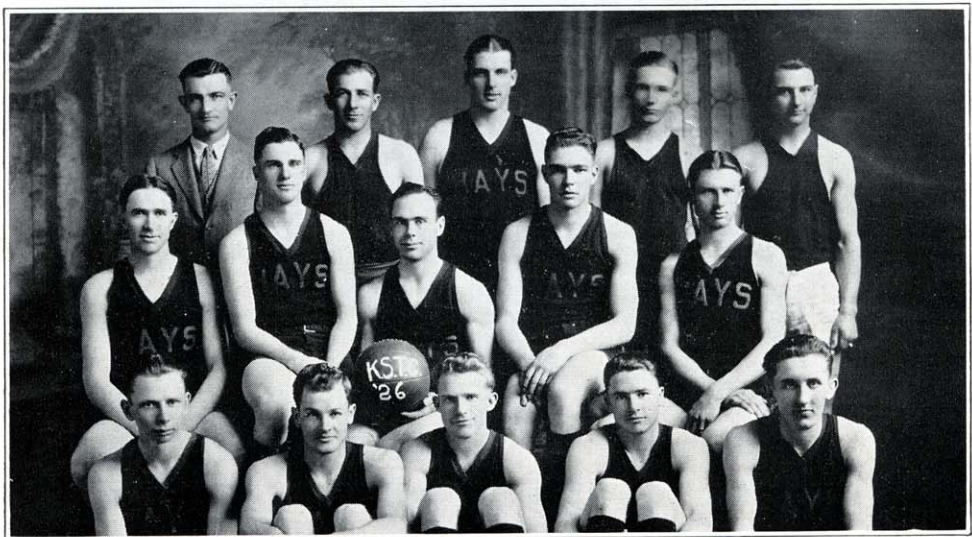

Hart is the type of player that puts his very soul into the game. He likes this old rough and tumble stuff and he also makes opponents like it. He spills interference with ease and tackles like a demon. There is no doubt but that he will hold a regular end berth next year.

## Review of the Season

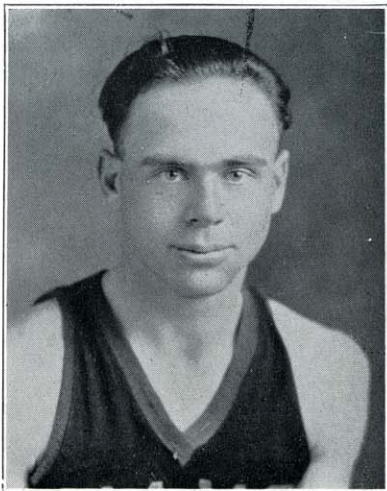

STARTING the season with four lettermen, and Andy Riegel and Harold Opdycke from last year's squad, the pre-season outlook was good. The trip to Nebraska saw two games won and a good pointer to a winning team. The following week saw a loss to Wesleyan at Salina and the loss for five weeks of Capt. McFerrin who twisted his knee in that game.

Looking back over the season, four games stand out in bold relief; the second game at St. Mary's which the Tigers won, the Wesleyan game at Hays, the second Bethel game and the second St. Mary's game. These were all desperately contested games and the play on both sides was of the highest type.

Paul Christensen at center and Marvin Bastin, a first-year man, at guard, bore the brunt of the battles. Kenneth Wheat and Darrel Hinkhouse were regular forwards. Wheat proved a good scorer late in the season. Leo Rogers, Earl Lorbeer, Harold Opdycke, and Alcide Rodgers were good substitute forwards, while Andy Riegel and B. Z. Woods did most of the relief work at guard. Harry Kleweno was showing good at the first of the season at the center position when a broken bone in his foot ended his season.

Andy Riegel and Harold Opdycke will be the only men not returning next year.

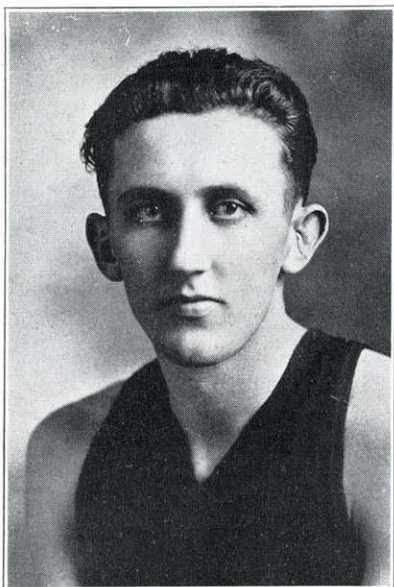

Besides the eight lettermen on the squad who will be out next year, Marvin Forker, forward, and Wayne Raridan, guard, and Roy Campbell, forward, Rueben Romeiser, forward, and Luther Muirhead, forward and center, will probably be back and will give the regulars a contest for their berths.

CAPT. WALTER MCFERRIN  
*Junior* *Oberlin*  
Guard—Three letterman

Due to injuries, Mac was out of several games during the season. Mac is a good guard, a consistent player and was an inspiring leader. This is Mac's third year and with this experience and with one more year to play basket ball for K. S. T. C., we expect to hear some good reports from this lad.

Freshman                      MARTIN BASTIN                      Hoxie  
    *Guard*    One Letterman

A reliable running guard who could shoot, dribble and pass. Was placed on the All-Kansas Conference by Leslie Edmonds.

Sophomore                      EARL LORBEER                      Webster  
    *Center*    One Letterman

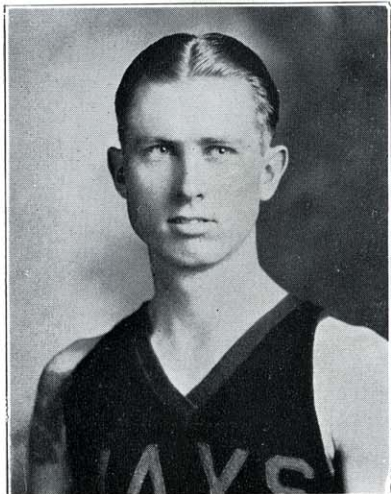

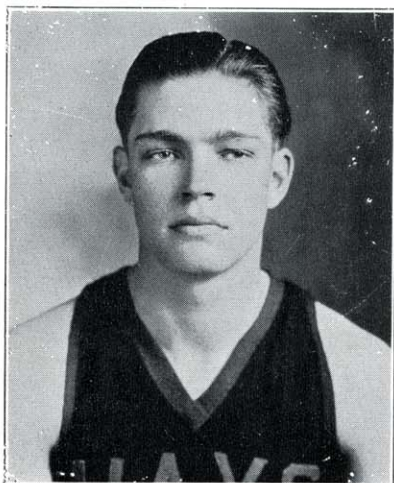

Earl has developed real basket ball ability. He is steady and a good goal-shooter.

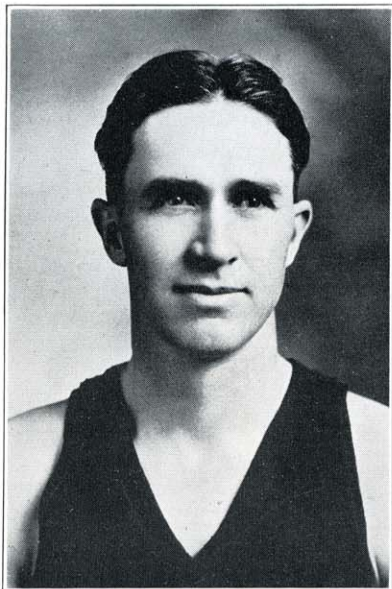

Sophomore                      PAUL CHRISTENSEN                      Kirwin  
    *Center*    Two Letterman

Paul proved his ability several times during the year. He is a good shot, a good floor man and a worry to his opponent. We hope he comes back next year.

Junior                                      KENNETH WHEAT                      La Crosse  
    *Forward*    Three Letterman

Here is a man who can play the floor, shoot, dribble and pass. He enters a game with vim and pep and we are expecting big things from "Wheat."

B. Z. WOODS  
 Sophomore *Guard* Greensburg  
 One Letterman

Woods is a steady consistent player who can be depended upon to deliver the goods.

LEO ROGERS  
 Freshman *Forward* Jennings  
 One Letterman

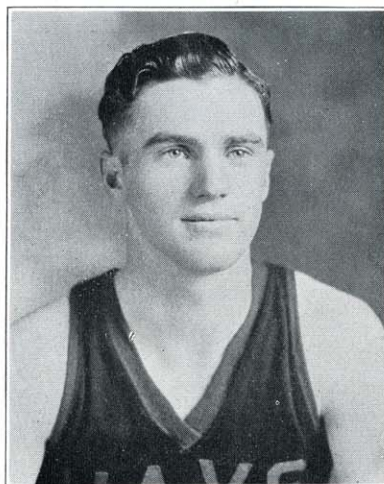

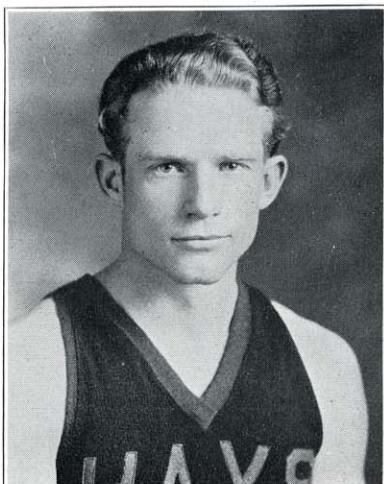

Leo made a good showing his first year out, he is an excellent close-range goal shooter.

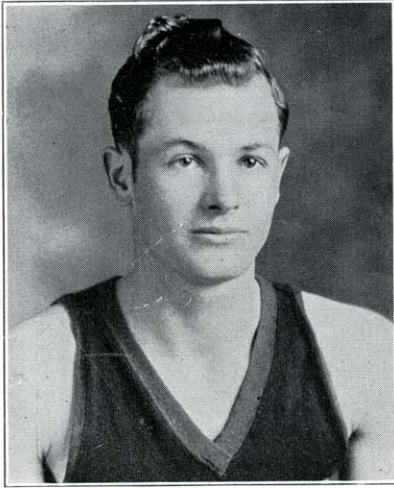

ANDREW REIGAL  
 Senior *Guard* Hays  
 One Letterman

This is Andy's last year. We will miss Andy's playing next year, because in spite of his size, he managed to cover the floor.

DARREL HINKHOUSE  
 Junior *Forward* Palco  
 Three Letterman

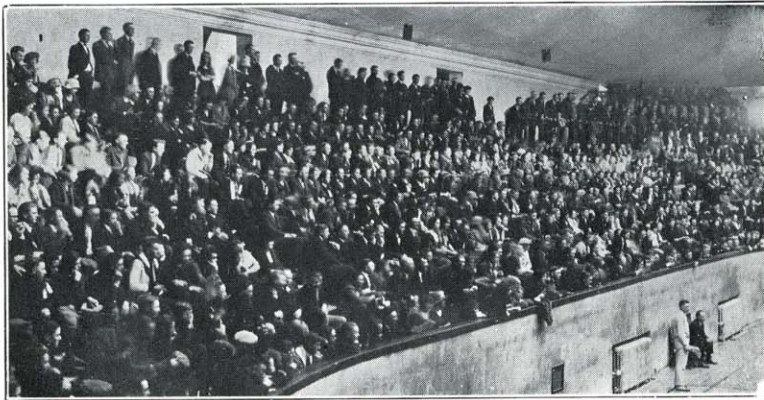

Hink is a fighter to the finish. He will be back next year and we feel assured that one position will be well taken care of.

HAROLD OPDYCKE  
*Senior* Forward *Hays*  
Two letterman

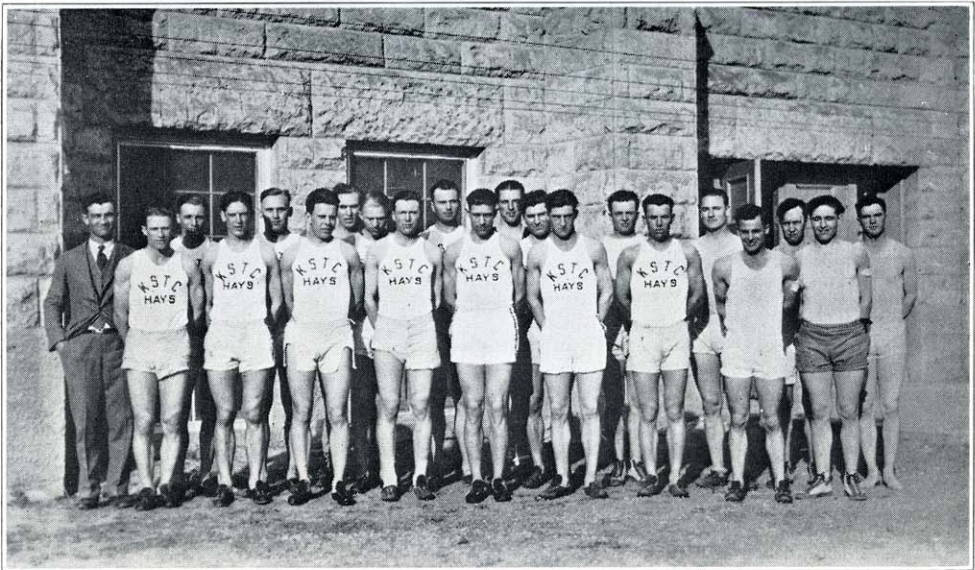

"Uppie" has been out for basket ball for four years, but has been somewhat handicapped by his size. His pep and his enthusiasm has always encouraged the team.

## Tiger Track Season

TRACK season in the Hays territory took a decided jump last spring. Nearly every county held a county meet and a great number of Dual Meets were held. This interest shown in the high schools is being reflected in the K. S. T. C., Hays.

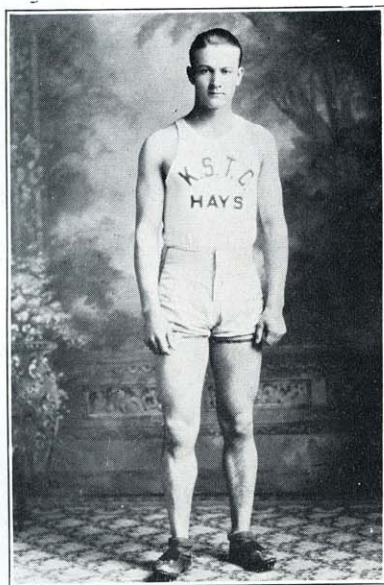

Three years ago this sport was resumed at the college after being discontinued for a number of years. The pioneers now in school who made letters three years ago are Jess Nelson, Burton Osborn, Harold Opdycke, Lawrence Becker, who left school early this spring on account of illness at home, made his letter then. To that quintet was added some real stars last spring in Claibourn, Dews, Cooley and Andrew Riegel, who had been ill the spring before.

The team won all the Dual Meets last spring—one with Kansas Wesleyan, Bethel and Bethany.

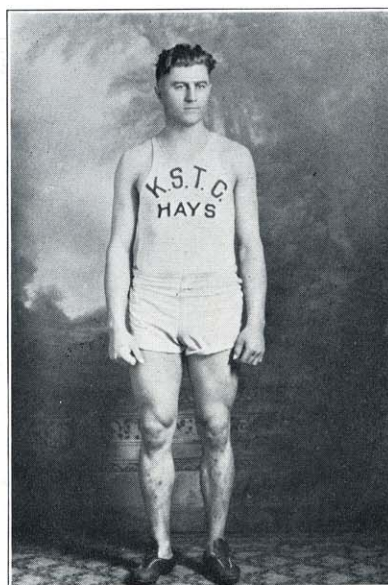

Of the nine men who made letters last year six are in school this spring. Russel

Anderson and Lawrence Becker are at home this semester, but will return next year, while Cooley, who holds the Javelin throw record for the Hexangular Meet, has gone into business and probably will not return to school.

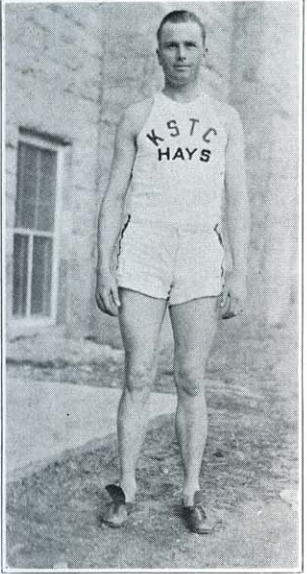

With last year's letter-men and the freshmen who are making a good showing: Harry Kleweno, Arnold Anderson, Seth Arnold, Glenn Lowery and B. Z. Woods, the track prospects for this season look good.

SHERWIN GRISWALD

The college relay team has lost only one race in the three years, and that was at the State Meet held at Emporia last spring. They hold the Hexangular record at 3:30.

The man who will graduate in the spring is Jess Nelson. Captain Andy Riegel will graduate at mid-year next year. The other men will be in school next year.

## Women's Athletics

MISS MARTHA HILL, director of the department of Physical Education for Women, received her training at the Kellogg School of Physical Education; Columbia University; and Vestoff-Sreovo Russian School of Dancing; and the Perry Mansfield Camp.

Miss Edith Ballwebber, assistant director of Physical Education, is a graduate from the Kellogg School of Physical Education at Battle Creek, and has received training at the Perry-Mansfield Camp.

It is through the interest and co-operation of Miss Hill and Miss Ballwebber that athletics for women has made such marked improvement.

The Women's Athletic Association is greatly indebted to them for whatever success it has achieved and appreciates their valuable assistance. They have won the love and admiration of every girl on the campus.

THE Young Men's Christian Association as an organization on the campus of K. S. T. C. Hays, works for the furtherance of Christianity.

As a means to this end it offers an opportunity to the men of the campus to get together and discuss campus life in the light of the teachings of Christ. The organization attempts to bring the students of the college in touch with the world by bringing speakers who are familiar with world questions to the campus.

The Y. M. C. A. is a non-denominational organization. Living a Christian life and helping others to live the true life are its purposes. Anyone who feels that he can work for these purposes is welcome.

## The Girls Reserve Leadership Group

THE Girls' Reserve Leadership Group was organized in September, 1925, for the purpose of training leaders in the girls' activities.

The Girls' Reserve meets every Tuesday morning at 9:35 and follows, as a course of study, the "Girls' Reserve Manual" and a "Course for Advisers of Girls' Activities."

There is an ever-increasing need in Girl Reserve work for leaders who understand the problems of the high-school girl.

The officers of the organization are:

CAREY COLES . . . . .	<i>President</i>
HILDA SMITH . . . . .	<i>Secretary</i>
EMMA WILSON . . . . .	<i>Leader</i>

The members are Katheryn Hood, Myrtle Geise, Ida Lamback, Margaret Gogle, Carrie Bochow, Nettie Leslie, Verna Thomas, Juleff Coles.

## Campfire Girls

MRS. JOSEPHINE WEATHERLY . . . . . *Guardian*

THE CAMPFIRE GIRLS meet regularly once a week at the Woman's Building.

About twenty-six girls enroll in this activity each year and take the degrees which enable them to become guardians, as these girls leave college they go out into the schools and organize campfires among the younger girls or continue the camp organized by someone else. Mrs. Weatherly is the Sponsor and much of the success of the campfire is due to her untiring efforts.

## Telegraph Department

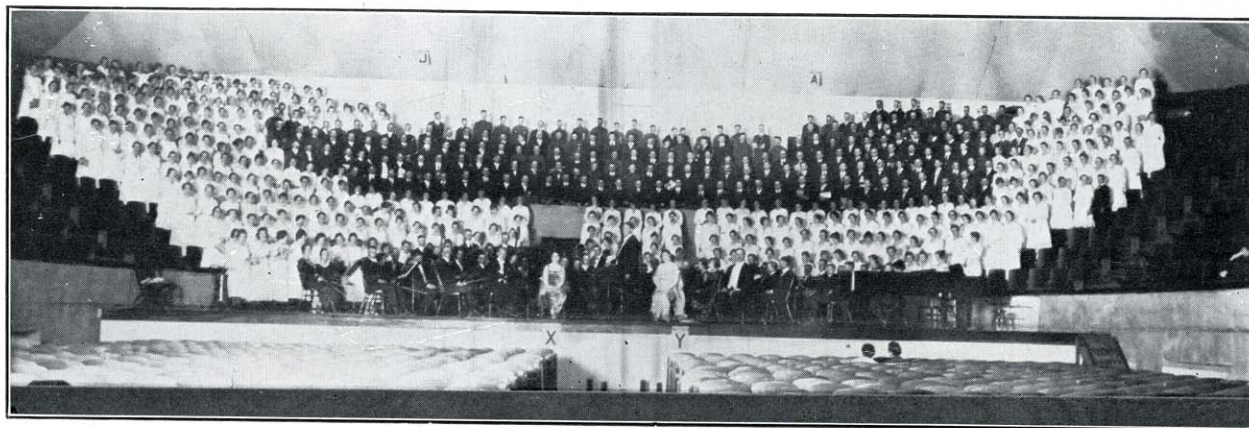

**T**HIS department is under the direction of Prof. Victor C. Johnson, who has had twenty years of practical experience with the Western Union Telegraph Company and various railroads.

The equipment now in use in this department was installed at the cost of over \$5,000, and is of the latest type. Three Union Pacific wires are cut into the office. The tariffs are kept up to date through an arrangement made with the Union Pacific Railroad Company and the American Railway Express Company, and by this means the department is supplied with supplements as soon as the change in rate is authorized by the Interstate Commerce Commission.

Graduates from this department are located in eight different states and with as many different railroads and the Western Union Telegraph Company, as helpers, clerks, telegraphers, agents, and managers.

Students usually complete the course in two semesters; this, of course, depends entirely upon the efforts put forth by the individual student.

The usual enrollment fee of \$16.50 per semester is made in this department, with laboratory fees of \$4.00 for typewriting and \$2.00 for telegraph apparatus, making a total of \$22.50 for the first semester.

(PEARL SIDENIUS)

All hail to thee, thou Black and Gold!  
All hail to thee, let thy banners unfold!  
For we love and adore, as have others before,  
Our dear Alma Mater, all hail evermore!  
Hope's banner bright be e'er our guide  
And Faith's pure light with thee abide.  
Our love for thee will e'er abound  
To you our song shall aye resound;  
To you our song shall aye resound.

### CHORUS

All hail to thee, thou Black and Gold!  
All hail to thee, let thy banners unfold!  
For we love and adore as have others before!  
Our dear Alma Mater, we'll serve thee for evermore.

All hail to thee, thou glorious old plains!  
All hail to thee, with thy boundless range!  
Let our voices be raised in this hymn of praise;  
All honor and homage in each sounding phrase;  
To the glory and fame that Kansas has won,  
We pledge in defense each daughter and son  
Our love for thee will e'er abound.  
To you our song shall aye resound;  
To you our song shall aye resound.

AS THE 1926 Reveille goes to press, and we look back over the school year we discover many events which we wish we might have included in this issue, but could not. The staff has worked hard to portray the student life on our campus. We hope you have as much enjoyment in reading the Reveille as we have had in its making.

## The Leader

THE LEADER is the student publication of K. S. T. C., Hays. It is edited and managed by students enrolled in regular college courses. The students of the Journalism Department act as reporters for the Leader and do much to make it a success.

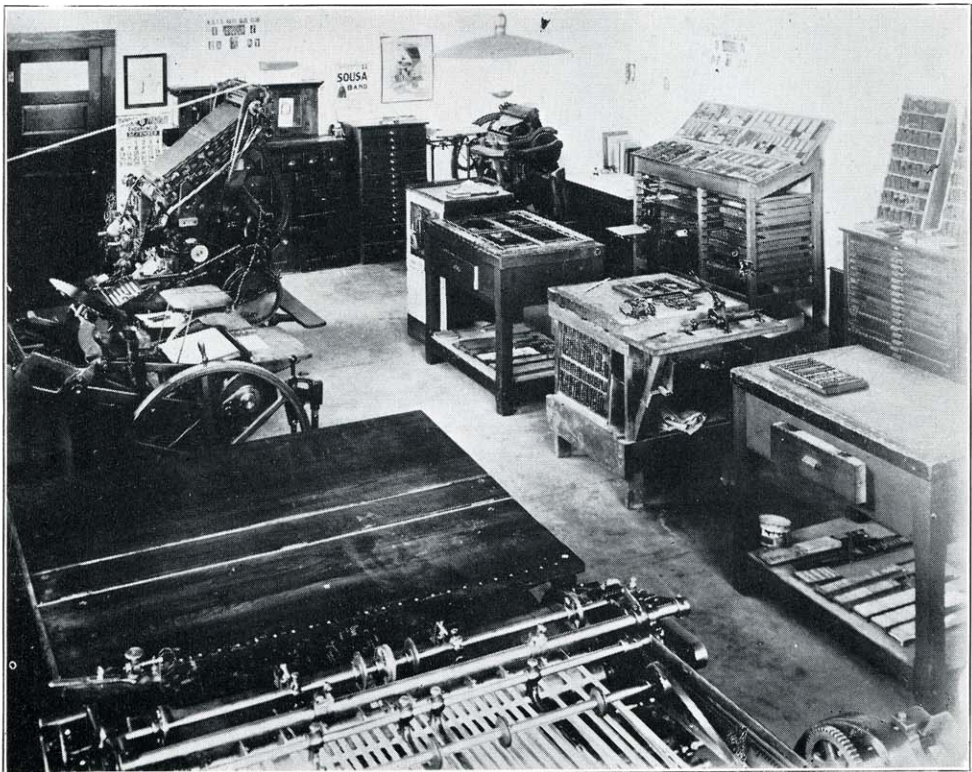

On March 18, 1908, the first Leader was published in Hays. It was a small booklet published by the Western State Normal School. During its development the size has changed three times and the name has varied somewhat. In September, 1913, this publication grew into an eight-page paper of a magazine type and changed its name to the "Normal Leader." Another jump was made in September, 1915, when the present size and name was adopted. The leader was published semi-monthly from the start until 1923, when it made another jump and was made a weekly paper.

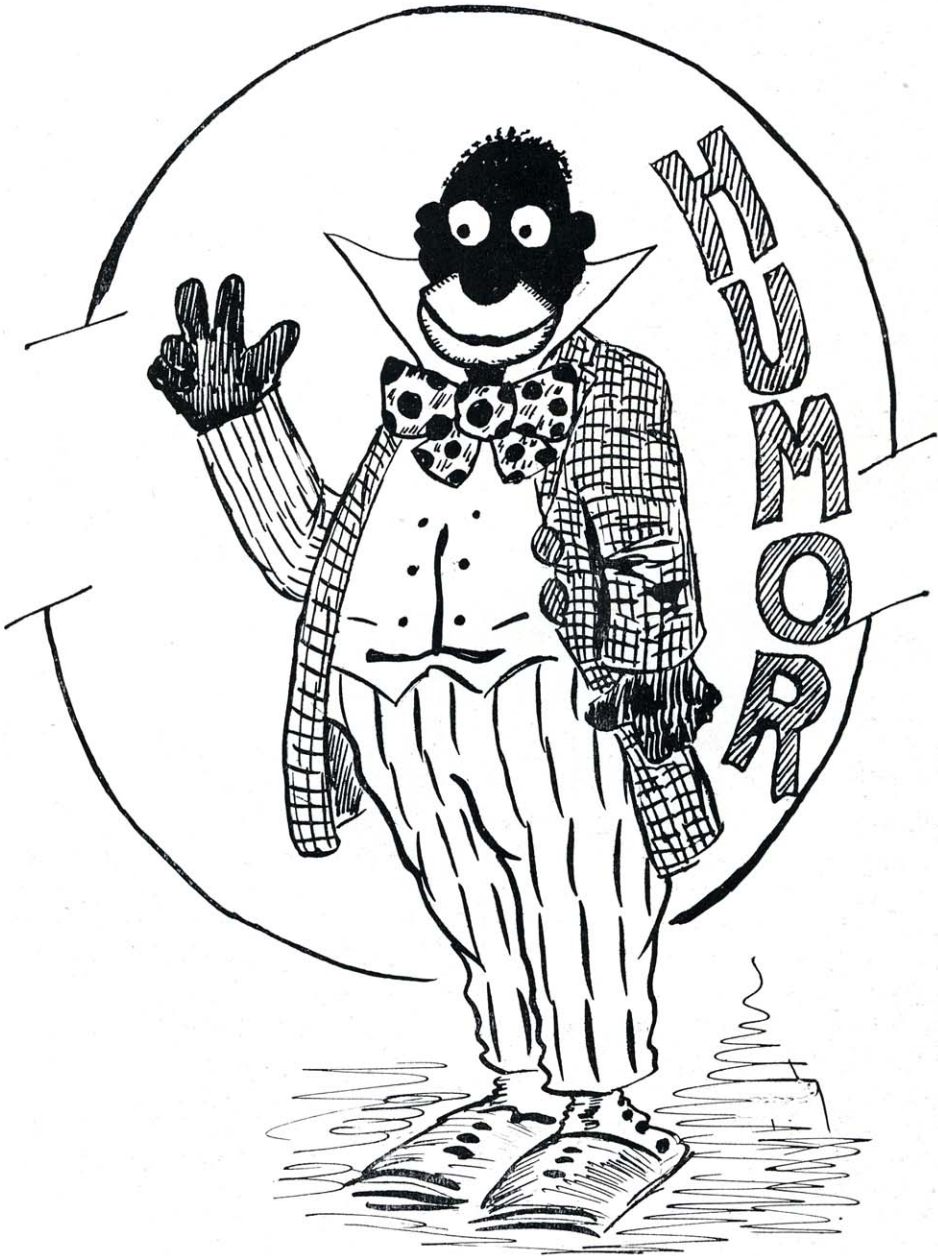

THE K. S. T. C. Print Shop has grown from a small makeshift affair into a \$12,000 plant under the direction of Walter Wallerstedt, a printer of eighteen years' experience.

The Reveille Staff of 1926 is greatly indebted to Mr. Wallerstedt for the cooperation which he has given.

"Why don't you chase it?" inquired the Deacon excitedly.

"Don't worry about that," replied Brownie. "He doesn't know where he is going. I've got the address here."

Barber: Do you want a hair cut?

Rex: No, I want them all cut.

A flea and a fly sat on a flue,  
Said the fly to the flea "Let's fly."

So the flea and the fly flew thru a  
flaw in the flue.

Yours truly

## UNIFORM EXCELLENCE

## AND PRICE ADVANTAGES

We do fine repairing and guarantee our work. Registered optometrist. Eyes examined, glasses fitted. We are competing with every other source of supply for your permanent trade, NOT the individual sale.

Prices reduced to pre-war basis, including repair work. Write for prices and compare with others. Doesn't it stand to reason, therefore, that we should maintain a quality of uniform excellence and give you all the price advantages possible? A trial will convince you.

The out-of-town patrons of our repair department, Uncle Sam will bring your work to us for a few cents and insure delivery. Send your watch and jewelry repair work by INSURED MAIL.
