Hays Teachers College

THE history of Hays Teachers College, preceded by fifty years of struggle for possession of the plains, has not always been a story of uninterrupted progress. We are now harvesting where brave pioneers have sown. The annals of the past contain the names of many men who have written the stirring history on these Western Kansas Plains. Their names and romances are the priceless traditions of this School.

Old Fort Hays was one of the line of military posts established soon after the Civil War to protect construction camps of the Union Pacific Railroad and the pioneers who had pushed their way westward. It was first located on Big Creek about fifteen miles southeast of the present location and it was then called Fort Fletcher. A disastrous flood destroyed the Post in June, 1867. There are many visible marks of this old fort that can still be seen. The building foundations, rifle pits, and barbecue ovens are easily traced. After the destruction of this fort a higher site was selected where two buildings still remain, about one mile south of the present city of Hays.

Hays was founded in 1867 and its industrial and social interests were intimately bound up with the life of the Fort.

The Fort Hays Military Post was abandoned in 1889 and various plans were suggested for the disposal of the land comprising the reservation. Homesteaders realized its value and were anxious to file on it, but the far-sighted pioneer saw a better future for this ground and suggested that it be used for public purposes. Finally in March, 1900, an act was passed by congress granting the land to the state to be used for a State Normal School, an experiment station for the Agricultural College, and a public park.

The Normal School was started in 1902 with William S. Picken as principal and two teachers. Since that time the faculty has increased to fifty-seven members. Dr. William Alexander Lewis succeeded Picken in August, 1913, and is still guiding the destinies of Our School.

WILLIAM A. LEWIS, B. S., A. B., LL. D.
President

Head of the Kansas State Teachers College since 1914

Calling to the Students

"THE power of forts and regiments was required to control the haughty, stern-spirited Red Man. Fort Hays is our reminder of the unconquerable spirit which ruled the Plains. It is fitting and proper that the land, which once served the nation's soldiers as a home while they were winning the Plains for cultivation, should now serve the State of Kansas in educating her young men and women to live a life of high service and happy citizenship. The Fort Hays Kansas Normal School is surrounded with a halo of tradition. Men whose indomitable spirit made them the heroes of our nation, have tramped over our campus and bivouacked on the banks of our lake, and have cooked their meager meals on camp-fires replenished from our woods. Their spirits are calling in bugle-notes to our boys and girls. Their example sets before us a lesson of superb courage, of true comradeship, of clean lives, of unselfish devotion to their people, to their state, and to their nation. The senior has marched on the parade-grounds of unconquerable spirits, has picnicked on the camp-ground of indomitable warriors, has breathed the air of the Plains expanse, and has the same field of vision over which have looked the greatest men of our nation. With such a heritage and such a presence, the senior and the alumnus must live a life of splendid service and the undergraduate has for his goal a life of high ambition."

The above quotation was written by President Lewis to the students of 1914. The same facts apply to the K. S. T. C. student of today. We are proud of our Alma Mater and its heritage.

The Teacher

An old man going a lone highway
Came at the evening, cold and gray,
To a chasm, vast, and deep, and wide.
The old man crossed in the twilight dim,
The swollen stream had no fears for him;
But he turned, when safe on the other side,
And built a bridge to span the tide.

"Old man," said a fellow-pilgrim near,
"You are wasting your time in building here,
You never again will pass this way,
Your journey will end with the closing day;
You have crossed the chasm, deep and wide,
Why build you this bridge at even'-tide?"

The builder lifted his old gray head.
"Good friend, in the way I've come," he said,
"There followeth after me today
A youth, whose feet must pass this way;
This stream, that has been as naught to me,
To the fair-haired youth might a pitfall be;
He, too, must cross in the twilight dim;
Good friend, I am building this bridge for him."

"BILL"

"DUTCH"

"BILL" Weidlein, head football coach, is a K. U. product. His record there includes three K's in football and two in basket ball, besides being selected as Captain of the All-Missouri Valley football team.

"Bill" has developed real fighting teams and has brought recognition to K. S. T. C., Hays, from the entire Conference. With good material on hand and with "Bill's" determination and ability to produce winning teams, we are looking forward to seeing some "dangerous Tigers" next fall.

"Dutch" Lorbeer, assistant football coach, was a graduate of the Class of 1925. He has earned letters in all of the major sports on the K. S. T. C. Campus. He was selected as Center on the All-Time Tigers' team.

"Bunny" Gross, Freshman coach, is another Tiger athlete who is assisting with the football training at his Alma Mater. He had good success with his Freshman squad this year. Some of "Bunny's" men will make the Varsity sit up and take notice next fall.

The Squads

K. S. T. C. Tigers

K. S. T. C. Freshmen

CAPTAIN "HUCK" HERGERT

Senior Otis

Tackle

Weight, 180 lbs.

Injuries received in the Aggie game kept "Huck" out for four weeks. But once in there he made up for lost time. His determination to win pervaded the whole team. His clean hard fighting sportsmanship makes him a man of whom K. S. T. C. will always be proud.

"BURR" DEWALD
Senior Smith Center

Quarterback

Weight, 150 lbs.

"Burr" was a good field general and a star of first rank. He was an elusive player, a consistent ground gainer, and one that was hard to stop. He had the confidence of the whole team and the Tigers will miss him as a leader next fall.

"DUSTY" RHOADES

Senior Hays

Center

Weight, 180 lbs.

"Dusty" leaves a place that will be hard to fill. His football spirit is one that is hard to beat anywhere. He was one of the Tiger linemen whom the opponents remember much to their regret.

"GRIZ" GRISWOLD
Senior Rossville

End

Weight, 185 lbs.

"Griz" is one of those reasons why a Tiger can't be stopped. He is a good, hard worker and keeps up a good morale among the players. He was a good man to have at either end of a forward pass. K. S. T. C. is proud to have had such a player as "Griz."

"DUTCH" ANDERSON
Senior Oberlin

End

Weight, 165 lbs.

"Dutch" is one boy who has the "Ole Tiger Fight," and one that stays right in there and fights until the last whistle. He was going strong this year and we will miss him when the whistle blows next fall.

THE REVEILLE 1928

"PORT" PORTENIER
Junior Golden, Colo.

Fullback

Weight, 192 lbs.

This husky Tiger fullback is a tower on defense and a threat on offense. We like "Port's" football spirit. He not only gives all he has but also puts pep and ginger into the fellows and keeps them on the move. "Port" has one more year to fight for old K. S. T. C.

HOMER DUMM
Junior Hoisington

Tackle

Weight, 180 lbs.

His motto is "The harder you hit 'em the sooner they fall." He always gets his man and some times the other fellow's too. Though his name is Dumm, watch him play football and decide for yourself. He will be back next year to carry on the old fight.

"ERNIE" HART
Senior Webster

End

Weight, 165 lbs.

Hart is known for his dependability at end, always giving his best to the team. He is good on passes and never fails to stop plays around his end. He will be missed next year.

THE REVEILLE 1928

"DAVE" MOSIER
Senior Hoxie
Tackle
Weight, 185 lbs.

"Dave" was a tackle of good merit, always getting his share of the victims. He had plenty of weight and was shifty. This along with his fighting spirit spelled defeat for many opponent attempts to go through his side of the line.

"JOHNNY" LORBEER
Senior Webster
End
Weight, 160 lbs.

"Johnny" plays a real game at end. His specialty is booting the pigskin far into the enemies' territory. He was one of the best punters in the Conference this year. Johnny was also a good man on passes.

"POTSY" CLARK
Sophomore Augusta
Guard
Weight, 201 lbs.

When Capt. Hergert was injured in the Aggie game "Potsy" stepped right in and filled his place and filled it well. He has plenty of weight and a powerful charge when he goes through the line. He has two more years to "strut his stuff."

FLOYD CARTER
Sophomore Kipp
Halfback
Weight, 185 lbs.

He bridged the gap between Freshman and Varsity in one year. Carter is a good consistent player, a hard worker, and a clean sport. A more promising player cannot be found and two more years will prove it.

"CHINEY" TRAYLOR
Senior Arnold
Halfback
Weight, 170 lbs.

"Chiney" was the battering ram of the Tigers. He was good at bucking the line for good gains and was a deadly tackler. "Chiney" had hard luck in the Wesleyan game which kept him out for the remainder of the season.

LUTHER MUIRHEAD
Junior Dresden
Halfback
Weight, 162 lbs.

He was fast and shifty and used these faculties consistently for good gains. He was also a good defensive man and stopped many plays for no gains. We are counting on him strong for next year.

"JOE" MAHONEY
Sophomore Bunkerhill
Guard
Weight, 205 lbs.

This husky Tiger is a good scrappy line-man. He has an irresistible impulse to meet his opponent who is carrying the ball and the result is usually in his favor. He has two more years to "strut his stuff."

THE REVEILLE 1928

PAUL CHRISTENSEN
Senior Brewster
Tackle
Weight, 168 lbs.

"Chris'" motto was, "Let me at 'em". A good natured fellow with a serious football nature.

GEORGE NORTON
Senior Cawker City
Quarterback
Weight, 153 lbs.

George had the misfortune to break his leg in the last game. A valuable player.

CHARLES KIMERER
Senior Hunter
Fullback
Weight, 180 lbs.

A scrappy Tiger who didn't know when to quit fighting.

WAYNE RARDIN
Senior Palco
Halfback
Weight, 160 lbs.

"Persistence wins," is his motto.

"MANDY"

Frank Mandeville, a Jayhawker, is director of athletics, and also track, wrestling, and tennis coach. He has secured marvelous results in these sports.

Under "Mandy's" leadership the Tiger wrestlers annexed the Central Conference Championship. In track, the Tigers have won the hexangular meet for two consecutive years, won the triangular, and have not lost a dual meet in five years.

Harold Schmidt, another Jayhawker, took "Mandy's" place at the head of the basket ball squad this year. Schmidt comes to K. S. T. C. with one of the most enviable records ever made at K. U. In '26 he led the Missouri Valley in scoring and was chosen All-Valley forward. In '27 he was Captain of the K. U. team and led them to their sixth consecutive championship. He was also a member of the Kansas City, Kansas, National High School Champions in

1923, and picked as forward on the All-American team.

"Smitty" is a clean coach and a square-shooter and under his leadership we are looking forward to seeing a winning team of basketeers next year.

CAPTAIN MARVIN BASTIN
Guard

Junior Hoxie

Bastin, the Tigers' pride, is probably the best guard ever seen on the Tiger court. Edmonds chose him for his Hays all-time team, and twice he has been selected as second All-State guard. Fighting every minute—always leading—he is a real team man.

PAUL CHRISTENSEN
Center

Senior Brewster

"Chris" has rendered four years of valuable service to the Tigers. He is a good floor man and plays a hard driving game. We are sorry to lose him.

JOHNNY LORBEER
Forward

Senior Webster

Johnny came into his own this year and played with the aggressiveness of a veteran. He was high-point man for the Tigers. 'Nuff said.

HARRY KLEWENO
Center

Junior

Bison

"Squirrel" is another of the Tigers' dependable men. He can always be counted upon for his share of scoring honors in every game that he enters.

HOBART JACKSON
Forward

Sophomore

Augusta

"Jack" is a fighter to the finish. Though lacking in size physically, he makes up for it in the scoring column.

JULIUS BAHL
Guard

Sophomore

Hays

This was "Bally's" first year on the varsity and he acquitted himself well. He has the true Tiger fight and can be depended upon to deliver the goods.

JOE MAHONEY

Guard

Sophomore Bunker Hill

Joe is a hard and consistent worker, a real guard for any team. His future in basket ball is very bright and much can be expected of him in his next two years of varsity competition.

CHARLES GISH

Forward

Sophomore Palco

"Charlie" is a sincere player, always giving his best to the team. He is fast and shifty and a dangerous man near the basket.

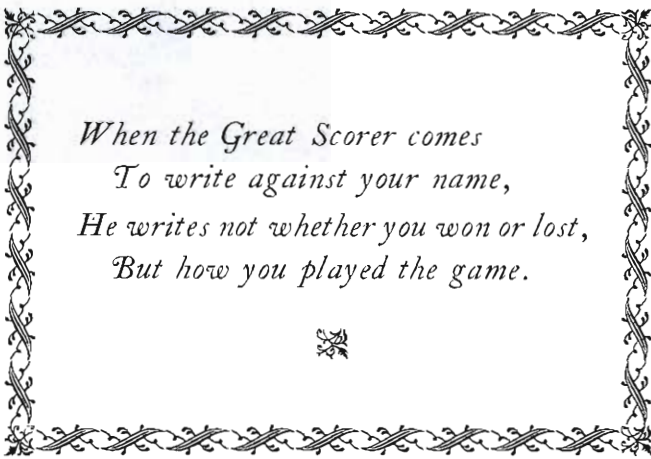

WAYNE HOUDYSHELL

Guard

Sophomore Pawnee Rock

"Houdy" has filled in at several positions and filled them well. He plays a good steady game and is fighting every minute. We hope he will return next year.

*When the Great Scorer comes
To write against your name,
He writes not whether you won or lost,
But how you played the game.*

BRADEN CLAIBOURN
Senior Bridgeport
Captain

Captain Claibourn is the Tigers' "Speed demon." He is a consistent point-winner in the 100 and 220-yard dashes, and is anchor man for the Tigers' relay team. He is a reliable leader and is always working for the good of the team.

Besides the letter men from last year, Floyd Carter, a sophomore, is making a fine showing on the Javelin, discus, and quarter. Minks and Light, freshmen, Bessler, sophomore, and Roy Brown, a junior, are also fine material for the 1928 squad.

In the Annual Freshman-Sophomore Track Meet, Carter and Minks each took four firsts.

Harold Baird, another sophomore, made a letter on the squad last year and is going good at the broad jump and pole vault. We do not have his picture for the Reveille because he was out of school the first semester.

SHERWIN GRISWOLD
Senior Rossville

"Griz" is a valuable weight man, good at both the shot and discus. He is what we would call "A Husky Tiger."

JOE BRONSON
Senior Bunker Hill

Joe is a conscientious worker. His specialty is the high hurdles, although he is not a stranger to the pole vault. He is also a member of the Tiger relay team.

HARRY KLEWENO
Junior Bison

"Squirrel" gets his name by the way he pole vaults. He holds the Hexangular record for the javelin throw and is also a good discus man. He is a consistent point winner for the Tigers.

ARNOLD ANDERSON
Sophomore Oberlin

Arnold is a good distance runner. His never-tiring stride wins many points for the Tigers. He is a hard worker and a constant trainer.

LAWRENCE BECKER
Senior Logan

"Beck" is good on the low hurdles and in the broad jump. He has helped the Tigers win for three years and we expect many points from him before he leaves us this year.

ADOLPH ANDERSON
Junior Osage City

His specialties are the high hurdles and the high jump. His motto is: "Let me alone, I'll deliver all right."

Wrestling

CENTRAL CONFERENCE CHAMPIONS

"MANDY'S" Necktwisters have an enviable record this year. This is only the second year of wrestling at K. S. T. C., yet the Tigers won five Conference matches and lost one, clinching the Championship of the Central Conference. Harold Copeland was the consistent winner of the squad. He has a perfect record, winning seven straight falls in seven matches. Captain Portenier was also a consistent winner. Besides Portenier and Copeland, other lettermen this year are: Griswold, Kimmerer, Martin, Jacka, Seiling, and J. Eichman.

Tennis

TENNIS is rapidly becoming one of the popular sports on the K. S. T. C. Campus. With the addition of several new courts, many are now able to participate in the "Duel of the Racquets."

Last spring, K. S. T. C. was represented in tennis by Wilbur Henning and Blaine Coolbaugh in doubles, and Walter Bollinger in singles. There are some more extra good racquet wielders at K. S. T. C., among whom are Jack Coolbaugh, Gene McFarland, Johnny Lorbeer, and Waldo Wickizer.

Review of the Season

THREE games won, five lost, and one tied, was the Tigers' football record for 1927.

The Tigers started the season with a non-conference game with the Kansas Aggies at Manhattan. The Aggies won, 30-6, in a hard-fought game. Captain Hergert was injured in this game and the Tigers were without him for four weeks.

The following week the Kearney, Nebraska, teachers came down to battle the Tigers on their home grounds. This was a non-conference game, also. Practically every man on the squad was given a chance to show his worth during the game. The Tigers won, 25-6.

On October 8th, the Tigers journeyed to Emporia for their first conference game. It was a good battle, with the Tigers fighting every minute of the game. The Yellowjackets won, 26-0. Emporia went through the season undefeated.

October 15th saw the Sterling Barrelnmakers invading the Tigers' camp but they carried off only the short end of a 14-0 score. Traylor started the fireworks early with a 65-yard run for a touchdown.

October 22nd saw the Tigers and St. Marys tangle in one of the hardest-fought and most interesting games of the season. The game was fought on even terms until the last quarter when the Tigers put over the lone touchdown of the game.

On October 29th, the Tigers and Bethany Swedes battled to a tie. The Swedes scored early but the Tigers came back in the second half and evened the count. The Tigers' touchdown was scored through the Swedes line which was the first time in three years that any one had scored through their line.

On November 4th, the Tigers, accompanied by 200 rooters, including the college band, students and "old grads," journeyed to Salina to meet the Coyotes. The first half was scoreless, but in the second half the Coyotes intercepted a Tiger pass and scored a touchdown and before the game was over they added 10 more points to that, making the score 17-0. This was the first time that the Coyotes had beaten the Tigers in 12 years.

On Armistice day, the Tigers met the Swedes again, this time at Bethany. The Swedes had been pointing towards this game for two weeks. Though they won, 20-0, the game was by no means as one-sided as the score indicates. The Swedes' brilliant aerial attack won the game for them.

Homecoming day, November 19, the Pittsburg Teachers met the Tigers on Lewis field for the last game of the season. Thirteen Tigers were playing their last game for K. S. T. C., and they played it well. The Gorillas won, 13-7, the winning touchdown coming from an intercepted Tiger pass in the last quarter.

Review of the Season---Continued

In basket ball the Tigers' record was: Won three and lost nine. Though they only won three games, this is offset by the fact that two of those games were won from first and second place teams. Pittsburg was tied for first place in the conference and Wichita U. was in second place, yet the Tigers won from these two teams when other teams in the conference could not do so.

In years to come when a K. S. T. C. student looks back at the record of this year he will doubtless shake his head sorrowfully and murmur something about a "bad year." And we will agree with him that it was a bad year as far as games won and lost go. But what K. S. T. C. student of today who saw that fighting Tiger team down the Pittsburg Teachers, 22-21, Wichita U., 33-20, and C. of E., 22-20, can say that the Tigers' team of this year was a failure?

The silver lining to the cloud appears before the Tigers in the wealth of material K. S. T. C. has for next year. Every team must have an off-year now and then. K. S. T. C. had hers this year. The darkest hour comes just before the dawn. Watch "Smitty's" men next year.

Morris "Shorty" Hower was the leading Tiger Pepster for the season of 27-28. Whether it was at assembly, pep meeting, or the contest, he was there to lead our yells. Many of the victories are due in part to his enthusiasm, which always found response from the student body.

SIGMA SIGMA SIGMA

Meeting called to order by Sister Conner and roll call was completed with all members present. The time was spent in discussing problems of dress and dress ownership. It was decided that each member be allowed to wear her own dress at least once a week. Meeting adjourned for dates.

PHI MU ALPHA

Phi Mu Alpha business meeting began without prelude with Brother Malloy absent as usual. Motion made, seconded, and carried, that the fraternity invest in a "shingle" made of cast iron, weighing 3 tons and cemented to the front step. Adjournment.

SIGMA TAU GAMMA

Meeting called to order by president. Plans were completed to establish a one-horse equipment store beginning with the sale of the horse shoe on the back of Brother Kelly's car. Adjourned to play pinochle.

KAPPA PHI ALPHA

Brother Muirhead called the meeting to order and members responded to roll call with quotations from Milton, Plato, and Socrates. A new ring and pin committee was appointed consisting of Brothers Mosier, Timken, Gish, Robinson, and Rhoades. They adjourned to consult with the fair sex.

DELTA SIGMA EPSILON

In the absence of the president, vice-president, secretary, treasurer, chaplain, and sergeant, the eldest member present, Sister Wagner, took charge of the meeting and discussed the possibility of the College maintaining extension classes to save members the long walk to and from classes. No decision was reached. Pledges served refreshments of pickles and cake.

ALPHA SIGMA ALPHA

At the last meeting of the year Alpha Sigma Alpha enjoyed a debate on the question Resolved: Late hours are not good for one, but very good for two. The affirmative team was composed of Sisters Hayes and Wright versus the losing negative team of Sisters Conley and Wilson.

KAPPA BETA TAU

Kappa Beta Tau under the direction of Brother Hower has been pursuing a course of study entitled, "Spring Fever and How to Bring it Down to Normal."

ZETA SIGMA PHI

Zeta Sigma Phi met and prepared to answer roll call when the secretary discovered she had left her book at home, so the meeting proceeded. An interesting feature of the program was when Sister Smith demonstrated how she doubled her salary by folding over the pay check. Meeting adjourned.

Debate and Oratory

THE forensic contests of 1927-28 consisted of six men's debates, one women's debate, and two oratorical contests. Of the seven debates held, three were non-decision contests, three were judged by a critic and one was an audience decision debate.

The debate with Southwestern resulted in a victory for K. S. T. C. It was in this debate that the audience decision was used.

The first oratorical contest was with Bethany. Miss Nessie Coles, representing K. S. T. C., won this contest. The second oratorical contest was lost to Pittsburg.

The only women's debate held was with Salina Wesleyan. This contest resulted in a victory for Wesleyan.

The question used in all debates was, "Resolved, That the United States should cease to protect, by armed force, capital invested in foreign lands, except after formal declaration of war."

THE Young Men's Christian Association, as an organization on the campus of K. S. T. C., Hays, works for the furtherance of Christianity. As a means to this end it offers an opportunity to the men of the campus to get together and discuss campus life in the light of the teachings of Christ.

The Y. M. C. A. is a non-denominational organization, and all students are welcome to join. Regular weekly meetings are held.

The organization brings several speakers to the campus each year. In co-operation with the Y. W. C. A. it gives the first mixer each year. On enrollment day the Y. M. C. A. sponsors a student advisory group for freshmen.

Other Activities

THERE are a large number of student activities carried on at K. S. T. C. besides those that have group pictures in the Reveille.

The Natural Science Club meets every Tuesday afternoon. It is an organization for those majoring or minoring in biology. A study is made of birds, minerals, trees and other plants, first-aid methods, and campfire cooking. The purpose of the Club is to train students to become leaders of high school science clubs. Professor L. D. Wooster is sponsor of the Club and the members are: Ralph Imler, Ira Rhoades, John Eichman, Orland Edgington and Lawrence Becker.

Professor C. H. Brooks sponsors an activity in Parliamentary Law. There are about twenty students that take this activity each semester. It meets each Tuesday at 9:35. Roberts' Rules of Order is used as a text and a study is made of the fundamentals of legislative procedure.

Many men who are interested in working with boys take the activity which is offered in Scouting. They meet with the Boy Scouts on Monday evening. Actual experience is given in leading the younger Scouts. Professor L. D. Wooster is director of this activity.

The Students who work on the Reveille Staff or Leader Staff are also given activity credit for this work.

Custer Hall

A HISTORY of Custer Hall would not be complete which failed to mention the heroic work of the club women of Kansas who, through their courage and undaunted faith in the efficacy of persistence, after ten years of legislative effort, finally succeeded in getting a bill before the House for an appropriation for a hall of residence on each of the campuses of the five educational institutions. The bill passed both Houses and in the closing days of 1921, Henry J. Allen, then Governor of Kansas, affixed his seal and signature, thus completing one of the finest pieces of legislative work ever done for the young women of Kansas.

MRS. ETHEL MCKENNA

Elizabeth Custer Hall, as it was named after the wife of General Custer, was completed in the fall of 1924. Accommodating eighty-four girls, and furnishing all the conveniences of the most modern home, it provides for the daughters of the sturdy Kansas Pioneers a home of which they may well be proud.

THE Women's Glee Club is one of the leading organizations on the campus. While most of the members are students in the Department of Music, its membership is not confined to that department. The members are chosen by competitive examination and almost every department of the college is represented.

The Glee Club was highly praised for the program which it presented, for the beauty of the individual voices, for the blending of the voices, and for the splendid interpretation of the program numbers.

This organization is under the personal direction of Professor Henry Edward Malloy, the Director of Music in the College, and has for its accompanist, Miss Ruby Dews, a most talented pianist.

The girls' quartette this year consisted of the following members:

FADONNA WRIGHT	<i>First Soprano</i>
GLADYS HAYES	<i>Second Soprano</i>
MILDRED KING	<i>First Alto</i>
CAROLINE BELTZ	<i>Second Alto</i>

The Reveille

IT HAS been the purpose of the 1928 Reveille Staff to make a permanent record of the college days which are so dear to us and also to create an interest in the historic struggles of Western Kansas and our school. The building of a college yearbook is no small task and it could not have been accomplished without the co-operation of the faculty and student body.

The Leader

THE K. S. T. C. Leader is the student publication of Hays Teachers College. It is under control of the students, with a board of control having two faculty and three student members. The editor is elected annually by the student subscribers from those who have taken work in the Journalism Department.

Students of journalism at Hays have an opportunity to do practical news writing, editing, and general newspaper work. They do all of the reporting for the Leader. The paper also keeps the alumnae and former students posted on the student activities of the College.

WALTER WALLERSTEDT
Printer

TO KNOW Walter Wallerstedt is to like him for he is a real friend of the students.

Under his supervision the K. S. T. C. Print Shop has grown from a small affair into a \$12,000-plant. The Leader, Public Service, and many bulletins, are printed here besides the numerous odd jobs of the College.

The 1928 Reveille Staff can not overestimate the value of his co-operation. He is always willing and always finds time to help the fellow who needs it.

SEPTEMBER

13. K. S. T. C. campus alive again after six weeks of quiet. There is much joy in meeting old friends. Several new faculty members. About 650 survived the day of enrollment. Some are broke while others are badly bent. Bummy sells enough assembly tickets and catalogues to almost pay his enrollment fee.

14. Prexy gave his annual invitation to the Freshman girls, but it seems that young Prexy has the favored shoulder.

16. Y. M. and Y. W. get acquainted party. Freshies feel the paddle; Gerald Young is the first thru the line. Evidently some felt that Prexy's advice to forget the home girl was not meant for them.

22. Bankers' banquet at Cody Commons. First pep meeting. Shorty Hower master of ceremonies. Well attended by Freshmen even tho they had to make many bows to the upperclassmen at the door before they were admitted.

23. Special assembly called at the depot to see the Tigers leave for K. S. A. C.

24. Game by radio. Johnny Lorbeer made a touchdown. Aggies got big end of score but judging by the condition of the Tigers it was a grand old scrap.

30. Assembly seats assigned. Freshman caps and armbands appear on the campus. Dean Lee causes many hard looks when he says, "No activity tickets will be given until you have your picture taken." Rush Week is on. Freshies begin to primp.

OCTOBER

1. Tigers beat Kearney 25 to 6. Lots of pep and paddles. Imler has special company from Junction City.

WHAT YOU WILL GAIN FROM A COLLEGE EDUCATION

YOU SEE, M'LOVE, TWAS LIKE THIS - I STARTED HOME ABOUT EIGHT-THIRTY - OR MAYBE IT WAS NINE-ETC.

EVERY TIME YOU MAKE A TRIP TO SEE THE DEAN YOU ARE GETTING PRACTICE IN THAT MOST NOBLE OF ARTS - LYING - ABOVE WE HAVE AN INFORMAL SNAP SHOT OF OUR HERO WHO IS TRYING THE EXCUSE STUFF ON THE "OLE WOMAN" - SHE HAS JUST CAUGHT HIM TRYING TO SLIP IN THE BACK DOOR AFTER AN ALL NIGHT POKER GAME.

AND THE GOOD OLD COLLEGE SONGS! THINK HOW USEFUL THEY WILL BE WHEN YOU HAVE TO PUT LITTLE "JR" TO SLEEP AT 2 A.M. (CENTRAL STANDARD TIME)

AND DON'T COME BACK

AH LUCKY INDEED IS THE LAD WHO NOW KICKS A FOOT BALL ON THE GRIDIRON - HE NEED NEVER FEAR THAT DREAD CURSE - BOOK-AGENTS

SLIP US A CIGARETTE PARTNER

NOTE THE CLASS - THE STYLE - TO THE CIGARETTE - 'OUM'S TECHNIQUE. THAT NOBLE FORM WILL PROVE USEFUL TO HIM IN LATER LIFE WHEN HE WANTS TO BORROW A FIVER - OR PERCHANCE A TEN SPOT!

THOSE LUCKY STUDENTS WHO CAN NOW SLEEP DURING CHAPEL WILL HAVE ALL THE ADVANTAGE LATER IN LIFE WHEN IT FALLS TO THEIR LOT TO ATTEND BANQUETS.

30. Director here for Aida. Christy gets some pointers. Paul Selby gives report in assembly, on Detroit Conference.

APRIL

5. Track meet with C. of E. Watch the Tigers step.

11. Junior play.
17. Back to the mills from Easter recess. Several Freshies sick from eating too many colored eggs.
20. W. A. A. Playday. Not play house either, but oh, what fun!
22. Hubert Landry, our physics genius, wins great fame by inventing this modern time saver. It is now possible to get up at 7:40 and make the 7:45 class.
23. Girls efficiency meet.
27. Track meet with Kearney. "Go you Hays Tigers."

Put: "Dear, do you know I've had something hesitating on my lips for quite a while?"

Geoa: Oh my! And you know how I hate those little mustaches."

29. Beginning of Music Festival Week.

MAY

1. Many of the lonesome Freshies have their papa and mama here showing them the sights on our campus.

16. Senior vacation begins; also exams., caps and gowns appear.

18. Exams, exams, everywhere with drops of ink.

But not a teacher left the room to allow a fellow to think.

20. Baccalaureate address.

24. Commencement. Seniors loath to leave their dear old Alma Mater.

25. Fond farewells and sad partings: The campus of K. S. T. C. Hays is quiet again, awaiting another group to enjoy its charm and the pleasures that we know so well. Seniors, adieu.

Senior (ethentially): Yes sir, Frosh, your freshman year is your big year. When you are a freshman you have something to look forward to.

Frosh: Yeah, and feel backward to.

Student: Mr. Sternberg, have you mounted your fossil horse yet?

Mr. Sternberg: Why—er, I haven't tried to ride him yet.

Joe: I suppose you dance?

Virginia: Yes, I love to.

Joe: Great! That beats dancing any time.

Soph: If a colored waiter was carrying a turkey on a platter and let it fall what four great calamities would occur?

Frosh: I'll bite; what four great calamities would occur?

Soph: That's easy. There would be the downfall of Turkey, the breaking up of China, the overthrow of Greece, and the humiliation of Africa.

The road to the office is paved with good intentions.

Harold Baird: Mr. Walker, does a robin have a red breast?

Mr. Walker: That's a problem, look it up.

Mr. Frazee (in assembly): Knowledge, understanding and wisdom. Uh uh. Now allow me to analyze that briefly, uh uh.

Frosh: Do you draw?

Coed: Yes, a little.

Frosh: Then draw a little closer.

Mrs. Weatherly: Mr. Bollinger, what unfavorable conditions for study have you found?

Walter: The incessant, unpredominated, idiotic and non-sensical flow of voluminous garrulity from my inferior roommate.

Mrs. Fitch: That coffee tastes like dirt.

Leo: It ought; it was ground this morning.

Scientists have discovered that women talk less in February than in any other month.

Confidence

There's a world of meaning in that word, CONFIDENCE. Your parents have confidence in you when they send you away to school, and you students merit that confidence when you stay through the four years that are necessary to secure your diploma.

Then when you go out into the world for yourself, it is your job (by no means a small one) to secure the confidence of the people with whom you transact business.

This will be accomplished by fair dealing to all, "a dollar's worth for every dollar." In our thirty-three years of business we have at all times endeavored to maintain a standard that will "follow through" the years that are to come.

WESTERN KANSAS *Schooled by Hays*

For more than sixty years Hays has taken the lead in the development of Western Kansas.

In the pioneer days Fort Hays was established in Western Kansas to protect the early settler and the railroad builder. Because of the proximity of Hays, its citizens, after the abandonment of the Fort, assumed this guardianship.

From the beginning, Hays was an important trading and freight center; but, not being satisfied, its citizenry looked into the future growth of Western Kansas and directed attention to the prospects of immigration and the development of the agricultural resources of the surrounding territory.

As the settlement of Western Kansas advanced, Hays kept pace with progress, furnishing an educational, medical, and commercial center that is truly interested in the growth and development of Western Kansas.

The historical incidents of the early days and their preservation have instilled a true "pioneer spirit" in the citizens of Hays and in the students attending Hays institutions.

We all know the perseverance and sincerity of the "pioneer spirit." Hays educational institutions develop it—they *school* Western Kansas!
