HAYS TEACHERS COLLEGE

WHERE sixty years ago a military post protected the vanguard of westward civilization, today the Kansas State Teachers College of Hays pioneers in the educating of Western Kansas youth. Where once buffaloes ranged and Indians stalked, now students march in quest of knowledge. From its beginning this college has been predominated by the progressive spirit that conquered the wilderness; it is imbued with that vigor so characteristic of the West.

Founded in 1902 largely through the efforts of Charles Curtis, now Vice-President of the United States, the Western Branch of the Kansas State Normal, later named the Kansas State Teachers College of Hays, has grown in size and prominence until it ranks with the best teachers colleges in America. Its growth has been largely due to the work of Dr. William Alexander Lewis, who has been President of the institution since 1914.

The faculty is made up of a personnel well qualified for the responsible functions of the college. Courses of study leading to the bachelor's degree are offered and, in addition, graduate work leading to the master's degree will soon be available. The fact that the school will offer this degree in less than thirty years after its founding is indicative of its rapid progress.

The campus is one of the most beautiful in the middle west; it covers about eighty acres of ground and has considerable natural scenery to enhance the appearance of a number of well situated buildings.

Reputation is important, and the Hays Teachers College is known in educational circles throughout the country for the type of students that it turns out. Its alumni include teachers in all parts of the nation; yet it is an evident fact that its service has just begun.

WILLIAM A. LEWIS, B. S., A. B., LL. D.
President

Head of the Kansas State Teachers College since 1914

CALLING TO THE STUDENTS

“THE power of forts and regiments was required to control the haughty, stern-spirited Red Man. Fort Hays is our reminder of the unconquerable spirit which ruled the Plains. It is fitting and proper that the land, which once served the nation's soldiers as a home while they were winning the plains for cultivation, should now serve the State of Kansas in educating her young men and women to live a life of high service and happy citizenship. The Fort Hays Kansas Normal School is surrounded with a halo of tradition. Men whose indomitable spirit made them the heroes of our nation, have tramped over our campus and bivouacked on the banks of our lake, and have cooked their meager meals on campfires replenished from our woods. Their spirits are calling in bugle-notes to our boys and girls. Their example sets before us a lesson of superb courage, of true comradeship, of clean lives, of unselfish devotion to their people, to their state, and to their nation. The Senior has marched on the parade-grounds of unconquerable spirits, has picnicked on the camp-ground of indomitable warriors, has breathed the air of the plains expanse, and has the same field of vision over which have looked the greatest men of our nation. With such a heritage and such a presence, the Senior and the alumnus must live a life of splendid service and the undergraduate has for his goal a life of high ambition.”

Probably no statement or group of statements mean so much to the K. S. T. C. student as does this quotation written by President Lewis to the students of 1914. We are proud to take up our work and know that we have a traditional and wonderful institution as our Alma Mater.

FAREWELL TO SENIORS

WE REGRET that in the near future we will part from those friends of ours whose classification is Seniors. We have spent happy days together in this institution and now we must depart with a fond farewell. Nevertheless you have made a friendship or probably a great many friendships that will remain with you forever. It is the wish of us as Juniors that you enjoy a happy future and that your accomplishments be great in any work that you attempt.

JUST A MINUTE, PLEASE - - -

BEFORE the reader turns to the freshmen section, he is requested to please bear in mind that the freshmen belong to an inferior class; inferior, at least, as compared to the obviously superior upperclassmen. Hence this page. Were there not a dividing page between the freshmen and upperclassmen, the youngsters might be led to believe that there exists some degree of equality between them. This would never do, for the freshmen **MUST** be made to feel their place. The inferiority of freshmen is a part of college traditions all over America. Better that institutions of higher learning cease to exist than that these traditions die out. We dedicate this page to the maintaining of tradition.

FOOT BALL

"BILL"

WM. D. WEIDLEIN, Athletic Director and Head Football Coach, is a product of K. U. where he won great fame as an athlete. His record includes 3 K's in football besides being selected as Captain of the all-Missouri Valley Football Team.

Bill has had good success in football since coming to K. S. T. C. and has made the name Tigers one to be feared in the Conference. Under his strategic guidance the Tigers showed a punch and drive that more than lived up to expectation. Bill's determination and ability are unquestioned and we are all pulling for him to have a winner next fall.

HAROLD SCHMIDT
Head Basket Ball Coach

"ANDY" SCHOEPEL
Assistant Football Coach

"SMITTY" has unusual ability as a coach and has shown it in coaching a team that, although ranking about halfway down in the conference, was feared the most of any team in the conference because they always played clean, straight, fast basket ball.

"Andy" was added to the coaching staff the last year and a great deal of the Tigers' success the last season was due to his services. His great career as an all Missouri Valley end enabled him to coach the Tiger wingmen in a way that was admired by spectators and opponents.

CAPTAIN BYRON ROGERS

CAPT.-ELECT JOE MAHONEY

1928 Football Squad

REVIEW OF SEASON

OUR record in the Conference is won 3, lost 2 and tied 1.

With the opening of the 1928 football season, Weidlein was confronted with the problem of building up a team around six lettermen. Twelve lettermen were lost to the Tigers last spring through graduation. Early season dopesters picked the Tigers to hold down the cellar position. But my! what funny notions these dopesters get.

The Tigers got off to a bad start, losing to the Hornets 34 to 0. The Hornets, however, had practically the same team that tied for Conference championship last year. The next week, however, the Tigers found themselves. They outplayed the Kansas Aggies in all departments of the game, except fumbles. The Aggies won 21 to 7; all of their counters were the result of Tiger fumbles.

On October 26 the Tigers fought the Moundbuilders to a tie at Winfield. This was a good omen, however, as the Moundbuilders had tied the Hornets the week before.

On November 3 the Wheatshockers invaded the Tiger camp. Before coming they had spoken of the Western Tiger eleven as a March breeze. My, how that breeze does blow sometimes. The Tigers won 7 to 0.

On November 9 the Tigers journeyed to Emporia where they lost to Selves—beg your pardon—to C. of E. 33-0. The Presbyterians later won the championship.

On November 16 the Tigers trounced the Ichabods 6-2 on a muddy field. Could the Tigers have had dry footing—oh well, what's the use?

On November 24 the Tigers played the Gorillas at Pittsburg where they won 6 to 0, in a hard-fought battle.

Not such a bad season after all. Though we lost to the two Emporia schools, the other teams in the Conference did likewise. We tied Southwestern and defeated Wichita U., Pittsburg Teachers, and Washburn. Well done Tigers, and may you repeat next year.

CAPTAIN BYRON ROGERS
Senior *Jennings*
Guard
Weight 165 lbs.

Byron is the type of Captain the Tigers are proud to have and one that they will miss badly. He put his whole heart and soul into the game and his fighting spirit helped to put the Tigers in the win column. He was placed on the second all-State team as Captain and guard.

CAPTAIN-ELECT JOE MAHONEY
Junior *Bunkerhill*
Guard
Weight 210 lbs.

Joe is one of those "good big men." The fact that he was chosen to lead the team next year shows his worth to the team. When Joe gets his Irish up it's just too bad for the opponents' line. Watch Joe carry on the old fight next year.

Driving, plunging, and fighting all the time was the record of the Tigers in all of their games this year. The Emporia Teachers game, although a defeat, was an eye-opener to Hays football fans and created an interest in the team that was held throughout the season.

EARLE TRAYLOR

Senior

Arnold

Halfback

Weight 170 lbs.

"Chiney" was the Tigers' "lone scoring ace." They didn't make 'em too tough or too big for him. When you heard a thump and saw the pigskin on the other side of the goal line, it was usually "Chiney" who was holding it. We'll miss you, "Chiney," when the old whistle blows next fall.

HARLOW ANDERSON

Senior

Linwood

Tackle

Weight 165 lbs.

"Andy" was a fighter from start to finish. When about 15 men were seen to give a sudden heave and sprawl in all directions, the fellow who came out and wiped his nose and went in for more was "Andy." He played a fast game at tackle and when a hole was required, he made it. We're sorry to lose you, "Andy."

CHARLES GISH

Junior

Placo

Quarterback

Weight 152 lbs.

Charlie was what you would call a football streak. He ran the team well as quarterback, and showed that though lacking in size below the shoulders he had plenty size above them. He has another year for K. S. T. C.

JULIUS BAHL

Junior

*Hays**Quarterback*

Weight 170 lbs.

"Bally" ran the team well and also did his share of ground gaining. He had the misfortune to break his ankle in the Wichita game and was out for the remainder of the season. The best of luck to you next year, "Bally."

HOMER DUMM

Senior

*Hoisington**End*

Weight 190 lbs.

He may be Dumm, but how he can play football! He is a player that will not be easily forgotten either by his teammates or by his opponents. We are sorry to lose him.

Wichita, Washburn, and Emporia Teachers met the Tigers on Lewis Field. Wichita and Washburn both met defeat. Likewise C. of E., Southwestern, and Pittsburgh Teachers when they meet the Tigers here next fall. If there is one place the Tigers fight it's on their home field.

WARREN PORTENIER

Sophomore Golden, Colo.

Tackle

Weight 195 lbs.

With "Port" on one side of the line and "Andy" on the other—what a fighting pair of tackles. The hole that "Port" left for his plunging backs reminded one of the destruction, a "Big Bertha" made during the war; Yes! "Port" you may play on our football team next year.

LUTHER MUIRHEAD

Senior

*Dresden**Halfback*

Weight 182 lbs.

Luther was a good ground gainer. He hugged the old oval to him and ran like a scared rabbit. He could snag forward passes both his own and his opponents. He will be missed in the lineup.

FLOYD CARTER

Junior

*Kipp**Fullback*

Weight 198 lbs.

Carter was our triple threat man and no matter whether he kicked, passed, or ran with the ball, it was for good gains. He has the "Ole' Tiger Fight." He is quiet, but these quiet guys are the most dangerous—aren't they?

EUGENE OATES
Senior *Minneapolis*
End
Weight 175 lbs.

Oates played a whale of a game at end. He was a hard fighter, and always consistent. Whoever wrote "He Comes Up Smiling," he certainly meant Gene.

JOHNNY LORBEER
Senior *Webster*
End
Weight 170 lbs.

Johnny had bad luck most of the season, having a bad leg. He is the last of the Lorbeers. May success be yours elsewhere as it has been here at K. S. T. C.

ROLLEN NIPPS
Junior *Phillipsburg*
Fullback
Weight 170 lbs.

Though kept out by injuries part of the season, he soon made up for lost time.

JESS SCHMIDT
Freshman *Fairview*
Center
Weight 192 lbs.

Does he like football? Yes, he would feel perfectly at ease in a football suit at a banquet.

JOHN EICHMAN
Senior *Bogue*

End.
Weight 165 lbs.

A hard worker who likes to see the Tigers in the win column.

CARL WANASEK
Senior *Waldo*

End
Weight 145 lbs.

"All men are created equal." He may be small but he proves that statement.

LESLIE MAYHEW
Freshman *Plainville*

Halfback
Weight 147 lbs.

He proved his worth in the Washburn game.

EUGENE MCFARLAND
Senior *Lincoln*

Fullback
Weight 178 lbs.

"Mac" had good qualities and a good nature, coupled with a liking for football.

THEODORE ROTHE
Junior *Halfback* *Bison*
Weight 160 lbs.

Rothe can be counted on to do his share. He is a scrappy little Tiger who has a mean growl.

CLAY BROWN
Senior *Tackle* *Paradise*
Weight 200 lbs.

He likes football and worked hard and earnestly to win his letter.

JUNIOR LEWIS
Sophomore *Tackle* *Hays*
Weight 168 lbs.

One of those tall, lean, lanky, drawn-out fellows, but he knows how to play football.

SAMUEL ROBINSON
Junior *Halfback* *Lucas*
Weight 170 lbs.

A sincere worker who worked hard for old K. S. T. C.; a good-natured fellow with a serious football nature.

BASKET BALL

CAPTAIN MARVIN BASTIN
Guard

Senior

Hoxie

"Spiv", as Marvin was generally called, capped his collegiate career by leading the Tigers to fourth place in the Winfield tournament and being chosen as captain of the all-tournament team. His ability to lead the team is excellent and his absence will be greatly felt next year.

WAYNE HOUDYSHELL
Forward

Junior

Pawnee Rock

"Houdy" is commonly called the silent player of the Tigers. His unusual smoothness and self-control on the court makes him one of the Tigers to be feared by opponents.

1929 Basket Ball Squad

PAUL SANDY
Center

Junior Covert

Probably the position that gives most service to the team is center and Paul filled the position with great success. Injuries kept him from making the all-conference team.

HOBART JACKSON
Forward

Junior Augusta

"Jack" is one of the best forwards that ever played for K. S. T. C. and his ability to connect with the basket makes him a Tiger pride.

JULIUS BAHL
Guard

Junior Hays

"Bally" is a good ball player and we are looking for a real player in him next year.

FARRAN CARTER
Guard

Freshman Kansas City

Farran played his first year at guard and a true Tiger he proved to be. He looks like another Marvin Bastin.

JOE MAHONEY
Guard

Junior *Bunker Hill*

"Joe" has a keen eye for the basket and is a good all-around athlete.

DON PHILLIPS
Forward

Freshman *Colby*

In "Donny" the Tigers found a true team-mate, always ready to pass and always good for at least five points.

CHARLES GISH
Forward

Senior *Palco*

"Charlie" is another fighting Tiger and always right there to do his part in the game.

JONNIE LORBEER
Forward

Senior *Webster*

Jonnie played but two games, but in those he proved his ability as a basket ball player.

TRACK

TRACK at K. S. T. C. has a remarkable record. It is probably the most victorious sport on the campus as very seldom has the team been defeated.

Captain Forrest Brown holds down the berth as broad-jumper very well and has a good record.

Floyd Carter is an outstanding discus thrower and equally as good in the shot put and javelin-throwing.

Glen Lowry is probably the fastest Tiger this year's team has and in him we expect victory in the 100 and 220-yard dashes.

Arnold Anderson has endurance and speed and these can win any mile race.

Eugene Oates has set the record in the quarter-mile and gets faster every year.

Harry Kleweno in the Tiger's "up and over the bars at about 12 or 13 feet." He is equally as good at the javelin.

Besides these stars the Tiger track team is composed of some of the finest material to be found anywhere and we're mighty proud of every one of them.

WHAT PEP IS

Vigor, vitality, vim, and punch—
That's Pep.

The courage to act on a sudden hunch,
That's Pep.

The nerve to tackle the hardest thing,
With feet that climb and hands that cling,
And a heart that never forgets to sing—
That's Pep.

Sand and grit in a concrete base—
That's Pep.

Friendly smile on an honest face—
That's Pep.

The spirit that helps when another's down,
That knows how to scatter the darkest frown,
That loves its neighbor and loves its town—
That's Pep.

To say "I will," for you know you can—
That's Pep.

To look for the best in every man—
That's Pep.

To meet each thundering knockout blow,
And come back with a laugh, because you know
You'll get the best of the whole darned show—
That's Pep.

WRESTLING

THE Wrestling sport has won into the hearts of Hays fans through the many victories and honors that have been shared by the wrestlers in the last three years.

In Captain Harold Portenier, K. S. T. C., had one of the best wrestlers that was to be found anywhere. In the heavy-weight division he was usually victorious and in the light-heavy he was always victorious. A blue ribbon was his award at the State Tournament.

Captain-elect Harold Copeland has another year to serve as a collegiate wrestler. He holds the 115-lb. Kansas Championship for the past three seasons and took second at the State Tournament in the 125-lb. division.

Hubert Landry made his first letter by holding down the 145-lb. class. He proved championship ability and was awarded a first at the Tournament.

Ed. Smith also a one-year man did exceptionally good work in the 158-lb. class and likewise carried off a first at the Tournament.

Bernard Martin, sophomore, and two-letter man, feels perfectly at ease in a wrestling outfit and has suffered only one defeat in his division. He carried off second place in the Tournament.

Other exceptional wrestlers who helped to take the team through to victory are Eugene Oates, one-letter man; John Eichman, two-letter man; Harold Pixley, one-letter man; and Doyle Leatherbury, one-letter man.

BOLLINGER

McFARLAND

WICKIZER

TENNIS

TENNIS is a coming sport on the campus and is receiving a great deal of attention. Last year the team had a good record and this year much more is expected of them.

Walter Bollinger, star single player, has a skill at swinging the racket that usually conquers his opponents.

Waldo Wickizer is equally as good in the doubles and is a veteran at the sport.

Gene McFarland, Sam Robinson and others are showing prospects for a running mate to Wickizer.

The team will probably have several dual meets this spring and will enter the Central Conference Tournament to be held at Pittsburg.

The Freshmen Register Dismissally (74)

11. School starts with a bang. Few old students back, but there are a lot of good-looking new ones. An unusual phenomena occurs; no assembly tickets or catalogues are sold to Freshman.

12. Football squads swing into practice and everything points to a successful season.

14. All-school mixer. Upper classmen have an unusual desire to get acquainted with Freshman girls. Freshman boys who attempt dates receive the blessings of the paddling line.

15. Coach Schmidt returns and brings with him the party of the second part, Mrs. Schmidt.

21. Assembly seats are assigned. Dean Lee advises to cut just as many assemblies as you can. All churches give socials for students.

24. Byron Rogers appointed captain of 1928 Tiger football team. Sororities and fraternities hold pledge services for new pledges.

25. Faculty men use gym from 7:45 to 9:00 to catch up on their daily dozen.

30. Hastings College defeats Hays Tigers. Game is of little importance however.

Freshman: "I don't know."

Prof.: "Well, what time does the twelve o'clock train leave?"

Freshman: "Twelve o'clock."

Prof.: "Then what is the weight of the six-pound shell?"

Freshman: "Twelve pounds."

Margaret Rarick: (posing for photograph) "Pardon me. What will they come to?"

Ekey: "Sixty-five dollars a dozen. Now look pleasant please."

Vera G.: "Well, how did you find the orchestra?"

Potsy: "Paul Whitman stepped aside and there it was."

Fadonna Wright: "Do you think I'll ever be able to do anything with my voice?"

Prof. Malloy: "Well, it might come in handy in case of a shipwreck."

Jim Rouse: "Say, look here, you ain't getting as much milk from them cows as you have been."

Byron Rogers: "Nope, sorter lost my pull."

Marie Pivonka: "I want something to wear around the dormitory."

Sales Girl: "How large is your dormitory."

Anne: "But aren't you going to kiss me?"

Earl Dragoo: "Yes."

Anne: "But why are you taking your shoes off?"

Earl D.: "Honey, by the time I get through my feet are going to have grown so much these shoes would give me bunions."

Smitty: "And how is Jackson getting along in your classes?"

Prof. Gates: "Oh! He's stumbling along as usual."

Father Jacka: "My son, what do you expect to be when you get out of College?"

Kenneth J: "An old man, father."

Mother: "I reckon, daughter, that Samuel's watch must be fast."

Leone M.: "What makes you think so, mother?"

Mother: "Why, last night when you were seeing him out the door, I heard him say, 'Just one', and it wasn't much past twelve o'clock."

"WHILE there may be those of high intelligence who violate the law at times, the barbarian and the defective always violate it. Those who disregard the rules of society are not exhibiting a superior intelligence, are not promoting freedom and independence, are not following the path of civilization, but are displaying the trait of ignorance, of servitude, of savagery, and are treading the way that leads to the jungle."

—Calvin Coolidge.

A FEW ON THE FRATS

RECENTLY the Phi Mus were honored by the visit of a brother from an eastern school; expecting to be entertained by a little concert from the boys, he turned the conversation to the subject of music, in hopes of hearing a string quartet or perhaps a 'cello solo. Imaginé the boys' embarrassment on finding that all the faculty brothers were out of town, and that Leo Legleiter had lost the crank to his victrola!

It seems that when the Betas adopted a standard paddle they started something that went the rounds.

The Kappa Phis were having trouble with one pledge, who threatened to quit. When cornered by three or four of the actives and questioned as to what were his reasons, he made this reply: "Oh, no, I don't mind being paddled every night, and I like to shine shoes. Sleeping on the floor when there is company doesn't bother me much, either, but when you big stiffes insist that I go to Sunday School with you every Sunday, it's too much to take without kicking."

Was that red placard with the bold, black letters, so proudly displayed on the Sigma Tau house, just an attempt to pull something original for once? Anyway, the Kappa Phis were quarantined first, so Steeples' bid to fame gained him nothing but a three weeks' rest.

This is one on the Kappa Beta Taus—Dinner at the house was being vigorously enjoyed when one of the boys asked, "Say, who knows what kind of meat this is that we are eating?" Conjectures were many, and conclusions were few; some declared it to be duck, while others were of the opinion that it was mutton. In fact, it remained a complete mystery until somebody else suddenly broke up conversation by asking, "Who knows where Sandy is?" Sandy was the house dog.

Instructor in Greek history: "What were the Olympic games?"

Phi Mu Pledge: "Pinochle, poker, snooker, and crapshooting."

One more on the Sigma Taus, that jolly bunch of Greeks (Egyptians, Africans, farmers and snooker-players, etc.)—Not so long ago, the boys decided that they would throw a little party at the house, inviting a few choice lady friends to help them make Much Ado About Nothing. This little affair, of course, was to occur all unbeknownst to the Powers That Be. Very late in the evening, when everyone had tired of the amusements offered and desired something else to do, there came a loud knock on the door. Instantly the lights were extinguished and silence reigned supreme. (Not too supreme, for chairs could be heard falling in several parts of the room.) When it was discovered it was only one of the gang returning from a late date, the lights were turned on. And what do you think? There sat Easter and Sanders under the table wrapped in a fond embrace and singing "Hail, Hail, the Gang's All Here."

SLANDER SHEET OF THE SISTERHOODS

WELL, we always contended that it would come to pass sooner or later, but we hardly expected it so soon. And neither did we expect that Xi Kappa Psi would be the first sorority to do it. Yet the fact remains that they have done it, and will very likely do it some more. Yes, you guessed it the first time. The girls are using paddles! No, we don't know where they got the paddles, but we do know that they spent a hectic evening at the Beta house not so long ago, and the next day a Beta pledge was seen making paddles.

No, of course it wouldn't do to mention any names, but it is a great mystery to us how some of our girl friends can manage to wear less clothes in the summer than they do in the winter.

And then there is the great problem confronting the Alpha Sigs: To wit, how are they to keep a nice green lawn free from footpaths when their neighbors just won't use the sidewalk?

Oh, yes, 'twas very clever of the Delta Sigs to send their pledges out after cats, but we can't understand their object in so doing. Just as a matter of opinion, we'd say that they were "catty" enough before.

We think it's certainly the proper thing for the sororities to require their pledges to practice dancing a half hour every day, but might it not be a good idea for the actives to do likewise?

We heard an interesting little story the other day about a girl that furnished her room entirely with antiques. Everyone on the campus was remarking about it until it was learned that said room was at the Tri Sig house and that said girl was a Tri Sig. It was no news at all then, for everyone knows that the Tri Sig house is full of antiques.

Judging from appearances, we'd say that Luther Muirhead and Marjorie Reinecke have a sad case of love. Luther is a bright young man and Marjorie is an Alpha Sig.

Spending a little time eavesdropping the other day, we heard a young man say that he thought some of the Theta Sigs were "just simply dove-like." The only solution that we could figure out was that they must be pigeon-toed.

Speaking of the Theta Sigs, we heard this one on them; they thought that it would be very nice to give something in the nature of a birthday present to one of their patronesses at the appropriate time. Discussion lasted far into the night and no conclusion was arrived at, until one of them spoke, "Why not give her some book-ends?"

A pledge spoke up: "Fine, I have some old books you can tear up."

Y. M. C. A.

THE Y. M. C. A. is a non-denominational organization, and all students are welcome to join. Regular weekly meetings are held.

The organization was formed to further in every way the spiritual development of its members. It offers to every boy unlimited possibilities of friendship and comradeship. Further than this, through its weekly meetings, it offers an opportunity to the men of the campus to get together and discuss campus life in the light of the teachings of Christ.

WORKING along the same line as the Y. M. C. A., the Y. W. C. A. strives for a student three-fold development. Spiritual, physical, and mental. The organization holds weekly meetings and each and every girl is invited to come and take part in these meetings. Probably no organization plays such a great part in a girl's life on the campus of K. S. T. C. as does this one, having as its main purpose the extension of fellowship between all students, domestic and foreign.

GIRL RESERVES

THE Girl Reserve is an organization that meets every Tuesday morning at 9:35 for the purpose of training leaders in Girls' activities.

Being the second largest organization on the campus, it was naturally looked to for many of the girl leaders of the campus and acting true to form it has strengthened the fellowship between all girls upon the campus.

ACTIVITIES

Many opportunities are given the students for development and individual broadening through extra-curricular activities. These are open to all students in the college, and any student may take one or more of these as he wishes.

In athletics, men may enter into both intercollegiate and intramural sports; these include football, basket ball, track, wrestling, baseball, tennis, and golf. An extensive program of athletics for women is sponsored by the Women's Athletic Association; this program covers hiking, dancing, playing on various athletic teams, and gymnasium work.

Musical activities are provided for those that desire training in music; these are the band, orchestra, men's glee club, and women's glee club. All of these organizations appear in concerts and at public gatherings at various times throughout the year.

The Young Men's Christian Association and the Young Women's Christian Association, more commonly known as the "Y. M." and the "Y. W.", have student organizations here for the purpose of aiding students in their moral development and furthering the cause of Christianity.

Girl Reserve Leadership, Campfire Activity, and Scouting Activity all have for their purpose the training of leaders in their respective branches of work. This training is very valuable to those students who expect to undertake such work in their teaching.

The Commercial Club, the Art Lovers Club, and the Home Economics Club are more or less professional in nature, each being primarily for those students taking work in its particular department. English Club is an activity for those interested in reviewing current literature, or in original, creative writing. The Nature Club is composed of students interested in nature work and in nature as a means of recreation.

Parliamentary Law is a class activity that meets to study legislative procedure, using Roberts' Rules of Order as a text. Students learn how to properly conduct public meetings from work in this class.

Members of the Reveille Staff and the Leader Staff are given activity credits for the work they do on these publications.

Two pep clubs have been organized, one for the men and one for the women. These clubs furnish stunts and novelties for intercollegiate athletic contests; their purpose is more and better pep.

Debate and oratory activities furnish training for those who wish to try out for the teams. Students representing the College in forensic events are eligible to membership in Pi Kappa Delta, national honorary forensic fraternity.

THE REVEILLE

IT HAS been the purpose of the 1929 Reveille Staff to issue a fuller, broader, and better book than has ever been published before. We believe that through the co-operation and spirit of the student body we have now accomplished our desired task. It is our sincere wish that you keep this book as a remembrance of those activities in which you and your friends participated.

THE LEADER

BEING a student publication the K. S. T. C. Leader naturally strives for betterment of student activities and for the conferring of news that is the most interesting to the student body. It is edited weekly and is classed as one of the best school papers in Kansas.

WALTER WALLERSTEDT
Printer

"THERE'S not much to say about a good man except that he is good."

How true are these words and how well they apply to Walter Wallerstedt. If there is ever anyone that needs any help, Walter will help him.

Yet his supreme goodness does not end there. His greatest ability comes in being one of the best printers to be found. For the many years that he has put out the Leader, Public Service, etc., we can say that his record is great and that his errors are small.

It is here that this Reville staff wishes to thank him for his services that he has rendered in order to make our book a success.

WESTERN KANSAS

Schooled by Hays

For more than sixty years Hays has taken the lead in the development of Western Kansas.

In the pioneer days Fort Hays was established in Western Kansas to protect the early settler and the railroad builder. Because of the proximity of Hays, its citizens, after the abandonment of the Fort, assumed this guardianship.

From the beginning, Hays was an important trading and freight center; but, not being satisfied, its citizenry looked into the future growth of Western Kansas and directed attention to the prospects of immigration and the development of the agricultural resources of the surrounding territory.

As the settlement of Western Kansas advanced, Hays kept pace with progress, furnishing an educational, medical, and commercial center that is truly interested in the growth and development of Western Kansas.

The historical incidents of the early days and their preservation have instilled a true "pioneer spirit" in the citizens of Hays and in the students attending Hays institutions.

We all know the perseverance and sincerity of the "pioneer spirit." Hays educational institutions develop it—they *school* Western Kansas!
