DEDICATION

T. W. WELLS

An able teacher, a true friend, and a
loyal supporter of the school;
a man truly versed in the
"fine art of living."

To him this book is respect-
fully dedicated

THE KANSAS
STATE TEACHERS COLLEGE OF HAYS
HAYS, KANSAS

OFFICE OF THE PRESIDENT

March 11, 1931.

Readers of the Reveille:

The Board of Regents in regular session on June 6, 1930, authorized this College to grant the Bachelor of Arts degree. This degree is granted for standard LIBERAL ARTS work. It is also granted with a restricted amount of Education to meet the requirements of the State Board of Education for a certificate to teach in accredited high schools. The A. B. degree is recognized as the standard degree for liberal education.

Very truly yours.

W. M. Lewis

President.

FOREWORD

Living is an art. Training in the art of living is the true work of education and of colleges.

The purpose of a college of liberal arts is to develop a life of symmetry and beauty. It is the endeavor of this book to show how, in its first year as a school of liberal arts, this school is accomplishing this purpose by developing its students in the fine art of successful living.

Hays Advances

The school year of 1930-31 is a memorable one for Fort Hays Kansas State, for it marks two of the greatest forward steps in the history of the school. First raised to the rank of a standard liberal arts college, and then recognized as such by an official change in name, Hays will mark this year as the turning point in its career.

These changes came not by chance nor by accident. They were rather the culmination of years of effort and labor on the part of those guiding the school's destinies and by those interested in its advancement. Hays did not grow into this in a single year, but through a period of years its growth and development remained so steadily rapid, that public opinion was finally forced to recognize it.

Perhaps the greatest single factor in securing this well deserved recognition was the work of our president, W. A. Lewis, whose untiring labors were finally crowned with success, and whose vision and confidence were finally realized.

Hays has now turned the corner into a new era. But the advancement must not stop here. We have by these concessions only been granted the opportunity to serve Western Kansas as we should serve it, and the task before us is to perform that service in such a way that the confidence of the state may be justified.

Great as has been the progress in the past, greater fields of progress lie before us. Say not that Hays has done, say rather that Hays will do, for its true greatness yet lies ahead.

The twenty-eighth graduating class leaves this school just as it crosses the threshold to the greatness that lies before it. But to the seventy-odd members of this class goes much credit for taking an active and helpful part in bringing the school this far along its road of advancement.

Scan its class rolls. There you will find the names of those active in athletics, publications, forensics, and scholarship. Such a record writes its own praise.

Too dignified to paddle Freshmen, yet too young to receive credit for their dignity, the Junior Class is the school goat. But it's only for a year. If you want to read of their achievements, read the Reveille of 1932.

SOPHOMORE OFFICERS

1931

LAWRENCE RARICK,
President.

EDWIN VAN DOREN,
Vice-President.

ALICE START,
Secretary-Treasurer.

The Sophomores started in a promising fashion, but they rode to a fall. Ignominy overtook them when the Freshmen defied all authority and tradition by winning the annual Freshman-Sophomore track meet, and thereby gaining freedom from the hated caps.

Much must be accomplished next year by this ill-starred class if they will ever live down this shame.

This unusually promising group comes to Hays just in the hour of her greatest development, and at the beginning of her day of greatness. To this class goes the responsibility for maintaining the forward movement and expansion.

For a promising start, the Freshmen contributed liberally to the material in football, basketball, and track, probably making the greatest contribution to athletics of any first year group. One thing, however, remains for them to do! they must make good on those promises they made. They must complete their gigantic K.

WILBUR "JACK" RILEY
Head Coach

Football

For the first time in the history of the institution an alumnus was selected as head football coach. "JACK" played fighting heads-up football and basketball here and was an extremely successful coach at Oberlin High School.

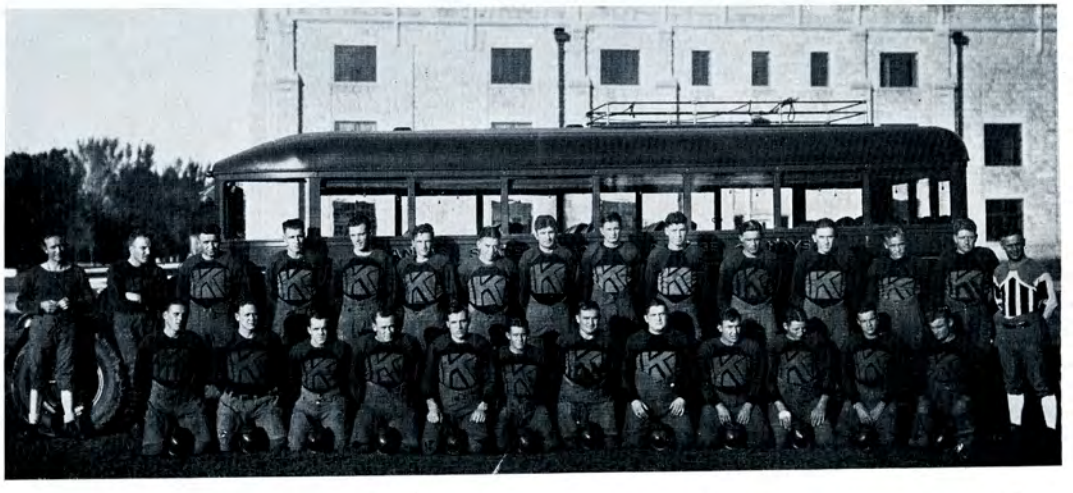
The high spot of the season for RILEY's gridmen was reached when they held the highly-touted Emporia Teachers to a scoreless tie.

The squad this year was composed mainly of one-year men thus pointing for a very successful future. Out of twenty-three lettermen, JACK will lose only four men.

Hays followers are convinced that COACH RILEY has already made good.

RILEY was ably assisted by back-field coach, BUSCH GROSS, and freshman coach, JIMMY BURCHETT. The freshman team played several games with various neighboring high schools and gave the boys an opportunity to get some needed experience for next year and also enabled the coaches to discover talent which might profitably be used for the remainder of the year.

The entire coaching staff were alumni of this school and imbued the boys with the old Tiger fight which characterized their work here in school not so long ago.



Standing, left to right: RILEY (Coach), MACKENZIE, SCHRINER, ZEIGLER, SCHMITT, BAHL, WILSON, MOREMAN, QUINLIN, MYERS CORDER, IRVIN, SCHULL, TAYLOR, GROSS (Coach).
Front row, left to right: THOMAS, FOX, RIEL, NEAL, PORTENIER, LANE, BEARLEY, FARR, COX, MARTIN, FIREBAUGH, WOODRUFF.

VARSITY LINE-UP

Line: FIREBAUGH, SCHMITT, HESLET, COX, MARTIN AND IRVIN.
Backs: BEARLY, BAHL, WOODRUFF AND MACKENZIE.

Football

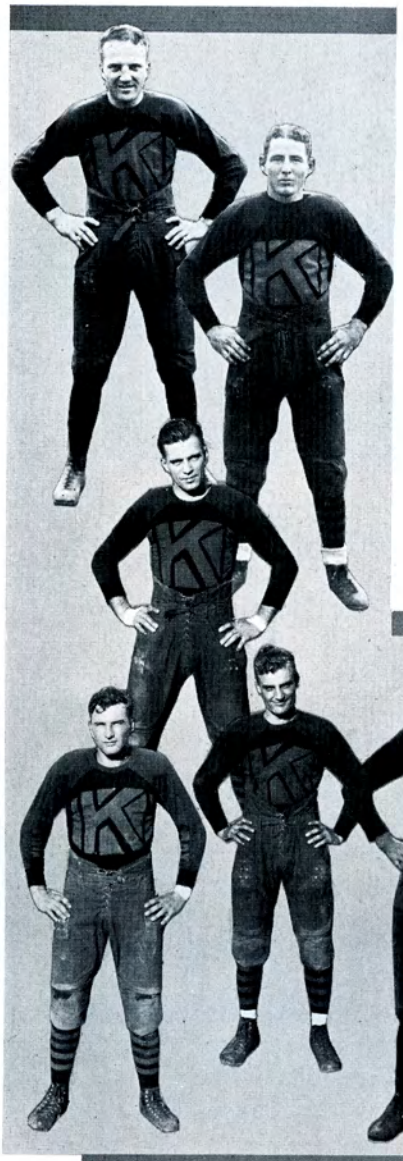
WARREN PORTENIER
Captain
Tackle Golden, Colorado

At the close of the football season when it came time to pick the players whose work had been so outstanding that the various coaches thought them worthy of a place on the all-conference and all-state teams, one player was almost a unanimous choice due to the fact that his work had been of first class rank throughout the entire year. This player was our own "PORT" who was picked as tackle on the first all-Central Conference team and was also placed on the second all-state team.

In a post-season game played at Topeka between the stars of the Central and Kansas Conferences, PORT played a majority of the game and received favorable comment because of his sterling play.

Next year after PORT leaves this institution, it will seem strange to have a Tiger football team without a PORTENIER on it. WARREN's brother, HAROLD, played a star game for several years on the Fighting Tiger squad and WARREN lived up fully to Hays expectations.

There is no doubt that PORT was one of the best if not the best tackle in the state this year and next year when the football call is sounded, there will be a position that will be hard to fill.



Hays 7 — Sterling 13

Hays 0 — Emporia Teachers 0

Starting against the powerful Sterling club, the Tigers succumbed to experience and a howling cold wind that checked the fast running Tiger offensive and went down to a bitter 13-7 defeat.

However against the invading Emporia Hornets the next week, the flashes of power shown against Sterling developed into an impregnable bulwark of strength which turned back the visiting ex-champions with a 0-0 tie.

The Tigers won their second game of the season from the Collegians from Emporia by a score of 14-0. Hays made a very slow start but demonstrated their power the second half and put over two touchdowns. The feature of the game was WOODY'S 55-yard return of a punt for a touchdown which started the Tiger rally.

In the first few minutes of play the next week, Wichita made two touchdowns and were able to protect this margin for the remainder of the game. After the first few minutes, the Tiger line demonstrated why it was one of the best in the conference and held the Wichita backs at all times.

Hays 6 — Hastings, Nebr. 0
Hays 0 — Pittsburg Teachers 14

Oct. 10, Hastings visited the Tiger lair and received the short end of a 6-0 score. This score does not truly indicate the margin of superiority, however, as Hays outplayed the Nebraskans in every department.

The following week, the Tigers journeyed to Pittsburg with every one predicting a win over the Teachers. However, due to a disastrous first quarter in which 5 men were injured, Pittsburg pushed over two touchdowns and held their margin the remainder of the game despite the last half rally of the Tigers which threatened to erase their winning margin.

1930—Football—1930

To anybody unfamiliar with the real facts concerning the past football season, it would seem that Hays had what one would call an unsuccessful season. Hays Tigers finished in a tie for fifth place in the Central Conference, only one team finishing lower than did we.

However, when one considers the fact that 23 men earned letters and only 4 are leaving school this year, he would surely get the idea that Tiger hopes should be soaring high for the years to come. That outlook is moreover intensified by the fact that 13 of the 23 lettermen are freshmen.

Hays fans had high hopes of the Tigers finishing high in the conference for the first few weeks of the football season but it soon became apparent that the Tigers lacked experience and although they might not finish high this year, they would be crowding the leaders in future years when these inexperienced men have gained some valuable experience.

Despite the fact that Hays finished relatively low in the conference standings, WARREN PORTENIER, Captain of the Tigers, was recognized by being placed on the 1st all-conference football team and the 2nd all-state team. The all-Central Conference football team picked by the coaches of the various teams was as follows:

Dingman	Washburn	End
Portenier	Hays	Tackle
Rosenbaum	Wichita	Guard
Shaw (C)	Washburn	Center
Schlegel	Washburn	Guard
Browne	Pittsburg	Tackle
Rich	Emporia	End
McCoy	Emporia	Quarter
Edwinson	Washburn	Half
Tucker	Wichita	Half
Gallagher	Wichita	Full

The final Central Conference standings were:

	Won	Lost	Tied	Pct.
1. Washburn	6	0	0	1000
2. Wichita	4	1	1	800
3. Emporia	3	1	1	750
4. Pittsburg	3	3	0	500
5. Hays	1	4	1	200
6. Southwestern	1	4	1	200
7. C. of E.	0	4	2	000

Outside the conference Hays lost to Sterling, tied Kansas Wesleyan and defeated Hastings, Nebraska.

1930 — Basketball — 1931

PAUL "BUSCH" GROSS, the new Tiger court coach returns to his alma mater to coach the teams on which he once played. A star in three sports in his college days here before his graduation in 1921, BUSCH has behind him a long record of ultra-successful high school coaching, the last seven years of which were spent at Augusta.

In his first year at Hays he has already established not only his popularity but his ability, and instilled into his famous "rally boys" an unquenchable spirit which pulled game after game out of the fire with stirring last period comebacks. From all appearances and opinion, BUSCH has come back to his school to stay.

The Season's Record

With a season's record of ten wins and nine losses, Hays finished in a tie for last place in the Central Conference, seven of the season's victories being registered over non-conference competition.

1930 — Basketball — 1931

Four regular veterans and a fine new lot of freshman material sent Hays into the season with high hopes and infinite possibilities. That they finished no better than they did was not only a surprise, but an unaccountable one, for the 1931 team was really the best in years, whatever the records may say to the contrary. A row of disastrous one, two and three point losses coupled with a few of the inevitable slumps combined to keep the Tigers out of the conference top deck, but the material uncovered will be ready next year to turn experience to account, and hopes for next season are already soaring.

There is one thing about the 1931 squad that will never be forgotten, and that is their spirit. Probably no team ever won more seemingly hopeless contests or met more disastrous bad luck in defeat and maintained to the end a spirit like that which the Tigers carried into every contest. "BUSCH's rally boys," they were called, and they earned the title by a remarkable series of determined rallies, many of which saved games from almost certain loss and others which were none the less glorious in defeat.

A smooth working, co-operating bunch, the 1931 team might well be called the team without a star, so evenly divided must be all credit. FARRAN CARTER, veteran little forward, rated a second all-conference position, as would have HOUDYSHELL, had he finished the season, while JACKSON, senior guard and co-captain, after getting away to a slow start played the most brilliant game of his long career, heading the majority of the rallies, and gaining for himself conference honorable mention. BAHL, co-captain with JACKSON, played his usual steady game in finishing an enviable athletic career of four years.

But hopes for the future lie in the new men, and of these there are many. CARL THURLOW, "CHIEF" WILKINSON, and LAWRENCE RARICK, forwards, HOWARD LAMOREUX and GEORGE CLOW, centers, and HAROLD LIETZKE, guard, with CARTER, who returns, furnish a strong nucleus for next year's team, which will be captained by THURLOW.

Track

A reviving interest and an influx of freshman track material has indicated the return of the former greatness of Hays track teams. The disastrous season of 1930 brought little in the way of victory but disclosed some tracksters of promising merit, while in this year's crop of yearlings are several who will form a strong nucleus for next season's cinder squad.

With all three coaches taking a hand in the training, the 1931 squad suddenly assumed a powerful form, and started the season with a convincing victory in a triangular meet at McPherson, doubling the score easily on the nearest competitor.

Among the point winners of this meet were revealed several who will rate among the best of the Central Conference, and who should score heavily in the dual and triangular meets which preced the conference meet at Pittsburg.

With the formation of the Campus Tennis Club last year interest in tennis revived rapidly until now it is one of the most popular student sports. Outstanding among the student players are the four listed below, who comprise the team for inter-scholastic matches.

Court matches are usually arranged in connection with the track meets, and afford these teams several tastes of competition before the final Central Conference Tennis tournament.

Hockey

Hockey is a major sport in the W. A. A., with the annual tournament as a regular fall feature. From this intramural tournament is chosen an honor team, members of which are granted letters. This year, the fight for the championship lay between two teams, one composed entirely of sophomores and the other drawn from the remaining three classes, the latter winning by 2-0.

SOPHOMORES: Barnes, Dixon, Bergin, Nicholas, Schlyer, Y. Hunsley, Nielson, Davidson, Elliot, Henderson, Paget.

DUCK CLUB:—Barnes, Davidson, Rhoades, Tomlinson, Nicholas, Hoff, Wenger, Schlyer, Y. Hunsley, Green.

Duck Club

Kindred organizations are the Duck Club and the Life Savers. The former is a student organization of swimmers who love the sport and are proficient enough to pass the stringent membership tests, while the latter is a national organization sponsored by the Red Cross in which membership is granted only after passing certain tests prescribed and administered by a Red Cross representative.

LIFE SAVERS:—Barnes, Tomlinson, Hoff, E. Hunsley, Green, Y. Hunsley, Chittenden, Davidson.

W. A. A.

The purpose of the women's athletic association is to furnish opportunity and rewards for athletic recreational activity. This organization is open to any woman student who has made twenty-five points by participation in some sport. The W. A. A. sponsors all sports and also the annual high school girl's efficiency meet.

Among the sports sponsored by the W. A. A. in 1930-31 are soccer, hockey, basketball, volleyball, baseball, tennis, swimming, dancing, hiking, and skating. The Orchesus dancing society, the Duck Club, a swimming organization, and the Tennis Association all are under the auspices of the W. A. A.

Besides participating in college efficiency meets and play-days, the W. A. A. holds an annual high school meet on the campus, which this year was held April 10 and 11.

The Reveille Staff

This book is a Junior class project, although many of the staff were drawn from the Sophomores, to whom the responsibilities of next year's annual will be left with a sense of assurance grown from their hearty co-operation in this year's work.

Individual portraits appearing in these pages were taken at the Ferris Studio, while the athletic pictures were taken by W. E. Ekey. To the Mid-Continent Engraving Company of Wichita goes the credit for the art work and engraving, and the Consolidated Printing Company of Salina handled the printing and binding of the books.

These companies and persons share with the staff an interest in the making of your book.

The Aerend

Dr. R. R. Macgregor
Editor-in-Chief

1931

The *Aerend* is a quarterly publication containing literary compositions of students and faculty members, printed and bound by the State College Press. The official organ of the Quill Club, it affords opportunity for development of literary ability and an outlet for writings of merit.

An editorial board of three persons is appointed for each issue, while contributions may come from any student or teacher on the campus.

First published in January, 1930, already this publication has made for itself a place in Kansas literary circles.

Debate

Prof. James Start
Coach

Three debate teams represented Ft. Hays K. S. C. in forensic contests engaging in an active schedule which included two major tournaments.

Opening the season with a practice tournament, December 6-7 at Winfield, the men's team, composed of Saylor and Reece, won from Friends University and lost to Emporia Teachers, St. Marys, Baker, and St. Benedicts, while the women's team, composed of Ann Davis and Margaret Bloome, defeated Pittsburg, Sterling, and C. of E., losing only to K. S. A. C. and McPherson. Another practice debate between the men's second team of Hugh Frusher and Walter Schmitt, met K. S. A. C. at Ellsworth on February 23.

Closing the home season with a victory over the Colorado State Teachers on March 18, Reece and Baker represented the men in the regional Pi Kappa Delta tournament at Pittsburg, gaining a decision over Southwestern but losing to Baker and Emporia Teachers. Margaret Bloome and Ann Davis, representing the women in the same tournament, lost debates with Emporia Teachers, Friends, and Pittsburg.

GOOD FELLOWSHIP

FRATERNITIES
SORORITIES

Fraternities and Sororities

With the change in name and nature of the school, fraternities and organizations may also be expected to undergo a radical change. The status of a liberal arts institution will permit the establishment of national honorary and social organizations which were barred as long as Hays remained a teachers college.

Among those national honorary societies now open to Hays is that of Phi Beta Kappa, an honorary scholastic society, a chapter of which will probably be installed soon if present plans do not miscarry. In social fraternities, strictly teachers' college organizations were previously permitted, but now the field is open for membership in any prominent national fraternity or sorority.

At present on the campus are four fraternities, three of which are national, and five sororities, all national. These organizations are fast growing in size and influence and are taking a large part in support of campus activities.

Panhellenic

The Panhellenic organization of Ft. Hays K. S. C. was organized December 12, 1925 for the purpose of promoting better cooperation and friendliness among the sororities. During its existence it has done much to raise the standard of scholarship among the sorority girls. It supervises rush week activities and makes all necessary rules and regulations.

Pi Gamma Mu

The national honorary Social Science fraternity, Pi Gamma Mu, functions on the campus of the State College through its Zeta chapter. This chapter represents the youngest fraternal organization in our midst, having been granted a charter on March 11, 1931. The purpose of this fraternity is the inculcation of the ideals of scholarship, scientific attitude and method, and social service in relation to all social problems.

The purposes of the organization, which are divided between scholastic and recreational activities, are carried on through the following committees: Executive, Program, Social, Publicity, and Research.

Cheer Leaders

Promoting enthusiasm and loyally supporting the teams, the Tiger cheer leaders played a large part in keeping up the spirit of the Tiger teams.

With the aid and support of the Pep Clubs, the cheer leaders kept the spirits at a high pitch even in the face of discouragement and defeat. The test of a school's loyalty comes in the losing, and through this test Hays students came last fall with flying colors.

When your heart thrills to the memory of "Go ,You Hays Tigers" and the famous "Rick, Rack! Gold, Black!" you'll think of these leaders:

Glenn Lowry Ott Weigel Orvis Grout

Top Row: Roe, Wylie, Green, Childs, McQueen, Darland, Long, Struss, Grout, Krause.
Second Row: Vincent, Rodrick, Wenger, McFarland, Pratt, Green, Bergin, Wickizer, Wright, Houghton.
Third Row: Enfield, Spaniol, Meyer, Weigel, Royce, Hilsabeck, Tomlinson.

Pep Club

The Pep Club of Ft. Hays K. S. C. is divided into two separate groups. The women's group is called the "Tigerettes" while the men's group is known as the "Cat's Meow." These groups have done much to arouse school spirit and enthusiasm at all school contests. The members of the "Tigerettes" are chosen, three from each sorority and a corresponding number from the student body at large.

Art Lovers Club

The Art Lovers Club of Ft. Hays K. S. C. was established for the purpose of giving those interested in art an opportunity to study its different branches. Free hand drawing, painting in water colors and oils, pottery work, art appreciation, and charcoal work are a few of the phases studied.

Each year this club sponsors an art exhibit which is held in Forsyth Library. At this exhibit collections of modern painters are secured. Many of the better works of the college art department are also placed on exhibit.

Quill Club

The Quill Club is a literary organization for the purpose of creating an interest in creative writing among the students, and to recognize literary merit wherever found upon the campus.

The *Aerend*, a quarterly publication containing stories, essays, and poems, is entirely the work of this organization, and furnishes an outlet for student and faculty composition.

Although only in its first year, already this club numbers among its members over twenty students and faculty members, several of whom are writers of recognized ability.

Press Club

The Press Club was organized in October, 1931 by the members of the *Leader* staff. The purpose of this club is to promote the interests of student publications and to help those interested in journalism and newspaper work. It is expected that this organization will in time develop into a professional journalistic fraternity.

The club membership is made up from those majoring or minoring in journalism and all members of the *Leader* staff.

1931

The State College Press does not only the job printing for all departments of the college, but prints the *Leader* and the *Aerend*, campus publications. Under the supervision of WALTER WALLERSTEDT, veteran and capable superintendent, this shop takes care of all the campus printing and gives work to several student printers.

Surprising indeed is the amount of work put out by this single shop, surprising that is, until one knows WALLERSTEDT. This gem of a printer not only does the work of several under trying circumstances, but has made himself loved by every student for his helpful and loyal spirit.

1931

One of the most valuable additions in recent years is the Health Department which, under the supervision of DR. MORRIS, has done much to protect the health of the students. With a well-equipped office on the second floor of the Coliseum, Dr. MORRIS and Miss PEARCE not only advise and teach, but do practical work in remedying student physical ailings and treating common student diseases.

Whether it's a cold or broken leg, Dr. Morris will fix it.

The beauty contest winners pictured in the preceding pages were chosen by the groups pictured above. To the Delta Delta Delta sorority of the Kansas State College at Manhattan fell the choice of the most handsome man, while the Sigma Nu fraternity of the same school made the choices of the most beautiful women.

To the organizations of a sister school we wish to express our thanks and appreciation, as well as our commendation for their taste.

WHETHER you are young or old you have a sweetheart, or wife, or someone whom you care for more than all the rest. Maybe it is your mother to whom you wish to show your yearning affections.

There are times when you want to express your thoughts of her so she can really know that she is the one whom you most highly esteem.

Flowers represent the brightest, finest, and choicest period of any time —they give her those sweet inspirations of love, which is more intense, absorbing, and tender than friendship.

If you are desirous to cheer, please, and make her happy there is the one-and-only gift that truly expresses the amiable spirit.

Quality

Diamonds Jewelry Watches

In no other line of merchandise is *quality* so hard to recognize and yet means so much.

Quality merchandise and reasonable prices are assured when you buy from a concern which has proven its *integrity* over many years of *honest merchandising*. For thirty-six years we have maintained a standard of *quality* in keeping with the thought expressed in our slogan *"The Home of Reliability."*

During your four years in college we have merited the confidence of many of you as is evidenced by the fine patronage you have given us. May we not expect a continuation of that confidence and patronage from you and your friends throughout the years to come?

AT YOUR GROCER'S

We Believe We Are *RIGHT* — in Thinking That

. . . the best a store can do is to be honest with the public. By avoiding the absurd use of comparative prices . . . by admitting we haven't a monopoly on quality merchandise . . . by concentrating our efforts on two important thoughts . . . Service and Value . . . we have won the confidence of countless families and are gaining the good will of new shoppers every day.

To serve your wants intelligently . . . to bring you the quality you want at prices that are right . . . to be sincere . . . is the watchword of every J. C. Penney store.

Won't you stop in the very next time you're downtown and see how we strive to make our merchandise fashion-correct, quality-certain, and fairly priced?

Epilogue

Everybody knows that Western Kansas once belonged to the Indians, but many are still wondering why it is not returned to them.

However, writers write and history proves that man is fickle, and one of his favorite occupations is to "sigh for what is not." Just so with the pioneers. They got the land, then wished for the extermination of the Indians. Then, the Indians gone, the cowboys came, and again the natives sighed for a change in civilization.

Finally came the passing of the cowboy and came the advent of the college student. And now the natives are praying for the return of the Indians.

Since that fatal day when the first of the students whooped into town, hitched their ponies to Mack's hot dog sign, and called for their whiskey straight, many changes have come and gone, and the march of civilization has been rapid.

From Broncos to Austins, from pistols to pens, from poker to backgammon, and from whiskey to soda — to whiskey, the "march of progress takes its way."

First it was the Normal (98° Fahrenheit), then it was the Teachers (yes, Johnie, you may) and now again, it's old Fort Hays— and Parker says history doesn't repeat itself.

But here we are — now a recognized college of liberal arts, a goal has been reached. And yet — man still sighs and progress still continues. Time will again change this old school — and who can predict the "Kansas State — Hays" of the future?

This "school of the future" is our school, and it is to this school our efforts are bended. This is the end of our book, but who can predict the end of "our college"?
