Having become increasingly aware of the need to have a written selection policy to use as a guide in the selection of instructional media for Forsyth Library, we, the professional librarians of Fort Hays Kansas State College, wish to go on record as stating that the Library Bill of Rights, which was drawn up by the Council of the American Library Association as adopted June 18, 1948 and amended on February 2, 1961 and June 27, 1967, shall be used as an interim selection policy until an updated version shall have been recommended to the college administration for its adoption and then so stated in a formal policy directed to the professionally trained personnel employed at the college library.
