REVEILLE

With aspirations in the sunlit clouds of romance, but achievements on the solid rock of reality, the Juniors here record a few fleeting impressions of that constantly changing panorama known as college life.

**VICE PRESIDENT
CHARLES CURTIS**

DEDICATION

"Western Kansas' Alma Mater! Hail ye men who did create her; no one else can boast a greater—K. S. C., Fort Hays." Thirty years ago, Charles Curtis led the movement which gave Western Kansans their Alma Mater. Today, he is her staunchest friend. We, the class of 1933, dedicate this Reveille to him in grateful recognition of his service to our college.

"THERE is nothing permanent but change." Thirty years have passed since the Cornerstone of Education was laid on the site that we now call our Campus. Back of this

we see a marching line of soldiers entering an unconquered Outpost of Civilization the establishment of Old Fort Hays. Another line follows Pioneer Farmers, changing the virgin prairie to waving fields of grain the prairie schooner replaced by the railroad. . . . And then the establishment of a College the entrance of Education replacing the Sword with the Pen. It is ever thus Constant Changes Growth Progress Development New Ideas New Ideals Achievement

TRANSITION

and a New Order of young men and women eager to enter unconquered realms for the advancement of civilization and the betterment of life.

AMBITION

And lo the weary pioneer, dust-stained and travel-worn,
seeking the Flower of Knowledge, saw in the purple distance
the white columns and the sky-commanding domes of great
buildings. His footsteps quickened, his spirit revived, his
thoughts winged their lightning way ahead. To live, to do, to
accomplish!

THE SENIOR CLASS

As the senior class of '32 plays its finale in caps and gowns, it is with regret that they bid us goodbye, and with deeper regret that we see them leave us. Theirs has been an eventful college career. Four years ago they entered a teachers college; they are being graduated from a college of liberal arts. Their own progress has been accompanied by a great development in their college.

Besides the many friendships and associations they leave with us, there are material gifts which they have made to the College. These include a group of fossils which they have purchased and left to the College museum, and a portrait of George Washington—especially appropriate in this year of the celebration of Washington's two hundredth anniversary.

THE JUNIOR CLASS

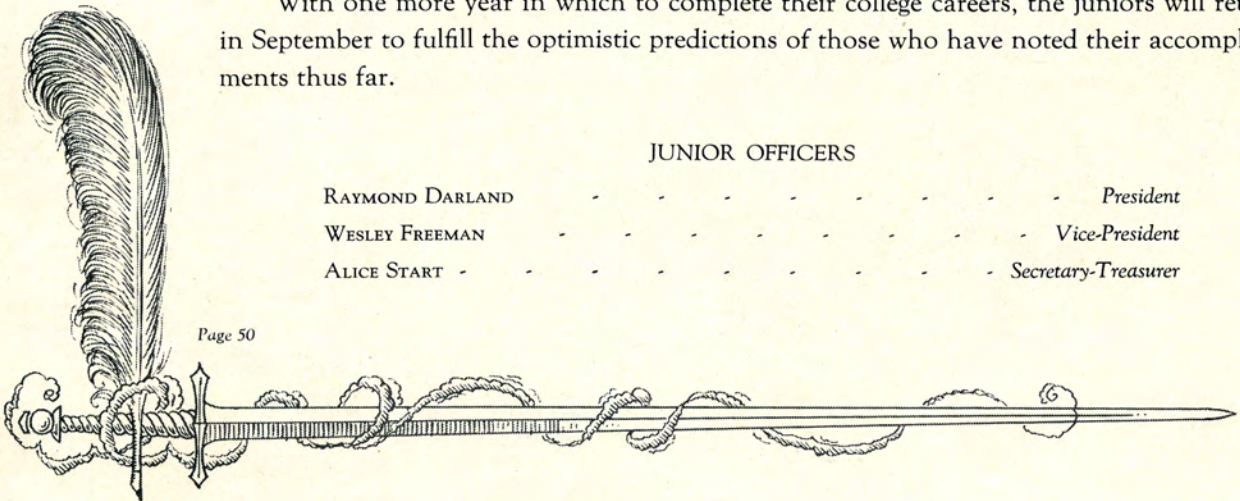

The junior class has been one of the busiest on the campus. Among their tasks this year have been the entertainment of the seniors at the annual junior-senior banquet, the staging of the play "Kempy", and the publication of the college yearbook, to say nothing of assisting the sophomore class in the administration of freshmen disciplinary measures.

From this class has been selected many of the officers who fill the various positions in student organizations; their membership has been unusually rich in leadership.

With one more year in which to complete their college careers, the juniors will return in September to fulfill the optimistic predictions of those who have noted their accomplishments thus far.

THE SOPHOMORE CLASS

The Sophomores—seniors '34—had the necessary amount of vim and enthusiasm to carry out the duties assigned to the class by the upperclassmen. Among these duties was the initiation of the freshmen; this they accomplished with great gusto. As part of this program, which extended over a considerable part of the year, it was necessary for the sophomores to win from the freshmen the track meet, which took place in April. The outcome of this track meet was decidedly humiliating for the frosh.

Though the sophomore class has done exceptionally well already in supporting the activities of the College, the group has hardly had time to "show its stuff". Their greatest work begins next fall. It is this class that will publish the 1933 Reveille, put on the junior play, conduct the junior senior banquet, and perhaps even complete the great K which they started building as freshmen.

THE FRESHMAN CLASS

In September, 1931, as the grey dawn broke upon the morning after an orgy of tangled enrollment plans, a weary freshman class shook its aching head and asked, "Whither are we bound?" The path that lay just ahead of the freshmen was a return to the brighter regions of ordered actions and thoughts. This was their labor, and it has been done well.

Good sense, good taste, and good looks mark the freshmen, though these marks are well hidden behind a screen of greenery. In their single year of association with the College, they have contributed their full share of talent and ability. Their presence has been felt.

Now they have been duly initiated into the circle of College Life. As freshmen, they have been found sound and sensible; it is only natural to expect that the Class of '35 will continue successfully, because what is sound and sensible now will not change during the passing years.

IN MEMORIAM

GLADYS "HAPPY" SPANIOL

whose cheerful disposition and vivacious personality won for her countless friends. A leader in student affairs, her choice as the most popular girl in school in 1931 attests the high esteem in which she was held by her fellow students.

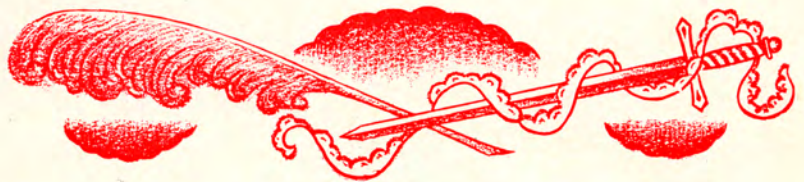

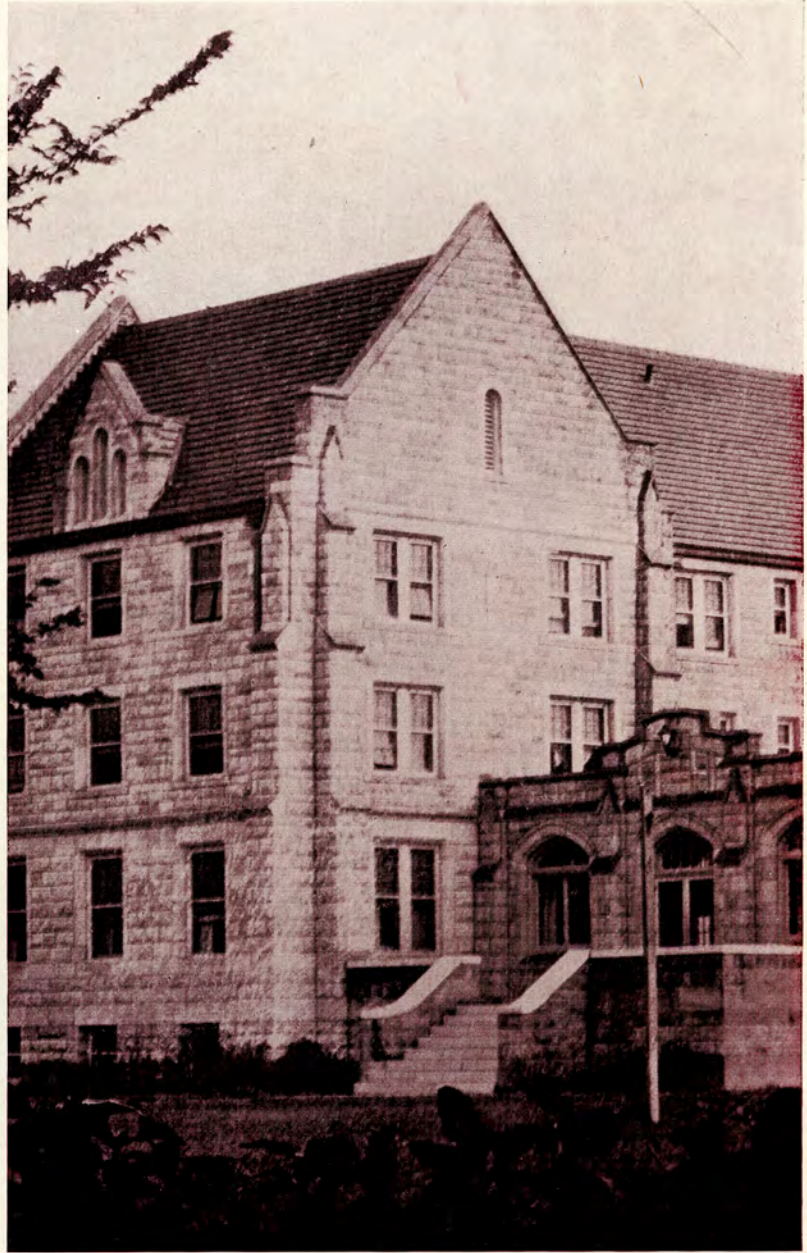

We pay her a final tribute in this, our yearbook.

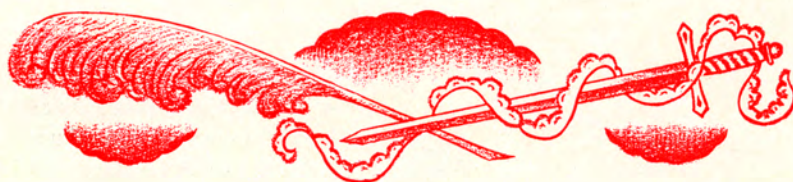

VARIATION

The charm of sparkling waters, the cool luxuriance of leafy trees, the chequered playfulness of summer light and shadow add to the restfulness and contentment of an infinitely varied college life. Thus may we leaf through Nature's textbook with peerless profit and lasting pleasure.

CHEERLEADERS

The Tigers have four excellent "pep" directors in HUNSLEY, WELLMAN, BALDWIN, and WEIGEL. To them goes the credit for leading the strong support that the students of F. H. K. S. C. give their athletic teams.

PHYSICAL EDUCATION FOR MEN

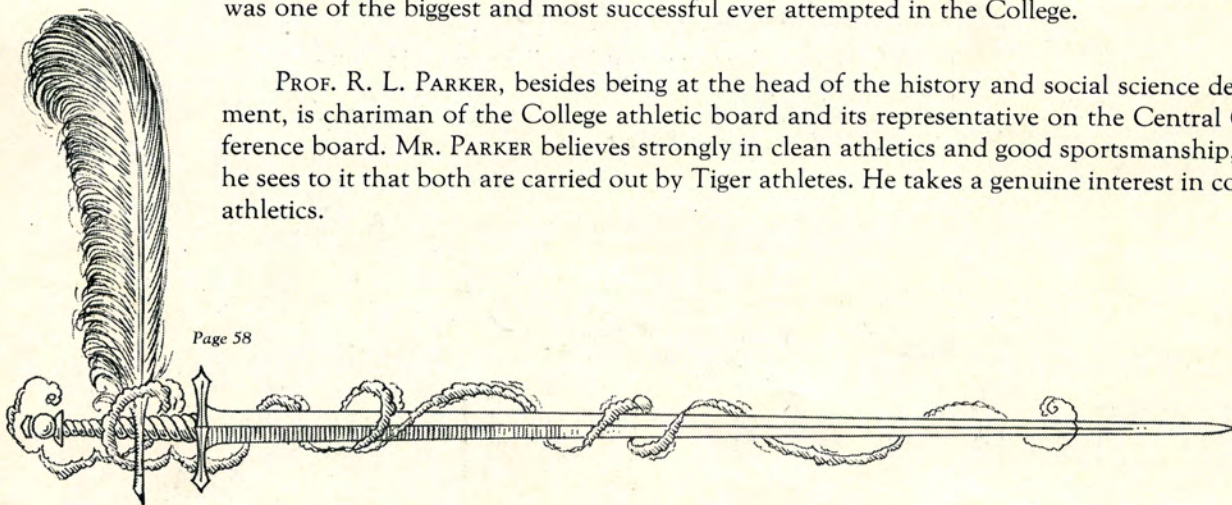

THE MEN'S PHYSICAL EDUCATION DEPARTMENT, under the direction of DR. EARL F. MORRIS, is an asset to the College of which every member of Fort Hays Kansas State is proud. DOCTOR MORRIS examines every student twice a year, and it is to him that we take our physical troubles. He has set up a student health program that is not only effective, but enjoyable to carry out.

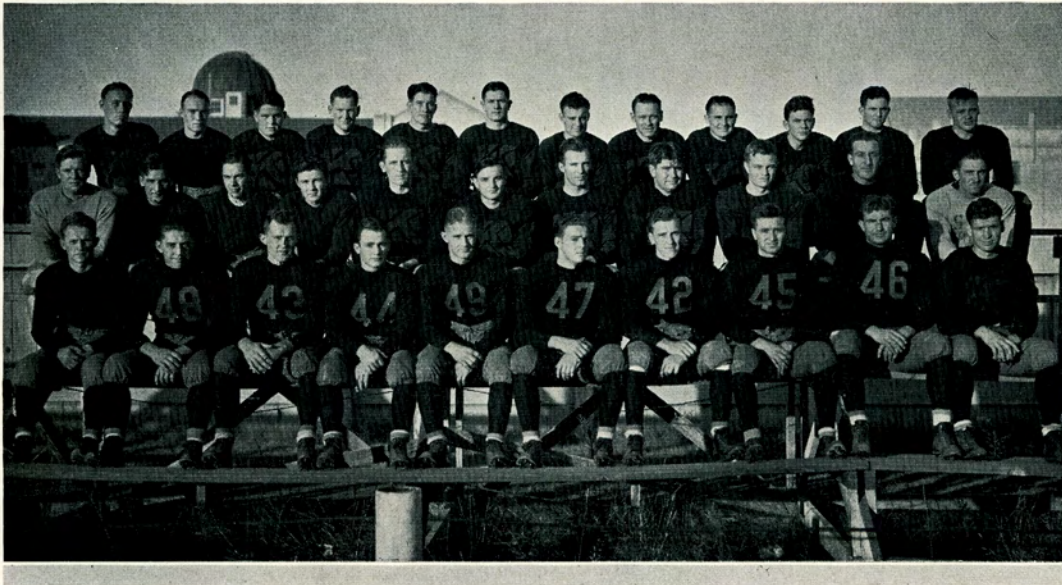

PAUL B. GROSS, head coach of Tiger basketball and assistant football coach, produced a team this year that was runner-up in Central Conference competition, the highest rating yet achieved by a Hays team since joining that conference. "Busch's" success is at least partly due to his fine treatment of the players, which makes them just *want* to work for him.

WILBUR C. RILEY—Jack, to you—is head football coach. RILEY's teams have not placed all of their games in the won column, but they have learned many a lesson in sportsmanship and clean living—the real goal of college athletics. He and his teams are known for their never-say-die spirit. JACK assists in the coaching of sports other than football when the grid season is past.

JAMES YEAGER, football line coach and instructor in physical education, is the newest member of the Tiger coaching staff. This year's intramural program, under "Jim's" direction, was one of the biggest and most successful ever attempted in the College.

PROF. R. L. PARKER, besides being at the head of the history and social science department, is chairman of the College athletic board and its representative on the Central Conference board. MR. PARKER believes strongly in clean athletics and good sportsmanship, and he sees to it that both are carried out by Tiger athletes. He takes a genuine interest in college athletics.

THE 1931 FOOTBALL SQUAD

Top Row: McLane, Welch, R. Zeigler, Mahoney, Drake, Quinlan, Woodruff, Neal, Bearly, Goodrich, Brown, Shull.
 Second Row: Moss, Lee, O. Rogers, Mitchell, Irvin, Morton, J. Schmitt, R. Schmitt, Baird, Larsen, Meuli.
 Third Row: Rothe, Wilson, Cashman, A. Rogers, Hawkes, Harbaugh, Thurlow, Schriner, Moreman, Meyers, Shryock.

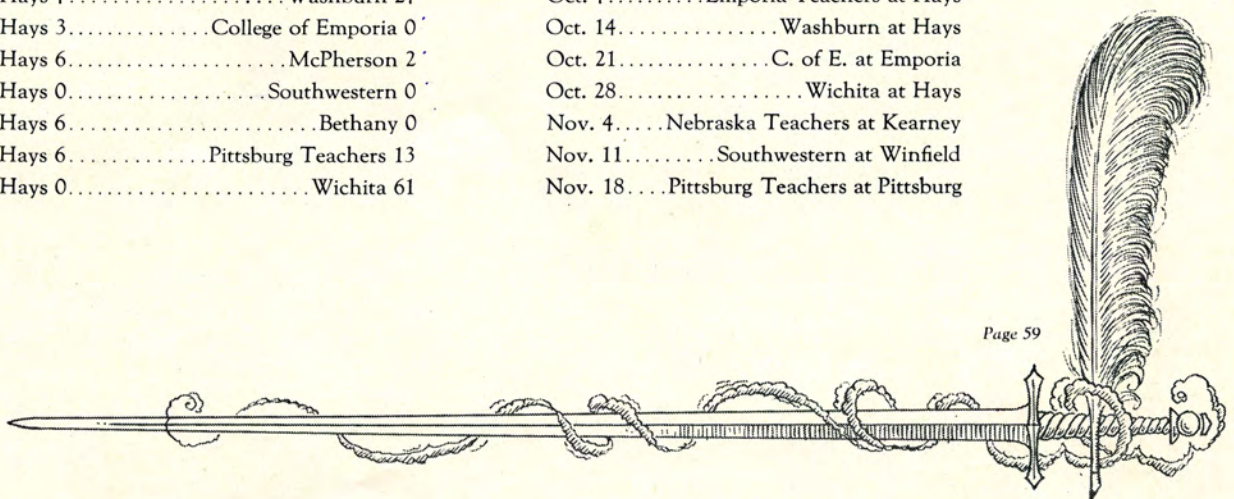

This is the Tiger football squad that fought through the 1932 football schedule for three victories, five defeats, and one tie. This year's Tiger team did not turn in many victories but was noted for its fighting spirit, never giving up, even against *insurmountable odds*.

ADOLPH SCHRINER, guard, played his last year for the Tigers and his work will be long remembered.

RAY MORTON, halfback, played his first year this season. Next year should find him in a majority of the games.

CARL FIREBAUGH, end, received his third "K" this season. FIREBAUGH's fight more than offsets his lack of weight.

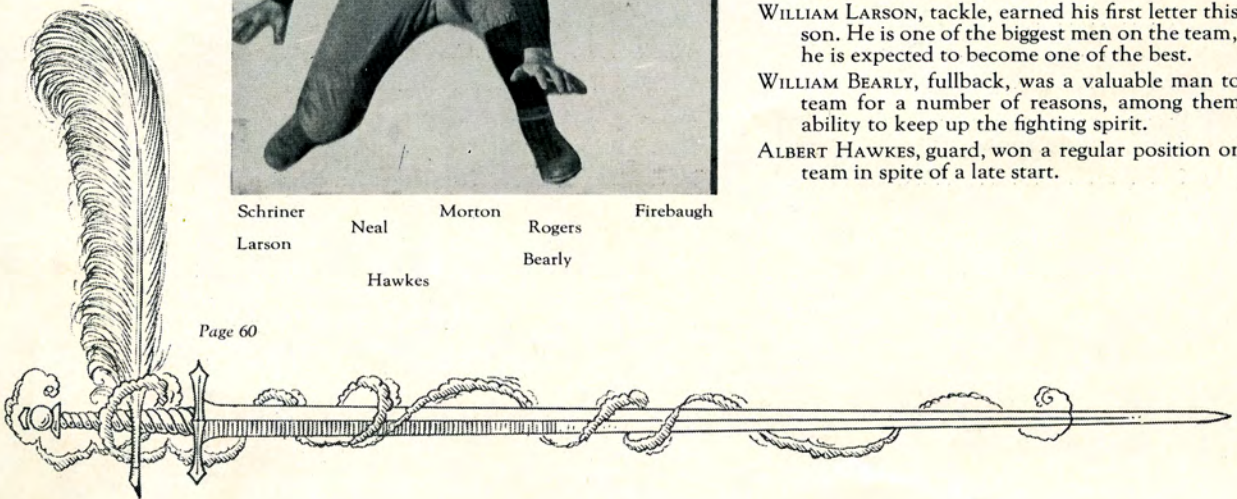

ARTHUR ROGERS, center, played his first year of college football this season, but he served in every game. He will be a valuable man next year.

WILLIS NEAL, halfback, brought the fans to their feet many times with his spectacular end runs. His work on defense was also outstanding.

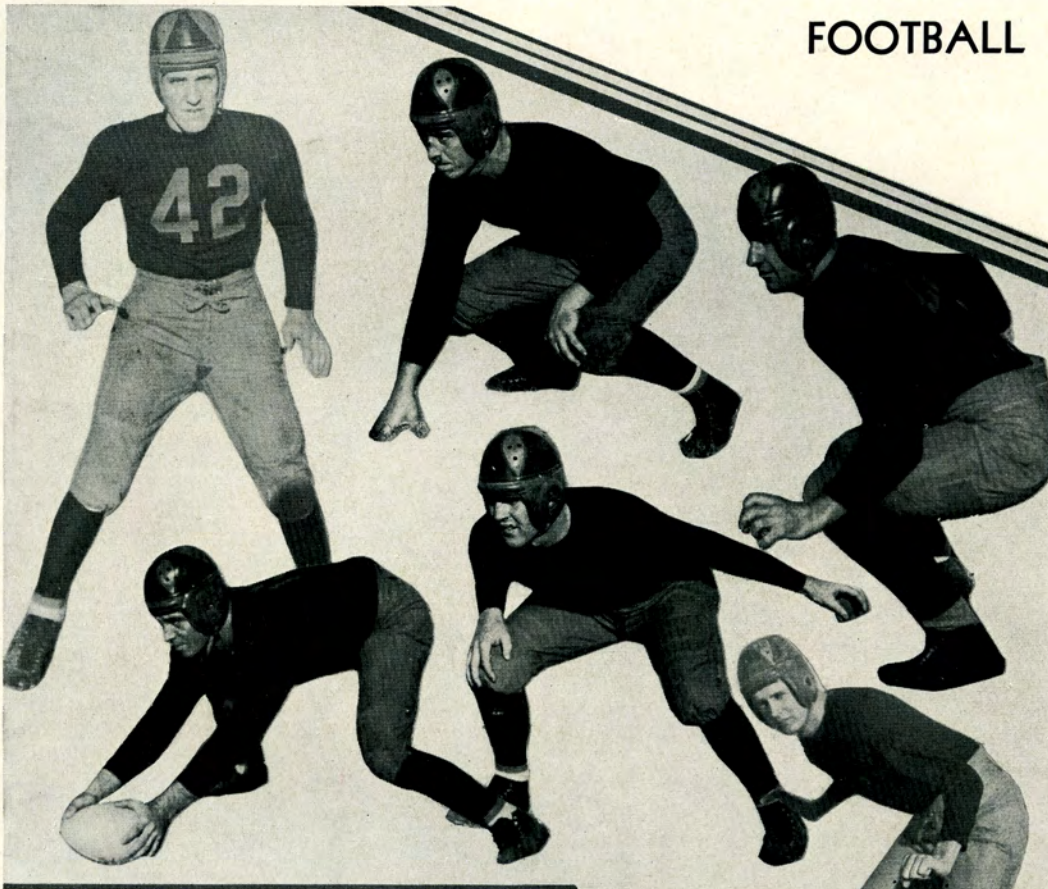

WILLIAM LARSON, tackle, earned his first letter this season. He is one of the biggest men on the team, and he is expected to become one of the best.

WILLIAM BEARLY, fullback, was a valuable man to the team for a number of reasons, among them his ability to keep up the fighting spirit.

ALBERT HAWKES, guard, won a regular position on the team in spite of a late start.

FOOTBALL

CARL THURLLOW, end, seldom let an opponent get by, and his ability to catch passes added many yards to Tiger gains.

MERWIN WILSON, guard, is one of the hardest players on the team.

VERNON MOREMAN, tackle, played every quarter on the season schedule. That fact shows his value to the team.

JESS SCHMITT, center, is a four-letter man and one of the steadiest players on the team.

LEE CASHMAN, tackle, won his first "K" this year and will be back for his second next year.

RAY QUINLAN, end, will be especially remembered for his work in the McPherson game, when he caught a pass and ran for a winning touchdown in the last ninety seconds of play.

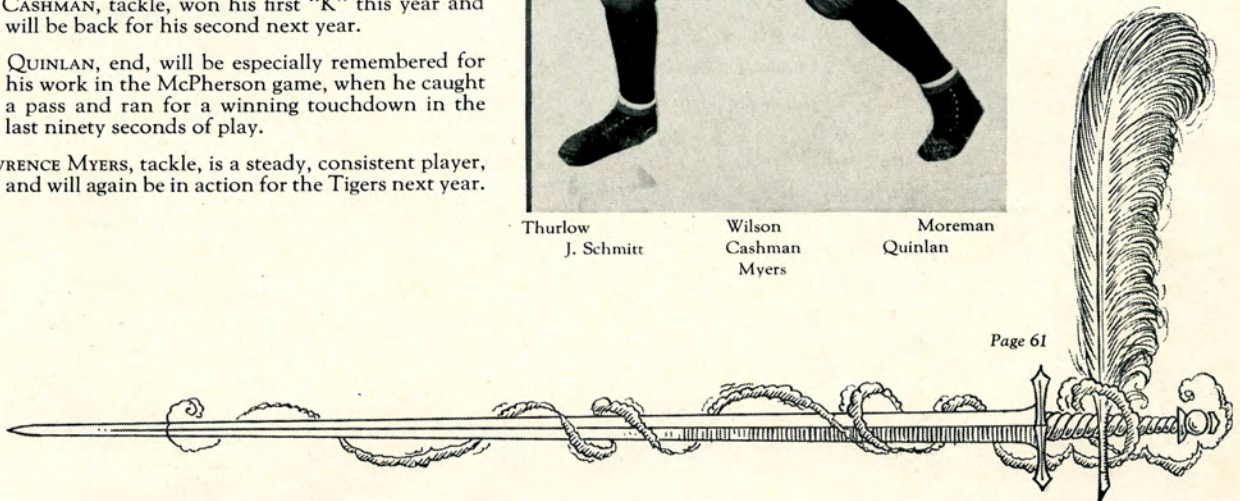

LAWRENCE MYERS, tackle, is a steady, consistent player, and will again be in action for the Tigers next year.

CHARLES IRVIN, fullback, was the "pepper-box" of the Tiger team. He proved a great asset with his ability to back up the line at fullback position. He will be lost by graduation.

WARD SHULL, halfback, is a great help in solving the backfield problem with his ability to carry the ball and to catch passes.

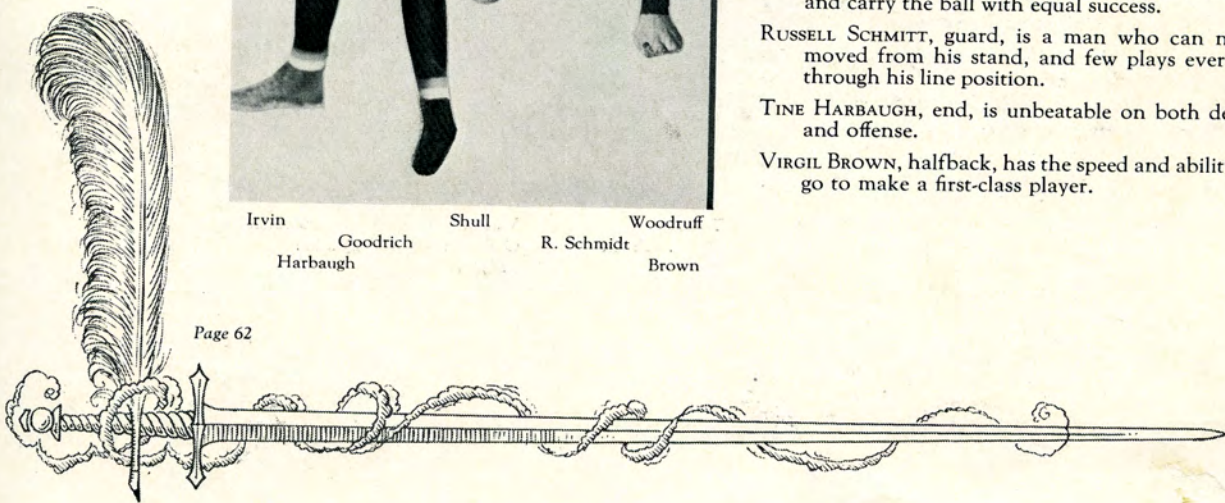

JESS WOODRUFF, quarterback, is the "slippery eel" of the Tiger backfield. He carries the brunt of the offensive attack of the Tigers. He received second all-conference mention.

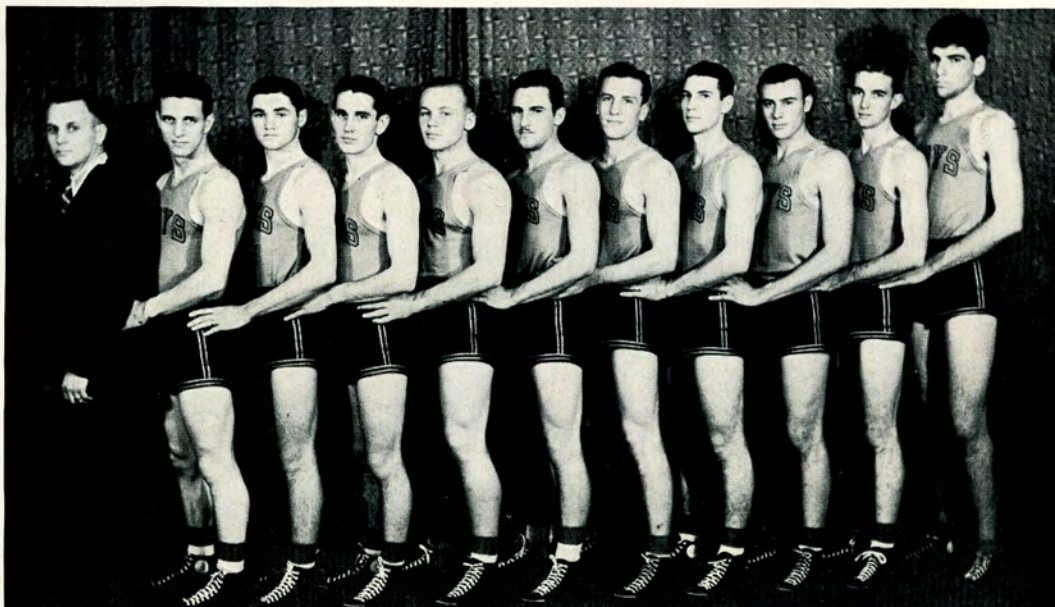

JOE GOODRICH, quarterback, has ability to place kick and carry the ball with equal success.

RUSSELL SCHMITT, guard, is a man who can not be moved from his stand, and few plays ever went through his line position.

TINE HARBAUGH, end, is unbeatable on both defense and offense.

VIRGIL BROWN, halfback, has the speed and ability that go to make a first-class player.

TIGER BASKETBALL SQUAD

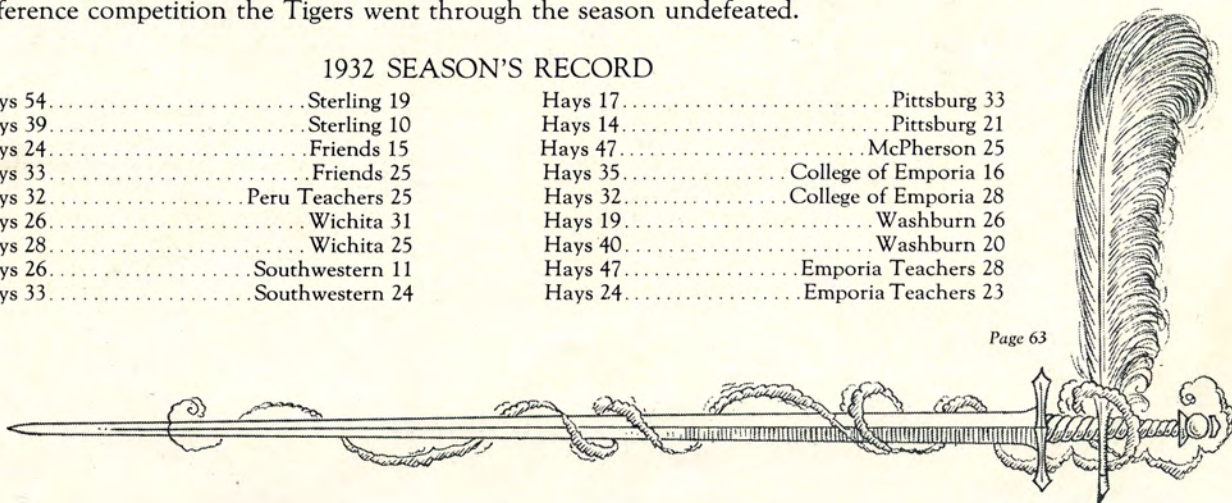

The 1932 basketball season was one of the best in Tiger history. Finishing second in the Central Conference, one notch below the champion Pittsburg Gorillas, the Tigers went through the season with fourteen victories and four defeats.

This year's team included such stars as CARTER, first all-conference forward; CAPTAIN THURLOW, first all-conference guard; LAMOREUX, second all-conference center; WILKINSON, second all-conference forward; and LIETZKE, honorable mention. Other players receiving letters were RARICK, MORIARTY, TAYLOR, and R. MEULI.

After losing three out of the first four conference games, the Tigers started winning and could not be stopped until the last game, when they were defeated by the conference champions. The following comment, which came from PETE LIGHTNER's column in the Wichita Eagle, is characteristic of remarks made by Kansas sports writers: "COACH GROSS of Hays deserves the prize as the outstanding new coach in Kansas college circles. GROSS took a team labeled a tailender and has beaten about everyone but Pittsburg in the Conference." In non-conference competition the Tigers went through the season undefeated.

BASKETBALL

Rarick, forward Carter, forward Leitzke, guard
ThurLOW, guard Taylor, center

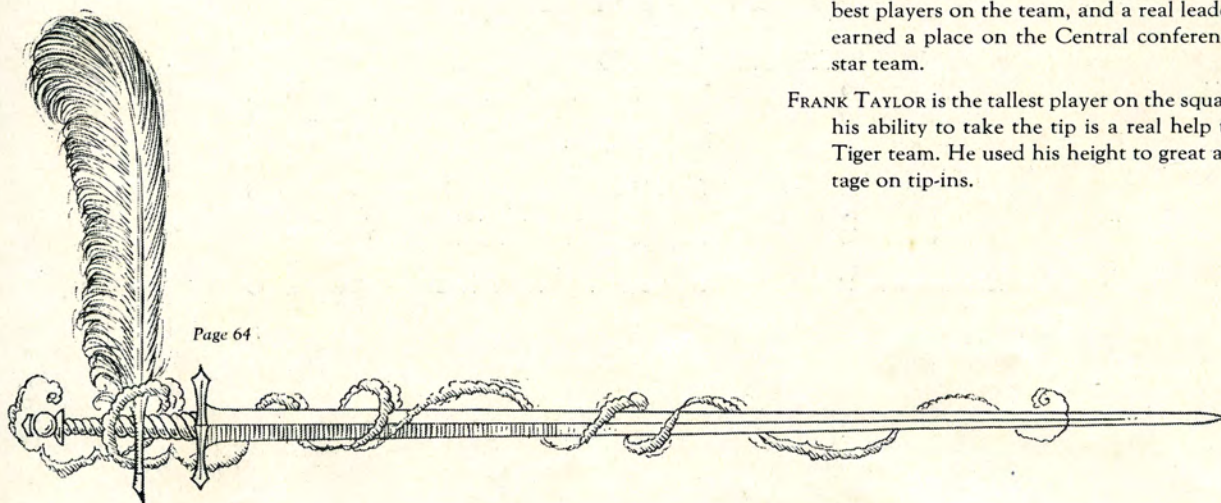

LAWRENCE RARICK played in nearly every game. He is known for his ability to start winning rallies.

FARRAN CARTER played his fourth and last year for the Tigers this season and is one of the best forwards ever on a Tiger team. He was an all-conference choice.

NORMAN LEITZKE, who will captain the team next season, excels in getting the ball from the back-board and scoring from back court.

CARL THURLOW, LEITZKE's running-mate, captained the Tigers this season. He is one of the best players on the team, and a real leader. He earned a place on the Central conference all-star team.

FRANK TAYLOR is the tallest player on the squad and his ability to take the tip is a real help to the Tiger team. He used his height to great advantage on tip-ins.

BASKETBALL

"PETE" MEULI was a reserve guard this year, but showed up well whenever given the opportunity to play.

WADE MORIARITY is a good shot with the ball and an aggressive player. He lettered this year, and will no doubt be up with the first five next year.

MERLIN WILKINSON was high scorer of the Tiger squad. "Chief" handles the ball beautifully and hits the basket from any angle, his one-handed shots seldom missing.

WARD SHULL showed up well in the first few games, but dropped out of school before the season was well under way.

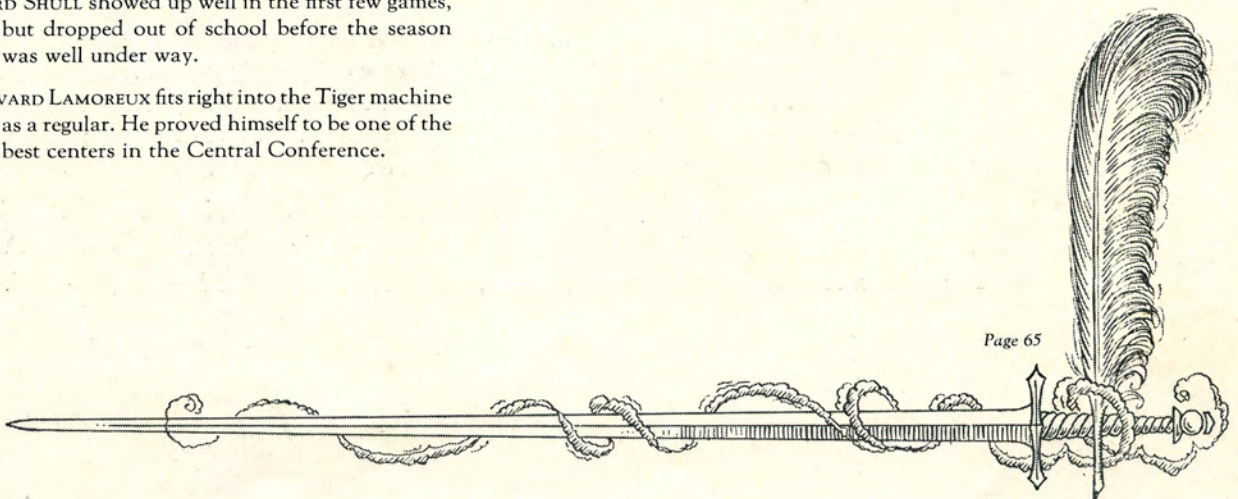

HOWARD LAMOREUX fits right into the Tiger machine as a regular. He proved himself to be one of the best centers in the Central Conference.

INTRAMURAL SPORTS

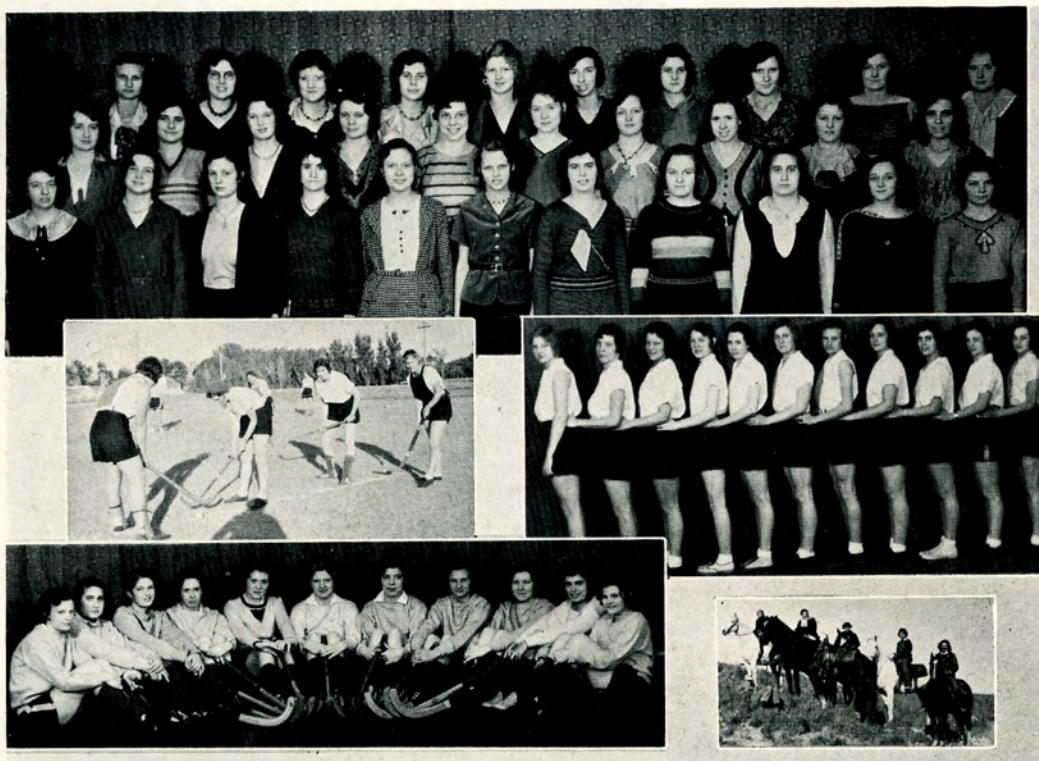

More interest was taken in intramural competition this year than ever before. Six organizations—Y. M. C. A., Independent Athletic Club, Kappa Beta Tau, Phi Sigma Epsilon, Sigma Tau Gamma, and Phi Mu Alpha—entered teams in various sports. Intramural activities are conducted under the direction of COACH JAMES YEAGER. Basketball, tennis, soccer, horseshoes, wrestling and soft ball are included on the intramural schedule.

A loving cup is given to the team winning the most points each year, and permanent possession of the cup may be secured by winning it three times.

So far, Sigma Tau Gamma has won the soccer tournament, and Phi Sigma Epsilon has won in basketball and wrestling. Winners in their respective weights in wrestling include MILLER, Y. M. C. A., 125 lb.; WOODRUFF, Phi Sigma Epsilon, 135 lb.; ROTHE, Phi Sigma Epsilon, 145 lb.; BROWN, Kappa Beta Tau, 155 lb.; ROGERS, Y. M. C. A., 165 lb.; McQUEEN, Sigma Tau Gamma, 175 lbs.; and LARSON, Kappa Beta Tau, heavyweight division.

The all-intramural basketball team chosen after the tournament, included WYLIE, Sigma Tau Gamma, Forward; McQUEEN, Sigma Tau Gamma, guard; WOODS, Independent A. C., guard; LIVINGSTON, Phi Sigma Epsilon, center; and DEETS, Phi Sigma Epsilon, forward.

WOMEN'S PHYSICAL EDUCATION

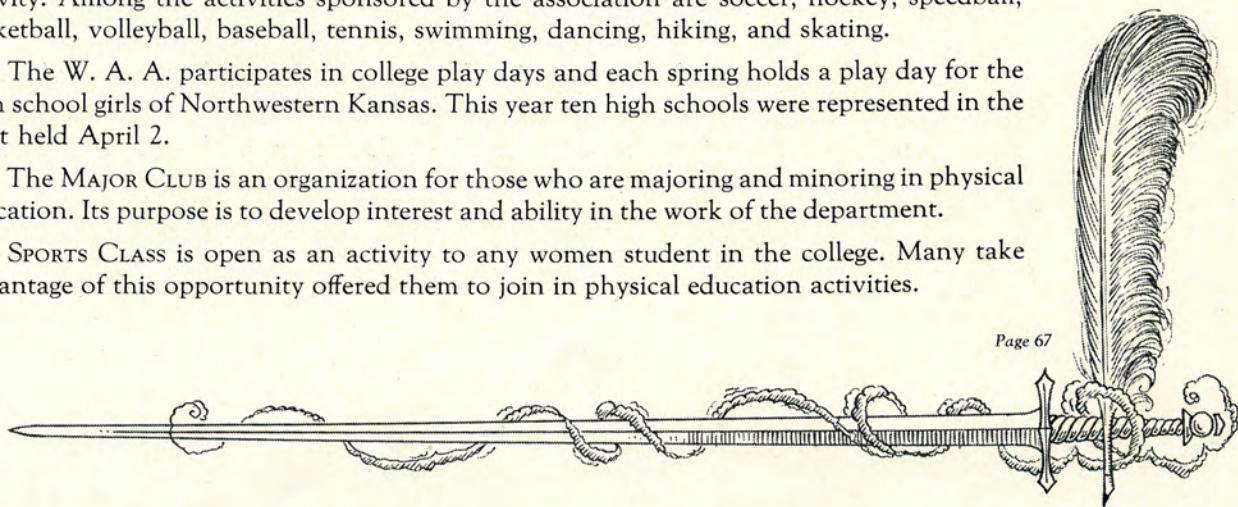

The WOMEN'S PHYSICAL EDUCATION DEPARTMENT, supervised by Miss ELIZABETH BARBOUR and Miss GENEVA MILLETT, besides offering opportunity for physical development to all women students, offers majors and minors to those women desiring to specialize in this field.

The WOMEN'S ATHLETIC ASSOCIATION is an organization of women students who are interested in the promotion of healthful living, in sportsmanship, and in all-around development in physical efficiency. It furnishes opportunity and rewards for athletic recreational activity. Among the activities sponsored by the association are soccer, hockey, speedball, basketball, volleyball, baseball, tennis, swimming, dancing, hiking, and skating.

The W. A. A. participates in college play days and each spring holds a play day for the high school girls of Northwestern Kansas. This year ten high schools were represented in the meet held April 2.

The MAJOR CLUB is an organization for those who are majoring and minoring in physical education. Its purpose is to develop interest and ability in the work of the department.

SPORTS CLASS is open as an activity to any women student in the college. Many take advantage of this opportunity offered them to join in physical education activities.

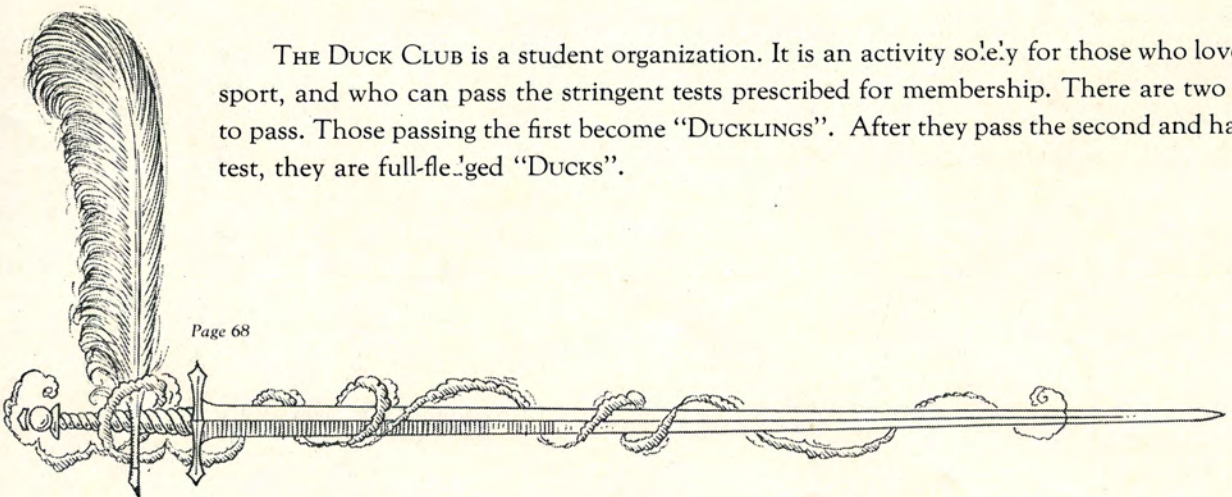

Red Cross Life Saving Corps
Duck Club—Ducks and Ducklings

LIFE SAVING AND DUCK CLUB

THE RED CROSS LIFE SAVING CORPS is a national organization. Membership is granted only to those who have passed standard tests administered by a Red Cross representative. MR. A. T. McCUE, from national headquarters, came to Hays in February to give the tests. EDITH and YUBA HUNSLEY obtained examiner's certificates. MILDRED SCHLYER, VIRGINIA MCFARLAND, IDA MARIE WICKIZER, MARGARET NICHOLAS, and KATHERINE RHOADES got senior life saving certificates. ESTA MOSER was granted a certificate in February 1930.

THE DUCK CLUB is a student organization. It is an activity solely for those who love the sport, and who can pass the stringent tests prescribed for membership. There are two tests to pass. Those passing the first become "DUCKLINGS". After they pass the second and harder test, they are full-fledged "DUCKS".

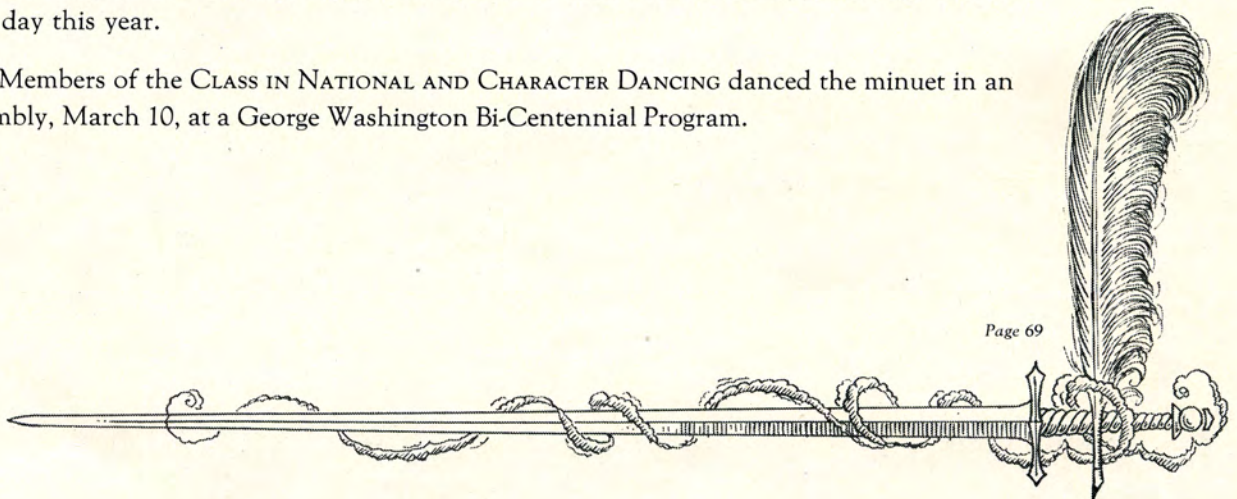

Top Row—Orchesus.

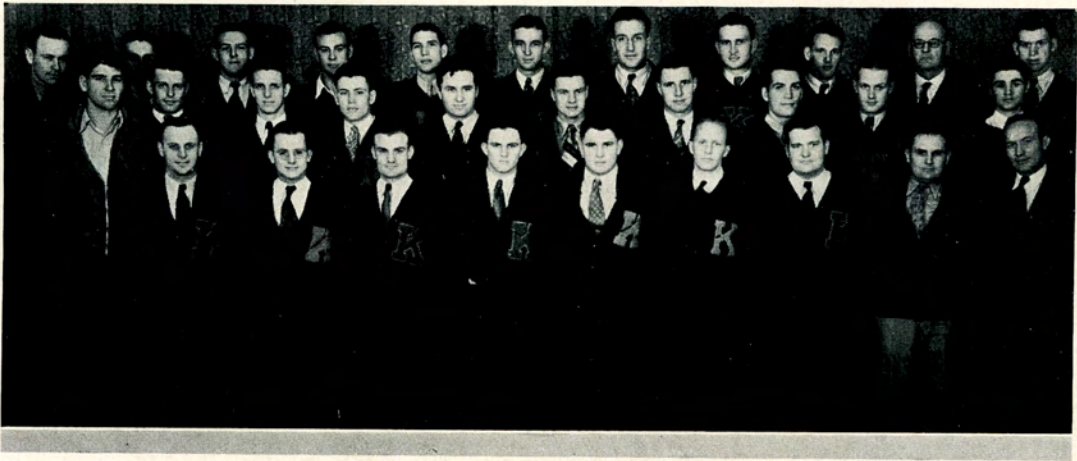

Second Row—National character dancing class; Major club as Tumblers.

ORCHESUS AND CHARACTER DANCING

ORCHESUS is another student activity open to any woman student who is qualified by her work in an interpretative dancing class. Members of this group are afforded opportunity for original compositions. This group presented one of their compositions at the high school play day this year.

Members of the CLASS IN NATIONAL AND CHARACTER DANCING danced the minuet in an assembly, March 10, at a George Washington Bi-Centennial Program.

There are at present thirty-six active members of the K-Club on the campus. Their purpose is to assist in the sponsoring of good, clean and healthful athletic activities. During such occasions as the annual spring high school basketball tournament held at the College, the members of the K-Club play a large part in conducting the programs.

Membership is earned by lettering in Varsity athletic competitions.

The YOUNG WOMEN'S CHRISTIAN ASSOCIATION has a three-fold aim:

1. To unite in the desire to realize full and creative life through a growing knowledge of God.
2. To determine to have a part in making this life possible for all people.
3. In this task to seek to understand Jesus and follow Him.

PI KAPPA DELTA AND DEBATE TEAMS

EDGAR KING and WESLEY FREEMAN as the Men's Team and CRYSTAL GRIFFITH and CLARA MCINTOSH as the Women's Team represented K. S. C. at the Pre-Season Debate Tournament at Winfield, December 4 and 5, 1931.

EDGAR KING and ADRIAN DAWSON represented K. S. C. in a freshman debate with Garden City Junior College held at Hays February 5.

EDGAR KING represented K. S. C. in oratory and extempore speaking in the contest of the Kansas State Oratorical League, held at Manhattan March 11 and 12.

A debate with Denver University was held at K. S. C. March 21. EDGAR KING and WESLEY FREEMAN were the members of the K. S. C. team. This was a non-decision debate.

The K. S. C. delegation to the national Pi Kappa Delta convention held at Tulsa, Oklahoma, from March 28 to April 1 included EDGAR KING, WESLEY FREEMAN, CRYSTAL GRIFFITH, CLARA MCINTOSH and J. R. START. All of these contestants were entered in the debate. EDGAR KING was also the K. S. C. representative in oratory and extempore speaking.

SMILEY'S SINFONIANS

SMILEY and his Sinfonians furnished the dance music for the Reveille Frolic, January 28, at which BERNIECE MEYER and ORVIS GROUT were selected as the most popular students present. Many a crowd at the varsity dances have applauded to the Sinfonians' music.

It's always fair weather when good fellows get together. Note the painted dolls, and the good ol' gangs.

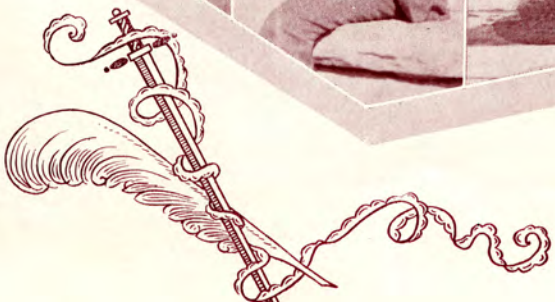

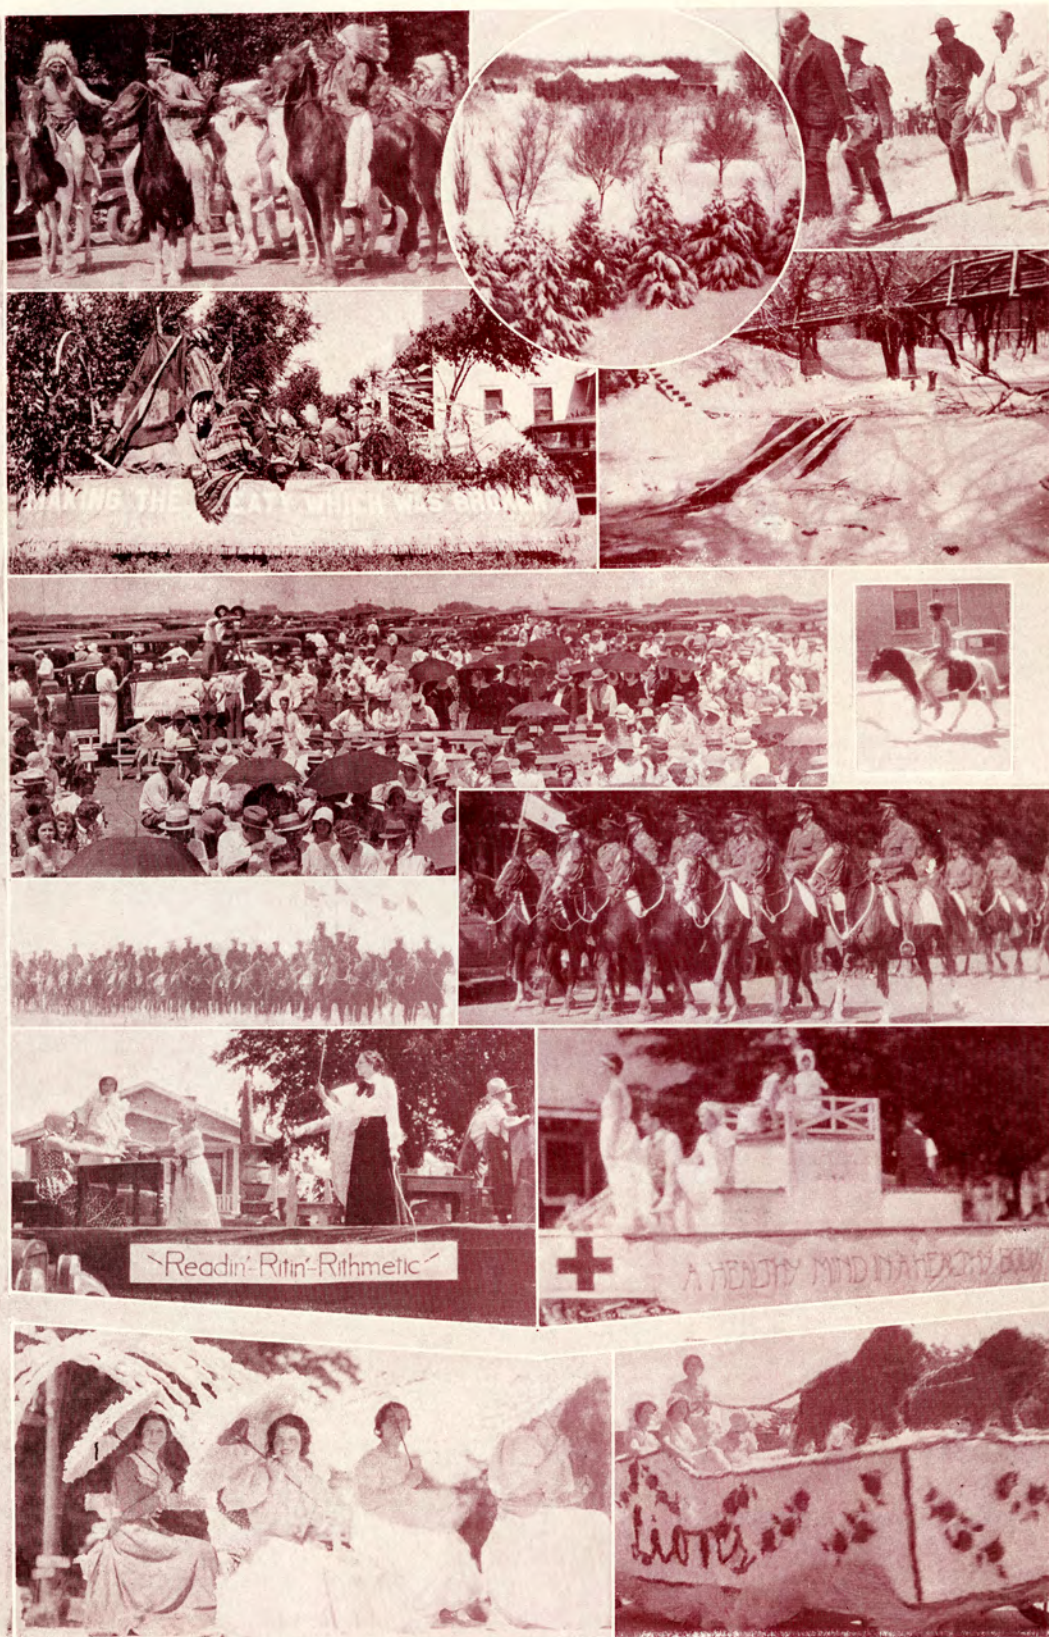

"Sid" Robinson, state middleweight amateur boxing champ; hurdlers and dash men; Director Green gives the band a rest; Tiger cagers arrive home after a victorious trip.

Girl friends and boy friends; if winter comes . . . we have our new heating plant; "Bud" Lee.

Visitors who helped Fort Hays Kansas State celebrate her thirtieth anniversary, with a couple of scenes to cool you off when thinking of that hot June day

Hays in early 70's

Hays had its beginning October 10, 1867, when the Union Pacific railroad then building from Kansas City, Mo., to Denver, Colo., made its "tracks' end" for the winter. Probably no frontier town of the late "60's" and early "70's" attracted as much attention in the Eastern newspapers of that day as did Hays.

It is now the seat of the Fort Hays Kansas State College, St. Joseph's Catholic College, Fort Hays Experiment Station, containing 3600 acres, the largest in operation, and the Kansas Frontier Historical Park.

The Hays Chamber of Commerce has played a most important part in the development of the city of Hays, and the various colleges that now surround and make up a part of the city. It is the will of the Chamber of Commerce of Hays to have and help build the most desirable community that any American Citizen would wish to inhabit.

FRANCES NICKLES, *Secretary.*

FROM ME TO THEE

Hear Ye! Hear Ye! New Students of the Old Institution:

Upon arriving on this campus, begin not as I began (learning by experience), but take this advice from an old timer. It's all in the way you get started.

You of the male sex, bring along Pop's best pipe, for you'll never amount to a darn till you acquire the art. Apply for entrance to Jimmie's Smoker, a southern school of smoking technique. As to clothes, search the rag bag, fray the bottoms of the well worn trousers, and splotch with glorious reds and blues. If you are fortunate enough to make the basketball squad, for heaven's sake indulge not in pie eating contests in neighboring towns—it may place your name on the ineligibility list for the year.

And girls, nothing is important in the apparel you bring along except the length of the skirts. You must swish and swash around to gain comment. Favorable? Well, not necessarily. Bring along a notary public to witness a contract with your housemother, the contract to very specifically state you are to have hot water once during the semester. Even this does not surely spell success. Stay home from the first two or three varsity dances until the men get some extra practice—unless you wish to be toughened up for a place on the football squad.

Boys and girls, when the registration nightmare meets you, do not brave its terrors alone. Seek out JESS SCHMITT, TINE HARBAUGH, ALICE BARTELL, HENRY BUCK, DEAN WIRUTH, SCOTT WYLIE, or MARGE WALKER. They'll give you the low down on the professors you can win with a smile, a few nonsensical words, or a pat on the cheek.

To put yourself in the public eye from the very first, absolutely refuse to wear a frosh cap. Everybody will surely go gaga over you. Don't waste your assembly cuts—the women's glee club sings the last part of the semester. Learn to play bridge if a member of any of STRIMPLE's classes; these extra curricular activities are important.

You are expected to eat the traditional breakfast of “roll an' cuppa coffee” at the Tiger cafe. (Unless you have a class under Doc MORRIS—this makes you exempt for the semester). Above all, remember that frosh go to the library to study. The Tiger is reserved for the “work” of upper classmen. (Back booth leased by Chief).

Luck to You.

*"You scratch my back and I'll scratch
yourn."*—ARTEMUS WARD.

The business houses who have supported
the 1932 Reveille by buying advertising
space in this section have helped the staff
out of a ticklish situation. It was their co-
operation that made possible the publi-

WHETHER you are young or old you have a sweetheart, or wife, or someone whom you care for more than all the rest. Maybe it is your mother to whom you wish to show your yearning affections.

There are times when you want to express your thoughts of her so she can really know that she is the one whom you most highly esteem.

Flowers represent the brightest, finest, and choicest period of any time—they give her those sweet inspirations of love, which is more intense, absorbing, and tender than friendship.

If you are desirous to cheer, please, and make her happy there is the one-and-only gift that truly expresses the amiable spirit.

TIME eraseth all things," said a famous poet long ago. As time goes on, many of the happy incidents and treasured friendships of your college days will fade from your memory. To preserve these things for your future pleasure, we have printed this book for your school. A good book, like a good friend, grows in value as the years go by.

Keep this volume carefully, and it will give you
much gratification and enjoyment
in the years to come.
