# SECRETARY'S REPORT

By Lisa Tankersley

On September 14<sup>th</sup>, 2006 at 7:30 p.m. the bimonthly meeting of the FHSU Block and Bridle was called to order by President Nathan Staab.

An ice breaker game was put on for everyone to get to know each other. There were 40 people present.

Chairs Trevor Shaw and Lance Manker reminded everyone of the Junior College Livestock Judging Contest which will be held September 21<sup>st</sup>. It will start at 9:00 a.m. and everyone that signed up needs to make sure and help out. More help is still needed if anyone is free.

The new initiate program will be next Wednesday, September 22<sup>nd</sup> at the pavilion. All members are encouraged to come and participate, especially new members. A reminder will be sent via email.

The FFA dairy cattle judging contest will be October 13<sup>th</sup> at the pavilion. Chairs Jessica Ahlquist and Megan Fickenscher are working hard on plans. A sign up sheet will be passed around at the next meeting for workers to help prepare and run the contest.

Oktoberfest is planned for September 30, 2006 and the homecoming parade the following day. The fundraising chairs, Megan Fickenscher and Gabe Bromm are in charge of the event. It was properly moved, seconded, and voted on that this year Block and Bridle would enter a float into the homecoming parade. Melissa Codner was named the chair for the float.

Dr. Howell, brought up the subject of the convention to be held in Ohio in the coming months. The next week is the last opportunity for someone to sign up because the registration is due.

President Staab reminded everyone once more of the upcoming events.

September 21<sup>st</sup>- Junior College Livestock Judging Contest  
September 28<sup>th</sup>- New initiate program at the pavilion  
September 30- Oktoberfest  
October 13<sup>th</sup>- Northwest FFA Dairy Cattle Judging Contest

Katie Dinkel moved to adjourn the meeting. Grant Davidson seconded the motion and the meeting was adjourned at 8:20 p.m.

A couple weeks after school starts, the Agriculture Department Faculty puts on a "Back to School" BBQ. The Faculty participates in preparing and serving the food to the students. After we ate, there was an ice breaker that helped students get acquainted with each other. All Faculty was introduced after this and the night was wrapped up with representatives from each Agriculture Club speaking about their club in an attempt to recruit.

# FARM

In April, it was requested that our club put together a farm safety presentation for a group of elementary aged children. The group used a PowerPoint to present safety in several different areas. They include anhydrous, grain, burn, first aid, and cattle handling safety. There were demonstrations done in several of these areas. The presentation was given at the Kansas State Research Facility. Those who participated were Nathan Staab, Heath Klein, and Lynn Pfeifer. Thank you to them for putting something together to better the community.

The Road Rally is an event where participants are given a set of directions that are not your regular directions. They are clues that have to be interpreted to know the correct roads to turn on. For some the directions seem impossible, but for others... let's just say it's an exciting trip to the finish line. The car's mileage is checked when the car checks in and the time is logged. They are given the directions and a list of ridiculous items to look for on the road such as road kill, barbed wire, and Little Debbie boxes. The car with the mileage closest to the predetermined correct mileage and the most items gathered from the scavenger hunt list wins. The Road Rally is a fundraiser and is open to the club and all of campus to participate.

## 2006 Awards Banquet

The Little International Fitting & Showing Contest Banquet is an event open to all B&B members, as well as contestants in Little International. It is meant to be a chance to look back at the year and award the outstanding members. The officers for the past and upcoming years are recognized in pictures. Buckles are awarded to the winners of the contest and tokens of appreciation are given to the people who were voted by the club that worked the hardest throughout the year. This year, an honorary membership was presented to Dr. Robert Stephenson. Dr. Brent Spaulding graced the club with his presence, as the 2005-2006 school year was his last at Fort Hays State University. He closed the program.

**Agriculture Awareness is a chance for the Block and Bridle members to educate elementary students from surrounding communities about the role agriculture plays in their everyday lives. It's really fun to see and hear what the children say and do and their reactions to what we are showing them. We hope it is very educational and fun for the students, teachers, and Block and Bridle members. The event was planned and coordinated by Grant Davidson and Quinn Brown.**

## END OF THE YEAR PICNIC

Toward the end of the school year Block and Bridle has a BBQ and all Ag teachers are invited. Block and Bridle members come and play games and socialize outside the campus. We grilled the hamburgers and hotdogs at the BBQ and **NO ONE** went home thirsty or hungry.
