Dr. Brittany J. Howell grew up in central Florida and went on to attend University of Florida. She received her B.S. degree in Animal Science and her M.S. degree in Animal Science, focusing on nutrition and a "branded beef" research project. During her M.S. degree and then on a full time basis following graduation, she worked at a nearby 40,000 head feed yard. She then worked at a 1400 cow dairy until returning to school at Kansas State University to obtain her Ph.D. in ruminant nutrition, focusing on feedlot cattle nutrition. Following graduation, she worked for several feed companies and a private livestock nutrition and management consulting firm over a period of 8 years. In 1998, she joined the Agriculture Department at Fort Hays State University as an assistant professor. She teaches approximately 11 different courses in Animal Science and serves as advisor for the Fort Hays State University Block and Bridle Club.

Mr. Kolby Burch grew up in a cattle and sheep ranch operation in central Wyoming. Mr. Burch holds a Masters in Professional Agriculture and a Bachelors of Science in Agriculture Education from Iowa State University. He completed his Associates of Science at Casper College. Block and Bridle Minutes 3-14-07

Block and Bridle meeting was called to order on March 14th, 2007 at 7:30 pm in the Sunflower Room in the Memorial Union. Chelsey Gillogly, running for President, and Cole Engle, running for Vice President, came in and talked about the running platform and to consider them for the 2007-2008 student body President and Vice President.

Dr. Howell brought to our attention the possibility of moving Ag Awareness to April 26th. Heath moved that we move Ag Awareness to April 26th. Lisa seconded it and the motion passed. Dr. Howell also brought up how we have been focusing too much on the contests and have watched the club getting smaller and smaller because we have too much of a heavy work load. She also mentioned it would be healthy to cut back on the work events. Much discussion was held about making the club having fun. Lisa moved we tabled the discussion to the meeting after spring break. It was seconded and passed. Katie mentioned that more help is needed for Bingo on 3/20 and on 3/27. Discussion was held about the Road Rally; Katie will be looking into a date and letting everyone know when the Road Rally will be.

For the Little J Heath said that we all will be meeting together and watch halter breaking of animals. Lisa mentioned that she emailed everyone about parents’ addresses and shirt sizes, so check your email.

Megan announced that officer nominations are March 25th and we will be voting for new officers on April 4th. Heath moved we adjourn the meeting. Katie seconded the motion and the meeting was adjourned.

Meetings are a good way to get everyone together and work out the different activities that are going to need to be accomplished. Any successful activity is connected to student participation in club meetings.

LITTLE I

Good FRIENDS
Good MEMORIES
Good TIMES

Steph Zekroaat advising how the show should go
Part of the fun of Little International is the preparation of the show animal. Starting with the halter breaking and ending with the clipping, students are able to show their accomplishments made throughout the weeks of hard work.

PREPERATION
SHOW DAY
Little International is a fitting and showing competition open to anyone wishing to participate. Animals are donated by the University Farm and are able to be worked with a few weeks before competition. The students are responsible for leading and halter breaking the animal, clipping the animal, and being knowledgeable of their animal. Little I is not only for people that have shown in 4-H or FFA, but for those who have never had the experience of showing an animal.

Little International consists of a relaxed environment where, even though it is a competition among friends, students are able to kick back and socialize between the different shows.
