## Learning Environment Committee Survey

Dear Faculty and Staff:

The Learning Environment Committee is conducting a survey for all faculty and staff through March 23 about desired classroom design. The purpose of this survey is to identify current uses of FHSU classroom technologies and resources and to gather information about desired features for future classroom design. We seek input from current faculty and staff who have taught in an FHSU classroom in the last two year.

Thank you for completing this survey. Questions about the survey should be directed to Tim Crowley or Shane Schartz, Learning Environment Committee co-chairs.
