ANNOUNCEMENTS

Internet Outage Update

At approximately 2:00pm on Monday, we experienced an Internet outage due to damaged fiber optic lines in the construction area near Stadium Place apartments. The outage affected access to all services on and off campus (Blackboard, email, website, TigerTracks, etc.) during this time.

As of approximately 8:10pm Monday evening, the service was restored. Everything appears to be in working order, but please feel free to contact me if you have any issues you feel may be related to the incident.

To better avoid outages like this in the future, additional redundancies are under consideration as well.
