President G.W. Tomanek
Fort Hays State University
Hays, Kansas 67601

Dear President Tomanek:

Late last week I received a piece of stone taken from the walls of the original Rarick Hall. In the package was a memorandum certifying the authenticity of this "piece of history".

Needless to say I appreciated very much receiving this "bit of the past", together with your well phrased statement --- a most appropriate commentary on what this structure as a symbol of the University has meant and will continue to mean to the youth of Kansas. I have written a note of thanks to Alice Beesley who was, I understand, responsible for sending the tangible reminder of the University's past.

Sincerely,

G. Lawrence Rarick
