Dear Friends,

The dedication of Tomanek Hall and the Keith G. Sebelius Lobby marks a significant milestone in our efforts to ensure that Western Kansas will remain at the forefront in communications and sciences in the 21st century.

Keith Sebelius was a driving force of the university throughout his lifetime of public service. He was a good friend and trusted colleague. In honor of his loyalty and hard work, I am pleased that we have been successful in establishing this impressive structure and the programs it supports.

My heart and my thoughts are with you, Keith's family, and his many admirers.

Sincerely,

BOB DOLE
