**H**asten, happy time, when we  
At peace with all mankind may be,  
And man to fellowman shall say,  
"Behold the dawn of that glad day  
Which ushers in the Christmas Year  
With endless love and lasting cheer"  
O tarry not, Good Will and Peace  
Of Christmas that shall never cease.

**D**ear Christmas time, fain would we make  
Thy spirit dwell, for all men's sake,  
With us throughout all time and lands.  
Let open heart and open hands,  
Not for one day in each short year,  
But the year round, preach far and near  
The gospel of Good Will and Peace  
Let joy abound - may love increase!

Again the Christmas-time is here,  
With all its wealth of happy cheer.  
Bright burns the fire, and on the wall  
The holly shines in hut and hall,  
And merrily from steeples high  
The bells ring out to earth and sky  
Their message of Good Will and Peace.  
May joy abound, and love increase.

Light  
The night has a thousand eyes,  
And the day but one;  
Yet the light of the bright world dies  
With the setting sun.

The mind has a thousand eyes,  
And the heart but one;  
Yet the light of a whole life dies  
When love is done.

When the Christmas time is here,  
The light of the year  
is here  
is here

# Light

The night has a thousand eyes,  
And the day but one;  
Yet the light of the bright world dies  
With the setting sun.

The mind has a thousand eyes,  
And the heart but one;  
Yet the light of a whole life dies  
When love is done.
