1965 REVELLE

The Reveille 1965
Fort Hays Kansas State College
Vol. 52

Hays, Kansas

FOREWORD

This is Fort Hays State. Each person here has a concept of what that means. A partial explanation is that FHS is a liberal arts college in Western Kansas with a 1964-1965 enrollment of approximately 4,200. But of course there is more than that.

For Fort Hays State citizens, there is a deeper meaning of FHS, which changes every year.

This depth comes from the exchange of ideas and knowledge, as well as from the friendships bonded here. Every year a new crop of faces enters the realm of Fort Hays State, bringing an addition to the substance of the story that is already here. Each year is a new volume in the story of what FHS means.

The 1965 Reveille records 1964-1965 so that today's students may remember their college foundations, and so that future generations may know their heritage. The anthem of our Alma Mater lends itself to the telling of this story. Throughout these pages the anthem's words help interpret this year at Fort Hays State.

S TORY OF THE YEAR

For a few hours a day, when academic study ceases, another form of learning surges to the foreground. Relieving tensions and refortifying the will to buckle down, social and cultural activities find their place in a student's education.

Ten or twenty years from now, one may not clearly remember the long hours of study, although benefits from that study will be evident. But the friendships established and fun shared will last in memories until no one is left to relive them.

Weekend parties, rush, sports events, Artists and Lectures programs, Homecoming, Furlough—these are the settings from which evolve the most all-student participation and fellowship. These are the times when the student discovers, through participation, the key to life in a social world.

Here is the story, socially and academically, of 1964-1965 at Fort Hays State.

VOICES RING—THEN ECHO; AN IRREVERSIBLE CAVALCADE

Bottom: After all the traumatic experiences enrollment involves, classes begin and life becomes humdrum.

Distraught Freshmen Reinforce FHS Ranks

Those hectic first days! Getting acquainted with roommates and the campus, freshmen moved into their new homes. Immediately they found themselves caught up in the orientation program—joining organizations at the activities merry-go-round and meeting Dr. and Mrs. Cunningham at the president's reception. With freshmen still unsure of their surroundings, upperclassmen swept in.

Enrollment confusion left everyone a little wiser, but thoroughly convinced some that they were hopelessly stupid and could never make it to the next enrolling ordeal. Most students did indeed learn how to sign names, addresses, classifications and majors and mastered the fine art of standing—patiently or perhaps not patiently—in lines.

After conferring with advisers, then invading bookstores, students diligently searched for classrooms. The everyday grind began.

"Is this basketweaving 205?" wonders Sue Garrett.

First Pre-School Rush Held Prior to Orientation

Pitches for AKL and free cigarettes are tactics Larry Jones and Linda Ohlemeier use on rushee Richard Erwin.

Campus Applies Ideas Discussed at Retreat

For the first time at FHS, Greek men held pre-school rush. The week prior to orientation, rushees lived in dorms and attended parties—one at every house and a final one at the favored house of each.

Then early each semester, fraternities entertained prospective members with smokers.

After summer rush, school opened, class rosters stabilized and students and faculty united to learn about each other.

To increase understanding among faculty, students and administration, and to put some of the ideas discussed into practice during the year was the purpose of the third annual Student-Faculty Retreat. Campus leaders and interested faculty members participated in the parley which met at Camp Pecusa near Lake Webster, September 19.

Also to promote understanding—this time between students and parents, All-Student Council and Second Generation Club sponsored Parents' Day, September 26. Special events throughout the day and the Colorado Western football game gave families a view of FHS life.

"And here's the dorm," a freshman shows her family.

Discussion continues while President Cunningham and retreaters snack.

Well-Known Personalities Offer Cultural Excellence

Satire, concert and folk music, and informative lectures entertained audiences first semester.

Well-known personalities brought to campus by Artists and Lectures and the Pop Concert Series included John Ciardi, The Gaslight Singers, the New Christy Minstrels, Dutton Percussion Trio, Japan Philharmonic Symphony, architect Victor Christ-Janer, Broadway satire "Beyond the Fringe" and pianist Byron Janis.

Talent and humor blend in the folk singing of the Gaslight Singers.

Tina Martin and Tom Purer stroll through leaves of early fall.

A near record-breaking sized Kodiak bear and a polar bear, recent gifts to the college museum, capture the attention of all visitors.

Students Enjoy Leisure

Many eyes see the campus many ways. Whether one spends free time in recreation or in pursuit of extra knowledge, varied opportunities extend themselves to FHS students. Nature, facilities for fun and relaxation, educational exhibits—each invites its own patrons.

Ed Hebrlee checks Darrell McGinnis' ceramic at the faculty art show.

Walking girls, idle boys and ready snow equal one impromptu battle.

Marla Morgan and Janet Pechanec survey "four thousand years of locks."

Usually a more peaceful part of the Union, the lounge attracts readers or quiet conversants.

Leo Hayden, right, congratulates defensive end Bill Chase who picked up a fumble and scored FHS's only touchdown.

Homecoming Climaxes Weeks of Preparation

For hours the week preceding Homecoming 1964, students stuffed napkins and crepe paper and sprayed paint for the theme, "Harvest Festival." Picken's pond took on the aura of a football field with yard lines and goal posts; Phi Sigs decorated their house.

Then, Friday evening, everyone pooled spirit in the snake dance, running, riding, and yelling to the bonfire and pep rally. Amid excitement and tension, Ima Jean Atwood was robed as queen.

Saturday morning in the windy cold, alumni arrived, parade entries lined up and 19 floats were judged. Meanwhile, the class of '67 treated the freshmen to a chilly swim in Big Creek. Frosh, rebelling at losing the tug-of-war, threw in the sophomores.

Despite dust and wind, spectators overflowed Lewis Field Stadium for the game and queen's crowning, although Washburn's Ichabods won 14-7. A dance and the usual private parties culminated the weekend festivities.

For the second consecutive year, Alpha Kappa Lambda won sweepstakes. Their combine harvested Ichabods who were administered first aid by "nurses" from an ambulance.

An apple-chewing worm won first place in women's division for Delta Zeta.

First place in men's division went to Sigma Phi Epsilon whose float depicted the Headless Horseman pursuing Ichabod Crane.

Newman Club's float, "He who reaps," took first in open division.

Alumni, faculty and friends re-lived college days at the smorgasbord.

Leader Scores Big Scoop With Election Special Edition

By sponsoring a mock election of national and state officers, then printing a special edition the morning of November 4, *The Leader* scooped Kansas dailies and gave staffers practical experience in production under pressure.

Leader reporters used facilities of the Hays Daily News for Associated Press teletype returns. After studying and editing returns and gathering local data, editor Norman Brewer and his crew returned to the campus to make up the paper and at 1 a.m. met their deadline with Big Jim and the backshop. The press started to roll at 3 a.m. and students picked up their papers as they went to 7:30 classes. Subscribers of area dailies found less complete returns at a later hour that morning.

Presses roll in the wee hours of the morning to meet delivery deadline.

The finished product reaches students by 7:30 a.m., revealing Democratic landslide and local Republican upset victory.

First Snow, Sorority Rush Arrive Simultaneously

The first snow ushered in sorority rush, making shoes soggy, hair droopy and faces rosy. But personality bubbled at the parties as Greeks sought to impress rushees, and rushees sought to impress Greeks.

Themes for the preferential parties included Te-ke Botche, an oriental scheme; Hellenic Holiday; South Pacific; Pearl and Triangle; and Pink Rose.

Snow failed to hamper rushing and pledging new sorority members, and to prevent the majority of students from tromping to classes.

Gerry Fehrenbach and Don McElroy know snow won't stop class.

"Would you like to say a few words about being Reveille Queen?" Dean Garwood asks Carole Paustian at the Reveille Ball.

Dances – Dinners – Festivities Mark Month of December

December hailed a flurry of activities, among them the annual *Reveille* Ball. Carole Paustian was selected *Reveille* Queen by actor Paul Newman and was crowned at the dance by Dean Garwood.

New this Christmas and slated to become tradition was the Madrigal Dinner introduced by the Memorial Union Variety Committee. The feast in 16th Century English style featured wassail, a boar's head, flaming plum pudding, decorations resembling a baronial banquet hall and Madrigal Singers garbed in medieval costume.

For the eighth year, Agnew Hall invited faculty children to a Christmas party. Many groups contributed time, energy and friendship to service projects—giving toys to children and visiting shut-ins.

Following tradition, campus organizations hung a tree with Christmas cards and gave it to President Cunningham.

A Christmas oratorio, "The Infancy of Christ" was presented December 20 by the combined glee clubs, Concert Choir, Choral Union and Collegian Chorale—accompanied by the College-Community Orchestra.

Dances, dinner and a round of parties crowded the schedule until classes closed December 22 and everyone went home.

Moving back into the dorm after Christmas vacation is a tedious undertaking.

Martha Daniel and Geraldine Ross catch up on recent campus happenings by consulting the Leader.

McGrath Hall residents find a little time to relax in the parlor before finals begin.

Final Week Means Study and Exhaustion

Following Christmas vacation, students returned to school rather reluctantly and while catching up on news, were again involved and engrossed in the routine of classes and a whirlwind of activities. Soon, however, they were plunged into dead week, the interval of minimal activity with emphasis on study which precedes finals.

As always, final week was a time of red eyes and frayed nerves, and no one was sorry to see the last test completed.

During final week, the library becomes the busiest place on campus.

When the Reveille deadline and finals coincide, staffers like Robin Parker sleep whenever the opportunity arises.

Students frequenting the library with armloads of books are a common sight during the ordeal of final tests.

New Semester Brings Increase in Activity

After finals and a week of relaxation, school began with new classes, instructors, and a renewed interest in scholastic achievement. The spring semester also brought with it a flurry of athletic activities, dances and parties.

Delegates Chris Conklin, Judy Sipe, Rod Clausen, Linda Boschwitski, Kerry Thalheim, and Carol Karle leave for the Model United Nations.

Dancers crowd the floor at the Tri-Dorm Formal, which was arranged through the efforts of the three women's residence halls.

Diane Teter and Max Brenner add authenticity to the Leap Week Dance by portraying Daisy Mae and Marryin' Sam.

Jerry Ruttman presides at the coronation of Sweetheart Queen Joyce Super and King Terry Schumacher.

Shelly Carlson takes Leap Week seriously, and dutifully serves Rex Hodge coffee in the Union.

Directors Janet Nelson and Jim Long accept Greek Sing trophies from Master of Ceremonies Brooks Kellogg.

Greeks Dramatize Annual Spring Sing

Costumes, staging effects and a wide variety of instrumentation, added new life to Greek Sing this year. The program was presented March 10 with seven fraternities and four sororities participating.

Campus Welcomes Quality Performers

During the spring semester the Artists and Lectures and Union Pops Programs continued the presentation of top quality performers.

The Artists and Lectures committee arranged the appearances of the National Ballet of Canada, NBC White House Correspondent Sander Vanocur and the internationally known author of *Black Like Me*, John Howard Griffin.

Tom Paxton, folk singer and song writer, and Leon Bibb, a balladeer and singer whose many recordings, television appearances and concert tours have brought him great critical acclaim, were presented by the Union Pops series.

George Kay and Jerry Michaelis add a lively touch by singing "Dang Me" in their own inimitable fashion.

The lilting music of "Never On Sunday" provides the background for a modern dance by members of Orchesis.

Poise 'n Ivy Combines Vocal Music, Dancing

The Impromptwos, the Men's and Women's Glee Clubs, and Orchesis combined talents to present Poise'n Ivy, April 15 and 16 in Sheridan Coliseum.

The groups presented a wide variety of selections ranging from "Walk on the Wild Side" and "Frankie an' Johnny" to "Beyond the Blue Horizon" and "It Might as Well Be Spring."

Mary Maude Moore directed the two and one-half hour show and Jerry Ruttman served as master of ceremonies.

Malloy Hall's Felten-Start Theater is named for James R. Start and Lucille Felten, who, jointly, have served almost a century on the FHS faculty.

Felten-Start Theater Honors Individuals

Felten-Start Theater is the only room named to honor individuals. Opened late in spring, the theater still lacked permanent seats and carpeting but provided suitable quarters for drama and music events with limited audiences.

The Fine Arts Festival early in May drew crowds to the student art show, Purple Onion Coffee House and Village Montmarte art sale. Meanwhile, Spring Spiel, Readers' Theater and Little Theater presentations played to packed houses, and IRC stirred up a lively controversy in the annual Foreign Affairs Conference.

The second annual Fort Hays Furlough began with the Friday afternoon coronation ceremony of Furlough Queen Eulonda Schoeni and attendants JoAnne Dreiling and Doris Leiker. Friday evening the ten-mile women's bicycle race, in which fourteen teams participated, was won by the Wheeler Dealers, an independent team from McMindes Hall. Later, as a climax to spring training, two Tiger teams battled in an inter-squad football game.

Saturday afternoon events included the thirty-mile men's bicycle race, won by McGrath Hall. A variety musical show, including the Fort Hays Singers and the Concert Choir ended the jam-packed week-end

Mishaps Help Create Unique Year at FHS

Mishaps also helped create the unique year 1964-65 at FHS. After an effigy hanging in February, vandals struck the Sigma Phi Epsilon annex in March, painting red ZZZ's all over the place. Anonymous phone calls to the Sig Eps and Dean of Men Bill Jellison insisted that the banned drinking fraternity, Zeta Zeta Zeta, didn't do it.

A fire in Custer Hall, caused by drying lingerie in a hair dryer, resulted in criticism and review of procedures in case of fire.

And after gracing campus for about 43 years, the weathered stone of the fountain in front of Picken Hall, split from freezing and thawing.

Sig Eps examine the damage to their house, which was inflicted during the night by vandals.

Dr. Lawrence Rarick, professor of physical education at the University of Wisconsin, and Beatrice Jacquart, Satanta editor-legislator, presented the baccalaureate sermon and the commencement address to 499 spring graduates. Both Dr. Rarick and Miss Jacquart have been selected to receive the annual Alumni Achievement Awards. Dr. Rarick, in addition to teaching and doing research, serves on the President's Council on Physical Fitness and has made notable contributions to the care and education of retarded children. Miss Jacquart, a veteran in the Kansas House of Representatives, is on the governing board of the FHS Endowment Association and the Kansas University Mineral Industries Council.

When torrential rains forced Baccalaureate and Commencement ceremonies indoors, only graduates and a limited number of ticket holders could share in the activities.

Parents and friends packed the halls and settled for a remote control program as they heard the speeches and presentations from comfortable seats in the Memorial Union.

Candidates receive degrees from Standlee V. Dalton, director of admissions, and congratulations from President M. C. Cunningham.

ACADEMICS

The search for knowledge, the desire to comprehend and interpret, the need to progress in mental stature—these impulses prompt students to seek a college education

Learning through classes, practical experience and individual research, and by experimentation, observation and analysis they pursue their quest to prepare themselves to meet the changing world and to help determine those changes yet to come.

While a student lives and learns, he gives a part of himself to his Alma Mater, and because of him, and what he seeks while he is there, the college progresses.

This is why Fort Hays State is here—to serve and be served, to grow with its ever-increasing family of students, faculty and alumni.

Psychologists Survey Educational Problems

Education and psychology majors share a common goal—a better understanding of people and their behavior.

The education program is designed (1) to provide professional preparation for careers in elementary and secondary education; (2) to promote and direct research in problems of teaching, counseling, supervision, administration, curriculum and child development; (3) to extend research assistance to schools and related professional groups of Kansas; (4) to co-operate with state, regional and national agencies to improve education, professional organizations and lay groups.

One innovation in the education program this year was the launching of team teaching in an effort to give students more thorough and comprehensive instruction.

Beginning courses in psychology introduce the student to the major areas, such as child growth and development, social interaction, personality, learning and experimental and research methods. In these courses the student participates chiefly in lectures and discussions.

However, in advanced courses he is allowed to do independent library and laboratory research.

Recess supplies an opportunity for student instructor to become better acquainted with students and to create a more relaxed atmosphere.

Young Tiger fan displays avid interest while seeking help of student instructor.

FHS Meets Demand in Library Science

Graduates in the field of secondary education are discovering an increasing demand for qualified high school librarians. And the FHS library science program is helping to meet this demand by affording secondary education majors the opportunity to become qualified teacher librarians in Kansas schools.

Although the college offers no major in library science, a maximum of 25 hours credit can be earned in the field.

Dr. Jeanne Kuhn and Dr. Edith Dobbs, professors in education, are now promoting a program which would also give elementary education majors sufficient hours in library science to be school librarians.

Students interested in library science can anticipate brighter opportunities due to the expansion of the National Defense Education Act to include it.

In Forsyth Library the quest for knowledge originates with two willing hands and an index card.

Phyllis Berens explains proper operation of microfilm machine to Maureen Hillman.

Francis Bailey, British judge and children's social worker, receives punch from Alice McFarland. Judge Bailey was sponsored by the honors program in March.

Outstanding Students Sought to Enter Honors Program

Superior students who possess an unsatiable desire to know are sought for participation in the honors program.

Only outstanding high school seniors and college students who maintain a grade average of 2.5 or above are invited to enter the program. Participants are expected to read widely and are given the opportunity to discuss the great ideas and issues which confront man.

Courses are offered in the humanities, social and natural sciences.

Creativity Is Encouraged in Applied Arts Division

Some of the best equipped departments on campus are in applied arts, where informal classroom situations, work areas and projects offer students an avenue for creativity and originality and allow them to establish close association with faculty members.

In addition to teacher preparation, applied arts train students for a multitude of careers in art, home economics and related fields and industrial arts.

The annual Industrial Arts Fair recognizes and challenges high school students and their instructors to fine craftsmanship.

Home economics students find outlet through local, state and national organizations and prepare for careers in extension work, dietetics, interior decorating and teaching.

The Art Show and Village Art Sale enable art students to gain recognition and market their creations.

Care and precision are vital ingredients in a chemistry experiment.

Physics students, Ron Bowman, and Rex Davis, experiment with sensitive equipment.

Division Contributes Scientists to Area

Having as its primary objective the educating of qualified scientific personnel for positions in the national economy, the physical science division also promotes scientific careers by sending a number of its faculty members and students to act as visiting scientists in area high schools.

The division has contributed toward upgrading science and mathematics instructors by conducting institutes sponsored by the National Science Foundation.

Graduates in physical science enter fields in science and mathematics, obtain teaching positions or go on to graduate study.

Kansas abounds with areas for geological study. Students investigate the region surrounding Cobra Rock near the Castle Rock chalk beds in Western Kansas.

Malloy Opens New Vistas for Radio, Drama, Speech

It was a year of anticipating new quarters for speech faculty and students. With access to Malloy Hall in late March, the new Readers' Theater, radio and other groups had room for progress.

Inclusion of language faculty from German, Russian, French and Spanish-speaking countries lent authenticity to the language program. Multi-linguality among language teachers is now commonplace.

Dr. Geneva Herndon and speech correction students discuss and evaluate therapy techniques, while observing through a one-way mirror.

Radio students gain practical experience by working in campus station KFHS.

Biological Research Strong Study Program

The ideal location in the central portion of the Great Plains for investigation of the grassland region, and a strong research program for study of the ecology and taxonomy of plants and animals vitalize the FHS biological science division.

The High Plains Zoological Museum, begun three years ago, now contains 4,000 specimens of mammals, 1,500 specimens of reptiles and amphibians and over 1,000 specimens of birds for study and research.

Over 30,000 plant specimens can be found in the herbarium.

Four general areas—agriculture, biology, botany and zoology—comprise the division.

Students in agriculture are trained to become better farmers or to enter the fields of industry and government service.

Those in the three other areas prepare for careers in teaching and applied science and for graduate work.

A number of students receive training in medicine and related fields.

Bachelor's degrees may be obtained in all areas and master's degrees in biology, botany, zoology and science education.

Three agriculture students help ration feed to steers on the college farm.

All Phases of HPER Closely Coordinated

Selectivity keys the FHS health, physical education and recreation program. With the exception of one required course in fundamentals, men and women are free to choose from a wide variety of courses to fulfill the four-hour physical education requirement.

All phases of the program—(1) required activity for freshmen and sophomores, (2) intramurals, (3) intercollegiate competition, and (4) professional preparation—are closely coordinated.

Service and professional programs are continually evaluated and revised to render them more comprehensive.

The college's emphasis on gymnastics and its location were vital factors in its selection to host the second annual NAIA Gymnastics Meet. FHS also hosted the 1965 CIC Golf and Tennis Tournaments.

To keep abreast of rapid expansion, the business and economics division established two national business fraternities

Pi Omega Pi, fraternity for prospective business instructors, was re-established after a long absence from the campus dating back to World War II.

Alpha Kappa Psi, men's business fraternity which excludes prospective instructors, was also chartered.

The division added much equipment to accommodate the increasing number of business students.

History Emphasizes Ideas of Mankind

History courses offer an integrated survey of man and society• with special emphasis on the development of the ideas of mankind. Political science and sociology deal with life as organized under society and government.

The history program has now moved beyond the idea of basic courses into a full curriculum with graduate work.

International Relations Club encourages the enrollment of foreign students by supplying at least one scholarship yearly for this purpose. Phi Alpha Theta, national honorary history fraternity, recognizes outstanding history students.

In political science, students study county, city, national and European governments. Courses furnish a foundation for citizenship, leadership, teaching and international understanding. They also give students a background for professional courses in law, social and government service.

Sociology courses enable the student to see himself in relation to those around him and help him to function more effectively in society. From sociology, students gain a useful background for social work, teaching, law, civil service, medicine, personnel work and business administration.

Malloy Provides Impetus for More Student Effort

With the opening of Malloy Hall, FHS geared its music program to new surroundings. Spacious rooms and better facilities provided the impetus for more concentrated student effort.

The hall made available two and one-half times as many practice rooms, two rehearsal halls, better equipment and facilities to more than 700 music students. Felten-Start Theater, although small, provided fine facilities for small music and dramatic productions.

Placing emphasis on music education, the music division offers programs for bachelor's and master's degrees. The need for performance is also recognized, and numerous vocal and instrumental groups afford all music students the opportunity for development and expression.

Potential Nurses Work Toward R.N. License

The basic professional nursing program at FHS, fully accredited by the Kansas State Board of Nursing, offers potential nurses the unique opportunity to simultaneously attend college and work toward the R. N. license.

Since all courses in the program carry college credit, students save two years of college time. Students obtain basic medical and surgical nursing experience at Hadley Memorial Hospital in Hays. Through affiliations in Chicago, Denver and Topeka, students receive specialized training.

S PORTS

Perhaps the most visible exhibition of singing praise for the Black and Gold occurs at sports events. When spectators unite to cheer for Tiger competitors, they realize a common loyalty seldom experienced elsewhere on campus.

This bond of loyalty develops into a lasting link between alumni and FHS. Wherever a graduate goes, he hears with interest and pride the reports of his Alma Mater.

In accordance with a standard of excellence, FHS athletes continue to achieve better marks. Many records were broken this year, only to be topped someday through the efforts of coming generations.

This is progress, moving time, poetry in action, a common loyalty—Tiger sports, 1964-1965.

Tigers Post 5-4-0 Season

The 1964 version of Wayne McConnell's Tigers compiled a winning and record-breaking season. The Tigers smashed 11 school grid records and tied six others while slating a 5-4 season and a second-place tie in CIC action.

Dave Jones, 200-pound veteran, ended his football career at FHS by earning a berth on the NAIA second team All-American squad as a defensive linebacker. Dave was also elected to the Associated Press Little All-American second defensive team, was awarded offensive and defensive positions on the All-CIC selections and earned a defensive berth on the All-District 10 NAIA squad.

Senior Ken Dreiling was placed on the honorable mention list of the NAIA All-American teams, and garnered first team honors on the All-CIC and All-District 10 defensive squads.

Four other Tigers earned positions on the All-CIC second team. Elected were Steve Worley, senior fullback; Bob Johnson, sophomore quarterback; Clark Engle, senior tackle; and Ron Morel, sophomore defensive back.

Selected by Tiger team vote as individual standouts were Jones and Engle, honorary co-captains; Dreiling, best lineman; Worley, best back; Jones, most inspirational player; and Roger Clark, rookie of the year.

FHS 35—Kearney State 14 FHS launched the 1964 season with a 35-14 romp over a tough Kearney State squad. Excellent defensive pursuit by Dave Jones, Bernie Blevins and Dudley Fryman turned Antelope fumbles into Tiger touchdowns.

Senior Steve Worley drove for 131 yards to bring his career total to 1,502, which surpassed the mark set by Dave Parker in the 1961 and '62 seasons. Early in the second period Jack Johnson ran 56 yards for a Tiger touchdown, and Worley charged over for his first TD of the season.

Ron Morel caught two TD passes to tie the school record for the most TD passes caught by one man in a game.

The opening-game defeat was Kearney's only loss during the '64 season.

Fullback Steve Worley charges into the Kearney State secondary to break the school career rushing record.

Tigers Smash Records

Tiger defenders Max VanLaningham, Doug Opdycke and Ron Morel close in on a Colorado Western halfback. FHS 27—Southwestern Oklahoma 19 The first home game of 1964 provided excitement and enthusiasm for Tiger fans. The Bengals' shattered two school records and downed Southwestern Oklahoma 27-19.

Bob Johnson led his team to a total of 467 yards rushing, which surpassed the 1954 total of 443 yards. The Tigers totaled 25 first downs to break a record of 21 set in '62.

Francis Weers pulled down a pass from Bob Johnson and ran 34 yards for a Tiger TD. Bob Johnson ran the remaining three TD's while accumulating 215 yards total offense to tie Dave Parker's single-game total established in '62 against Washburn.

A bruising defense led by Jones, Ron Darst, Morel and Max VanLaningham limited Oklahoma to one TD until the final stanza.

Southwestern quarterback Mike Freeman passed for two of the Bulldogs' TD's and halfback Bill Taylor ran 22 yards for the remaining score.

FHS 7—Colorado Western 23 The Tigers suffered their first loss of the season before a Parents' Day crowd of 6,000 fans.

Early in the game Colorado Western showed its powerful offensive ability by driving 94 yards in 20 plays for the first TD

The only scoring in the second quarter was a field goal by Colorado's John Yankowich, which ended the first half with a 9-0 Colorado lead.

After intermission the Coloradoans marched for a second TD when Clyde Wilson went over from the five.

A slashing Colorado defense held the Tigers down until early in the fourth quarter when Bob Johnson passed to Jack Johnson for a 44-yard tally. VanLaningham's placement attempt was good and the score stood 16-7.

FHS's only chance for a comeback was to go to the air. The strategy failed when Larry Smith intercepted a Leo Hayden pass and ran 33 yards for another Colorado tally and the 23-7 victory.

Ken Dreiling's 17 tackles topped the Bengal defense.

FHS 40—Central Missouri 6 Tiger team spirit and enthusiasm stood out as offensive and defensive units worked together to bury Central Missouri State, 40-6.

The Tigers secured three TD's in the first 12 minutes of play. Leading Tiger scoring was Bob Johnson, who made three touchdowns and passed for another. Johnson gained a total of 129 yards. Halfback Jack Johnson gained 77 yards rushing and fullback Worley added 72 yards from scrimmage.

Blevins led Tiger tacklers with 10, followed by Darst with nine and Bob Anthony, who had seven. Anthony also intercepted two passes.

FHS 7—Washburn University 14 Washburn's Ichabods spoiled the Tiger Homecoming with a 14-7 defeat. Washburn quickly scored two TD's in the first stanza and controlled the ball during much of the remaining time.

However, defensive end Bill Chase turned an Ichabod fumble on the two-yard line into a Tiger touchdown in the second period.

CHARGE!!

The Tiger secondary unit of Bob Niles, Morel and Anthony limited the Ichabods to only 23 yards passing.

Leading Tiger tackler against the Ichabods was Jones with 18, followed by Blevins and Morel with 16 each. The Ichabods had a 267 to 136 advantage in total offense, indicative of the strength that made WU the CIC champion.

FHS 20—Emporia State 19 The Bengals defeated Emporia State on the Hornet field for the first time since 1952, spoiling Hornet enthusiasm by a narrow margin of 20-19.

Emporia's solid passing attack was led by quarterback Max Smith, who connected on 20 of 32 attempts for 177 yards. Jack Johnson led FHS in rushing with 79 yards, followed by Worley with 50 yards.

Tiger defensive standouts were Jones with 16 tackles, Anthony with 11 and freshman Terry Claycamp with 9 stops.

FHS 19—Southern Colorado 34 The Bengals left CIC action and traveled to Southern Colorado to compete with a tough non-conference team. The Indians rolled over the Tigers for a 34-19 triumph.

Quarterback Bob Johnson was injured in the early part of the second quarter, and veteran Max VanLaningham was chosen to lead the Tigers. He completed seven of 15 passes for 115 yards, scored twice and passed for a third TD.

Leading rusher for the Tigers was Jack Johnson with 52 yards. The Bengal halfback also snared four aerials for 65 yards.

Defensive standouts were Blevins with 10 tackles, Dreiling with nine and Bob Niles with eight.

FHS 40—Pittsburg State 7 A determined and spirited squad battered Pittsburg's favored Gorillas, 40-7, in the last home game. The win over Pittsburg was an excellent team performance and was considered the Tigers' best showing of the 1964 season.

Good blocking by offensive ends Charley Adams and Weers enabled backs to run either end. Quarterback Bob Johnson spearheaded the Tiger drive, gaining 182 yards rushing and scoring three touchdowns.

Sparking the Bengal defense in their final home game were Jones and Dreiling. Jones intercepted two aerials and was in on 16 tackles. Dreiling was FHS's "Johnnie-on-the-spot," as the scrappy guard made numerous key tackles. Worley totaled 87 yards rushing while VanLaningham added 32 yards to the Tiger attack.

FHS 15—Omaha University 33 The last game of 1964 went to Omaha University's powerful Indians 33-15. The Tiger defensive unit was unable to halt the Indians' blitz offensive team. The Indians rolled over the Tigers for a total of 471 yards total offense, compared to FHS's 237.

Freshman Roger Clark recovered a fumble on the OU 10 to set up the Tigers' first TD. Then Omaha built up a 33-9 yead before Anthony nabbed a pass from VanLaningham for a 43-yard touchdown on the last play of the game.

Defensive leaders for FHS were Dreiling and Jones, each figuring in 14 tackles. Morel was in on 12 stops and Chase added 10. Morel also intercepted two passes and Dreiling blocked an extra-point attempt.

Worley led the Tiger rushers with 65 yards in 15 carries.

FHS and Omaha ended their season in a tie for second place in the CIC standings.

Cross Country Team Wins First CIC Title

Coach Alex Francis, in his 18th year at FHS and ninth as cross country mentor, led the Tiger thinclads to their first CIC championship since the conference and FHS added the sport in 1956. The Bengals swamped arch-rival Emporia State 22-44 to end the Hornet's eight-year reign.

Tiger harriers finished 2nd, 3rd, 4th, 6th, 7th, 11th and 12th. Leading the Tigers was junior Don Lakin, who finished six seconds off Hornet John Camien's pace to snare second. Lakin's time of 19:50 shattered his existing school record of 20:08, which he had set two weeks before.

The Bengals posted a 3-1 mark in dual meets and finished first and second in all other invitationals.

Defending their 1963 NAIA championship, the Tigers had to settle for third place as a record number of teams and runners competed in the national meet at Omaha. Lakin again led the Tigers by capturing third place, the highest individual finish in the national meet in FHS history. Other Black and Gold finishers were Charlie Rose, 14th; Jerry Katz, 22nd; Gerald Hertel, 27th; Lowell Smith, 35th; Cecil Johnson, 50th; and Jack Harms, 57th.

Don Lakin and Charlie Rose set the pace at the FHS-Emporia dual.

Tigers Tie for Second in CIC Competition

FHS finished the 1964-1965 basketball season in a second-place tie with Washburn and Omaha in CIC standings. The Tigers won four and lost four in conference games and ended with a season tally of nine wins and 13 losses.

Coach Cade Suran's final Tiger squad started fast with three straight victories on the home court, upsetting a powerful St. Benedict's squad, 91-74. But several defeats on the road hampered the Bengals, and during the first semester the cagers lost eight of 13 games. All but two of the season's losses were on the road; the only losses on the home court were Pittsburg State, 83-79, and Southern Colorado, 88-83.

The Tigers bounced back early in the second semester, with their biggest improvement showing up in field goal accuracy. The Bengals compiled a hot 48.1 shooting percentage in their final eight games.

Five school records were changed during the season. The squad's final full-season shooting percentage of 43.6 was the top mark in the history of FHS, bettering last year's 43.5 chart. In the second half of the Emporia State contest, the Tigers poured in 66 points for the best single-half scoring performance in school history, bettering the 64 tallies against Kearney State in 1962.

Dick Schur earned the career field goal percentage record: The 6-6 forward tossed in 51.2 percent in two seasons, topping Herb Stange's 46.1 in the 1961-63 seasons.

Two less favorable school marks were 12 consecutive losses away from home, beginning in the 1963-64 season, and 110 points scored by Quincy College. The first figure broke the record of 10 straight road losses set in 1955-56, and the second tied the top score ever against FHS, 110 points by Southern Colorado State last season.

Cleat Doyel, junior center, was awarded first team All-CIC recognition. He led FHS with 15.1 points per game for the season and 19.3 per game in league play. Doyel was also the team leader in rebounding and assists, with an average of 9.0 rebounds per game.

Tiger captain Johnnie Locke earned a berth on the second team All-CIC squad. Johnnie averaged 11.2 points per game, trailing Schur who scored 11.5 per game. Schur and senior Jude Gerstner were named in the All-CIC honorable mention list.

Seniors Bill Royer, Gerstner and Schur ended their careers with FHS in the season finale against Washburn.

Coach Cade Suran finished his 19-year career as FHS's head basketball coach this season. He succeeded the late Paul "Busch" Gross as athletic director in January.

Suran, 53, has been on the coaching staff since 1946. A native of Saline County, he earned his bachelor's degree at Kansas Wesleyan University in 1934 and his master's at FHS in 1950.

As basketball coach, the genial mentor guided his Tiger teams to 264 victories and 151 losses in 19 seasons. That span included only four losing seasons, and one of those (1957-58) came when Suran was on leave due to ill health. His teams won the CIC championship in 1950, 1959, 1962 and 1963 and competed in the NAIA Tournament of Champions three times, finishing fourth in 1959 and 1963.

FHS 82—Southwestern Oklahoma 72 The Tigers survived a frigid second half to win their season opener for the seventh straight year, 82-72, over Southwestern Oklahoma State.

The Bengals broke an 18-18 tie on a fast-break layup by Gordon Stout with 12:35 left in the first half and never trailed after that. They steadily pulled away to earn a 10-point lead at halftime, with senior guard Neal Kinlund's 13 points setting the pace in the first half.

After intermission, the visiting Bulldogs closed the margin until they trailed by only three points, 63-60, with 8½ minutes left in the game. The Tigers bounced back to a 73-64 advantage with 3½ minutes left, but Southwestern State closed the gap again to 76-72 with a minute left.

Cleat Doyel, Bill Royer and Stout rolled in for successive layups during the final 57 seconds to preserve the decision. Center Doyel wound up with 17 points for top scoring honors, followed by Kinlund, who finished with 16 tallies.

FHS 86—Southwestern College 62 Everyone on the team got into the act as the Tigers ran away from Southwestern College of Winfield, 86-62. All 15 Tigers in suit played and 14 made the scoring column.

Early in the first quarter, the home forces had a 17-10 advantage, and they were never headed after that.

After a 42-34 halftime lead, the Bengals pulled away steadily throughout the last half, including runs of eight and seven points while holding the visiting Moundbuilders scoreless.

It was the Bengal bench that did the damage. The starting five finished with a total of 23 points, as reserves poured in 63.

Tiger junior Bill Strait led both teams in scoring and rebounding. The tough Bengal dropped in 17 points and brought down 12 rebounds.

The Tigers hit 43.1 per cent from the field compared to Southwestern's 39.2 per cent.

FHS 91—St. Benedict's 74 Sheridan Coliseum was filled with excitement as the Fort Hays Tigers staged a fantastic comeback to bury St. Benedict's 91-74 for the Tigers' third straight victory of the season.

St. Benedict's lived up to its fine reputation in the first half, blocking Tiger shots, breaking the Bengals' full-court press and hustling to a 42-32 halftime lead.

The Tiger comeback started after intermission, as junior Doyel banged in five straight points to cut the Raven lead to five points.

It was nip and tuck for the next 6½ minutes, and St. Benedict's held a 64-63 advantage with seven minutes to play. Then the roof fell in on the Ravens. Doyel hit four straight gift tosses and Schur drove in for a layup and then came back with a close fielder. That made it 71-64, and FHS was off and running.

Senior Kinlund took over, hitting 11 of his team's final 18 points. When the smoke lifted, FHS had outscored St. Benedict's 59-32 in the final 20 minutes.

Doyel wound up with 23 points; Schur finished with 21; Locke, who was "Johnnie-on-the-spot" throughout the game, tossed in 18, and Kinlund poured in 13 counters.

The Tigers shot 41.5 per cent from the field and St. Benedict's finished with a 39.7 per cent chart.

FHS 67—Hastings College 82 FHS was faced with its first setback of the season against a powerful Hastings College squad at Hastings, Neb.

The Broncos front line duo, Bennie Crawford and Eddie Lorentzen, were too much for the Tigers. The pair scored 63 of the Broncos' 82 points.

Locke turned in his second straight fine showing for FHS with 19 points, followed by Schur who scored 12.

FHS jumped to an early 6-2 lead, but the home team went ahead for keeps midway in the first half. Hastings hit 43.5 per cent from the field while the Tigers managed an even 40 per cent.

FHS 80—Kearney State 83 The Tigers lost their second game of the season when Kearney State slipped by the Bengals, 83-80, at Kearney, Neb.

The Tigers took the lead early in the first half when Don Givens hit a hot streak and dropped in 12 points in 5½ minutes of play. At intermission the Tigers were leading, 44-36.

In the last half the Kearney Antelopes closed the gap and kept Tiger shots to a minimum.

FHS could tally only 12 points in the final 10 minutes of play, while Kearney was charting 25 points in the same span, 13 of them on free throws.

Leading the Tigers in shooting was center Doyel, who poured in 18. Givens followed with 13 tallies.

The Tigers had a 45.2 shooting percentage while Kearney put in 41.5 per cent. But in the free throw column, the Antelopes meshed 29 of 42 attempts while the Bengals settled for 14 of 19 shots. The Tigers outscored Kearney 33 to 27 in field goals made.

FHS 62—Pittsburg State 74 FHS lost to Pittsburg State, 74-62, on the foe's court.

Neither team was impressive and both were plagued with frequent errors. FHS compounded its problems with cold shooting.

The Gorillas connected on 41.2 per cent of their field goal attempts while the Tigers could mesh only 35.8 per cent.

Center Doyel led the Tigers with 12 points and nine rebounds. It was the conference opener for both teams.

Jude Gerstner hits two gift shots.

FHS 92—Omaha University 63 The Tigers broke their five-game losing string and handed Omaha University its first conference loss, 92-63, at Sheridan Coliseum.

The all-senior lineup was replaced early by Bengal underclassmen Jerry Maska, Al Billinger, Bill Strait, Johnnie Locke and Cleat Doyel.

The Tigers immediately slapped on a full court press, and by intermission the Bengals had an astounding 44-24 lead.

Tigers Finally Break String of 12 Losses

FHS 79—Southern Colorado State 71 The third time was the charm for the Tigers as they defeated Southern Colorado State, 79-71, at the Hutchinson Sports Arena.

The victory was the Tigers' first away from home win since December, 1963. The upset broke a two-season string of 12 consecutive losses away from home.

One of the most noticeable changes was the lack of substituting in the Tiger lineup. Suran used only six players. The only reserve was forward Strait, who replaced Doyel on the front line in the first 10 minutes and stayed in the rest of the way.

BILL ROYER

The Tigers hit 45.1 per cent from the field, grabbed 43 rebounds and had only 10 turnovers. The losers hit 45.6 per cent, claimed 40 rebounds and were charged with 19 give-aways.

Schur was the Tigers' high scorer with 28 tallies. Gerstner, Locke and Billinger followed with 16, 15 and 15, respectively.

FHS 74—Emporia State 60 Paced by an excellent individual performance by junior center Doyel, FHS rolled past Emporia State, 74-60 at Emporia.

Doyel directed the attack with 31 points and 18 rebounds. Maska aided the offense with 12 counters, and Locke followed with 11 points.

The Tigers dominated both boards, earning a 52-49 rebounding edge, and became the first team to outrebound the Hornets during the 1964-65 season.

FHS 75—Washburn University 95 The Tigers were slapped with their second conference loss against the Washburn Ichabods, 95-75, on the foe's court.

The inspired Ichabods outrebounded the Tigers, 56-23. The Bengals seldom got more than one shot from the field and as a result got only 57 field goal attempts while Washburn shot 77 times.

Washburn was red-hot from the field, hitting 49.4 per cent for the game. The Tigers finished with a creditable 42.1 per cent.

The leading scorer for the Tigers was center Doyel, who poured in 30 points and pulled down eight rebounds. Doyel was followed by Locke, who tallied 12 points.

Forward Bill Strait widens the victory margin over a powerful St. Benedict's squad.

Second Half Score Sets School Record

FHS 103—Emporia State 72 An overflow crowd at Sheridan Coliseum watched the Tigers toss in 66 points in the last half for a school record and a 103-72 victory over the Emporia State Hornets.

Emporia grabbed early leads, but after 3:24 of play the home forces found the range when captain Locke scored on a layup.

Suran switched his charges from a zone to a full court press, and at intermission the Tigers led, 37-31

In the last half, the Tigers lead fluctuated from nine to 14 points before they poured in 36 points in the final nine minutes of play.

The Bengals hit an even 50 per cent from the field to Emporia's 39.2 per cent. The Hornets were again outrebounded, 52-40, and at the free throw line the Tigers meshed 71.4 per cent to 52.6 for the losers.

Locke led the way with 20 tallies, Doyel and Schur followed with 17 each, Gerstner finished with 15, Billinger got 12 and Maska wound up with 10 in the awesome Black and Gold attack.

FHS 79—Pittsburg State 83 Pittsburg State's Gorillas staged a fantastic second-half comeback to squeeze past the Tigers, 83-79, at Sheridan Coliseum. Pittsburg went on to win the CIC championship.

The Tigers put on a sparkling shooting performance in the first half, connecting on 56.8 per cent from the field for a 50-42 halftime lead.

The Gorillas shot a highly creditable 45.5 per cent the first half and came back with 48.6 chart compared to the Tigers 40 per cent after intermission.

It was nip and tuck basketball the second half with the lead changing hands several times.

Doyel led all scorers with 24 points and also paced the rebounders with 15 caroms. Four other Tigers were in double figures in the scoring column, with Schur getting 14 and Locke, Maska and Strait each contributing 10.

FHS 57—Omaha University 58 Tiger hopes of sharing the CIC crown were snuffed out at Omaha, as the Indians squeezed past the Tigers, 58-57.

The lead changed hands 13 times, and the score was knotted at three intervals.

With 34 seconds remaining, Indian Jim Vincent nailed a charity toss to supply the final margin. Seconds later Locke pounded the cords to cut Omaha's lead to 58-57 and end all scoring.

Senior Schur topped the Tigers' scoring with 17 points. Doyel and Gerstner followed with 13 tallies each.

FHS 79—St. Benedict's 86 A powerful St. Benedict's squad defeated FHS, 86-79, at Atchison. The home team jumped to a 6-0 lead in the first 1:05 of play. FHS caught up and held its only lead at 9-8 on a set shot by Strait.

The Ravens grabbed a 46-38 lead at halftime, and the closest the Bengals came after intermission was six points.

The Tigers exhibited their best shooting percentage of the season with a sizzling 60.4 mark. The Ravens were able to hit 53.5 per cent, but garnered 19 additional shots.

Doyel was top scorer with 28 points. Following the husky center was captain Locke with 17 and Billinger with 11. St. Benedict's went on to win the NAIA District 10 title.

FHS 98—Washburn University 75 The season finale gave the Tigers a second place tie in the CIC standings as FHS walloped Washburn University, 98-75.

Eight Tigers scored in the final nine minutes of play, hitting 11 field goals and eight free throws to wrap it up for the fighting Bengals.

The starting front line of Schur, Gerstner and Doyel combined for 67 of the Bengals' 98 points.

The Bengals pulled down 55 rebounds while Washburn got but 31. For the game FHS connected on 50.6 per cent from the field to 43.4 for the losers.

Senior forwards Schur and Gerstner finished their college careers with excellent performances. Schur poured in 25 points and Gerstner added 20.

Junior Doyel continued his fine showing in conference games with 22 points and 16 caroms.

Wendell Liemohn, a newcomer to the Tiger staff, serves as assistant coach in football, basketball and track.

Liemohn returned from the Navy to serve as an assistant coach at Wartburg College, his Alma Mater, for two years. He was a graduate assistant at Iowa while working on a degree there. The past year he was on the faculty at Rice.

At Wartburg he earned football Little All-American honors in 1955. He also lettered in basketball and track.

Loan Fund Established

Sixteen former cagers returned to oppose the 1964-65 Tiger varsity in a benefit basketball game to establish the Tom Ashleman-Ed Walters Loan Fund.

Returning starter Tom Ashleman, Hutchinson, and Ed Walters, Concordia, were killed in a one-car accident Sunday, October 11. Ashleman, 21, led the Tigers in rebounding and was third in scoring last season. Walters, 20, saw varsity action after becoming eligible second semester last season.

The game started with a 15-man Tiger varsity against a 16-member alumni squad from six past FHS teams. The marathon lasted 53 minutes and ended in a skyhigh 145-122 victory for the varsity cagers.

Profits from the benefit, \$750, were donated to the loan fund in memory of Ashleman and Walters.

Members of the wrestling team are, back row: Coach Dave Winter, Johnnie Edgmon, Rich Isernhagen, Fred Scott, Charley Toedman, Vic Lyczak, Bob Moberly, Bob Brown, Pat Schnee, Roger Buck, manager.

Second row: Lee Albert, Jerry Cunningham, Bob Ruda, Ed Hanson, Stormy Johnson, Bill Ramsey, Dennis Hupfer. Front row: Glenn White, Don Keller, Roy Graves, Sid Cooley, Rex Storer, Loren Pepperd.

Wrestling Team Sets Dual Competition Record

Coach Dave Winter's impressive 1965 wrestling team compiled the best dual record in the history of the sport at FHS with 14 victories and three losses.

The Tigers began their season with seven returning lettermen and five returning squadmen.

Top individual honors went to Charley Toedman, who placed fourth in the 177-pound class in the NAIA National Wrestling Tournament at Terre Haute, Ind.

Four-year letterman Vic Lyczak ended his college career with 16 victories and a single defeat in dual competition this year. Lyczak also led the Bengals in victories by falls, pinning seven of his opponents.

Junior Lee Albert finished behind Lyczak with a 15-1-1 season mark. Albert led the Tigers in scoring with 63 team points.

Other Tiger leaders were Don Keller, with a 9-2-2 dual record and freshman Robert (Stormy) Johnson with a first year mark of 12-1-1.

Keller, Johnson and Lyczak all advanced to the quarterfinals in the NAIA Tournament. Albert was decisioned in his first match.

Dave Winter joined the FHS coaching staff in September, 1963, replacing Dr. Walter Kroll.

Winter coached at Newton High school for five years and in 62-63 he guided his team to the state wrestling championship.

He earned his B.S. in physical education at Kansas State University in 1956 and his M.S. in physical education at Indiana University in 1960.

Coach Winter's record for two seasons at FHS is 22-7.

Seniors Don Fry and Rex Vonachen ended their careers as Tiger netmen by capturing the CIC doubles championship. Fry and Vonachen's victory was the first time FHS has won a doubles title in the conference meet.

Pat McAtee, a four-year veteran from Ellsworth, led the Tigers for the regular season with a 11-2 singles mark and an 11-1 doubles chart. Other top FHS dual records included Allan Mai's 10-3, Jim Tieszen's 9-4, and Vonachen's 8-3.

Thinclads Finish Third in NAIA; Down Emporia to Win CIC Crown

The Fort Hays State thinclads climaxed the successful 1965 season by capturing third in the NAIA Track and Field Championships. Highlighting the Tiger entries was junior Don Lakin, who won the 3,000-meter steeplechase in 9:24.5 and finished fourth in the three-mile in 14:13.0, establishing school records in both.

Other Tigers scoring in the meet included Bob Schmidt, third in the high jump; John Mason, third in the mile run; Jack Harms, sixth in the 880, and the mile relay team, which placed second.

In the regular season the Tigers downed Emporia State 90 1/5 to 87 to capture their first CIC crown since 1957. The thinclads won nine of 18 events to offset Emporia's domination of the hurdles and sprints. Three FHS records fell during the two-day meet. The mile relay team ran to a record 3:17.5 clocking. Don Lakin's three-mile time (14:16.4) was also a school record and junior Bill Strait threw the discus 156-3 for another FHS mark.

At the Texas Relays, Schmidt cleared 6-9 in the high jump for third place and Lakin ran fourth in the open three-mile. In the relay events the Tigers finished second in the two-mile, third in the distance medley and fourth in the sprint medley, setting FHS records in all three.

The Bengals won four events and placed in six others at the annual Emporia Relays. First place finishes came in the mile team race, high jump, distance medley relay and 3,000-meter steeplechase.

Kearney State downed FHS 88-87 in a dual meet at Kearney. The heartbreaking loss failed to dampen a good showing by FHS as the Tigers won 11 of 17 events.

Fort Hays State won its first event in the 40-year history of the Kansas Relays when the Tigers captured first place in the college distance medley relay. Schmidt placed fourth in the high jump, and the two-mile relay team ran fourth.

The Tigers placed in three events at the Colorado Relays and in one relay event at the Drake Relays. At Boulder, Jerry Cates earned first in the freshman javelin, Craig Thomas placed second in the freshman pole vault and Rod Williams took fourth in the open high jump. At Drake, FHS captured fourth in the distance medley relay with a time of 9:55.9, a school record.

The Bengals tromped Wichita State U. 105-40 in the last dual of the season. John Mason broke FHS records in the mile and two-mile, running 4:12.3 and 9:20.1, respectively. Bernie Blevins improved his own school mark in the shotput with a 52-113/4 toss.

At the Missouri Valley AAU meet, Schmidt leaped 6-9½ for an FHS record and the highest jump in Kansas college or university history. The Tigers compiled seven other first places during the Kansas City meet.

Coach Alex Francis joined the FHS staff 19 years ago. His track and field teams have compiled an enviable record ever since he brought the college its first conference track championship in 1947.

Francis is associate professor of physical education and director of the intramurals program.

He is past president of the NAIA Track and Cross Country Coaches Assn., made two coaching trips abroad, is a member of the NAIA Track and Field Hall of Fame and his Tigers won the NAIA cross country championship in 1963.

Indoor Trackmen Win Second Place in CIC

The Fort Hays State thinclads broke four school records and set marks in two new events during the 1965 indoor track season.

The Tigers opened their indoor season at Kearney, Neb., defeating the Antelopes 75-67. The meet was tied going into the last event, the 880-yard relay, but anchorman Larry Pickering came from 15 yards behind to give the Bengals first place and a team victory. Two weeks later FHS took second in a triangular at Kearney with South Dakota and Kearney.

The Tigers staged their sixth consecutive CIC indoor runner-up finish at Omaha. The Bengals fell to favored Emporia State 106-100.

At the Kansas State Invitational, the Tigers earned four first places and scored in 11 events. First place showings were in the college sprint medley relay, the freshman print medley relay, the freshman mile, and the high jump.

Pickering set a 220 record when he raced to a :22.5 clocking, beating the old record of :22.7 set by Tom Kindsvater in 1964.

Freshman Mason of Phillipsburg broke the FHS indoor mile record three times, his best a 4:17.0 mark in the conference meet. The old record was 4:22.5 by Lowell Smith in 1964.

Junior Lakin broke his own record for the twomile grind running 9:07.0 in the K-State Invitational. His previous mark was 9:17.0.

Schmidt soared 6-8 in the high jump at the CIC meet to equal the best jump ever at conference schools. He held the old mark at 6-41/2.

In the new events Jerry Katz, Garden City senior, ran the 600 in 1:13.5, and Smith, Clyde junior, stepped the 1,000 yards in 2:14.5.

Coach Joel Moss's 1965 golf team ended its successful season by capturing 11th place in the NAIA Golf Tournament at Rockford, Ill. Tiger senior R. J. Smiley placed fifth among the 175 participants, earning a berth on the NAIA All-American squad.

The Tigers ended Washburn's three-year reign as CIC champion when Smiley parred the last hole of the conference tourney, giving FHS a one-stroke margin over Washburn and the CIC championship.

Early in the season the Tigers earned a second-place trophy in the NAIA district 10 meet. Golfers competing in varsity meets were Smiley, Dennis Close, Bud Carlisle, Bud Frieden, Roger Peatling and Jon Ficken.

"His high calling was a life devoted to young people. His interests, his enthusiasm and his smile will be missed on this campus, in this community and in the state. Fort Hays State was most fortunate to have had such a man so devoted to the college."

FHS Wins All-Sports Crown

Fort Hays State used a steady balance of firsts and seconds to win the Central Intercollegiate Conference all-sports championship for the 1964-65 school year.

The Tigers copped three championships in cross country, outdoor track and golf; finished second in indoor track and tennis; and tied for second in football and basketball.

R OYALTY

Life in a democracy still needs a generous portion of queens to lend the aura of enchantment and elegance to everyday life.

No college is complete without its full quota of royal ladies to reign over special events.

The swish of the velvet robe, the perfume of the armful of roses, glitter of the crown and the inevitable peck of a kiss by someone especially apt in the art, are a part of the glamour attendant to each crowning of a favorite.

Selected for beauty, popularity or ability to win hearts of a fraternity, or as in the case of Daisy Mae, because of the diligent work of a sponsor, the queens are a vital part of Fort Hays State student life, and college traditions.

O RGANIZATIONS

Leadership is one of the most valuable assets which accompanies a college diploma. FHS students are continually engaged in campus activities which develop this attribute.

Through participation in campus organizations, the individual obtains practical experience in organizing and managing student affairs. Those who don't wish to lead learn to cooperate in planned group effort.

Frequently, clubs supplement classroom instruction by discussing professional ethics and problems, or by presenting opportunity to utilize skills learned in classes.

Every organization teaches someone something; therefore, membership and participation are an integral part of education.

The aim of All-Student Court is to give students responsibility and decision-making power in campus judicial affairs. Cases are first taken to a legal board and then put before All-Student Court for a decision.

APPLIED ARTS

Band's Enthusiasm Reveals Tiger Pep

Fort Hays State Band marched through the fall, arrayed in glittering gold and black uniforms. Its colorful display brightened football games and the Homecoming parade. A pep band, made up of members of the Tiger band, helped generate enthusiasm at basketball games.

Fall's military discipline was transformed into concert formality in the spring, as the band gave its annual spring concert, as well as short concerts for Hays High School, Career Day, and Furlough variety show. Symphonic band, a more select group, toured North Central Kansas high schools and performed for the high school band clinic.

Lyle Dilley was director of the bands; Earl Blauer, assistant conductor; and Anne High, band president.

Soloists Brighten Concerts

College-Community Orchestra, made up of townspeople, faculty, and college students, gave two concerts this year, besides playing for the Christmas Vespers production of Berlioz's "The Infancy of Christ."

Annual Pops Concert

Men's and Women's Glee Clubs joined forces with other campus choral groups and College-Community Orchestra to present Berloiz's "The Infancy of Christ" for Christmas Vespers.

Spring was a busy semester for Director Mary Maude Moore, who produced the annual pops concert, Poise'n Ivy. Men's and Women's Glee Clubs, Impromptwos, and Fort Hays dancers put forth their best for two evenings of top-drawer fun and entertainment.

Easter morning, Mary Maude and her Impromptwos boarded a plane for the long-awaited tour of the Far East. The versatile ambassadors carried the name of Fort Hays State half-way around the world as they entertained troops in Japan, Korea, Okinawa, Taiwan, Philippines and Guam.

Miss Moore not only directs, but on occasion blends her voice with the group.

Drama Classes Produce Series of One-Act Plays

Little Theatre and drama classes presented a series of oneact plays for the Fine Arts Festival in May and a cutting from Moliere's "The Affected Young Ladies" at the Alpha Psi Omega banquet. Earlier in the year "The Death of Bessie Smith" drew capacity crowds for several nights at Wesley Student Center.

"An Afternoon of Holiday," extending the Christmas spirit, and cuttings from Archibald MacLeish's "J. B." and "The Fall of the City" were the main productions of Readers' Theatre. This relatively new idea in literature, depends upon oral interpretation of text rather than costumes and staging.

Debaters Battle Way Around Proposition

Resolved: That the United States should adopt a policy of public works to solve the unemployment problem. Fort Hays State debaters battled their way around this proposition, filling their trophy case on the way.

Fourteen tournaments netted the team seven trophies, which included three third places and the Sweepstakes from the University of Colorado at Boulder.

The team traveled across the country from the computer tournament at the California Institute of Technology to New England's Harvard University. They qualified for the West Point eliminations, which made them one of the top sixteen teams in an 8-state area.

KFHS broadcasting with new facilities from Malloy Hall, gained momentum for better and more comprehensive programs. The cramped and inadequate area in the coliseum was exchanged for more room and new equipment. Increased facilities included two offices, two control rooms, two sound proof studios and six individual announcing booths.

A staff of seven and their assistants collaborated to bring KFH to the five residence halls Monday through Friday. Programs included "Coaches Corner", interviews with campus professors and organizations, music and radio dramas written and produced in the studios.

Fall delivery created new and unfamiliar problems for the 1965 Reveille staff. In addition to the year-long task of recording the story of Fort Hays State, members had the job of delivering books to all students not returning to school this fall.

A staff of approximately 25 worked diligent, uncounted hours from September to May on the preparation of the 352 page volume, the largest ever produced at Fort Hays State.

Editors Candy Mitchell and Sammye May and Mrs. Katherine Rogers, adviser, visited the Taylor Publishing Company in Dallas, Texas, and joined members of the *Leader* staff in attending an Associated Collegiate Press journalism convention in Chicago.

Religious Emphasis

Religious Groups Seek Fellowship

United Christian Fellowship is a composite of seven religious organizations under the sponsorship of the Rev. Robert Goodson and the Rev. Douglas Donovan. Concern for the dehumanization going on in the intellectual, emotional and social life prompted UCF to open "The Finky Fish". There, a cup of coffee and informal conversation and various art forms for entertainment in light of the above goals, can be obtained.

UCF brought Dr. Carrol McLaughlin to the campus because of his interest in the relationship of literature and religious disciplines. The Rev. John Cameron, civil rights leader and minister from Hattiesburg, Miss, spent a weekend in Hays, addressing classes, Campus Christian Council's "World Day of Prayer" and other groups. Mr. Cameron presented a Southerner's view on "Civil Rights Strategy and the Non-Violent Movement."

United Campus Christian Fellowship includes members of the United Presbyterian Church, Evangelical United Brethren Church, and the United Church of Christ. The Fellowship enjoyed Sunday evening supper, worship, recreation and discussions concerning the world and community as Christians. Dr. and Mrs. Harold Choguill acted as sponsors and the Rev. Robert Goodson was program adviser.

Baptist Student Movement, affiliated with the First Baptist Church, created Christian attitudes through Sunday morning worship, evening fellowship, Biblical study, and United Christian Fellowship Focus Groups. Special activities, including retreats and Kansas Student Movement Conferences, made up the roster of events.

LIVING GROUPS

Influencing factors come from every direction. Perhaps none weigh as much among the components that mold character as the influences from everyday associates.

From living groups can be learned such broad values as loyalty to a common cause, cooperation and adjustability.

However, the real gain comes from those closer ones—a roommate, a fraternity pledge father, a next-door neighbor. These can teach completely different ways of thinking, reasoning, evaluating. They may introduce a new concept of living and behaving. These friends constitute an indispensable part of the educational process.

Alpha Xi's Observe K-State Rush Program

Headquartering in Agnew Hall's first floor apartment, Alpha Xi Delta launched its second year on campus. To assist the colony in its work to become an active chapter, national officers visited during the year. The girls also visited the Kansas State University chapter to observe rush procedures.

Since Alpha Xi Delta stresses leadership and scholarship, members are active in many honorary organizations. Although Alpha Xi couldn't compete for the Panhellenic scholarship plaque because it is still a colony, members earned the highest sorority grade average for the fall semester.

Several house parties highlighted the year, and the girls entertained dates at a western party. They also ushered for Greek Sing.

AGD's Win Greek Sing With Work, Enthusiasm

For the second consecutive year, Alpha Gamma Delta's hard work and enthusiasm helped them walk off with the Greek Sing trophy.

Effort also paid off when the AGD Homecoming float earned second place in women's division. For the crowning touch, Ima Jean Atwood, sponsored by Sigma Phi Epsilon, reigned as Homecoming Queen.

Besides helping a needy family at Christmas, the chapter contributed funds from an old-fashioned cake and ice cream social to foundations for handicapped children.

Spring's arrival brought an informal farm party, annual Rose Formal, Mother-Daughter Tea and perpetual activities with other Greeks. Continuing tradition, Alpha Gam actives honored and bid farewell to their seniors as alumnae welcomed them to the ranks on International Reunion Day.

Leadership and scholarship combined last spring when AGD earned the scholarship plaque, and Ima Jean Atwood was elected head cheerleader. Also, Janet Powell was Student Body vice-president this year.

Delta Zetas Dominate Sweetheart Royalty

Looking for a sweetheart? Try the Delta Zeta house. DZs showed their stuff by coming out of the Sweetheart line-up with four winners. Vae Jene Bowman, sponsored by Delta Sigma Phi, was chosen first attendant; and Tammy Weigel, sponsored by Alpha Kappa Lambda, was second attendant.

Keeping it in the sorority, Carole Paustian made the third consecutive DZ Reveille Queen. And at the Greek pledge dance, Carol Henderson was elected Little Greek Queen.

The Branding Party, spring Rose Formal, Delta Zeta State Day, held at FHS, and a round of service projects and social activities kept the year humming.

Pledges decorated a Winter Wonderland for the Christmas formal, and again honored the chapter by capturing the fall scholarship plaque.

Exhibiting the pep and loyalty that prevailed throughout the year, DZs created the prize-winning Homecoming float in the women's division. Deltas served FHS too. Carol Henderson was head twirler; Candy Mitchell edited the Reveille and Sammye May was the associate editor.

Sigma Kappas Prove Scholastic Prowess

Having proved their scholastic prowess by earning the actives' scholarship plaque for the fall semester, Sigma Kappas exhibited their determination and drive by winning the Daisy Mae contest for the third consecutive year, and thereby retiring the trophy.

Rushees were entertained at the Political Party and the Pearl and Triangle Party. Then the new pledges took their turn and treated the chapter to an informal, Woodsy Ski Lodge, using a rustic atmosphere of blankets and tree stumps.

Pledges also invited other sorority pledge classes to their annual Valentine's tea.

Sheila Halligan, sponsored by McGrath Hall, was second Homecoming attendant. The Sigma Kappa candidate for Sweetheart King, Andy Nelson, placed as second attendant.

Sigma Serves Children; Girls Repair Toys

"Shoeshine anyone?" proposed the Tri Sigs before the Reveille and Sweetheart Balls. For their national social service project, Tri Sigmas set up a shoeshining business in the Union, the proceeds of which went to the Robbie Page Memorial.

During the Christmas season, to carry out their motto, "Sigma Serves Children," the girls collected, repaired and distributed hundreds of toys to children in the area. They also entertained children with games, refreshments and presents from a feminine Santa Claus.

Early in the fall a majority of Sigmas packed bag and baggage and headed to Denver to hostess a regional convention.

Highlight of the Sigma Sigma Sigma social year was the Deep Purple Formal dinner and dance at which the Sigma Sir, Mike Watson, was crowned.

Carol Lipp, sponsored by Sigma Tau Gamma, won first Homecoming attendant, and Doris Leiker and Connie Crouch, sponsored by Alpha Kappa Lambda and Sigma Phi Epsilon were *Reveille* attendants. Tri Sigma placed second in Greek Sing, and their candidate for Sweetheart King, Andy Johnson, was first attendant.

AKL's Float Wins Sweepstake Honors

Homecoming sweepstakes honors must feel at home with Alpha Kappa Lambda, for the fraternity's float gleaned the trophy for the second consecutive year. Titled "Tigers Thrash the Ichabods," the combine float tumbled Ichabods from the thrasher into the care of "nurses" from a following ambulance. AKLs also backed their bearded Joe contestant, Dennis Adams, collecting money to make him the winner.

Beginning the year with one of the largest pledge classes of its history, the chapter remained busy with the "Go To Hell" party, Christmas dinner, caroling party with Alpha Gamma Delta, and other Greek exchange activities. To serve the community, members contributed blood to the blood bank.

When things might have settled down, there was the "Spring Splash" formal followed by Parents' Day. At the K-State regional AKL workshop, Bruce Feldkamp was master of ceremonies.

AKL sponsored Reveille Attendant Doris Leiker and Sweetheart Second Attendant Tammy Weigel. Andy Johnson was Sweetheart First Attendant, and Mike Watson was named Sigma Sir of the Sigma Sigma Sorority.

Delta Sigs Buy Land for Planned Expansion

Like the old woman who lived in a shoe, Delta Sigma Phi has so many members, but they decided what to do. By purchasing three acres of land last summer, they became the first FHS fraternity to take steps toward building a home. Construction of the new house is anticipated within a year.

Believing that a fraternity should stress service as well as fun, Delta Sigs took their football team, which won FHS intramurals, to play the Larned State Hospital team.

To continue community service, pledges helped decorate Hadley Hospital for Christmas, and made Easter eggs for children in the hospital. The fraternity also participated in the Heart Fund Drive.

At the traditional informal Sailors' Ball, Janice Jones was selected as the girl with whom the Delta Sigs would most like to be shipwrecked. Janice also reigned as Delta Sig Dream Girl at the Carnation Ball. The spring informal was the Sphinx Ball.

The fraternity's candidate, Vae Jean Bowman, won Sweetheart first attendant, and with Delta Zeta, Delta Sigma Phi sponsored Furlough Queen Eulonda Schoeni.

Delta Sigs turned in a good year at intramural sports, winning ping-pong singles and doubles, horse shoe doubles and football. They also peddled to third place in the men's Furlough bicycle race, making them the top Greek team.

Greek Sing, A Triumph for Sigma Phi Epsilon

Third time is usually the charm, but Sigma Phi Epsilon went to extremes by winning Greek Sing for the fifth consecutive year. And for the past two years, Sig Eps have taken the first trophy in the Greek chariot race. This year, their Homecoming float took first in men's division.

To house the largest fraternity on campus, Sig Eps annexed the house next door. Because they had the top grades of all national fraternities at FHS last year, Kansas Zeta chapter was awarded the Grand Chapter Scholarship Cup from National Sigma Phi Epsilon.

Sig Eps also fared well in intramurals, winning tennis singles, basketball, horseshoe singles, swimming and badminton doubles.

By no means was life all honors and no service. The men sold tickets for Jefferson's PTA fund-raising drive, and painted a campus landmark, the Merci Train coach.

In addition to regular hour dances and exchange dinners, an alumni Homecoming dance, the Blue Mountain Blast informal, a Christmas caroling party, parents' picnic in honor of mothers, senior picnic and the Golden Heart Ball rounded out the Sig Ep social agenda.

At the Golden Heart Ball, Judy Cook was chosen Sigma Phi Epsilon Sweetheart. The fraternity sponsored Homecoming Queen Ima Jean Atwood and Reveille attendant Connie Crouch. Terry Shoemaker, sponsored by Delta Zeta, was Sweetheart King.

Sig Taus Reconstruct Fraternity Organization

Sigma Tau Gamma tried a new system of fraternity organization and government by using permanent committees instead of a regular cabinet.

Homecoming activities kept Sig Taus busy building a float and planning a dance for visiting alumni. The Sig Tau candidate for Homecoming Queen, Carol Lipp, was first attendant.

Sponsored by Sigma Kappa, Andy Nelson won second attendant to Sweetheart King.

Sig Taus and DZ's honored their new housemothers, Mrs. Ina Thomas and Mrs. Rea Marshall, with a tea, inviting representatives from all living units as well as campus officials.

Dates were entertained at an informal Beatnik party and at the annual White Rose Formal. Hour dances, exchange dinners, and other activities with Greeks completed the Sig Tau calendar.

Phi Sigs' Candidates Reign as Pledge Queens

Phi Sigma Epsilon knows how to pick queens. Their candidate for last spring's all-pledge dance, Betsy Steele, reigned as pledge queen, and again this fall the Phi Sig candidate Carol Henderson was victorious.

Bill Rogers won the '64 Bearded Joe contest and Phi Sigs conquered all but one fraternity in the '65 softball intramurals, ending in a tie for first place.

Three records were set by hardy Phi Sig swimmers during last year's intramurals. To bring independents and Greeks closer together, they sponsored a joint track meet.

Chapter members proved themselves scholarly when they received second in overall scholastic achievement last spring.

Merry Christmas was wished to underprivileged children at a house party. Members also helped the community by actively participating in the Heart Fund Drive, by donating blood to the Red Cross, and by aiding the Hays Jaycees with the new civic center project.

Although they participated in many social activities, the highlight was the White Tea Rose Formal. The year closed with an informal at Webster Lake.

TKEs Compile Victories; Physical Fitness Pays

Physical fitness must be the by-word for Tau Kappa Epsilon. Not only did the men win the Greek Chariot race, they also walked away with championships in intramurals. They won first in volleyball, badminton singles, tennis doubles and golf doubles; second in badminton doubles, tennis singles, horseshoes singles and doubles; and several other positions in various sports.

They also won fifth in the 40-mile Furlough bike race. TKEs were working in other areas too. Alpha Upsilon was host chapter of the Province Leadership conference held in Kansas City. They also published newsletters to alumni and other chapters, and donated blood to the Ellis County Blood Bank.

As a fund raising project, members hired themselves out during a "Work Week." Then, back in competition, Tau Kappa Epsilon took second in Greek Sing.

The social season began with a Homecoming party for alumni, followed by the Pajama Party, actives-pledges football game, Roman Holiday party, Parents' Day picnic, and the Red Carnation Ball.

Last year's TKE Sweetheart, Kathy Archibald, was first runner-up in national competition last summer. This year's Sweetheart was Carol Sullivan.

Prometheans on Move; Trophy Case Bulges

The Prometheans' trophy case will soon be bulging if they keep up their present pace. For topping all fraternities in raising money for the Heart Fund, they won a trophy from the Ellis County Heart Association. Fall semester, actives earned the scholarship trophy for the second consecutive time, with a 1.8 average.

Not to be outdone by the actives, pledges won the pledge scholarship trophy with a 1.38 overall. Not only was this pledge class outstanding scholarly but it also gained distinction as the largest pledge class the Prometheans have ever had.

Since organizing three years ago, the Prometheans have been building toward affiliation with a national fraternity. During the year, representatives from Sigma Chi chapters at Kansas State University and Pittsburg State University visited the Fort Hays Prometheans. Because of their success as a fraternity, they have earned a place on the preferred list of Sigma Chi.

Of course studies are not all the men specialize in. With a 21-3 record, they captured the intramural bowling championship. They also placed in volleyball, horseshoe singles, and badminton doubles.

Socially they were on the move with exchange picnics, caroling parties, hour dances and their second annual formal, held at the Elks Club.

Location Doesn't Matter; Home Refuge from Campus

Campus housing for married students grew this year with the completion of 36 more Wooster Place units. The two three-story native stone apartment buildings were built with the same floor plan as the first Wooster Place buildings which contain 48 apartments.

The oldest campus accomodation for married students is the "temporary" housing of Lewis Field. Many of the Lewis Field apartments have been closed because of the new Wooster Place additions.

Many students prefer the seclusion of off-campus apartments or private homes; some "bach it" in trailers. Wherever the location, housing provides a refuge from campus, a place to study, a home.

A DMINISTRATION, F ACULTY AND C LASSES

This is Fort Hays State. The essence of any college campus is the people, the faces seen every day.

All colleges and universities have activities, traditions and spirit. FHS has these in abundance. But only FHS has the people pictured here. They make this year different, not only from other schools, but also different from all other years at FHS, although the same basic academic courses, traditions, spirit and activities continue.

Each year brings its quota of new faculty, with changing philosophy and increased vigor to further the development of the college. And each year brings a host of new young faces to replace those who go on to more noble deeds.

But those administrators, faculty and students who return for several years—or half a century—lend a steadying, balancing force to dear Fort Hays State.

FUTURE DAYS—THE ESSENCE OF NOW

WILLIAM H. AVERY Governor of Kansas

Deciding on Policies, Budgets Job of Board of Regents

Fort Hays Kansas State College, Kansas State College of Pittsburg, Kansas State Teachers College of Emporia, Kansas State University, The University of Kansas and Wichita State University are the six tax-supported colleges and universities administered by the Board of Regents. This board, which is appointed by the governor, sets policies, approves budgets, and requests legislative appropriations for institutions of higher learning.

President and Mrs. Cunningham greet new students at their home during orientation week.

President Cunningham Achieves Excellence

Educational excellence has been Dr. M. C. Cunningham's driving force for the 15 years of his presidency.

Coming to Kansas from Missouri, he has made the Sunflower State his own, and Fort Hays State his most vital concern.

Under his leadership, continuing and farreaching improvements in the physical and academic structure have brought the college a well-deserved place of eminence in the academic world.

Working always to maintain and improve the accreditation and academic rating, he has promoted the establishment of the six-year program, greater emphasis on graduate study and higher standards at all levels.

Yet, he has never lost sight of the individual student, and takes great pride in the warm, friendly atmosphere and fellowship he emanates.

Administration and Faculty Bear Responsibilities

Upon a handful of men and women rests the executive responsibility of operating Fort Hays State. To meet the demands of rapid expansion in the physical plant, academic structure and student body, these specialists give dedicated

service

Without losing sight of the individual and his challenge, they meet the multitudinous problems of each day and each year, building a stronger and greater college.

Specialists in Service Guide Public Relations

The Memorial Union is the community center for students, faculty and administration of FHS. It serves as a relaxation center and also houses a program of activities which contribute to social and cultural development.

The Union as well benefits hundreds of people outside the college by serving as a meeting place for clubs and

professional organizations.

Providing a valuable service for students, alumni and prospective employers, the Placement Office helps find suitable career appointments for students and alumni, assists employers in their search for competent personnel and provides information and counseling.

For many who are not directly connected with the college about 50 courses are made available for correspondence

study by the Extension Service.

Freshmen to Lose Stigma of Their Status

Sleep, that blessed reliever of anxiety, hoodwinks Bonnie Brandenburg.

A DVERTISING AND I NDEX

Without the academic and athletic scholarships given by Hays citizens and merchants, many FHS students would be unable to have an education. These benefactors also willingly support FHS through such events as the Furlough and by advertising in student publications.

The college, in turn, provides cultural and academic events for townspeople. Such reciprocation is advantageous to both the city and FHS; in this way, the two are dependent on one another.

Indicative of this cooperation is Countryside Mobile Homes. Many married students at Fort Hays State have proved the economy and satisfaction of owning their own trailers. Getting married? Let Countryside Mobile Homes show you the advantages of modern living. Countryside, phone MA 4-4428, is conveniently located on East 8th Street.

In Appreciation

Our college anthem has a way of quickening our heartbeat, pushing back our shoulders and raising our chins—a yearbook needs a pulse like that to carry it through. So now the final page—the end of the year—the end of the 52nd volume of the *Reveille*. The anthem's words became the background music for the work and play of Fort Hays State recorded in the 1965 *Reveille*.

The curtain cannot descend on the final chorus played, we cannot sing our "honor and praise to dear Fort Hays" until we sing the praises of all who helped.

First, to our adviser, Mrs. Katherine Rogers, thank you; without her help and patience there would be no book.

Pictures—that's what a yearbook's made of! Thanks to Leon Maxson and his photography staff, the pictures from News Service, Delma Studios of New York and Guercio Studios of Hays, we made a yearbook.

The Memorial Union housed all group pictures and the Delma photographer. Thanks to Jerry Ruttman and his staff.

Artwork is another vital factor in a yearbook—so thank you, Ralph Hormel, for artwork photography.

Last, are the words of a yearbook. They have to say just the right thing. And to Sammye May, associate editor, copy was her job, but she deserves a medal for devotion beyond the call of duty. Ted Tow supplied sports information, and thanks to all the hard working staffers for a 1965 Reveille.

The curtain can fall on this last page of the book but may the chords resound in remembrance.
