Tonight's Game—

Winner Will Own Crown

Tonight's football game between the Fort Hays State Tigers and the Omaha University Indians will decide the championship of the Central Intercollegiate Conference.

Both squads possess perfect 3-0 conference records and both teams lead the conference in most of the statistics.

Omaha is 7-1 on the season, having lost only to Northern Illinois 28-13. Since that game they have rolled over six straight opponents.

Fort Hays State is 6-2 overall having lost to Colorado State College and Southern Colorado State.

The Indians and the Tigers have defeated the other conference teams by almost identical scores. Omaha beat Pittsburg State 27-7, Washburn 19-10 and Emporia State 46-14. Fort Hays State defeated Pittsburg State 21-7, Washburn 25-0 and Emporia State 42-7.

On the basis of size, speed and depth, Omaha would probably be rated a one or two-touchdown favorite but with the game on the Tigers' home field, the Fort Hays State crew feels the squads are about equal tonight.

Tonight's game closes out the season for the home-standing Tigers. Omaha has one more contest left, that being Drake next week.

The Fort Hays State team will be shooting for its first undisputed conference crown in 29 years. They shared the title in 1954 with Washburn University and have since found the door closed to the crown room.

Omaha, since joining the conference in 1959, has won two CIC titles. Their latest was two years ago.

Leading the way for the high-flying Indians this season has been all-conference quarterback Marlin Briscoe. A 5-10, 175-pound Omaha lad, Briscoe leads the CIC in passing and total offense.

Lending a big hand in the Indian success story are All-American halfback Gerald Allen, fine pass receiver Rick Davis, guard and co-captain Harlan Aden and a host of other Indian strongmen.

Countering the Indian thrust are all-conference Tigers Bob Johnson and Ron Morel. Johnson, the league's leading rusher and scorer and Morel, the leading punter in the conference, have been greatly responsible for the Tigers' success.

In summary then, the game boils down to the top offensive team in the conference meeting the top defensive team in the conference. It could hardly be a more appropriate setting for a championship contest.

One Year Ago . . .

Hoping to avenge the trouncing from the year before the Tigers traveled to Omaha last year to settle up with the Indians. They were turned back again however and lost again. The final score 33-15. Tiger touchdowns included a 3-yard run by Steve Worley; a safety; and a 43-yard pass from Van Laningham to Anthony. Van Laningham counted for one conversion. The Indians scored on 2 and 9-yard runs by Larry Trofholz; a 23-yard scamper by Doug Butler; a 22-yard run by Terry Williams and a 7-yard pass play from Marlin Briscoe to Lew Garrison. Terrill Edwards accounted for three extra points.

1960	19-18	1964	15-33
Total games: 8			
FHS won 2; OU won 5; 1 tie			

Basketball Next . . .

Next Saturday basketball will make its appearance on the Fort Hays State campus as the annual FHS Varstiy-Alumni contest takes place. The game will bring together former Tiger cager greats trying to defeat this year's Bengal varsity squad. The Hays Junior High School will be the site of the contest with the game time set for 7:30 p.m. Admission to the contest is \$1 for adults and 50 cents for students. Activity tickets do not admit as the proceeds from the benefit affair will go to the National Student Defense Loan Fund and the Walters-Ashelman Fund.

PENNY EDWARDS—"MISS TIPARILLO"

What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars . . . cigarettes . . . ?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

*T.M. GENERAL CIGAR CO.

Tiparillos are on sale at this stadium.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Riviera Gran Sport.

Every last thing that goes into a Buick—suspension, body mounts, shock absorbers—not only has to work, it has to work with everything else. That's tuning.

Tuning is what we do more of (and care more about) than anybody we know of. And then we go out and test it in more places, too. On roads like the ones you'll be driving on. Why we do it will be obvious when you take your first ride. The tuned car rides and handles as handsomely as it looks. (Tuning may be hard to explain. But it's easy to notice.)

What the tuned car will do for you. And your family. For a start, the new Riviera

will comfort you. You'll see that when you slip into the Riviera's new bench seats. Space for six. If you like buckets, they're available, with a reclining arrangement for the right-front passenger. And we have another comforting option available: a new notch-back seat that converts from bench to semi-bucket.

Choosing the tuned car. Visit your Buick dealer. Every Buick you see is the tuned car. Riviera, the new international classic. Riviera Gran Sport. *Every '66 Buick.*

And with a choice like that, how in the world can you go wrong?

Wouldn't you really rather have a Buick?

College Anthem

On the plains of Western Kansas
Stands a school we all love well.
'Twas built by the toil of our
fathers;
To its glory our voices swell.

Chorus:
Hail to old Fort Hays State!
Let your voices ring.
Praise for the Black and Gold
We will ever sing.
Long may our valor last
Through the future days,
Hon'ring and praising
Dear Fort Hays.

In the years the lie before us
We foresee our land's many needs.
Through the efforts of new
generations,
We'll go on to more noble deeds.

How do athletes handle athlete's foot?

**They follow their trainers' advice and
use Desenex® for prevention and treatment**

It's excellent protection against itching, cracking and irritation of Athlete's Foot. Helps prevent spreading, too. No wonder Desenex is the Athlete's Foot treatment most widely used by college football trainers.

We know you don't have a trainer to keep you on your toes. But that's no reason to suffer from Athlete's Foot. Start using Desenex yourself. Avoid Athlete's Foot problems with Desenex Powder or new, cooling Desenex Aerosol—and for treatment use Desenex Ointment. Desenex is guaranteed to work or your money back.

The Indians

Tonight's Opponent—Omaha University

HARLAN ADEN . . . Co-captain and all-conference guard. Tough, heads-up football player.

MARLIN BRISCOE . . . A scrambling 175-pound quarterback who leads the conference in passing and total offense.

The University of Omaha, 56 years an institution of higher learning, was founded in 1908 as a private, non-sectarian, co-educational school. The university became municipal in 1931.

The university, fully accredited by the North Central Association of Colleges and Secondary Schools, is composed of five colleges. It has an enrollment of more than 9,000 students, of which 4,600 are full-time day students.

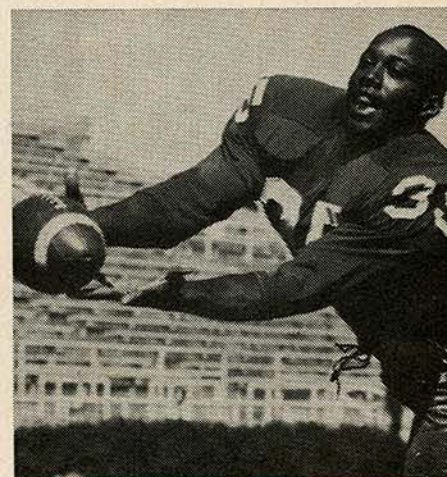

Located in the western sector of the city of Omaha, Neb., the university designs training courses for business and industrial employees; supplies in-service training for teachers; conducts television classes for university credit on KMTV; and sponsors a wide variety of conferences, workshops, lectures and concerts to further enrich the academic program.

The Indian athletic program consists of competition in eight sports. They are: football, cross country, basketball, wrestling, baseball, golf, tennis and track.

The head football coach at Omaha University is Al Caniglia. In his sixth year at OU, Caniglia has a composite record of 34-18-2 going into tonight's game with the Tigers.

GERALD ALLEN . . . Hard-running halfback. Being touted for All-American honors.

RICK DAVIS . . . small but tough. One of the best pass receivers in the conference.

HALF TIME-ANYTIME-MAKE IT MILK!

Busy football weekends call for extra energy. And that calls for a refreshing glass of milk. Milk is nature's vitality drink... that helps you stay in peak condition, sees you through the busiest fall days.

Half time; snacktime, anytime—when you take a break, make it milk. Keep up with the fun with milk's vitality!
