THE TIME HAS COME WHEN MAN MUST SLOW DOWN, REACH OUT AND WORK TOGETHER TO MAKE THE BEST OF LIFE.

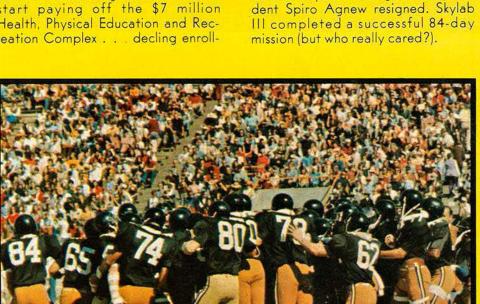

1974 Reveille Vol. 61 Fort Hays Kansas State College Hays, Kansas 67601

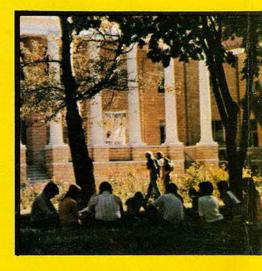

1974 . . . An unusual year involved 4,603 students at Fort Hays State. Many events took place that will be remembered as peculiar to this year . . . the winning football team . . . inflating student fees to start paying off the \$7 million Health, Physical Education and Recreation Complex . . . decling enroll-

ment . . . streaking . . . Watergate . . . conserving fuel . . . active individuals and apathetic groups.

President Nixon tried to wash away Watergate. Impeachment dominated the public thought. Vice-president Spiro Agnew resigned. Skylab III completed a successful 84-day mission (but who really cared?).

We adjusted to walking to class in the dark and not going everywhere we thought we had to. If we did travel, we went slower and not always by car.

Fewer students attended FHS. More moved into dorms. Vern (Miller) didn't forget FHS and proved it with an exciting (and productive) drug raid. Streakers caused more excitement and drew more spectators. Apathy ruled at most sports events (though other colleges seem to have enthusiastic cheering sections.).

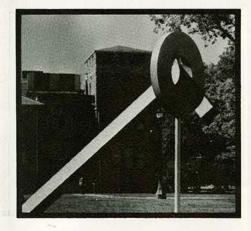

The individual is important at FHS. Being able to release one's expressiveness is given to those who are daring enough to let go of the inner self. In academics, athletics or daily experiences, just being on your own develops your inner self.

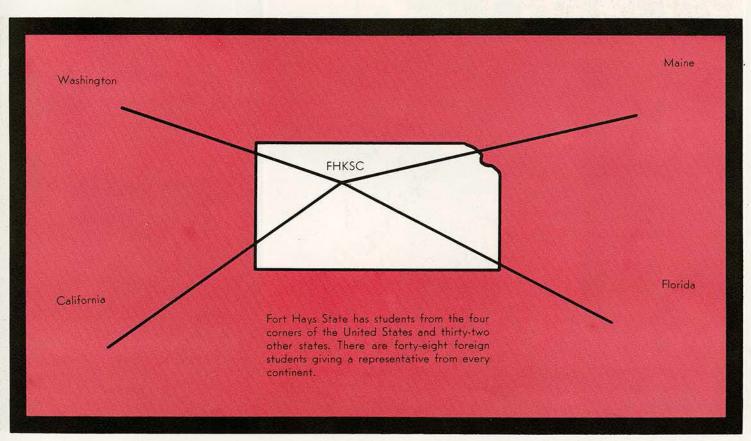

The Individual. While 96 per cent of the students at FHS come from Kansas, individuals enroll from the four corners of the United States and represent every continent. Each person is his own man — not just a number. There's a closeness spanning the age gap as we all face problems and live out the school year together.

During the fall semester of 1973, torrential rains and high winds caused extensive flooding and damage in eastern Kansas. Hays was more fortunate and escaped the finanical disaster. However, many students were concerned for parents and friends who were forced to evacuate homes, leave crops in the fields to rot, or who suffered other losses. Then came the winter with heavy ice and snow, snapping power lines and poles, leaving vast areas of Kansas in cold and darkness.

For some students, it spelled economic disaster and altered college plans. For each individual, it was a crisis of some sort.

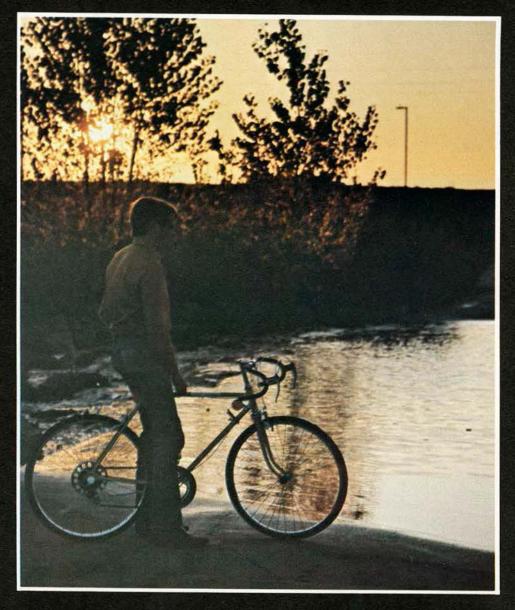

Man's existence is brief; he may die intellectually, socially and emotionally, long before his physical being expires.

As individuals we seek to come alive intellectually and socially in college; but in doing so, we sometimes forget to slow down and appreciate the beauty, simplicity and bounty which has been given to man so abundantly.

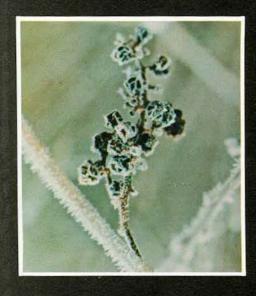

Daily frustrations and anxieties are lessened when we paused to look, listen, hear, feel and appreciate God's creation.

During the past year we have watched the Land of Plenty become a land of shortages, with natural resources depleted and commodities unavailable.

The Energy Crisis interrupted the watergate flood in the news media and affected every individual. Limited gasoline, reduced speed, cooler

room temperatures, no Christmas lights and shadowy streets and hallways served to remind us of the need to conserve.

But again, at FHS we were fortunate with sufficient fuel to keep operating. Rumors of fuel shortages proved to be exaggerations and the year moved ahead, almost as usual — with a little more bicycling, warmer apparel and less gasoline.

FHS Percentage Of Change

The chart shows the percentage of change at FHS over the past nine years. The percentage chart gives a more accurate comparison from year

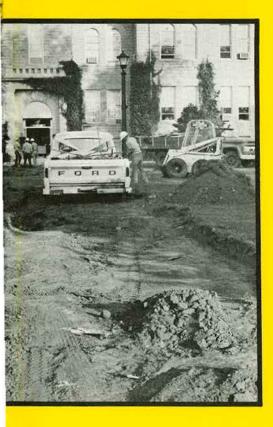

to year.

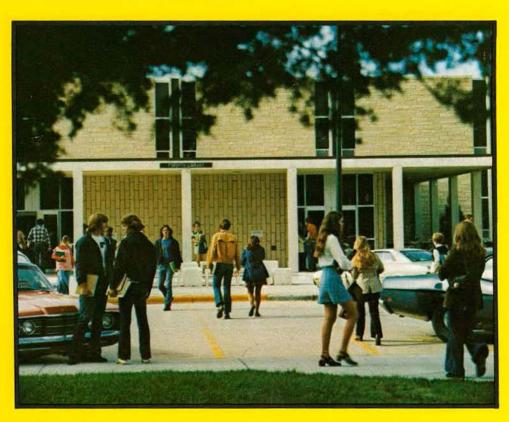

The faculty shows a close parallel to the student line until the past two years. As long as enrollment declines, so will faculty positions in an attempt to maintain a twenty-to-one ratio.

The number of degrees awarded shows sporadic jumps. Several factors may be responsible — the end of the draft, demands for vocational workers, unstable economic conditions which have altered students' plans.

Despite lower enrollment and reduced legislative support compared to other State colleges, much work was completed on campus during the year. New sidewalks helped prevent stumbles; concrete steps and reinforcement beams were added to Picken. Forsyth Library's lower level was finished and additional air conditioning was installed. Other general repairs took place. Lack of funds prevented any major construction.

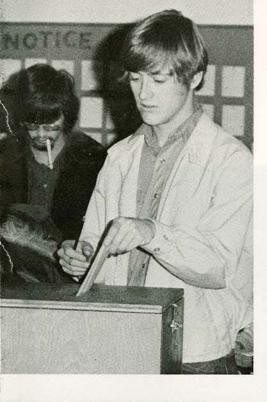

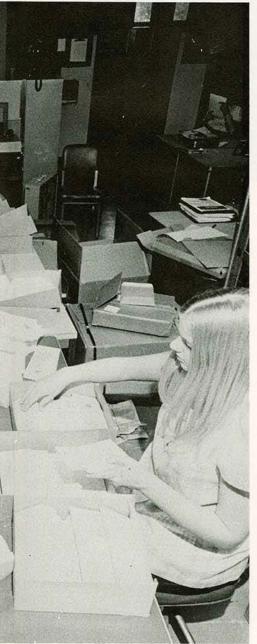

Though apathy ruled the crowd, some individuals were exceptions. Students have a concern for their education and many work their way through, making the best of it. Every student felt an awareness of national events. The Watergate Bug was a homecoming attraction sponsored by the Political Science Club. This was a year when people got together as individuals, either being alone, or at the favorite night spot. Groups worked together to accomplish their means. Local issues were treated lightly by most Fort Hays Staters.

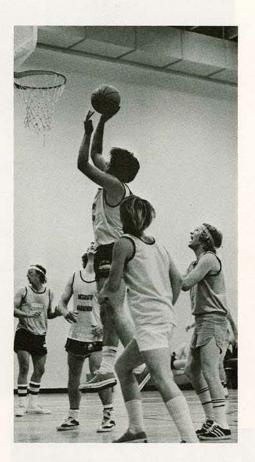

Student Senate elections were probably the most dismaying example of student apathy. Only 644 students voted for student body officers. Our democracy on campus is taken lightly and reflected by the representatives. However, some examples of student involvement are: The second annual McGrath Marathon was held in April

and raised \$500 for the American Cancer Society. Playing 60 hours of basketball, these men donated time and physical endurance. The final score was 6,612 to 6,602.

Senior citizens were aided by college students through helping with Meals on Wheels and Mealsite programs. Residents of the Good Samaritan Home were taken shopping at Christmastime. Nearly all of the Greek organizations were involved with public service projects of some kind. Many were involved with projects for the needy as the Chariot Ride for Charity. Many served the campus, community individuals and groups.

HPER Complex Provides Student Sports Center

Paul B. Gross Memorial Coliseum and Cunningham Hall is the newest building at FHS. The field house seats 7,000, has a 176 yard, six lane indoor track and has gymnastics facilities. Cunningham Hall contains an Olympic size swimming pool, wrestling, gymnastics, dancing and training rooms. There are eight handball and four basketball courts and adequate classroom space. The fieldhouse was filled to capacity in February when the Harlem Globetrotters played the Washington Redskins.

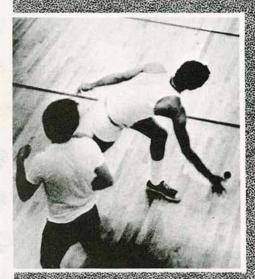

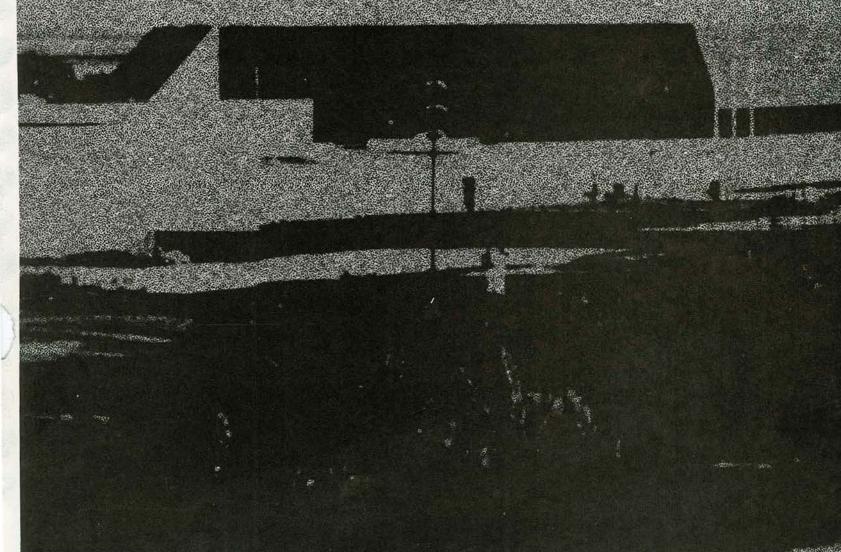

After a patient three years of construction, students were finally able to use the new Health, Physical Education and Recreation Sports Complex. Dedication took place in September, 1973 with Governor Robert Docking heading the dignitaries.

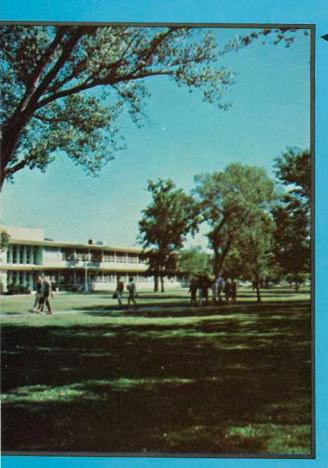

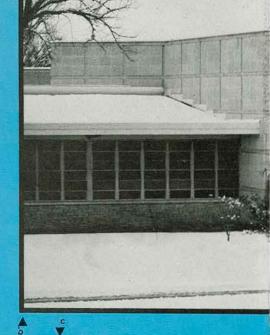

When the federal government abandoned the 7,600 acre Fort Hays Military Reservation in 1889, residents of the area petitioned the government to turn over the property for an experiment station, a park and a state college. This was done in 1900. The college opened on June 23, 1902 as the Western Branch of the Kansas Normal School at Emporia with 4,160 acres of land.

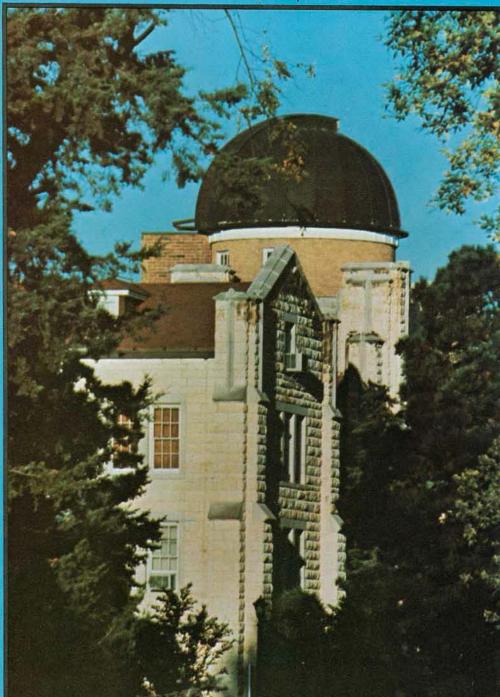

In 1914, the name of the institution was changed to the Kansas Normal School. It became a member of the North Central Association in 1915 and has maintained accreditation to date. In 1931, it received its present name and changed from a teachers college to a liberal and applied arts college. Fort Hays State is the only state college in the entire western two-thirds of the state.

Homecoming-Oktoberfest Unites Campus And Community Forces To Create Tiger Pride

Indian summer lingered in the air as campus and community joined forces in Homecoming-Oktoberfest activities. The annual snake dance, pep rally and announcement of homecoming queen Marianne McGuire on Friday evening got things off to a lively start. Guest performances by Fred Smoot, Mac Davis and Henry Mancini and his orchestra brought another dimension to the special weekend. Students, faculty and residents of Hays and surrounding communities gathered along Main Street

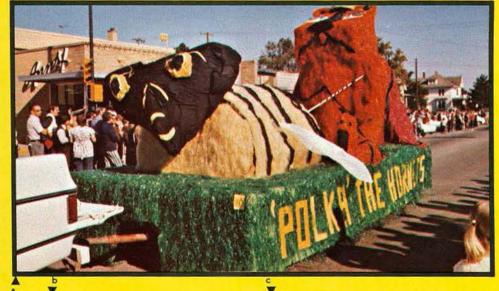

to enjoy the homecoming parade Saturday morning. Spirits were high as a determined Fort Hays State football team came close to defeating nationally 3rd-ranked Emporia State. Losing by a touchdown, 15-9, the Tigers surprised everyone and added enthusiasm to the Homecoming clebration.

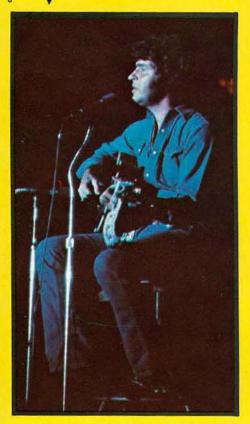

Pride seemed to fill the hearts of everyone involved: in their college, their community, their team, their organization and themselves. Pride that lingered even when Indian summer, Homecoming and Oktoberfest had faded.

A large number of courses at FHS give students a chance to learn by doing. Broadcasting students operate the controls and produce their own show for an hour once a week. Hours in laboratories yield surprising and satisfying results as well as challenging hours. The Education Department encourages students to organize and video tape educational programs. A course in home maintenance attracts women as well as men in practical "how to do it" technique. Learning to upholster gives students a chance at a fun and profitable hobby.

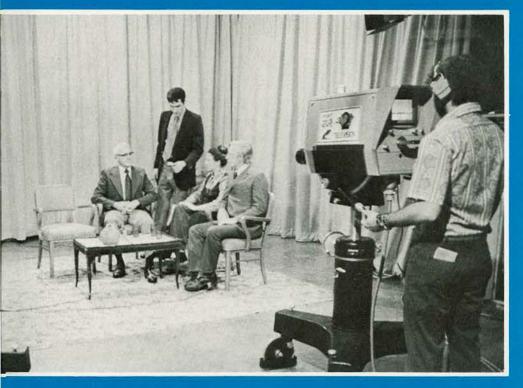

Learning Experiences Practical; Go Beyond Academic Theory

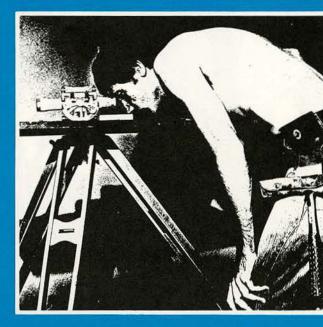

Getting an education includes more than pouring over books. Did you ever watch a college play and wonder who made the sets? Theater classes help build and paint using

techniques to create the right effect. Folklore and Customs class prepared dinners of different nationalities and examined customs of those countries. Another experience is learning how to use tools properly for maximum efficiency. There are many other classes which encourage participation as the key learning experience.

Madrigal Supper Opens Yule Season With Festive Spirit

Lord and Lady William Wilkins greeted their subjects in the Hall of Wassail Dec. 7, 8, 9 to open the Christmas Season on the FHS campus. The history of the madrigal dates back to the 16th century where Lords were entertained while they dined. The Fort Hays Singers and the Memorial Union enacted the Renaissance spirit with their performances. Selected castle servants were Keith Higgins, Kim Goebel, John Rietcheck and David McIntosh.

Varsity Show Features Music In Entertaining Manner

The annual Varsity Show in November presented many entertaining groups and soloists in a musical manner. Ed Shaughnessey of the NBC "Tonite Show" was the guest performer. He played drums with the Marching Band and Jazz Ensemble. Concert Choir, Collegian Chorale and Civic Symphony members com-

bined to present "Polovetsian Dances" from Borodin's "Prince Igor." In addition, all of these groups performed their respective program numbers. Tiger Debs, Flag Corps and Orchesis members did routines to the music of the Marching Band and Percussion Ensemble.

e. Twirler Linda Pearson displays agility and coordination with her baton.

a. Guest performer, Ed Shaughnessey of the NBC "Tonite Show," captured everyone's attention with his drumming technique and performance.
b. Doyle Miller was a soloist with the Band under Lyle Dilley's direction.

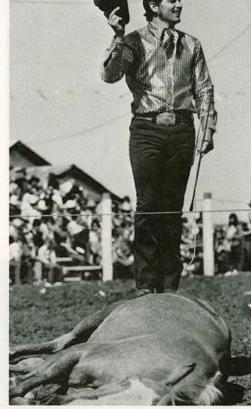

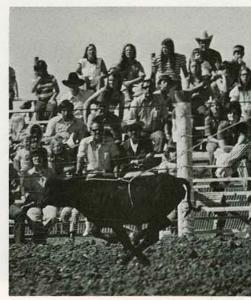

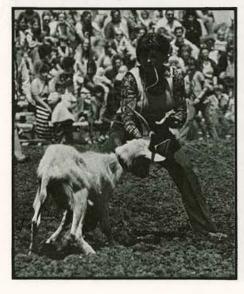

Rodeo Team In Top Standing; FHS Sends Nine To Nationals

The overall rodeo record this year is quite amazing. Both men's and women's teams were in first place ratings by a large margin. Competition hardly touched the FHS team as there was always another capable person available to compete for the top positions. There were twelve rodeo meets in the circuit.

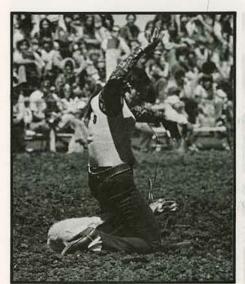

Men's events include bare-back saddle-bronc, bull-riding, bull-dogging, calf-roping and ribbon-roping. The three women's events are barrel racing, goat-tieing and break-away roping.

In final statistics for the season in the NIRA regional standings, FHS outpointed all competition with a total of 3,180, placing in every event except calf-roping. The second place

team, Chadron State of Nebraska, finished with 1,909 points. The men's All-Around Cowboy honors went to Lyle Sankey, second place to Bronc Rumford, third place to Chadron State and fourth place to Jerry Beagley. In Women's All-Around Cowgirl, Kathy Geier took first place.

Nine rodeo members will compete in the NIRA national finals on June 22-29 in Bozeman, Montana.

Sigma Chi's Derby Days Aid Children As Students Play

Derby Days are sponsored by Sigma Chi as a service project. Proceeds go to the mentally retarded at Wallace Village in Broomfield, Colo. The event centered around female ingenuity to obtain a derby and male agility to make her struggle to get it. Other games held were the tug-ofwar, tricycle races, fly-swatter meets, changing clothes in a sleeping bag and baby bottle drinking.

Hometown Cookin' Creates Club-Like Atmosphere

Hometown Cooking' IV opened its annual jazz program in Sheridan Coliseum in May. The show is one of the more entertaining events on campus as the Coliseum transforms to a nightclub atmosphere. Members of the Jazz Ensemble work to achieve a high quality performance. Guest soloist was Bennett Friedeman, a woodwind specialist from San Francisco. Table service was provided by Phi Mu Alpha Sinfonia, music frater-

Spring Swing gives college students a weekend of fun activities ranging from pie-eating to skipping rope, three-leg races to beer parties, outdoor movies to the tug-of-war. A barbeque was held on the patio of McMindes. Interhall Council promotes this weekend swing, declaring spring has arrived on campus.

Furlough Fun Reaps Profits For Scholarships And Loans

Furlough is an annual event sponsored by Alpha Phi Omega, service fraternity. Money goes to the Endowment Association. This year's Furlough was moved to Malloy parking lot from the State Park area. Team members compete on bicycles furnished by APO. They follow a set course and work against time. A new event to the Furlough was the 10-mile race which preceded the day's activities. Team members practice coming and leaving the pit. As shown, they receive help from pit crews. Jan Harrel was crowned Furlough Queen.

Leader Tangles With Senate; Free Press Continues Weekly

During first semester, there was much controversy between the State College Leader and Student Senate. Senate demanded to have complete coverage of every meeting published. The Leader staff felt that Senate news couldn't be covered in detail every time and its relevance was debatable. Also, the free press wouldn't be considered free if run by government demands. The battle lasted most of the fall semester, both

sides eventually compromising.

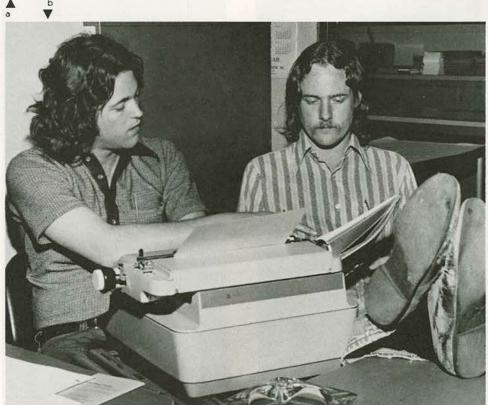

The Leader serves as the official newspaper for Fort Hays State. The paper again received a first-class rating from Associated Collegiate Press. Leader converted to offset and is now printed by the Hays Daily News. Leader staffers are chosen for one semester only. Mike Walker completed his first year as Leader adviser.

Honors Program Encourages Independent Thought And Study

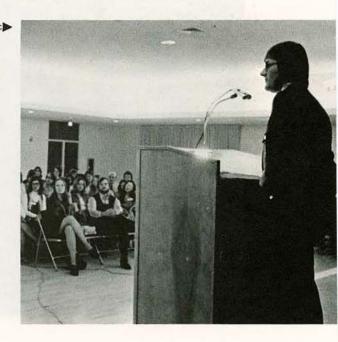

The Honors Program serves to promote commitment to learning and intellectual growth. Selection to the Honors program is based on motivation, scholarly ability and the capacity for creative thinking. Honors classes include designated sections of General Education classes, seminars and the independent project. Dr. Robert Luehrs serves as director.

This year Honors presented several free programs. Starting the season was the Dracula Necropsy. The fourday program featured films and lectures in commemoration of the publication of the novel "Dracula." The Vitagraph film festival was presented in the fall. The Heirs of Stalin, a symposium on dissent in the Soviet Union, was held spring semester.

Concert Choir is composed primarily of vocal majors and includes other students interested in singing. They perform for special programs on and off campus. Concerts included Parents Day, Varsity Show, fall and spring special concerts, and the ora-torio, "King David" with Civic Symphony and Collegian Chorale. Theatre Season Opens With World Premiere: 'Wild Bill In Hays City' Reactivates Old West

The world premiere of Wild Bill in Hays City opened Oct. 11-14, in Felten-Start Theater. Personal interest in the pioneer past of Hays caused Dr. Lloyd A. Frerer to research and write the play.

Wild Bill Hickok is sheriff of Hays City. Election time is near and he is apprehensive about the persuasive campaign that his opponent, deputy sheriff Pete Lanahan, has started. Pete, a young lad who wants fame through a fast gun, is after a portion of Wild Bill's reputa-

Buffalo Bill, a close friend of Wild Bill's, is involved in an acting company under the direction of Ned Buntline, a famous New York playwright. Ned and Buffalo Bill introduce Wild Bill to actress Mlle. Morlacchi. They succeed in convincing Wild Bill to try an acting career over the objections of Kate Coffee, who has approached him about keeping order in her saloon.

Buntline's play is written, the characters chosen and the performance is ready to go. The town roughnecks play four Indians who are all killed by one shot from Wild Bill's gun. They are humiliated, come alive and vanish from the stage. They plot Wild Bill's death but he talks them out of it. Deputy Pete Lanahan breaks up the ensuing saloon brawl and is determined to control Hays City with a gun.

Another fight breaks out and Pete meets a man with a faster gun. Wild Bill revenges his death by killing the outlaws. When it is over, Wild Bill decides to stay with the acting company as he is tired of all the killing that goes along with his reputation.

a. The play causes bad feelings among the town roughnecks. The leader, Jim Curry is determined to make Wild Bill pay for their humilitation.

Throughout the year members spoke about their countries, demonstrated many of their customs and organized an Energy Crisis Symposium. Foreign students related closely with many Hays families through the Host Family program of friendship and sharing - bringing about better international understanding.

Hays Feminists And Women's Recreation: Organizations To Inform And Involve Women

Informing women of the many facets of womanhood was the objective of the Hays Association of Feminists. A seminar on human sexuality led into a discussion on homosexuality and men and women sexual roles. To demonstrate techniques on self-defense, a Hays detective and a deputy sheriff came to talk to the feminists. The psychological aspects of being a woman in our society was discussed by a woman psychologist. The Hays feminists have channeled a great deal of reading material into the library about women in history.

The need to actively involve women in more activities also spread to the Women's Recreation Association. Beginning the athletic season with a volleyball clinic, high school girls learned volleyball techniques and rules. For more high school recruitment, the WRA hosted a Sports Day for girls to get together and learn a multitude of games. To earn intramural points for WRA awards, the girls competed in tennis, table tennis, archery, swimming, basketball, volleyball, bowling, badminton and softball. Accomplishments were awarded

at their annual WRA banquet.

Phi Beta Lambda And SCEC Assist Needy

Phi Beta Lambda, a coed business fraternity, cooperated this year to assist the Hot Meal Plan for senior citizens. With the Kiwanis Club they planned recreation and served meals. Attending the state convention with the largest representation of any chapter, Phi Beta Lambda also won 13 awards in business proficiency

tests. Four members were elected for Who's Who in American Colleges and Universities.

The Student Council for Exceptional Children began their year with a picnic for the learning disabilities class from Lincoln Elementary School. To keep in tune with new teaching theories and techniques, SCEC sponsored

lectures and speakers. Topics included learning disabilities, homebound instruction and special education procedures. In March the Kansas chapter of SCEC hosted a state convention where companies displayed new teaching materials and speakers talked on new techniques. This was followed by a national convention in New York attended by representatives from FHS.

Chemists Show Magic; Nurses Are Accredited

A mass of challenging topics were discussed this year in the Chemistry Club. Included were chemistry of vision, chromatography, the study of the components of a substance, mass spectroscophy and fingerprints of a substance. In the spring Chemistry Club toured the Environmental Protection Agency and Midwest Research in Kansas City. At the Science Open House, the chemists presented a "bubbling" magic show. An Outstanding Senior and Freshman chemist were chosen at the end of the year.

Working with the Faculty of Nursing to prepare for and help with the visitation and evaluation of the nursing program at FHS was paramount in the minds of all student nurses last fall. The reward came in December when the program received national

accreditation. Nurses Club enlightened the public on health care through an information booth at the Oktoberfest. Nurses worked with state and national Student Nurse Associations and linked community with college in service programs. Kathy Hopkins was chosen Student Nurse of 1973 and Lea Gullickson received the same honor for 1974.

National Crises Attract Departmental Clubs

History Club generated interest in a variety of areas in the social sciences. Members sponsored the movie, 'Paths of Glory," an antiwar film by

Stanley Kubrick. A Watergate Symposium, an examination of the contemporary political scene, was hosted by the club. As a lighter sideline, the historians held a faculty-student get-together.

Watergate dominated the interests of the Political Science Club this year. For a homecoming float, members disguised a Volkswagen as a "Watergate Bug." During the Okto-berfest a public opinion poll was conducted on Watergate, impeachment and former Vice-president Agnew. Jim Lawing of American Civil Liberties spoke about the evidence his organization feels warrants President Nixon's removal from office. The Rev. Forrest Robinson also spoke to the group in behalf of his candidacy for governor on the Republican

Conservation Chapter And Block And Bridle Host Events

Environmental protection served as a theme this year for the FHS Soil Conservation Chapter. In the Oktoberfest the chapter members distributed pamphlets concerning soil conservation practices. At chapter meetings, speakers from Nigeria and Afghanistan discussed the ecological and cultural practices of their respective countries.

The Hays Little International, held at the college farm, initiated the Block and Bridle Club year. Members fitted an animal for show and were

judged on how well the owner groomed and handled his animal. In conjunction, the club sponsored mini courses in livestock fitting and showing and in horse care and handling. The trained animals shown in the Little International were used to sponsor a junior college judging contest also at the college farm. The club also judged high school 4-H livestock shows.

Geologists Explore; Home Ec Helps Day Care

Geology Club traveled many miles this year to uncover the earth's relics. Members planned and sponsored trips to the Colorado Rockies, the plains of Kansas and Nebraska and to the Arbuckle and Ouchita mountains in Oklahoma to find fossils, unusual stratography and rock and mineral outcrops. They found time to sponsor basketball, football, volleyball and softball teams. A retirement banquet was given in honor of Merle Walker, curator emeritus, of the Sternberg Museum.

Helping the Community Day Care Center started the year with enthusiasm for the Home Economics Chapter members. They made toys and clay items for the children as part of a service day project. Two social events, a spaghetti supper in the fall and a picnic in the spring added a lighter touch to the year. Programs included talks about camping and camp foods, TOPS, first aid and food service practices.

Kappa Mu Epsilon Activities Coordinate With Department

Members of Kappa Mu Epsilon constructed slide shows and models to serve as teaching aides for the math department. High school seniors competing for math scholarships were hosted by Kappa Mu Epsilon through tours and a luncheon after scholarship tests. Other events of the year were speakers such as Dr. J. Wanzer Drane from Southern Methalitations. odist University in Dallas and helping with the science open house.

Phi Mu Alpha Completes Useful Projects; Kappa Omicron Phi Hosts Convention

Sponsoring Solo Day and helping with music recitals has kept members of Phi Mu Alpha, National music honorary, active throughout the year. Other service projects were holding department picnics, repairing music lockers, providing entertainment for Senior Citizens Dinners, awarding two scholarships and helping with Home Town Cookin'. Most of the active members attended the Province Convention at Emporia State Teachers College.

Communications And Business Fraternities Retain Experiences

Pi Delta Epsilon members gained experience this year by helping at the journalism workshop in the fall and the Kansas Scholastic Press Association contests in February. The group also helped with both student publications and toured KAYS.

One of the biggest service projects this year for Pi Omega Pi was to help with the Bloodmobile in October. This organization also has a booth at the Oktoberfest as a money-making project. Profits earned by selling the stationery were used to send a girl to the National Convention in Chicago. Other service projects included tutoring shorthand students and supplying a taxi for a blind Fort Hays State student.

Psi Chi; Speech And Hearing Associations Expand Knowledge With Educational Events

Psi Chi members met once a month and sponsored speakers from High Plains Mental Health Clinic, Valley Hope and campus instructors. They also participated in the science fair by exhibiting lab animals and testing kits used in psychology. The major project this year was the instigation of the Psi Chi Symposium. This was held to give students the opportunity to present their research projects. Awards were made for the best pro-

Mortar Board Plans Monument

Mortar Board focused its attention on raising money for a monument to identify the college. Working with the college and the city, the members were able to secure the land for the monument and enlist the help of a sculptor. Final plans for the project will be carried out by next year's members. Throughout the remainder of the year these young women helped in various projects including the dedication of the new coliseum, cleaning the day care center, selling pies for Washington's birthday and initiation of new members.

In their second year under Coach Bill Giles the Tiger team seemed to turn FHS football fortunes around. Their 5-4 record was the first winning season since 1966. In the league they were tied for third in the Great Plains Athletic Conference.

Gridders Record 5-4 Mark; First Winning Year Since 1966

Opening the year on the road, FHS upset 1972's national champs. Missouri Southern, 14-9. The next week in Alva, Okla. they were edged 20-17. In the home opener the Tigers beat Kearney St., Neb. 37-6. It was the first win over Kearney St. since 1966. The conference opener in Greeley,

Colo. was a disaster as Northern won 48-14. Rebounding at home the Tigers evened their league mark by defeating KSC, Pittsburg 26-14. Washburn then took a heartbreaker from the Tigers 19-14. Starting quarterback Bruce Hawley suffered a season-ending injury. Still FHS almost won as time ran out.

b. Coach Giles and his two top aides. Barry Allen and Jerry Cullen, anxiously wait with the Tiger team during the player introductions prior to the game.

c. Quarterback Bruce Hawley, II, out for one-third of the year with a knee injury, scores in the 37-6 rout of Kearney St.

d. Injuries are always a part of football as linebacker Chris Cullen learned in the KSTC game.

e. Leading ground gainer, Steve Crosby, 22, with 1024 yards in eight games, is tripped up after a short gain against Colorado Mines.

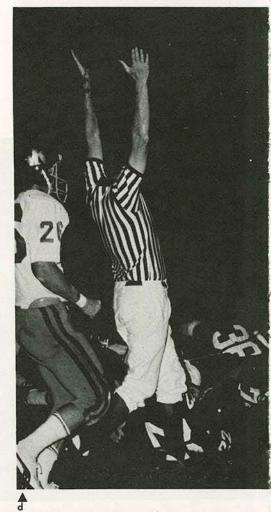

Tigers Challenge Nationally Ranked KSTC; Bengals Receive Post Season Recognition

The homecoming game was with KSTC-Emporia St., the number three team in the nation. Jonathan Douglas, former quarterback and defensive back, filled the position vacated by Bruce Hawley. The team played its best game of the year only to lose 15-9. FHS led 3-0 at half but KSTC returned the kickoff for a touchdown and never trailed again.

At this point FHS was 3-4 but had two home games both easily, beating Southern 42-7 and Mines 35-0. The defensive unit which earned the shutout the last game of the year was led in tackles by senior middle linebacker J. D. Armstrong. For the 1974 season 30 lettermen will return as the 1973 squad lost only 11 seniors. The Tiger junior varsity won all four of its games in impressive fashion. Twice they beat Kearney St. 14-0 and 33-23. Then they beat St. Mary of the Plains 34-0 and Highland Juco 53-6.

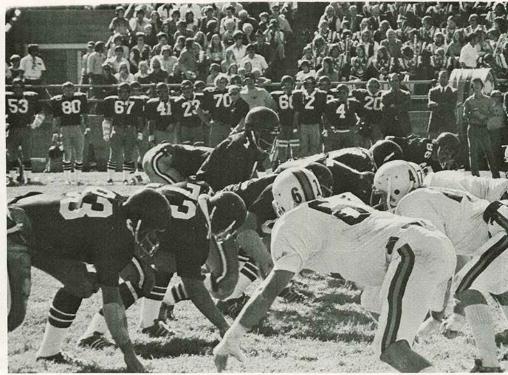

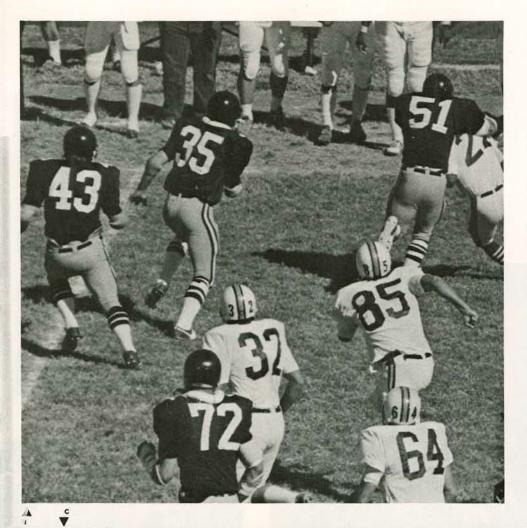

a. Following a hit by Chris Cullen, 51, KSTC's dangerous Abe Welcher, 22, fumbles as defensive tackle Rod Lungren, 72, moves in to help.

b. Defensive tackle John East, 70, handles the punting duties for much of the year.

c. In his first start at the quarterback slot, Jonathan Douglas, I, surveys the KSTC defense in the Homecoming game.

d. On his back, Steve Crosby, 22, is over the goal line for six points in the Kearney St. game. He ended the season second on the all-time rushing list with 2780 yards in three seasons

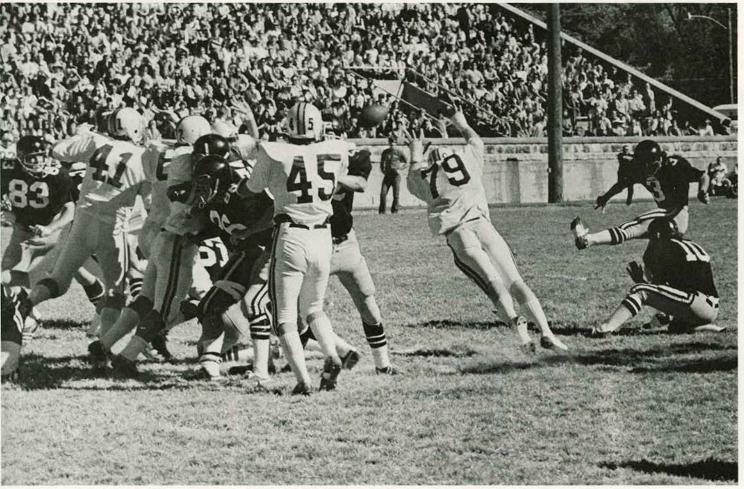

a. Chris Cullen, 51, prevents KSTC's Abe Welcher, 22, from turning the corner. Other defenders in pursuit are Danny Boyce, 43, Steve Simpson, 35, and Rod Lungren, 72. b. Ranked third nationally, KSTC faced this 3-

O deficit at half against the upset-minded Tigers. The FHS lead lasted 13 seconds into the second half as KSTC returned the opening kickoff for a touchdown.

c. With back-up quarterback Jerry Krueger, 10, holding and the offensive line blocking out, Phil Harris, 3, boots the field goal giving FHS a 3-0 halftime lead.

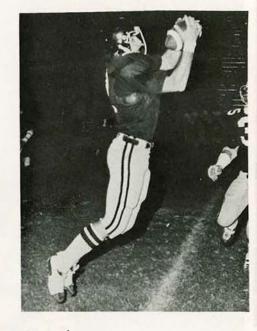

a. After a reception against KSTC, sophomore split end Ron Hawley, 86, struggles to get free for additional yardage. Guard Doug Dallman, 61, moves in to block for Hawley on the play.

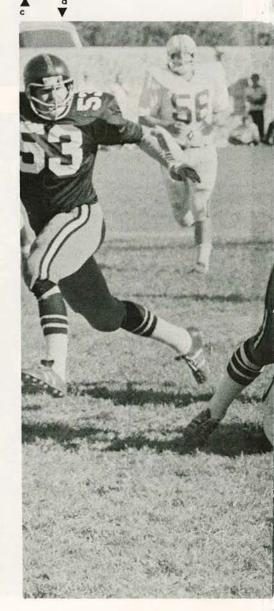

b. Freshman noseguard Mark Hines, 65, second leading tackler on the team, appears to be just a fraction away from an offsides penalty.

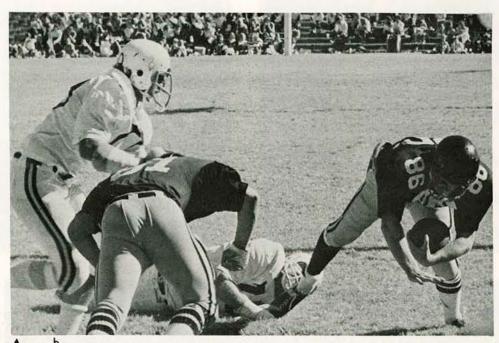

c. In the home opener with Kearney defensive

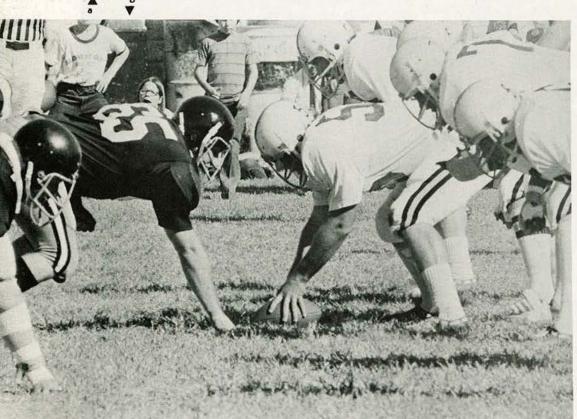

back Mike Mlinar, 2, intercepts a pass on Kearney's first play from scrimmage to set up FHS's second touchdown. Defender Steve Simpson, 35, watches Mlinar make the play.

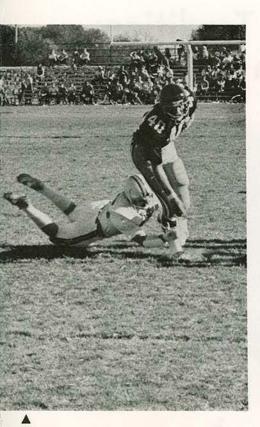

d. Three key Tiger defenders were seniors Lew Kasselman, 66, J. D. Armstrong, 53, and Rod Lungren, 72. They are again responsible for thwarting a running attempt by Abe Welchar, 22.

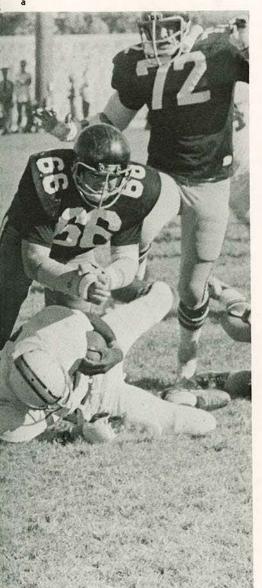

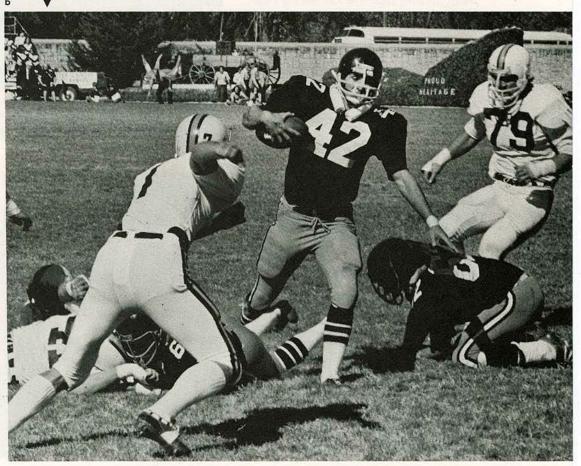

Smashing Wins Cap Season For Undefeated JV's

In his final season, running back Steve Crosby gained 1024 yards in 179 carries. That put him second on the all-time list. He earned a spot on the All-District 10 backfield. Joining him on the honor squad was sophomore wide receiver Ron Hawley. They also made All-GPAC along with defensive end Rod Lungren and linebacker J. D. Armstrong. Receiver Lonnie White, quarterback Bruce Hawley, and noseguard Mark Hines received honorable mention honors.

- a. Flanker Lonnie White, 40, a junior college transfer, appears to be only one man away from breaking the big gain.
- b. In completing this touchdown saving tackle, Bruce Van Petten, 5, had to overcome a stiff arm to the face.
- c. Bursting through another hole opened by the Tiger line, freshman tailback Blane Johnson, 42, veers left to avoid an onrushing tack-

Squad Continues FHS Harrier Tradition: Nab Sixth At NAIA, Second In GPAC

A sixth place finish at the NAIA Championships topped off the year for the FHS harriers. Forty teams competed in the Nationals which were held in Salina. Leading the Tigers as they did throughout the season were Ron Lawrenz and Ken Bell. A finish in the top 25 was required for All-American honors, but Bell just missed as he got 29th. Lawrenz came in 45th out of 346 runners.

Prior to the Nationals was the GPAC championship meet in Hays. Northern Colorado's squad edged out the Tigers for the top spot. Lead man for FHS was Lawrenz in fourth while Bell was sixth.

From the nucleus of the team only Lawrenz is lost. Six lettermen will bolster the 1974 squad.

a. Three of Alex Francis' key underclassmen, Steve Drake, Tony May and Scott Tichenor, don their warm-ups after the team's second place finish in the NAIA District 10 Championships at Salina.

b. Ron Lawrenz, waits in the chute at the end of the race for the official results. Lawrenz was the top FHS runner in three of nine meets, finishing second to Ken Bell the other times.

c. Evidently not liking the pack of humanity, Ken Bell steers clear of the crowd of 345 runners at the nationals.

d. 1973 FHS Cross Country Team, Front row: John Beaton, Ron Lawrenz, Jon Nelson, Dennis Kozub, Ron Sieker. Back row: Steve Gouldie, Bill Lowry, Tony May, Scott Tichenor, Al Brown, Steve Drake, Ken Bell. Not pictured: Bob Lowen, Jr.

little knowledge that he has picked up in his 27 years of coaching at FHS.

b. Running through the pastures at the NAIA Championships, Ron Lawrenz went on to place 45th while the team took sixth.

c. Promising freshmen Tony May and Bill Lowry point to a bright future for the FHS cross country program.

Students Learn Training Duties

Heading the Fort Hays State Athletic Training Department in its new facilities is University of Northern Colorado graduate. Steve Antono-pulos. He received his B.A. at UNC in 1972 and his M.A. in 1973. While at Greeley, Antonopulos served as a student trainer for five years and as the assistant trainer for one year. He also acted as the trainer for Greeley. Colo. high schools.

Antonopulos supervises the seven student trainers whose main function is the prevention and care of athletic

injuries. This includes one or two student trainers present at each varsity practice of men's and women's intercollegiate sports. At least one trainer is available during intramural play and two to four trainers are present at varsity athletic contests.

Bengals Relish New Home; Win Gross Coliseum Meets

Taking advantage of their new facility, the FHS indoor track team was unbeaten in the regular season, winning five meets. Highlighting the year was the victory over Wichita State. The meet was decided when FHS won the final event, the two-mile

At the NAIA Meet, Gary Grubb took second in the pole vault while Paul Ide got a second in the two-mile walk. For the year, Ide's record was 14:40.5. Other field house records included: Sherman Herold, 23 and 3/4" in the long jump; John Beaton, 2:16.3 in the 1000-yard run; and the two-mile relay team of Beaton, Ron Sieker, Ron Lawrenz and Jon Nelson at 7:54.3.

a. With his two-mile relay teammates already far ahead, John Beaton takes the handoff from Ron Sieker. Except for the Nationals where they were disqualified, the Tiger twomile relay team was unbeaten.

b. On the final curve of the 880-yard run in the Northern Colorado dual, Jon Nelson starts to extend his lead. Nelson set the Gross Coliseum record in the 880 at 1:56.6.

c. Greg McMillan has the outside lane on his way to a first in his heat of the 176-yard intermediate hurdles. Bruce Kraisinger is the other FHS runner on the inside lane. McMillan and Gary Grubb tied for first in the event.

d. Just missing the school record of 6'8" in the high jump, Tom Halbrook set the field house record a 6'7"

e. One of the top Tiger sprinters, Cyrel Foote had a large lead as he ran the anchor leg in the mile relay.

a. One of the top competitors on the FHS indoor squad, Gary Grubb set the school pole vault record at 15'3" in a meet at Kearney State.

b. A couple of strides behind when he got the baton, Dennis Kozub more than made up the distance as FHS went on to win the mile relay against Northern Colorado. Kozub set the field house record for the 600-yard run with a clocking of 1:13.5.

c. In the meet with Northern Colorado, Scott Tichenor was the Bengals' top two miler. He eventually passed this runner and took third

place in the race.

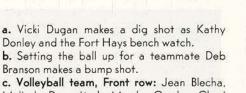

Tigerettes Earn Regional Berth In Volleyball

Women's Volleyball had a bittersweet year. After remaining undefeated in conference play and earning a regional berth by placing second in the state tournament, the team was unable to accept the berth because of a lack of funds.

Head Coach Orvene Johnson sum-

med it up by saying, "Although the women's athletic programs have gained recognition and financial backing of the school there is still a lot to do. It's too bad that the girls played so hard and earned the berth but couldn't go because of finances.

Gymnasts Are Challenged In First Season's Competition

Women's gymnastics entered its first year of official intercollegiate competition with a small and inexperienced team. Jerri Engle led the team, followed closely by Jerri Rohr, Kathy Cowles and Becky Jarrett. Sue Stewart, the lone senior on the squad, was injured early in the season and was unable to compete the rest of the year.

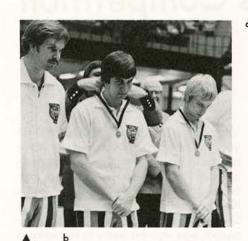

Coach Nancy Popp looked at the novice season this way, "We were small in number but each of the girls improved greatly. Next year I expect to see more first, second and third place finishes from them. We all learned a lot.'

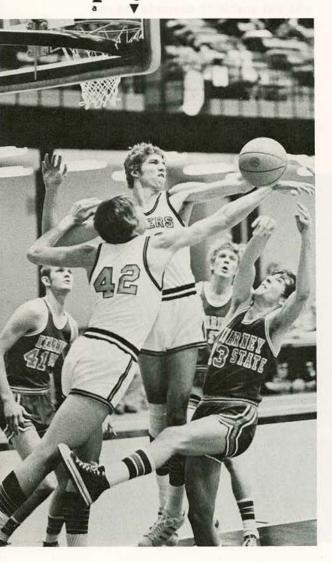

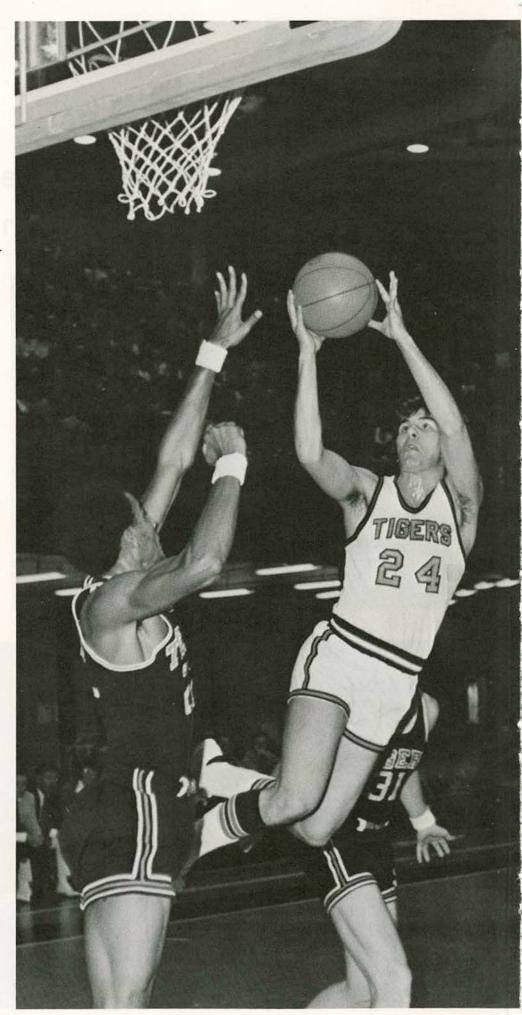

a. Prior to the season opening win over East Central Oklahoma, medallions were given to all participants in the first game in Gross Memorial Coliseum, including Greg Standish, Brad Rumble and Tim Rietzke. b. Tiger frontliners, Brent Frack, 42, and Hal

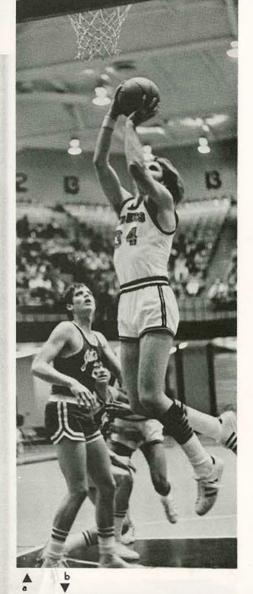

Brandenburg, 30, combine to deflect the off balance shot of an intimidated Kearney St.

c. A transfer from Barton Co. Juco, Brad Rumble, 24, was the top scoring guard on the squad with 12.3 scoring average.

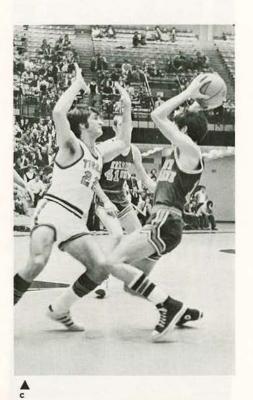

FHS Slips To 4-6 In GPAC; Finishes Good Season 14-9

In 48 hours FHS won and lost the first games ever played in Gross Memorial Coliseum, as they beat East Central Oklahoma 74-68 and lost to highly-ranked Gardner Webb 70-95.

The Tigers went into their own Four-State Christmas Classic 3-3. Two nights later they had the championship as they beat Central Missouri St. 85-82 and Adams St. 87-74.

Then came crucial GPAC activity. By winning at Northern Colorado 75-71, the Bengals were on top. They lost a double overtime thriller at Southern Colorado St. 69-75. In Pittsburg FHS took the worst loss of the year 70-108 but the league slate was still 3-2. Then Northern and Southern Colorado came to Hays and ruined Tigers title hopes 64-74 and 65-71.

a. Half of the FHS left handed forward duo, Greg Standish, 34, hits a set up against Kansas Newman.

b. Members of the starting front line, center Doug Thurman, 44, and forwards Greg Standish, 34, and Ron Crowell, 40, fight for rebounding position in a game with the Benedictine Ravens.

c. One of two Tiger seniors, Cliff Haltom, 22, uses his harassing defense to stop a guard from Kearney St.

d. A two-game sweep in the Four-State Christmas Classic resulted in a happy locker room scene involving coach. Chuck Brehm and players Cliff Haltom, Keith Harper, Hal Brandenburg, Ron Crowell and Doug Thur-

Juniors Dominate Tiger Team; Graduation Takes Two Seniors

With GPAC aspirations gone, the Tigers lost two more league games to Emporia St.-KSTC and Washburn on the road 71-84 and 57-81. The GPAC five game losing streak was ended in the season finale by a revengeful 89-73 victory over Pittsburg-KSC.

FHS ended up 4-6 in the league and 14-9 overall, the best record since 1969-70. In Hays they were 11-3, away 3-6.

Only Doug Thurman and Cliff Haltom graduated. Thurman left FHS with the career rebounding mark of 800. The old record was 614. For the year he averaged 11.1 per game, tops in the GPAC.

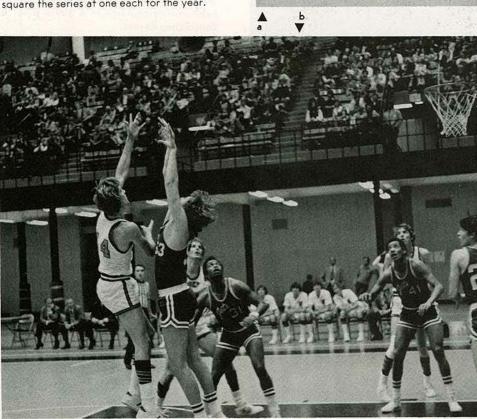

a. Brad Rumble's layup proved to be a key basket in the Benedictine game as FHS got by the Ravens 60-59.

b. Known more for his rebounding, Doug Thurman's main offensive weapon was the right or left handed hook shot.

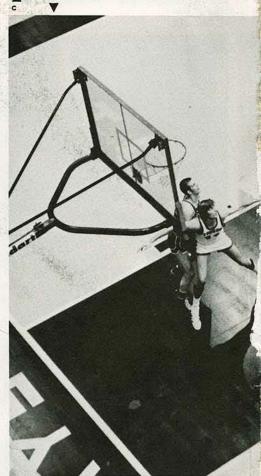

c. Jr. guard Keith Harper, 10, has his path to the basket cut off by two KSTC defenders.

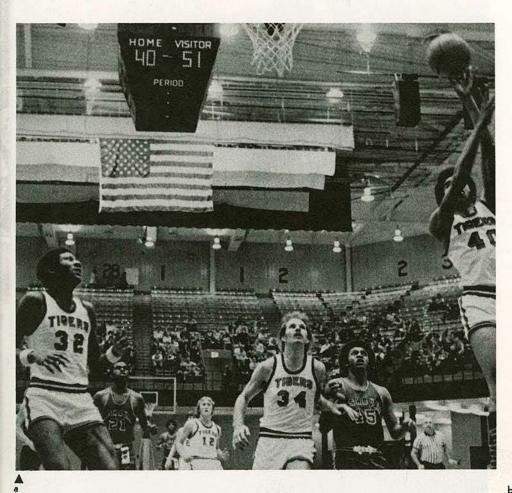

d. As guards Brad Rumble, 24, and Keith Harper, 10, look on and frontliners Doug Thurman, 44, and Ron Crowell, 40, hit the boards, forward Brent Frack, 42, launches a shot from just inside the free throw line. The Tigers won in overtime against Kearney St. 113-108 to square the series at one each for the year.

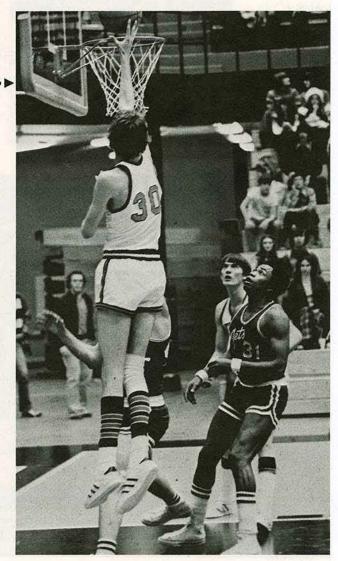

a. Although Washburn led at the half by 15, driving plays like this one by Ron Crowell, 40, while Bob Nunn, 32, Greg Standish, 34 and Val McLean, 12, looked on, enabled FHS to beat the Ichabods in overtime 81-78. McLean's desperation shot from a crowd under the basket at the end of regulation time allowed the Tigers to go into the overtime. In the year the team was involved in five overtime games, winning four.

b. As the season progressed, Hal Brandenburg, 30, proved to be one of the first substitutes called upon during a game. Here he adds to the big winning margin over the Kansas Newman Jets 96-73.

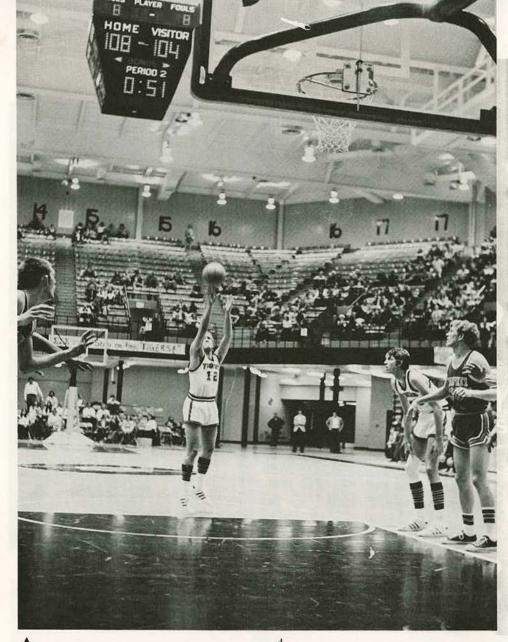

a. The course of a basketball game often determines what strategy changes are made in the huddle during a time out.

b. 1973-74 FHS Tigers, Junior Varsity, Front row: David Vagher, Terry Cordes, Randy Settle, Randy Yancey, Brad Rigor, David Scheulle, Dave Wessling, Kevin Grant, Kent Otte, Gary Hess, Steve Riedy. c. In an overtime win against Kearney St., guard Val McLean, 12, a transfer from Dodge City Juco, adds a free throw to the Tiger total.

d. Opponents like this KSTC player, found the court crowded with Tigers like Keith Harper, 10, Greg Standish, 34 and Brad Rumble, 24, when FHS was in its full court press.

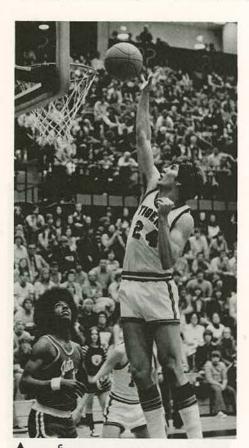

Scoring Honors To Crowell; Thurman Takes Rebound Title

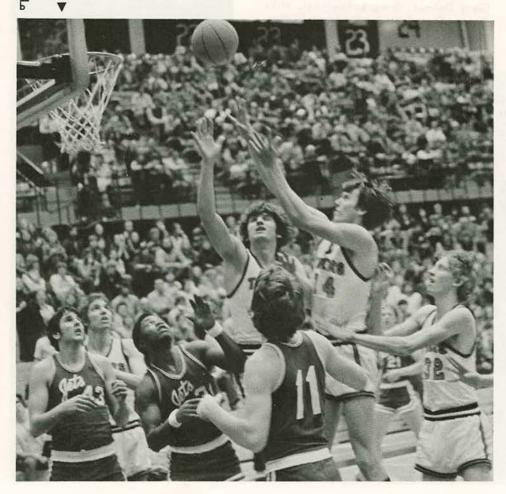

Denver junior Ron Crowell finished second in rebounding at 8.2 a game and led the team in scoring at 14.4 a game. Following him in the scoring column were juniors Brad Rumble and Greg Standish at 12.3.

In the season finale Crowell hit 37 to capture the scoring record for Gross Memorial Coliseum. Previously, Rumble had hit 35 against Kearney St. Crowell's 37 was four short of the school record.

a. Crowell, leaping for a basket in the East Central Oklahoma game, was the only non-Kansas starter for the Tigers and proved to be top scorer popping in 37 points against KSC in the final game of the season, he fell short of the school record by only four points.

b. Although most of his points came from outside shots, Brad Rumble, 24, could go inside for an occasional tip-in as he did here against the Kansas Newman Jets.

c. Reserves: Hal Brandenburg, 30, David Vagher, 20, Dave Schneulle, 14 and Terry Cordes, 32, are in the Kansas Newman game for "mop-up" duty during the final minutes of an easy win over the Jets from Wichita.

Young Team Represents FHS; JV Wrestlers Finish Up 5-1-1

Competing with schools like Nebraska and Kansas State University, FHS ended the dual campaign 2-5. A seventh place finish out of 12 teams at Southwest Missouri proved that the Tigers were tougher in tournament competition.

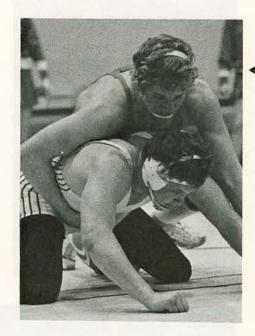

Youth dominated the team as only two seniors competed. Fr. heavy-weight Stuart McGowne was the top man at 14-3-1. Following him were: 177 lb. John Ganser 8-7-1, 134 lb. Greg Lohoefener 7-6, and 167 lb. captain Gale Cook 5-6. All four participated in the NAIA Championships.

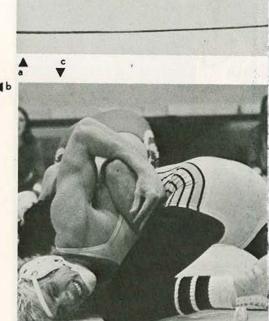

a. Representing FHS in the 150 lb. class, Rex Mauck struggles to get away from an aggressive Nebraska University wrestler.

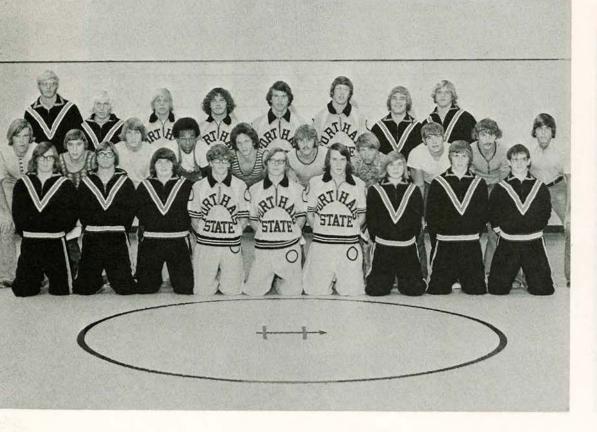

b. Poised for the referee's signal to start, Mike Cruickshank has the bottom position in his close loss to an opponent from N.U.

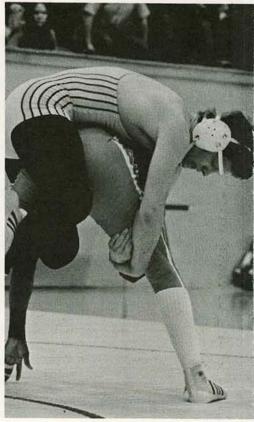

c. The physical strain of taking on a tough N.U. grappler is apparent as Randy Olson attempts to shed his competitor.

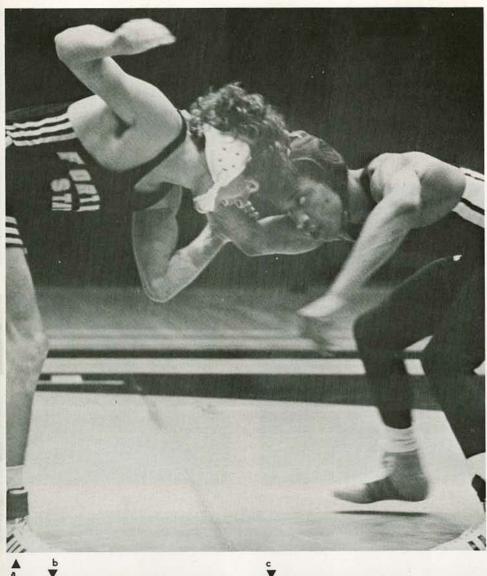

d. 1973-74 FHS Wrestling Team, Front row: Rex Mauck, Dave Rochholz, Jeff Anschutz, Mark Harbach, Bob Peterson, Russ Chipman, Gary Delmez, Greg Lohoefener, Mike Cooper, Second row: Lynden Speer, Bill Havice, Jeff Gimar, Glen Williams, Les Cook, Randy Reub, Rod Strate, Tim Brady, Dave Swank, Mike Niederee. Back row: Stuart McGowne, Randy Olson, Randy Frank, Russ Decker, Jerry Istas, John Ganser, Gale Cook, Scott Warner. Not pictured: Mike Cruickshank, Sid Baldwin, Doug Moore, Bill Watson. e. Sr. captain Gale Cook at 167 lb. suffered some narrow defeats throughout the year, but still managed to come out 5-6 at the end of the regular season.

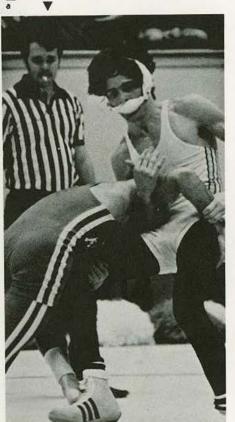

b. Competing in the 134 lb. class, Greg Lohoefener is tripped up in his bout with a wrestler from N.U. for the year, Lohoefener finished over the .500 mark at 7-6.

c. The closeness of many individual Tiger battles often had second year coach Barry Allen on his feet with words of encouragement for his wrestlers and the referees.

d. Struggling in a match with N.U., Russ Decker tries to gain some position advantage on his man.

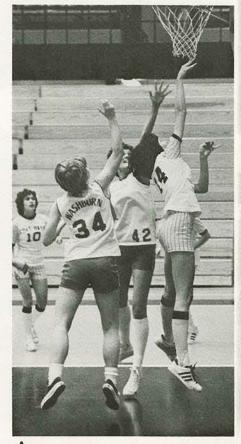

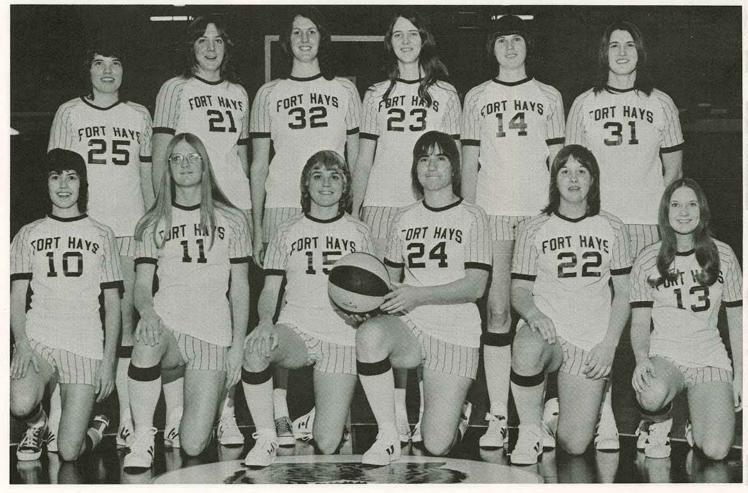

a. To make a change in strategy and catch their breath, the Tigerettes gather at the bench for a time out.

b. 1973-74 Tigerettes Basketball Team, Front row: Donna Rapp, Debbie Bealby, Annette Sulzman, Kathy Schramm, Renee Maupin, Melinda Derowitsch. Back row: Karen King. Mary Morrish, Joyce Tucker, Nancy Foulks, Kathy Bahner and Chris Keller.

c. Kathy Bahner, 14, puts up a shot while Donna Rapp, 10, eyes the action.

Lady Tigers End Season 15-5; Final Game Dissapointing

Ending their successful season on a disappointing note, the Tigerettes closed with a loss to Kansas State University in the finals of the State Tournament. The team earned the right to play in the championship by a second place finish in their conference and by defeating Tabor in semifinal action.

a. Veteran center Mary Morrish, 21, outmaneuvers a crowd of defenders to get a good

b. Forward Nancy Foulks, 23, puts up a shot as Chris Keller, 31, and Kathy Bahner, 14,

FHS women saw plenty of action this year by adding Phillips University. Haskell Junior College, Benedictine College and Washburn University to their regular season schedule. They finished with an impressive 15-5

take rebounding positions and Melinda Derowitsch, 13, plays safety.

c. Coach Helen Miles is intent on the action against McPherson as Paula Cronn keeps statistics of the game.

Balanced Team Loses Twice; Takes Third In Nationals

Sparked by balanced scoring, Coach Ed McNeil's 1973-74 gymnastics team finished 10-2. In his 16th year McNeil was assisted by former gymnasts Jim Green and Frank Gray.

Consistent scoring from the allaround men was the key to the season. Paul Bowerman and Rick Pappas led the team in points for the year. Back for his senior season, Hector Aponte added to the team strength. Gene Roman was also a steady allaround performer.

Co-captaining the team with Pappas was Danny Delgado, a specialist in the still rings and parallel bars. Dave Buchheim was the Tigers' floor exercise specialist.

Prior to the NAIA Nationals in Hays, FHS set the school scoring mark at 149.00 in the regular season's final meet with Eastern New Mexico University.

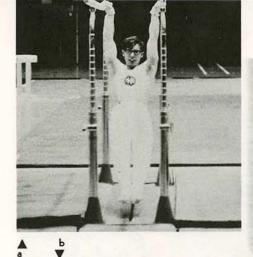

a. A valuable addition to the Tiger team was Rick Pappas, a transfer from Kansas State University. Pappas competed as an all-around man and led the team in scoring.

b. 1973-74 FHS Gymnastics Team, Front row: Assistant Coach Jim Green, Hector Aponte, Rick Phillips, Dave Buchheim, Danny Quast. Rick Pappas, Danny Delgado, Dave Moore. Back row: Gene Roman, Bob Griffiths, Courtney Eslick, Charles Kissee, Bill Shultz, Chip McCoy, Mike Morris, Paul Bowerman.

c. In his second year on the team, Bill Shultz from North Platte, Neb., was a stand-out performer on the high bar.

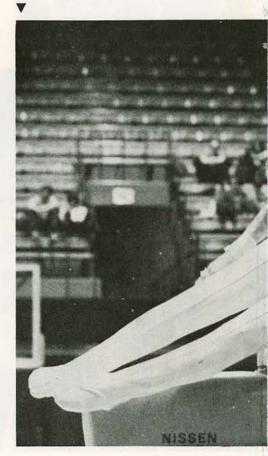

d. Returning for his senior year, Hector Aponte was one of the leading scorers on the team. He competed as an all-around performer, and vaulting was one of his stronger events in the competition.

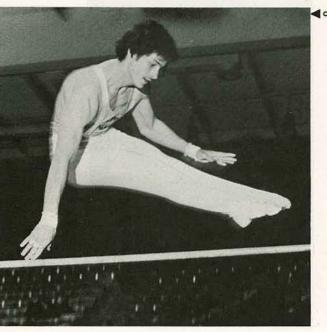

e. Courtney Eslick, a new face on the Bengal squad, swings gingerly through his side-horse

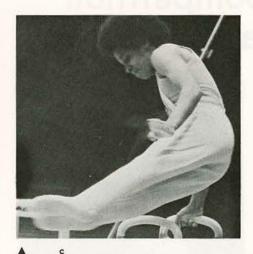

a. Throughout the year, Rick Phillips was a consistent performer in the parallel bars. Here he appears to be temporarily frozen in the midst of his routine.

b. Strengthening the overall balance of the squad was Gene Roman. He came to FHS from New York City as an accomplished all-

around performer.

c. Along with Rick Pappas, Danny Delgado co-captained the 1973-74 edition of the Tiger gymnastics team. Delgado was a specialty man in this event, the still rings, as well as in the parallel bars competition.

Tough Tennis Competition Results In Dismal 3-10 Finish

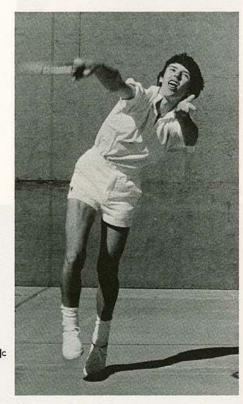

In 1974, the FHS tennis squad struggled against stiff competition to a season's record of 3-10. Coach Bud Moeckel's Tigers defeated Kearney St., Sterling and Bethel. McPherson narrowly got by the Bengals 5-4. League action saw FHS being handled by Washburn 9-0 and Emporia St. 8-1.

a. Terry Bright keeps the ball in play with an overhand shot from the baseline.

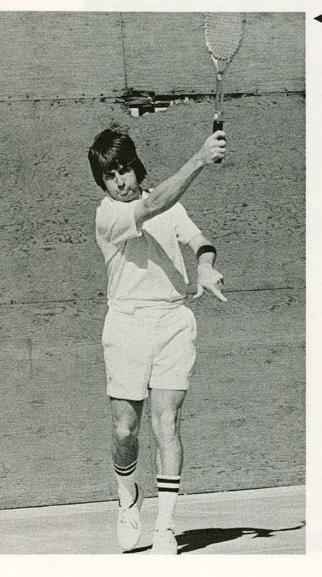

b. Delivering what he hopes is an ace off the serve, Tom Carpenter is suspended in mid-air on this attempt.

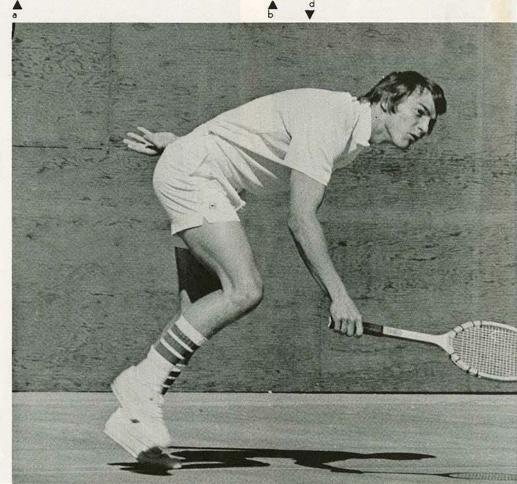

c. For the majority of the season, Eldon Pfannenstiel handled the number three singles duties for FHS.

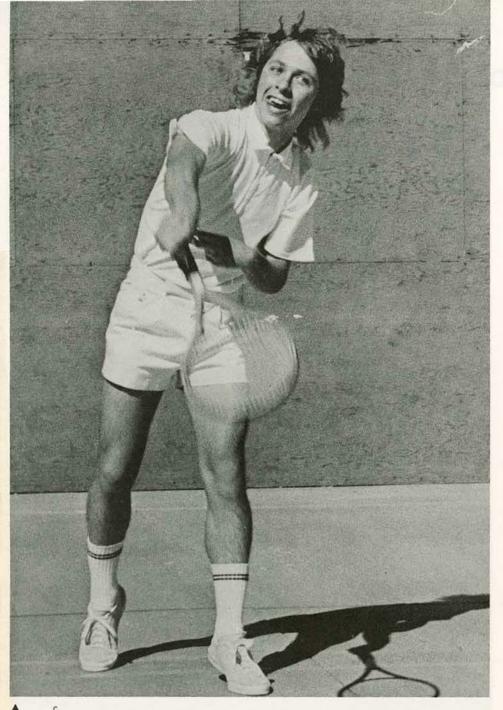

d. Appearing off balance, Kirk Huey pursues his opponent's volley in hopes of striking a winner.

Surprising Baseball Team Manages 20-15 Year

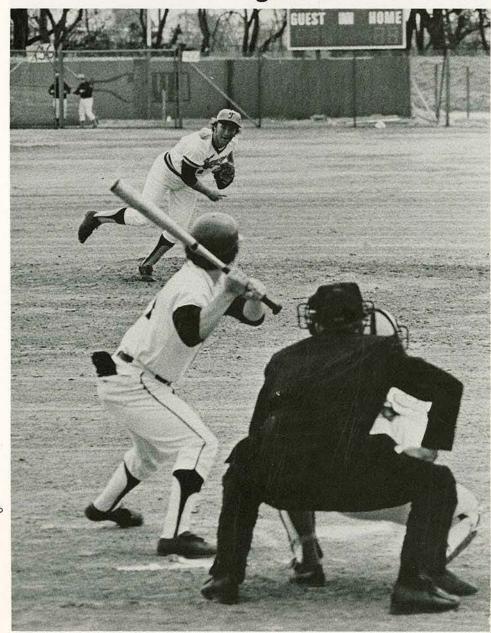

With only two seniors on the entire roster, the 1974 FHS baseball team was dominated by youth. Of the eight lettermen who returned, only two were starters on the previous year's squad. The two were Bill Hall in the outfield and Galen Pfannenstiel in the infield. Jerry Adams, was the only returning pitcher with regular season experience. Even so, the rebuilding Tigers turned in a very successful regular season record of 20-15.

a. Handling the pitching chores in a win over Bethany College was junior Val McLean. A transfer from Dodge City Juco, McLean also played the outfield for the Tigers.

b. Often called upon to pitch in key games was hometown native Ray Coupal. Here he throws against league rival Washburn University.

b. As assistant coach Frank Leo looks on, Rick Zimmerman strides into the pitch and starts to uncoil his swing. As a first-year player, he moved immediately into the pitching rotation and also played regularly at third base.

Club Starts Slow But Recovers By Year's End

The FHS baseballers opened the 1974 season with the annual trip to Texas. They won the season opener but then lost four in a row and eventually escaped from the road trip with a record of 3-6. Upon their return to familiar grounds, the team's fortunes began looking up. They swept a four-game set from Yankton College and were finally defeated by Kearney St. after putting together a six-game winning streak to offset the shaky start. Doubleheader sweeps over Bethany, Sterling, Kansas Wesleyan University and St. Mary's of the Plains helped the Tigers keep their record over the .500 mark for the year. In league play, FHS did not fare so well as they split with Wash-burn 2-2 and were 1-3 with Emporia

Here he is shown in his customary spot in the third base coaching box as he goes through the motions of sending signs to the hitters and baserunners.

c. Lance Wise moved right into the starting shortstop slot in his first season on the Tiger varsity. Wise proved to be one of the leading hitters for an average on the FHS squad.

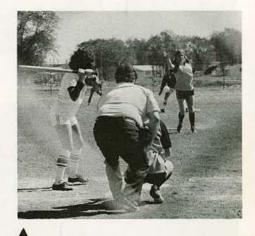

Tigerettes Potential Falls Apart In Diamond Action

Ending their first losing season in many years, the women's softball team closed out the year by drop-ping both ends of a doubleheader to Northwestern State College at Alva, Oklahoma.

Pitching, the most important single aspect of fast pitch softball, was the

Tigerettes' weakest spot. The team as a whole showed great ability and potential in the field, but were unable to achieve consistency on the mound or at the plate, resulting in their disappointing 2-6 record.

Transfers, Newcomers, Spark Women's 1974 Track Season

Determination and dogged effort marked the second year of varsity track for women at FHS. Aided by freshmen and transfer students, many encouraging performances were encouraging performances were turned in throughout the year in both running and field events. The competition improved also with the addition of the Kearney Indoor Invitational, the Bearcat Relays at Marysville, Mo., and the Wichita Relays at Wichita State University to the tracksters' schedule.

Four Seniors Lead FHS To Fifth In District 10

Tiger fortunes on the links ranged from a first in the Marymount Invitational to a tenth in the Missouri Southern Invitational. The tenth place finish was deceiving as the Bengals were competing against schools like Tulsa and Oral Roberts. Bob Lowen, Jr., Kent Ficken and Dick Ahlberg were the team's only underclassmen.

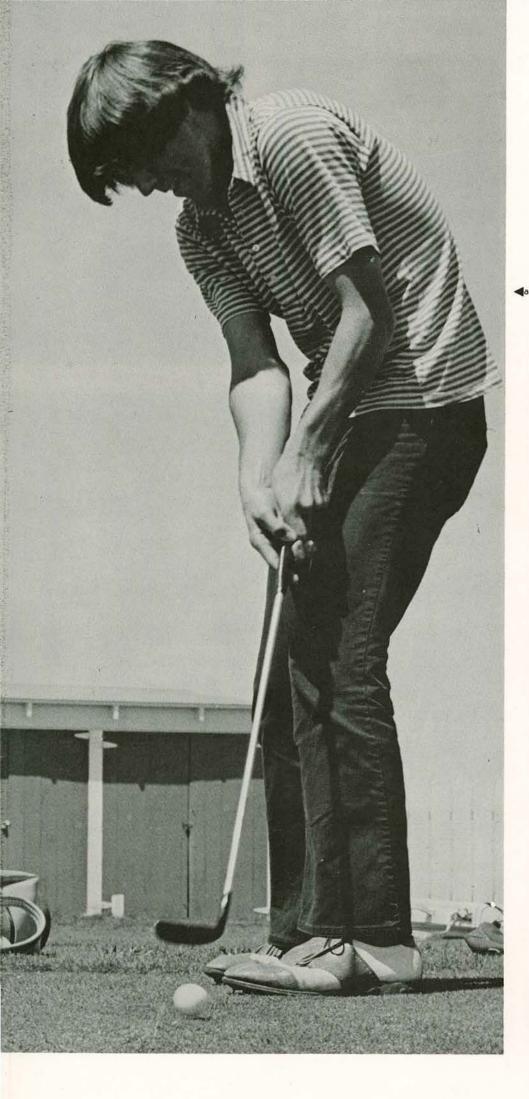

a. This was the last year of eligibility for Blake McGuire on the Tiger squad. One of the four seniors on the squad. McGuire was counted on heavily for the depth he added to the team.

b. Number one man for FHS in 1974 was Stockton senior, John Pekarek. His steady golf game allowed him to always be in the running for medalist honors in the many different tournaments in which the Tigers took part.

a. Gary Glendening took third in the league in the javelin with a toss of 193'7". His teammate Steve Miller won the league title in the event with a heave of 207'6".

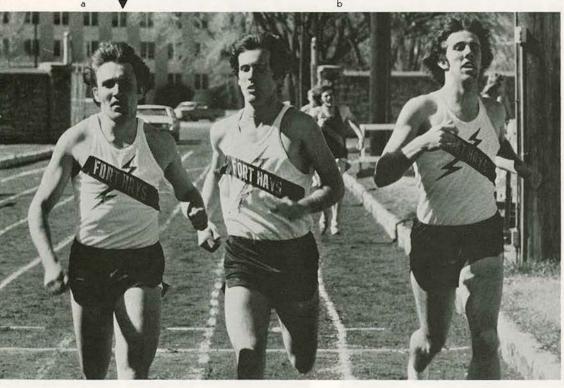

b. Tiger All-American discus thrower Bob Kuhn was upset at the league meet, but managed to come in second with a throw of 174'8".

c. Three good examples of the Tigers' depth in the middle distances were seniors Dennis Kozub, Ron Sieker and Marvin Jelinek. In this race they followed Jon Nelson across the finish line for a sweep of the 880-yard run.

d. Grant Kaegi exhibits the high jump form which enabled him to jump 6'6" and take second in the GPAC Meet. Tom Halbrook also went 6'6" but took first on the basis of fewer misses. Dwight Stoppel made the same height but finished fourth due to more misses.

Gary Grubb Pole Vaults 15'6"; To Set Record

Recording only four individual firsts, FHS came up with a powerful display of depth and scored 162 points for the league crown. Steve Miller won the javelin, Jon Nelson the 880, Tom Halbrook the high jump and Gary Grubb the pole vault. Examples of the depth were in the high jump; three out of the top four places, in the discus; three out of the top four, in the two-mile; three out of the top four and in the 880 where three out of the top five places went to FHS.

a. In the half mile, Jon Nelson was the top performer for FHS as he set a new meet record of 1:52.4 at the GPAC. He also holds the school record at 1:49.4. Marvin Jelinek, Ron Sieker and Dennis Kozub are hot on his heels in this race against Kearney St.

b. Leading off the mile-relay against Kearney St., Bruce Kraisinger prefers the standing start as compared to his opponent in the starting blocks.

c. Moving to the outside, Ron Lawrenz begins to kick around a Kearney St. runner and Bill Lowry on his way to a win in the mile run. Lawrenz aided the Tigers' GPAC title drive with a second in the two-mile and a sixth in the three-mile.

a. New facilities in the form of Gross Memorial Coliseum enabled the wrestling tournament to greatly improve its quality.

b. Even though intramural football is only touch, it is still one of the roughest sports offered to FHS students. An independent team, the Nite Owls, won the post-season playoffs to capture the all-school championship.

c. As played at FHS, touch football is a game between two teams with seven players on each squad. Any player is an eligible pass receiver and passes can be thrown from any position on the field.

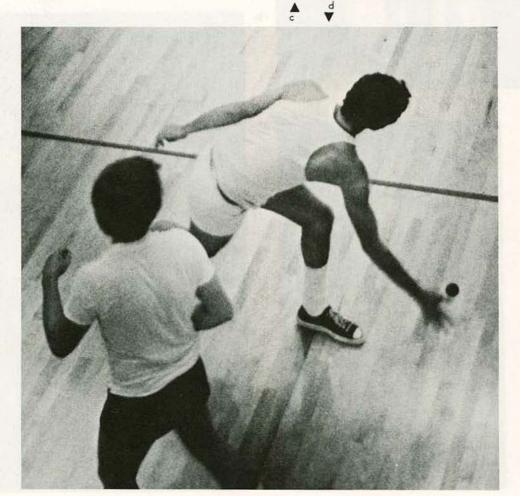

d. With eight new courts available, handball became one of the more popular sports in the program. It proved to be a skill sport which required an extra amount of quickness.

e. Entries in the bowling tournament were up to an all time high due to the free entry fees. Champions were determined from a six-line roll off on the lanes of Crossroads Recreation in the Memorial Union. Sigma Phi Epsilon won the Greek Tournament while an Independent, Jim Fry, took the singles title.

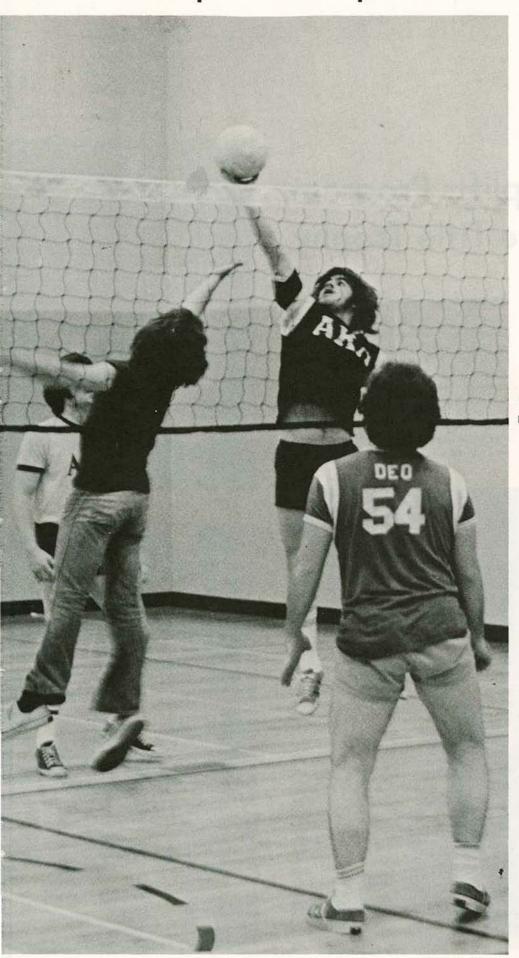

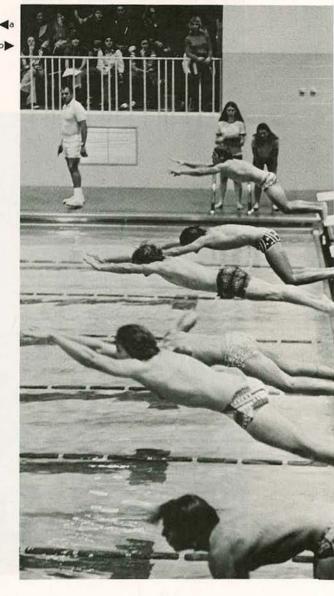

2500 Compete In Expanded Men's Intramurals

Directing FHS' intramural program for his fifth year was Wayne McConnell. Helping him were his undergraduate assistant John Beaton undergraduate assistant John Beaton and graduate assistant Dave Schneider. The program's success was due to student participation in its administration all the way from the Council on down to the officials. Competing in the whole program were over 1400 individual participants with an overall total of 2500.

a. Because of the added facilities, participants in volleyball were able to play twice as many games as in the past. A team called Mom's Pride and Joy eventually came out on top in the finals.

b. The most popular spectator sport was the championship swimming meet. According to McConnell, around 700 people jammed into the Gross Coliseum pool area to watch the men's and women's meet. Winning the men's team title was a dorm team, The Big Creek Swimming Club.

New Facility Uplifts Program; Sig Eps Capture Title Trophy

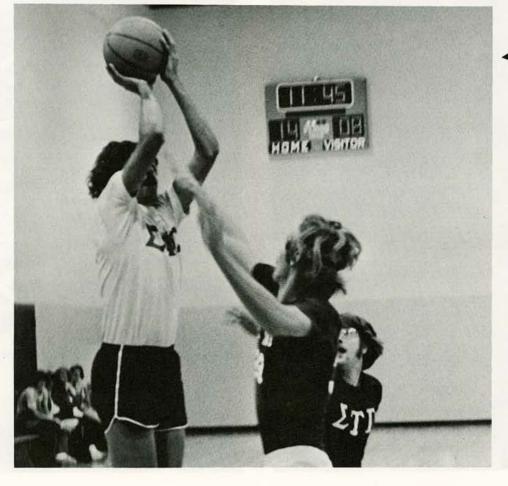

For the year, there were 21 championships decided in the intramural program. Next year there are plans to add racket ball as an open tournament. A key to the improvement of the intramural program was the addition of the HPER Complex. It more than doubled the amount of games that could be played in sports such as volleyball and basketball. The swimming and wrestling facilities were also vastly expanded.

a. Slow-pitch softball was played on the six fields just south of the HPER Complex. This sport is different from regular softball in that ten players are on each squad.

b. Many student timers and officials were needed to run the intramural swimming meet smoothly. Scores were kept on an individual as well as a team basis.

c. Students playing in basketball were able to play twice as many games as they had in other years due to the new gymnasiums in the HPER Complex. On most nights eight games were played in the gymnasiums.

a. Mike Peteete was a contestant in the badminton portion of the intramural program. The event was dominated by Sigma Phi Epsi-Ion as Ron Buhrman won the singles and Galen McFarland and Chad Heckman took the doubles action.

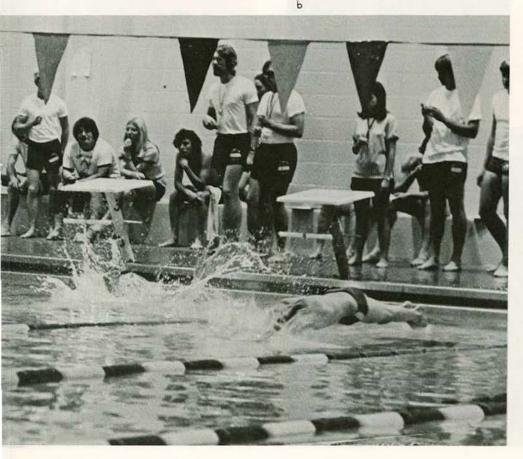

b. A view from behind the observers' screen shows that handball not only demands speed of foot, but it also requires toughness in the

hands. In the tournament, Steve Cushenberry took the singles while Steve Crosby and Lew Kasselman won the doubles.

c. Although considered a non-contact sport, intramural basketball usually proved otherwise. This year's teams played one half the schedule before Christmas break and other half after break.

a. Even though swimming is conducted as a team sport, an individual can be very lonely in the middle of a lane as he struggles to complete his lap in the butterfly competition.

b. The table tennis tournament consists of singles and doubles competition and it is held and completed in one evening. Frank Wu won the singles while Rex VanDerWege and Gary Earl took the doubles for the second consecutive year.

c. Intramural football involves a lot of passing on the run as Howard Rees is finding out while looking desperately for an open

d. Like all FHS intramural sports, wrestling is run by the students for the students. All officials and participants must be enrolled in at least 12 hours. An independent squad, The Sweat Sox, won the team wrestling title.

e. A ballcarrier in touch football usually attracts a crowd of outstretched arms.

f. This type of action is typical of the competition in the annual Greek Pre-season Tournament. The Sig Eps beat the Sig Taus in this year's tournament finals.

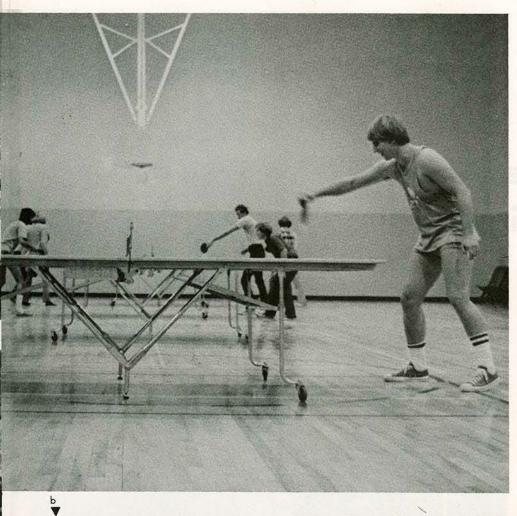

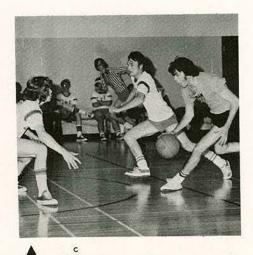

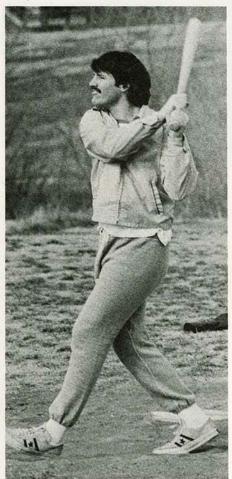

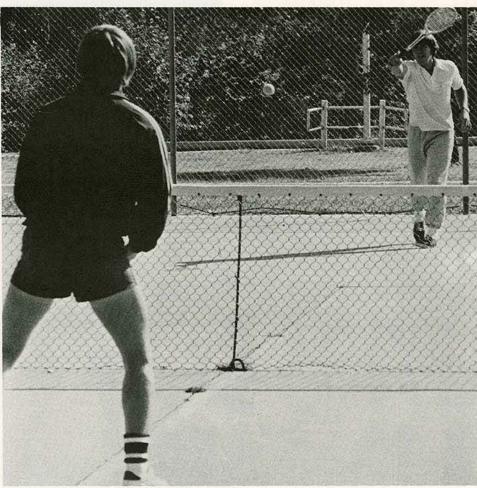

a. For those players not in the best of shape, "run and gun" intramural basketball can be a very exhausting game. An independent team, The Cruisers, survived the post-season playoffs to win the title.

b. This hitter appears to be watching a fly ball that just left his bat. It was probably caught by one of the four outfielders that most teams chose to use.

c. Intramural tennis is conducted as a fall sport at FHS. As a result, many games are played on windy, chilly days. The championship tournament singles was won by Pete Amotsuka while the doubles were taken by Roger Peck and Stan Jackson.

Coed Intramural Action Displays Athletic Abilities

A total of 950 Fort Hays State coeds took advantage of the new HPER Complex and an expanding intramural program to enjoy recreational activities during the school year. Ranging from flag football in fall to slow pitch softball in spring, the

activities provided ample opportunity for individual, dual and team competition. The complete slate of sports also included archery, swimming, bowling, table tennis, badminton, tennis, volleyball, track and field.

Academic Tradition Changes To Satisfy Desired 'Freedom'

During the spring semester the Faculty Senate voted to reinstate certain general education requirements that will be binding to all incoming freshmen. This move was a compromise to satisfy the need for a more traditional type curriculum while meeting student demands for more freedom. This year FHS offered mini courses and more classes oriented towards practical learning experiences. Educational needs are changing with the times and the College hopes the changes and variations in the general education curriculum will satisfy the greatest number of people.

President Gustad Views Student Education

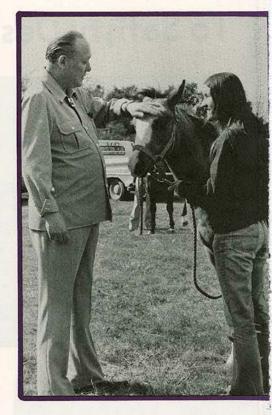

During five years at Fort Hays State, President Gustad has worked to make the general curriculum less restrictive by permitting the student more leeway in selecting classes. He has emphasized the importance of a general education program that 'truly educates the individual.'' Gustad has strengthened the faculty through a system of tenure hearings and has developed a system to determine promotions and salary increases. He announced the loss of at least ten faculty positions effective July 1, 1974, due to the enroll ment decrease.

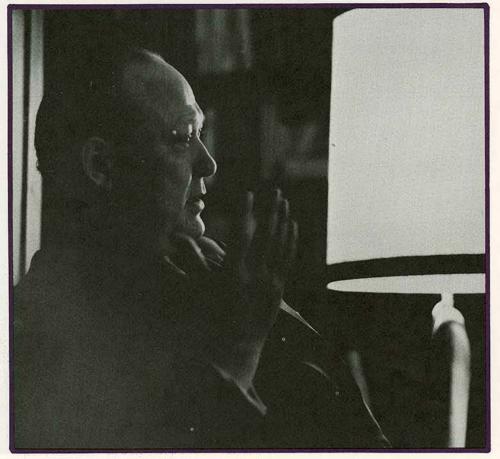

Faced with the prospect of a severe energy shortage, President Gustad took immediate steps to conserve limited quanities of fuels on the FHS campus. Worn radiator valves were

replaced in some of the older buildings to control steam pressure and unnecessary lighting was shut off to conserve energy.

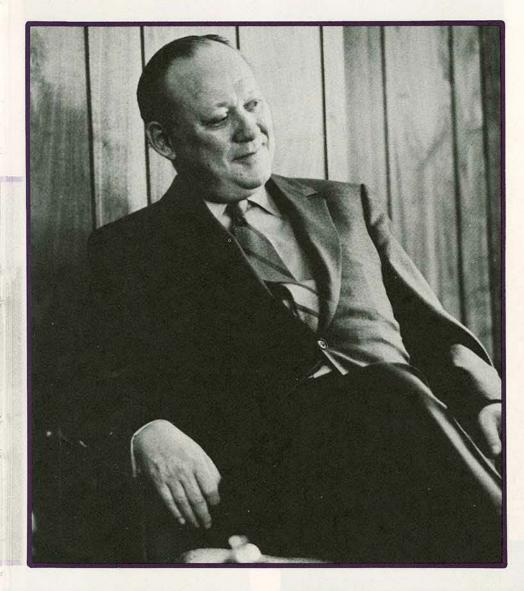

Long range plans developed by the college include a new humanities center where Rarick Hall currently stands and the construction of a multimillion dollar facility to house the Education Department and the Social and Behavioral Sciences on the present site of Sheridan Coliseum.

"Higher education is becoming increasingly competitive and FHS will have to attract more students to this campus in the future if we are to overcome these and other problems that are bound to arise," Gustad said.

Preparation Of Teachers Major FHS Program

The Education program at FHS is designed to provide professional preparation for individuals entering into primary, intermediate and sec-ondary teaching, counseling, supervision and administrative fields.

Special training is available for those wishing to work with the preschool handicapped, mentally retarded, learning disabled and emotionally disturbed. Besides training teachers, the department also assists other schools and related professional groups while working hand in hand with state, regional and national agencies to improve educational techniques. Department chairman Dr. Clement Wood, bottom left, retired as chairman at the close of the spring semester after 25 years of service to FHS.

Home Economics Includes Learning Programs

Home Economics Day is held biennially; and in the years in between the department sponsors an evening program for high school students and teachers from all parts of Western Kansas. This year's featured speaker was Miss Anne O'Brien from the General Electric Company.

Students participate in intern programs at Hadley and St. Anthony Hospitals; and in an extension program with Ellis County and the city

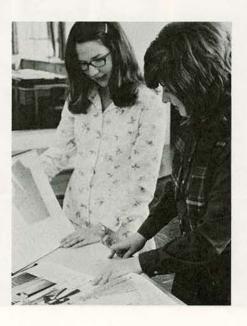

of Hays. Besides these practical experiences, home economics majors take part in professional and culturally oriented programs planned by Kappa Omicron Phi, honorary society. At the national level the home economics department supports the Crossnore Foundation for underprivileged children, and locally they give financial aid to the Day Care Center and the Homer B. Reed Foundation. Maxine Hoffman, upper right, is chairman of the Home Economics Department.

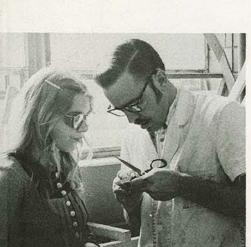

Industrial Arts Department Plans Events And Spring Fair

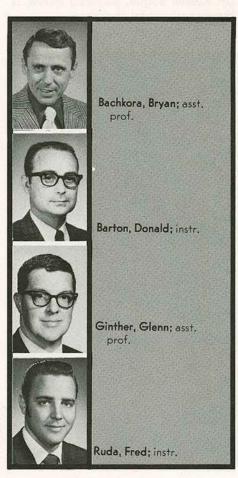

Aside from the practical aspects of industrial arts education the department held a number of faculty student get togethers during the 1973-

74 school year. Epsilon Pi Tau, honorary Industrial Arts Fraternity, sponsored an overnight fishing trip to the Saline River and hamburger cookouts were held each semester to honor outstanding club members. Club members, faculty and students rounded out the year by preparing for and staging the Industrial Arts Fair, featuring the work of hundreds of Kansas high school students. Dr. Cain, upper left, is chairman of the department.

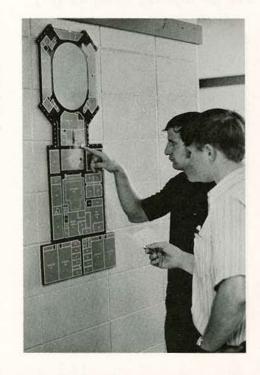

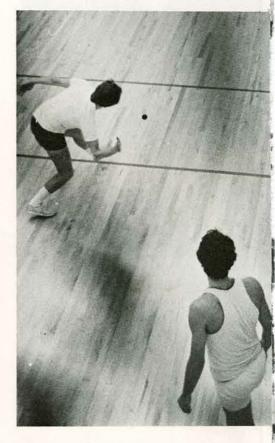

New Facilities Enable HPER Studies To Be More Extensive

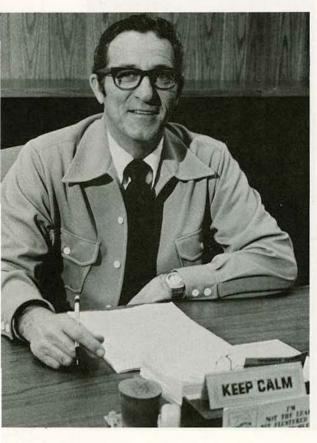

The Health, Physical Education and Recreation Department moved its offices into the spacious new facilities of Gross Coliseum and Cunningham Hall during the fall semester. New offices, modern classrooms, weight rooms and a larger swimming pool allowed the department room to conduct more extensive programs to meet the needs of students.

Nineteen faculty members taught over forty different classes to undergraduate students. Some of the courses students may take to fill out their four hour physical education requirement include: bowling, swimming, archery, coaching techniques for a number of sports, camping and social dance.

Realistic Ag Experiences Expand Department Program

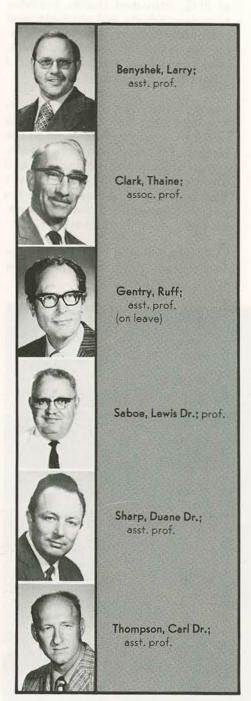

The department of agriculture was separated from biological sciences effective July I, and Dr. W. W. Harris, upper left, was chosen chairman. Varied agricultural programs have attracted students from wide areas and the increasing success of the livestock judging teams has brought recognition to the college and to the department. Students study and work on the 3800-acre farm that is used to give realistic farm experiences in live-

Art Gives Student Chance To Articulate Potential

Students having career aspirations in the field of art receive varied and invaluable educational experiences at FHS. Individual studies available to undergraduate and graduate level students include courses in watercolor, oils, metal and ceramic sculpture, jewelry making and printing, to name just a few.

During a four-year program students may round out their course load with supplementary courses such as the history of art, and methods of teaching art. Outstanding faculty and abundant facilities located in Davis Hall and the Art Annexes make the FHS Art Department one of the better facilities in the Midwest.

Biologists Enhance Teaching With Research, Publishing

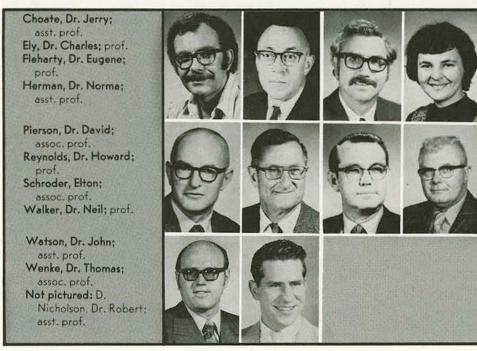

A study of biology provides an opportunity to study life processes as they relate to the plant and animal environment. This was an event-filled year for the department of biological sciences. Several faculty members conducted research, some of which was accepted for publication in scientific journals. Others presented papers at state and national meetings, and Drs. Choate and Hulett journeyed to the Soviet Union in

June to participate in an international scientific conference. Dr. Watson was again very active with the Youth Conservation Corps program over the summer, and Dr. Ely received a bird grant from the U.S. Bureau of Sport Fisheries. The department also sponsored seminar programs on various topics and five speakers addressed FHS classes. Dr. Gary Hulett, upper right, is department chairman.

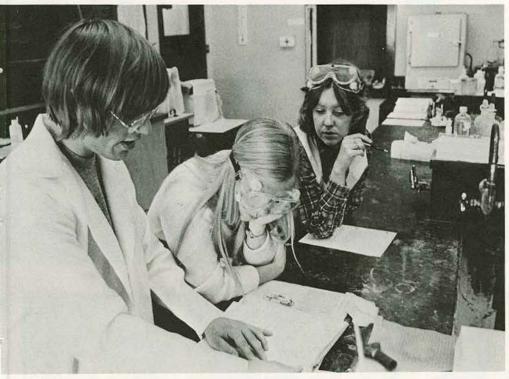

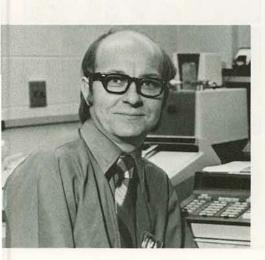

Chemists Explore Methods, Principles And Techniques

The chemistry department serves the chemistry major, students in other sciences and the non-science student who wishes to expand his knowledge of modern science. Each course presents principles, methods and techniques of chemistry as they relate to

the individual and the world. The Chemistry Club sponsored weekly seminars and a series of guest speakers throughout the school year. Dr. Max Rumpel, bottom left, is department chairman.

Business Attracts Many; Curriculum Offerings Varied

Students taking business courses prepare themselves for employment in business and other organizations. Business programs include a wide range of studies in related fields and are available in accounting, business education, data processing, finance, management, marketing, secretarial administration and general business.

This spring the college and business department received a new IBM 370 Model 125 computer to improve efficiency in running materials for the college and students. Dr. Forrest Price, middle left, is chairman of the business department.

The Earth Sciences Department is trying to turn out a new breed of geologist to cope with modern as well as historical geological problems. Problems relating to energy is one of the areas being extensively researched and studied by this department. Many changes are taking place within the discipline itself and courses are being modified to keep pace with the real and everchanging world.

Carrying the work of Earth Sciences off campus, faculty members and students presented lectures, made field trips and studies, and supplemented classroom work with service to the community. Economics Offer Variety Of Business Opportunities

A degree in economics from FHS opens the door to a wide variety of career opportunities. Among the careers graduates have chosen are bank examiner for the U.S. Department of Treasury, field representative for production credit association, branch manager of a local financial institution, computer sales and college teaching.

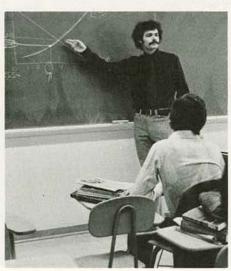

In addition to the traditional curriculum for the economics major, the department also offers two workshops to promote economic reasoning and intelligence in all areas of education. These workshops are primarily designed to train elementary and secondary teachers to incorporate economic principles into their every day teaching.

While the activities of the departmental faculty center chiefly around teaching and the day-to-day operation of the department, the faculty is also involved in city administration, state professional organizations and campus affairs. Dr. Jack McCullick, below, is department chairman.

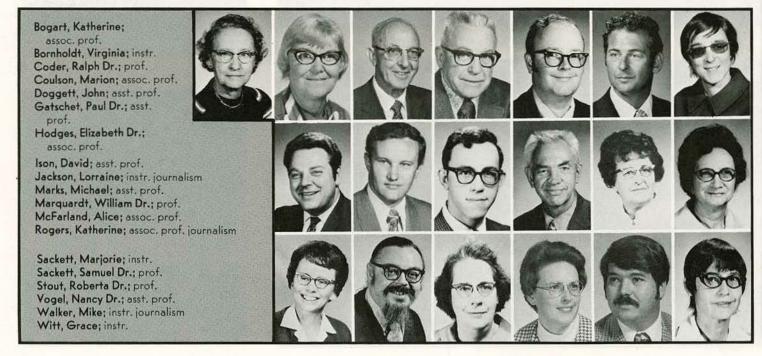

English And Journalism Offer Broad Curriculum

Courses in literature and composition offer students a broad cultural background for the understanding and appreciation of the character and ideals of society. Through the study of composition and speech, students are taught basic language structure and encouraged in self expression and creative activity. Through the study of literature, students discover the impact of creative imagination, the development of ideas and their relationship to the historical past and present as revealed in literature. Dr. Verna Parish, middle left, is department chairman. Journalism is included in this department.

Languages Develop Skills And Expose Native Cultures

Students enroll in French, German, Spanish, or Russian for various reasons. Some major in modern language while others take courses for the enjoyment of learning another language. Still other students need foreign language courses to complete degree requirements for their department. Dr. Paul Graber, bottom left, coordinates activities in the foreign language department.

Modern language study in the classroom and laboratory helps students develop skills for hearing, speaking, reading and writing and appreciating other cultures and civilizations.

History Studies Review Past; Theories Face Current Times

The history curriculum is designed to present the student with an accurate perspective of past events so he may arrive at intelligent opinions about problems facing modern day societies. In spite of heavy teaching loads, most of the faculty is actively engaged in research that appears with regularity in scholarly journals.

Phi Alpha Theta, history fraternity, and the history club sponsored and participated in a number of academic programs during the school year. Phi Alpha Theta also sponsors a book sale twice a year to raise money for history holdings in Forsyth Library. The department highlighted the year by staging its annual awards banquet to honor outstanding achievements by history majors. Dr. Leo Oliva, pictured below, is department chairman.

Math Program Involves Staff And Students In New Studies

The Math Department engaged in a wide variety of activities during the year. A total of 76 students enrolled in six mini courses offered during the fall semester. In the spring Dr. Eltze conducted a special seminar entitled Applications of Math in the Social and Behavioral Sciences that was attended by most of the math department faculty and a number of students. A number of the staff also participated in the visiting scientist program with area high schools and

junior colleges.

Prospective teachers gained valuable experience by serving as apprentices in a number of basic courses. In March a new IBM 370 computer was installed on campus and this enabled the math department to offer a more versatile program to students interested in a computer related occupation. Dr. Elton Beougher, bottom right, is the department chairman.

Philosophy Questions Purpose Of Existence In The Universe

Many students become acquainted with the Department of Philosophy through the Logic course and others continue their study in the department concentrating on intellectual history, reasoning, moral, religious

and aesthetic values. Headed by Dr. Samuel Hamilton, bottom right, the philosophy department is concerned with questions such as man's view of himself and the universe.

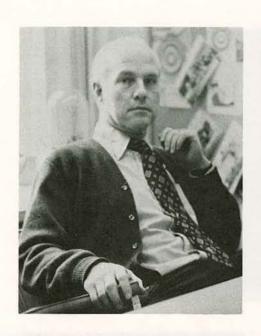

Musical Involvement Provided To Students In All Levels

The Department of Music offers a full range of degree programs for undergraduates, as well as the Master's and Specialists degrees on the graduate level. The department provides opportunities for music study in other fields while serving as a center of musical activity for the Hays community. All full-time students majoring in music are required to participate regularly in Band, Concert Choir, Orchestra, or Collegiate Chorale. Physics Program Links Science With Individual Experiences

Five professors taught a total of over 30 courses, plus a series of mini courses that were offered for the first time during the fall semester. Areas of instruction open to students include everything from photography and rocketry to meteorology. astronomy and atomic physics. As the year drew to a close, physics majors and other natural science students participated in the annual Science Open House. Department chairman, Dr. Maurice Witten, pictured upper right, said, "It is the aim of the physics program to aid students in discovering scientific knowl-

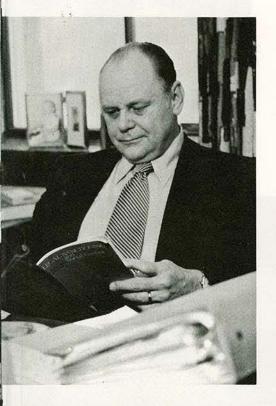

edge and how this knowledge relates to various individual and social experiences.'

Political Science Studies **Ancient And Modern States**

The Political Science department offers comprehensive programs in the areas of Public Administration

and national and local governmental affairs. Preparatory training and instruction are also available in a number of other areas to the student seeking a B.S. or M.S. degree. General studies present an historical perspective of the principles and ideals that underlie the organization and activities of ancient and modern day states. Faculty members and outside speakers gave their viewpoints on such matters as Watergate and the energy crisis. Faculty members rounded out the spring semester by attending the Western Political Science Association Convention in Denver. Dr. Don Slechta, upper left, is department chairman.

Psych Dept. Provides Services

The Psychology Department offers a variety of educational and service oriented programs and activities to students and residents of western Kansas. Students can receive a BS degree and may continue their education on the graduate level with specialization offered in the fields of general, school and clinical psychology. A well equipped animal lab adjacent to Rarick Hall houses rats,

pigeons, gerbils and several varieties of squirrels used in experimental research.

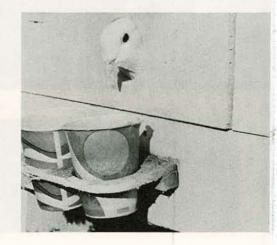

Graduate students in clinical psychology work in job practicums at the High Plains Mental Health Center and in the area school system. Dr. Roy Connally, upper right, is chairman of the department.

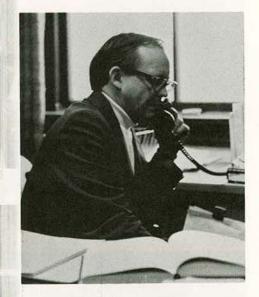

Sociology Teaches Relation Of Social Processes, Structure

The Sociology curriculum is arranged to provide the student with a better understanding of the working rela-tionship between basic concepts of theory and research. Several of the faculty presented papers at the Western Sociological Association meeting in Omaha, while other departmental instructors and students conducted research projects in and around Ellis County and Hays. Dr. Nevell Razak, upper left, is department chairman.

Speech Department Increases Curriculum To Meet Demands

To meet the evergrowing demands of modern society, the Speech Department has updated offerings in the area of speech and communications. Today students can choose from courses such as interpersonal communications, organizational and intercultural communication and persuasion and social control.

The drama area has increased emphasis on the creative as well as the performance aspect of theatre arts. Students also enjoyed the traditional and experimental plays produced as part of the Friday afternoon theatre.

Radio and TV expanded to better utilize broadcast equipment in Malloy Hall. Hays residents have been able to enjoy Tiger basketball, as well as many public service programs.

Speech Pathology expanded its course offerings and experiences are now available in such areas as schools, day care center, nursing homes, hospitals and the on-campus

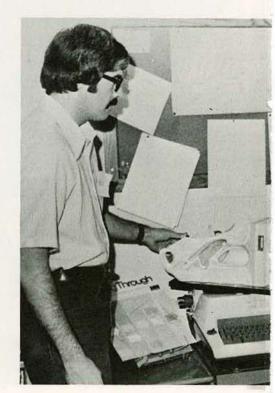

clinic. Department chairman, upper right, Dr. James Costigan, says, ' are working to alert Kansas that the field of speech is on the move at

Nursing Gets Accreditation; Machan Resigns In Protest

National accreditation of the Nursing Program in December was the most valued achievement of the department this year. Preparation for this department evaluation filled

the workload of both nursing students and faculty.

The resignation of Dr. Lorraine Machan, dean of nursing, received equal attention. Her action was made in protest of the failure of the administration to honor its commitments to the Nursing Department. Dr. Machan's major objection was that the department had not moved from its present facilities to the new facilities in Sheridan Coliseum at the time of her resignation. A major point in the accreditation was new facilities be provided for the Nursing Department to meet a fullyaccredited program.

Though affected by the loss of Dr. Machan, the nursing students and faculty at FHS will continue to keep the department in touch with the community. The faculty will assist the students in acquiring the needed concepts of whole man, the role of the nurses and use of the nursing process with experiences and respon-

Agnew Hall Activities And **Events Keep Women Busy**

Agnew women enjoyed a wide range of activities this year. For Homecoming, the girls combined efforts with McGrath Hall and built a float, "Ein Beer for the Tigers." Agnew sponsored girls in two campus contests: Faye Thompson, Homecoming Queen candidate co-sponsored with Wiest; and Jean Blecha, the Best Dressed Coed contest. The women held a bazaar to raise money for a new television. Agnew's intramural team of Cheri Livingston and Barb Cooper won badminton doubles.

McGrath Men Work For Outstanding Year

Men of McGrath Hall enjoyed an outstanding year. Residents worked together on many successful projects.

Athletically, they were triumphant in intramurals. Their team won all school softball championship. Other allschool honors include tennis singles by Pete Amotsuka and table tennis by Frank Wee. Stan Jackson was a member of the doubles tennis team and Rusty Fifield won outstanding swimmer. McGrath finished second in basketball. League titles include football and volleyball. The residents also captured the championship in the buffalo chip throwing contest. They claim the dubious honor of having the first "large streak."

McMindes Goals Achieved By Individuals

Participation and enthusiasm were the key words concerning the women of McMindes Hall during the year. The first dorm project consisted of raising \$425 for the Community Day Care Center through the United Fund. Marianne McGuire was crowned Homecoming Queen and Jan Herral won the Furlough Queen title. The Homecoming float, "Polka the Hornets," won the Spirit Award as well as the best entry from cam-

Wiest Hall Stages Fun Year

₽ ₽

Wiest men had a year of parties and fun. The main event was Wiest Hall Week; April 1-6. The events included a free night in the union, two movies and casino night. At the end of casino night, play money was used to auction for gifts. The finale of the week was a dance. The highlight of the week included three fire drills at 1 a.m., 3 a.m. and 8:30 a.m. In the fall, a polka party was held. Throughout the year a number of keggers were scheduled. The men sponsored Faye Thompson for Homecoming Queen.

Interhall Council Mediates Resident Hall Interaction

Interhall Council is an organization which promotes and encourages more interaction and involvement between dorms. IHC sponsors a "Spring Swing" weekend annually and an all-dorm dance in the fall. The council acts as a coordinating agent between the halls to promote social and academic levels.

Panhellenic And Interfraternity Councils Unite Campus Greeks

Panhellenic Council and Interfraternity Council are the vital groups serving the Greek system. Through these organizations an attempt is made to unite the Greeks on campus. Panhellenic and IFC encourage high scholastic achievement as well as partici-pation in Greek Week, Rush and other campus activities that involve the Greeks.

a. Panhellenic Council: Allyson Graff, Jane Strickler, Therese Klaus, Dee Duesing, Emily McGaffin, Darla McMullen, Maryetta Yeager, Vickie Beiser, Susan Kier, Linda Carver, Linda Voran, Karen Steen, Mollie Cook, Nancy Davison, Marsha Harbaugh, Jean Stouffer, sponsor.

Greeks Maintain Standards For Organization Members

There are seven national fraternities and four sororities at FHS. Greek projects have helped charitable organizations and improved their fraternal orders. Competition arises athletically as well as fraternally in intramural competition. Interfraternity Council and Panhellenic Council provide trophies to stimulate and recognize academic achievement for pledge and active members. Leadership is another important factor that is strived for in the Greek system.

Alpha Gamma Delta Leaders Exhibit Concern For Mankind

Along with being a social organiza-tion, the Alpha Gams demonstrated their concern for fellow men through

service projects. Instead of building a homecoming float, the girls spent their money and efforts in support of the United Fund. They also solicited donations for the March of Dimes, The Arthritis Fund and UNICEF. Their popularity and leadership was expressed through such recognition as: cheerleaders Janie Howell and Nancy Legere; Beauty and the Beast contest; Miss Fort Hays State pag-eant; Sherry Riegel and Patty Dep-perschmidt, Who's Who Among Students. Their social events included two informals and the Rose formal.

Men Of Delta Sigma Phi Give Public Service And Leadership

Public service are the Delta Sigma Phi's key words this year. The Delta Sigs offered their assistance as tour guides for the Tiger-Parent Symposium. They also helped usher at all athletic events at Fort Hays State. They are well known for their leadership as shown by their distinguished members: Junior Goodwin and John Pekarek were voted Who's Who Among American College Students, Tom Funk was president of the Senior class and Dick Leatherwood was selected as Sigma Sir. A Cowboy Party, the Sailors Ball, the Sphinx Ball and the Carnation Ball were the social highlights of the year.

For the second year in a row, Delta Zetas (in conjunction with Phi Sigma Epsilon) won Best Animation on their homecoming float. In addition, Patsy Wilkens was Best Dressed Coed for 1974, Jan Rawlings, was Phi Sigma Epsilon Sweetheart, Ann Marie Caldarera was Sweetheart of Sigma Chi, Ginny Hammer is Kansas Junior Miss and Deb Anderson won Miss McMindes. The philanthropy project was a Chariot Ride (with Tau Kappa Epsilon) and the profits went to Galluadet College, a school for the deaf.

Sigma Kappa Keeps Trophy; Sorority Marks Centennial

Sigma Kappas have reasons to be proud of themselves this year. For the second consecutive semester they captured the Panhellenic Scholarship Trophy. This is their hundredth anniversary as a sorority, which was celebrated by an open house to show their new quarters and introduce their housemother. The pledges sponsored the Monster Mash Informal for the actives. In the spring they held their third annual Swing-a-thon, which helped to finance Meals on Wheels. Sigma Phi Epsilon Men Retain Trophy; Year Ends With Ball

Showing a sporting nature, the men of Sigma Phi Epsilon took the All-Greek Trophy for the ninth consecutive year. First place was taken in nearly all sports. At a Regional Sigma Phi Epsilon Tournament in Wichita, the FHS chapter took first. A taco supper was held in the spring to help the pledges raise money. Pledges also sponsored two informals: the Blue Mountain Blast and the Red Mountain Blast. To show their charitable nature, the men held a Christmas party at their home for underprivileged children. Sigma Sigma Assists Underprivileged Children

Twice a year the Sigmas sponsor a shoeshine which helps finance the Crippled Children's Fund. Also, the women worked with the Sigma Chis in the Canned Food Drive. Each year at Christmas, they have a party for underprivileged children in the Hays area. This year the girls took first in the bowling intramurals. Social events include both formal and informal parties in the Spring.

Sigma Tau Gamma Shows Sports And Civic Concern

Sigma Tau Gamma is one of the oldest Greek organizations on campus dating back approximately fifty years and claims many distinguished alumni. The men have been very sports minded this year. They helped sponsor All-star wrestling in the fall. In the spring they participated in the National Sigma Tau Gamma Basketball Tournament at Pittsburg State College where Rex Staven was chosen to play on the national team.

They helped the community in soliciting pledges for the Cancer Association. Gary Sandell was chosen Sigma Kappa Sweetheart.

Tau Kappa Epsilon Sponsors Charity Events Through Year

Tau Kappa Epsilon started the 1973-74 collegiate year by taking the "Greek Night Out" honors offered by a local bar three consecutive times, winning three kegs of beer for

the highest percentage of membership present. During football season, the TEKEs manned a seven-foot tall bass drum, a new addition to the Marching Band. "Chariot Ride for Charity" brought members of both TEKE and Delta Zeta sorority out to solicit contributions for the Galaudette College for hearing in Washington, D.C. Easter eggs were hidden by TEKEs in Massey playground where Jefferson School second graders searched for them under the TEKE'S supervision.

b. TEKEs are always on hand to promote Tiger spirit.

Fort Hays offers degrees in several areas, the divisions of which are often confusing. The 1973-1975 General Catalog explains them thus:

Four graduate degrees are offered on two levels. The Master of Science (M.S.) degree and the Master of Arts (M.A.) degree and the Master of Music (M.M.) degree are awarded for the first year of graduate study. The Specialist in Education degree is given for one year of advanced graduate study beyond the Master's degree.

The Bachelor of Arts (B.A.) degree and the Bachelor of Science (B.S.) degree are offered in the Liberal Arts area of the College. Requirements for these undergraduate degrees provide a broad education encompassing multiple area of study. Courses are taken in humanities, natural science and mathematics, and social and behavioral sciences. B.A. and B.S. majors may be in the same subject fields with the distinction that the B.A. degrees usually carry a language requirement and B.S. degrees require that a student have 50 hours of sciences with a minimum of 30 hours in one subject field.

Curricula offered in the Applied Arts provide intensive preparation in a given field, usually for a particular vocation of profession. Applied Arts degrees are listed as B.S. in (major).

Liberal Arts Degrees:

B.A., art biology (biol.) botany (bot.) chemistry (chem.) economics (econ.) Gross Coliseum Nearly Filled For First Commencement

Avoiding the usual last minute decision of Lewis Field Stadium or Sheridan Coliseum, Commencement 1974

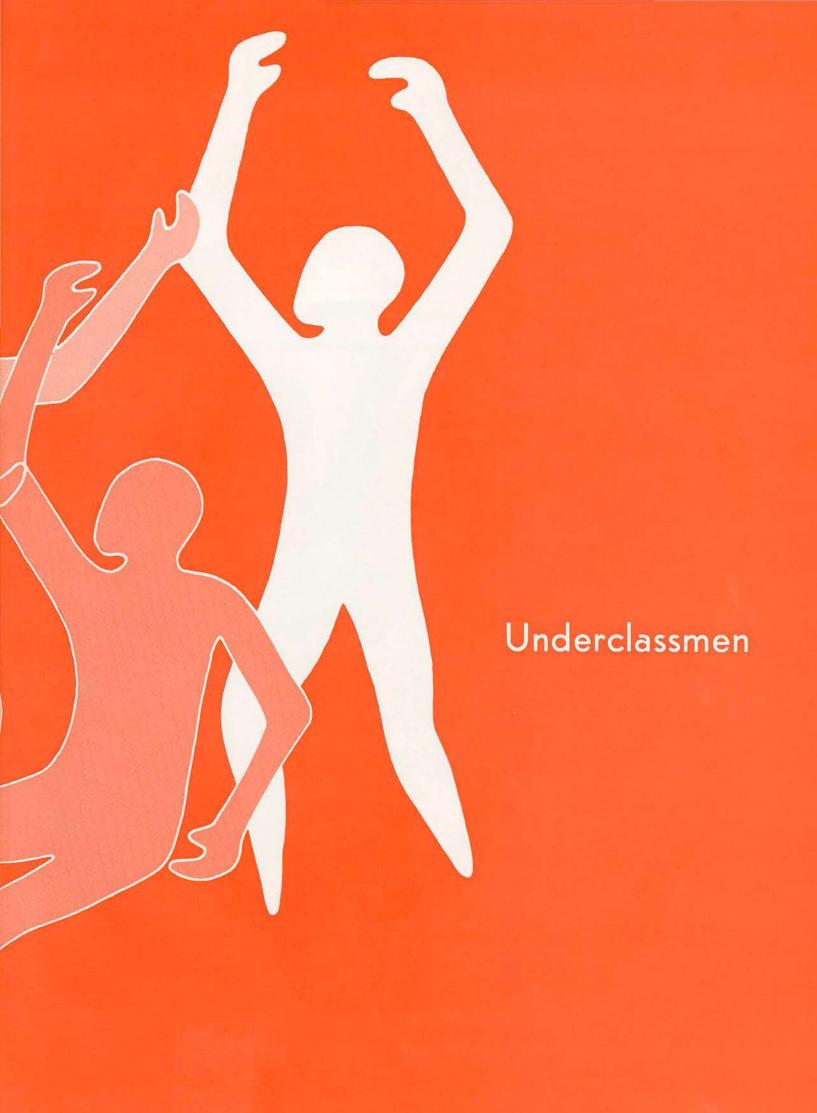

a. A near capacity crowd heard President Gustad give a short charge to approximately 1150 graduates who then received diplomas. In a final moment of sheer relief they shed their robes and flung mortarboards high in started a new tradition with outdoor processional and ceremonies in Paul B. Gross Coliseum.

the air.

b. After receiving their diplomas in nursing, a few of the graduating nurses were commissioned into the armed forces.

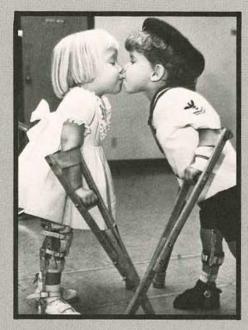

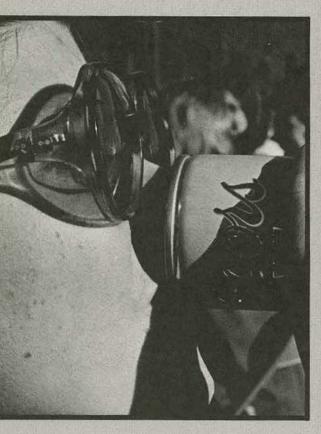

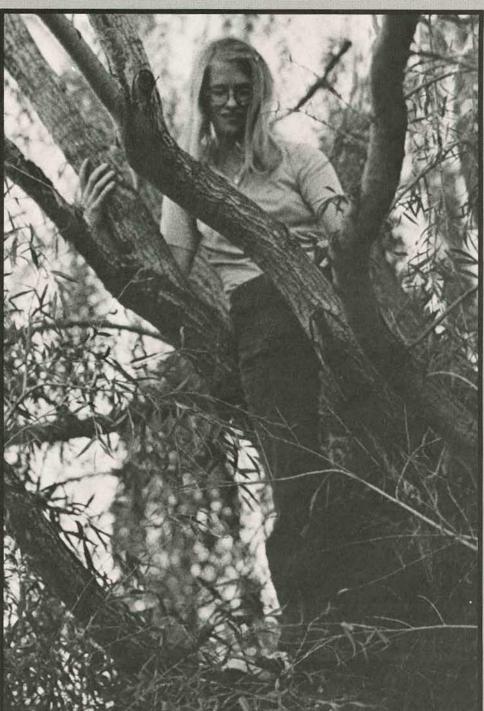

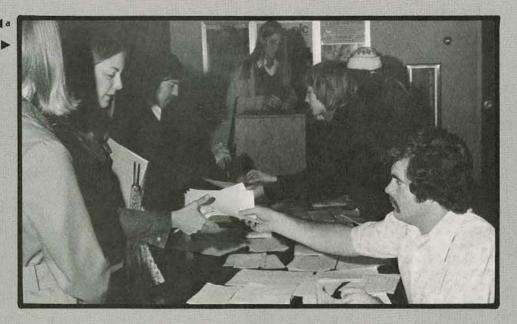

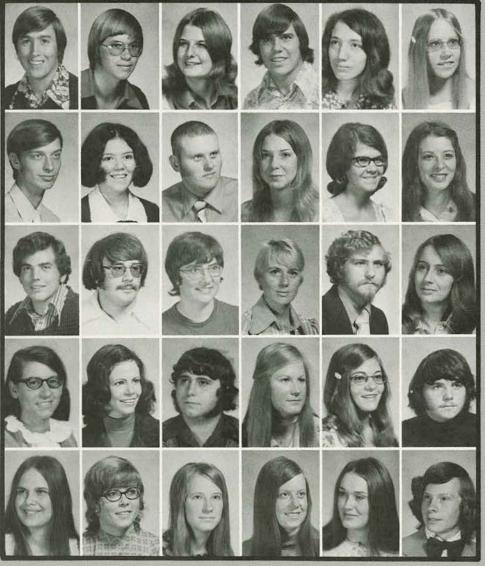

a. Cheerleaders depend upon personal acrobatics to appeal to sport fans.

b. Voting is a privilege often taken for granted. Less than half of the student body turns out to express opinion in campus affairs.

Late News Briefs

A flurry of early summer competitions brought individual and team honors in several categories to Fort Hays Staters.

Two national championships boosted the track and field team to a third place tie at the NAIA Outdoor Championships. Bob Kuhn and Gary Grubb led the Tigers with first place honors in the discus with a distance of 174-8 ft. and the pole vault with a mark of 15-6. As a team the Tigers scored 29 points to tie with Southeastern La., for the third spot.

The baseball team qualified for national championship competition for the first time after taking the regional title, but failed to rise above the competition of seasoned teams and lost both

games in the national tourney.

The highly rated Rodeo Club qualified for national honors after winning the Central States Regionals and came away from the National Intercollegiate Rodeo Association's championships with first place for Jerry Beagley in bareback bronc riding; second place for Collette Graves, defending barrel racing champion; second place for the girls' team; sixth place for the men's team and 4th, 5th and 6th places for all-round cowboy. Fort Hays was the only one of 63 schools entered to place more than one in competition for all-round cowboy.

The latest-breaking news for the year came July I when Fort Hays State was reported second place in the nation in NAIA all-sports competition for the year — with the points largely due to track and field records.

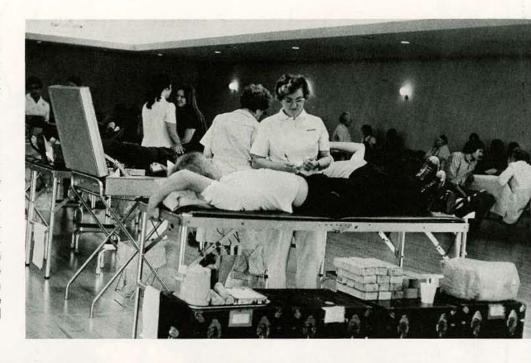

1973-74 Ends

The crack in Sheridan's west wall didn't cause the old Coliseum to fall, but part of the southwest tower crumbled. A need to widen our perspectives is needed and this was a year that was an eye-opener for all of

The Watergate Scandal dragged into its second year and many conservative newspapers finally featured editorials calling for President Nixon's resignation or impeachment. Governing coalitions in England, Germany, Portugal and Canada toppled and were replaced by the former opposition parties within each country. Many international scene observers feel these events depict a complete disenchantment with the contemporary political scene in all areas of the world.

As the year closes many have different views of the events that happened. For some it brought sorrow, others happiness; slower pace of living, more involvement; less traveling, but greater fun; and for everyone, new experiences with different peo-

ple at FHS. Students participated in many charitable organizations while taking time to look at their own views and place in life. The great outdoors remains to be explored, reserved and enjoyed while our political system must not be forgotten or ignored.

Minutes Pass Into Months; We Continue Reaching Out

Many times what we do with life become secondary. We take our friends for granted and get caught up with the hustle of studies and activities. Friends from foreign lands recommend FHS as a friendly place to be. These foreign students were made "Honorary Citizens of Hays" at the end of the year. But friendliness and courtesy wasn't always displayed. The Doobie Brothers Concert left the new HPER Complex floor and dressing rooms in bad shape. No major tragedies occurred but a minor fire threatened campus housing equipment. From camp outs to concerts to education, it was a year of fun and reaching out.

PLEASE
KEEP OUT

FHS has enjoyed growth and change over the past two decades. The college has had changing emphasis during this time. Updated programs allow more leeway in the choice of student curriculum. This encourages individual achievement and endeavors. Students escape boring academic life not only through new classes but also with an All-American picnic.

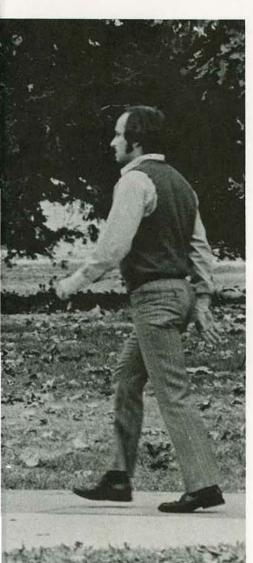

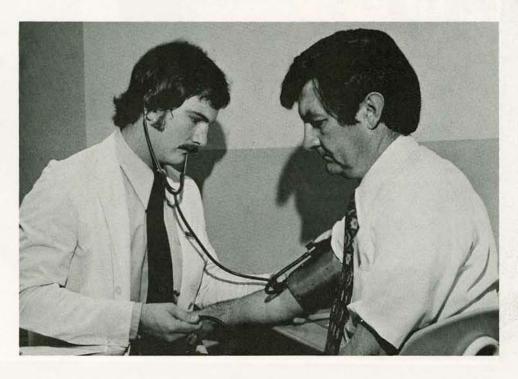

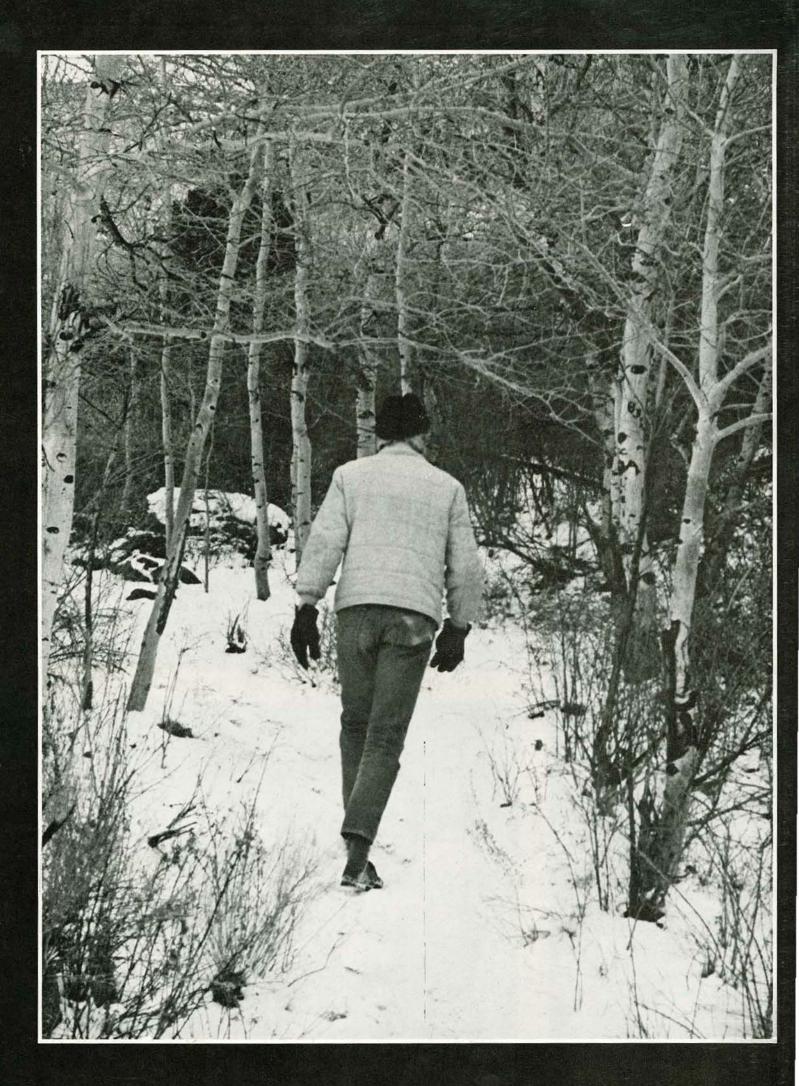

There is still a continued effort in Western Kansas competition, creativity and welfare of the total collegiate community. We desire to get ahead, to conquer goals and to reach out to life among one another.

Athletics, industrial arts or organization projects as the Mortar Board sculpture represent this feeling. It helps students prepare for professions, trades or arts.

During the course of the year, I have been aware of the brevity of time, the need to work with man and problems that affect all of us.

Every day we reach out to another person in some way. Usually we reach many times during the day. With changing times, it will probably be even more frequent.

By keeping track of the events that happen every day at FHS, I can see that many people are ignorant of much that takes place on campus in order for it to operate. I have also become aware that the individual is very important in view of local, state and world events. The problems of living that we have had to face have been frightening when considering the possible results. Most of the problems confronting us have elongated over months without solutions — but we have continued.

For me, meeting deadlines, completing demanding class work and filling jobs that some staff members dropped, taught me an important lesson. That is: life continues only to be faced as well as possible.

One question of life that probes my mind is death. A Reveille staff member and close friend to me and many others was killed in a tractor accident July 16. The **Reveille** pays tribute to Bob McClellan, an outstanding journalism student who graduated in May. There is a time for everything. We have assurance for a better life through death.

My thanks to those cooperating and enthusiastic staff members who reciprocated reaching out with their dedicated work; Mrs. Katherine Rogers who provided helpful advising; Mr. Lorraine Jackson and student photographers for color and black/white photography; Mr. Paul McClellan, Taylor Publishing Company area representative; and Delma Studios for underclass and senior portrait photography.
