SGA 2009-2010 Strategic Plan, mentions campus outreach, student body. H1N1 is an ongoing, extreme number of people out of classes, 9 confirmed cases here on campus. Kansas CORPS, if want to be part of that, fill out application and will be interviewed. Information is down in the office. Also new brand initiative is ongoing project. November 1st, student leadership workshop. I have been notified there has been a reshuffling of committees. Haley Wilkison and I will be working on that. Meetings that I attended this week, scored well. Next week will be working more with Year of the Tiger. If interested in planning or working the event. Let me know.

Braun: We discussed having a Christmas party at somebody's house, doing a Secret Santa. Also talked about possible dates, either December 4th or 5th. I wanted to get some feedback of what everyone thought about it.

Thompson: Is there anymore discussion?

Doggett: Were you thinking Secret Santa or White elephant?

Braun: We would have a limit of how much you could spend

Spiller: On the 5th, there's a basketball game that night so maybe we could do the 4th.

Thompson: Are there anymore items for open forum tonight?

Hachmeister: What is the status on the website?

Thompson: We are attending a seminar tomorrow, Admin. Assist. Amanda Basye and I. Hopefully we will be up one month before the deadline. Are there anymore items for open forum?

Hachmeister: LPAC is discussing a change in the resolution that went up before, if you have any questions you might want to meet with the committee or even voice your opinions now during open forum.

Thompson: Will you explain what those changes are?

Hachmeister: Now we're discussing an \$.85 or a \$.90 fee rather than a \$1.00. We have reran the numbers, both us and Dr. Burnette and are initial numbers were incorrect.

Thompson: Is there any discussion regarding this item?

Tormey: I know that students will possibly pay for this

Hachmeister: We've discussed different things but we don't have any specifics on where the administration will be coming up with this.

Mohr: Wouldn't that keep them from coming back if we kept it at a dollar fee?

Sellard: If we lowered it, we could just pass it here

Braun: A lot of students will vote no for general reasons

Konkel: I've talked to students and most have said no, but if it was explained more, then they would sway their vote.
