Meeting called to order by Dr. Rarick. Committee chairmen were asked to see that their committees were meeting as necessary, and that a secretary was selected to keep the minutes, a copy of which should be filed at the president's office.

Motion was made by Dr. McGrath that classes be dismissed on Friday, November 3rd. Seconded by Mr. Brooks. Carried.

Dr. Rarick announced the plan of selling blocks of tickets for the opera to be given Thursday eve. Nov. 2nd. He also announced that the faculty could enroll at the office for membership in the K. S. T. A. He also stressed the necessity of keeping within the budget allowances, and making reports asked for at earliest possible moment.

Dean Lee announced that a call had been sent out for grades D. and F. and that at the mid semester all grades would be asked for. That blanks for spring semester and summer programs would soon be sent out; that material was needed for catalogue copy.

Dr. Kelly made two recommendations for the curriculum committee:  
First: The committee recommends in so far as it is possible departments shall organize all junior college courses into courses carrying five semester hours credit.  
Second: The committee recommends that in so far as it is possible departments organize beginning courses into ten hour sequences.

Dean Lee explained that it was the feeling ~~that~~ of the curriculum committee that we could with profit organize the courses into larger units of five hours each, and also the arrangement of five hour courses in the first semester, with a five hour sequence in the second semester would be a further unification of the curriculum work.

The question of the transfer of credits was discussed with this in mind.

Meeting adjourned to meet each Monday evening from 5 to 5:50 o'clock.

C. Bibens, Secy
