ANNOUNCEMENTS

Track Groundbreaking Ceremony Today

Faculty, staff, students and members of the Hays community are invited to a groundbreaking ceremony for the Fort Hays State University track and field complex today at 4 p.m. The event will take place south of the FHSU Soccer Stadium.

For your convenience, there will be shuttle vans available. Please meet at 3:30 p.m. at the shuttle stop west of the Memorial Union. The shuttle will return guests to the Union immediately after the ceremony. If you wish to drive your own vehicle, please park in the FHSU Soccer Stadium parking lot.

Construction of the track facility will begin immediately, with completion anticipated this fall. Tiger track and field athletes are looking forward to competing at the new complex during the 2017 season.

We hope you will be able to take a moment out of your busy schedule to join us for this celebration!

For more information, contact Lisa Karlin at 4439

University Farm Fresh Pork

The University Farm has some openings in the upcoming months for pork processing.

We sell you the hog and deliver to Smoky Hill in Victoria. Then customers will pay Smoky Hill processing when picking up the hog. We have moved to set pricing of \$200 for a whole and \$115 for half of a hog. These prices are based on a 280-300 pound hog and will only be adjusted up or down if outside those weights.

If you would like your name on a list to reserve your spot I have slots available June 14, July 6, and August 30. Email is the best way to get a hold of me, as I am in and out of the office frequently. (cjsatran@fhsu.edu) To reserve your slot, I'll need to know name, best phone number to reach you at, and your address.

-Curtis Satran, University Farm Swine

Spring 2016 Final Grade Reminder - Due Monday May 16, 2016 by Noon

All Spring 2016 final grades* must be entered through the on-line grade entry system. Faculty can access the grade entry system by clicking on TigerCentral under the Faculty/Staff link at the top of the FHSU home page. The system will then ask for

Tiger Net ID Username and Password. (If you have problems or technical difficulties with your Username and Password, please call Tiger Tech at 785-628-5276).

After logging in, hover over the “Teaching” tab, and click on “Grade Entry.” Next, click on the “Final” tab to see a list of courses for which final grades are due.

HELPFUL HINTS:

- When entering grades of “I” for Incomplete, instructor must enter additional information. Before proceeding to the next grade on the roster, the instructor will be required to enter “Reason for incomplete,” “Removal requirements,” and “Date work must be completed.” After this information is entered, instructor must click “Save and Continue.”
- When entering grades of “U” the instructor must complete the Last Date of Attendance or Participation, OR check the “Did not attend” box before proceeding to the next name on the roster.
- For any withdrawn classes (grade of “W”) instructor must either fill in Last Date of Attendance or Participation, verify that the prefilled date is correct, or check the “Did not Attend” box
- All grades and required information (for grades of “I”, “U” and “W”) must be completed before instructor can click “Submit.”

PLEASE NOTE: Due to the ease of accessing class rosters through the TigerCentral, the Registrar's Office will no longer print the final grade rosters. Faculty may view and/or print final grade rosters from TigerCentral.

The Registrar's Office contact is Tammy Winters at 4427.

**Most International partnership grades are due at a later date.*

Blackboard End of the Semester Reminder

Learning Technologies would like to remind all the faculty to place zeros in Grade Center if students did not submit their assignment or exams. This is important because system will not calculate the assignment or exam in their total grades calculation.

For more information, please check Blackboard end of the semester checklist at the following link,
<http://tigerlearn.fhsu.edu/wp-content/uploads/New-End-of-semester-checklist1.pdf>

Other items:

- Course copies for Summer/Fall courses can be submitted using this link -
<http://www.fhsu.edu/learningtechnologies/CourseCopyRequest/>
- If you know for sure that you are assigned to teach a course/section and you are missing a Blackboard shell on your site, that means your name is NOT listed for that course in the official records (CICS). Please check with your department.
- Student auto enrollment in your Bb course shells will begin as follow:
06/03/2016 for Summer 2016 semester
08/17/2016 for Fall 2016 semester

If you have questions regarding this, please call TigerTech at 3478 or email us at bbsupport@fhsu.edu.

Technology Purchase Requests Deadline June 3

All Technology Purchases that are to be applied to FY16 should be **submitted and approved by the budget authority via the Lotus Notes Technology Purchase Request Form by Friday, June 3.**

Please make a note on the request form that the purchase needs to be posted in FY16.

Important: Meeting the June 3 deadline does not necessarily guarantee FY16 posting. Items that are ordered, but incur shipping delays or back orders may not post in FY16. Technology Services recommends that all Technology Purchase Requests that need to post in FY16 be submitted as far in advance as possible.

Making It Developmental: Building a Process for Student Development

Thursday, May 19, Webinar – 2:00 pm to 3:00 pm
Tomanek 161, TigerLearn

Tara Harvey, Ph.D., will wrap up this webinar series by discussing the lessons learned through her own research and experience regarding the process of facilitating students' intercultural learning abroad. Dr. Harvey wrote her dissertation on this topic and, as Academic Director of Intercultural Learning at CIEE, developed the signature course, 'Intercultural Communication and Leadership' and integrated intercultural learning frameworks into CIEE's wide array of study abroad programs. In this webinar, she will discuss what educators need to focus on when building a process for student development.

Learning Outcomes: Participants in this webinar will be able to:

- Identify how intercultural and student development theory has been used to inform the active process of facilitating students' intercultural learning during study abroad
- Understand the key findings and lessons learned from these approaches
- Consider how these findings can inform their own work with students
