Radio Station Needs Staffers

Students interested in working on campus radio station KFHS who have had radio experience or classes are asked to attend a meeting at 3 p.m. today in Sheridan Coliseum, Room 208, by KFHS adviser Jack Heather.

Heather also urges anyone who worked on the campus radio station last year to attend the meeting, which is to select a staff for the coming school year.

If any student is interested in working on the station but cannot attend the session, he should contact Heather.

KFHS now broadcasts to the Memorial Union and Custer Hall, women's residence. Transistors which will bring the station to two more residence halls are expected to be added in the near future. Don Hobelman, Hays junior, is building the transistors.

Pep Assembly Scheduled Friday

Fort Hays State's football team will receive moral backing at a pep assembly scheduled for 9:30 a.m. Friday in Sheridan Coliseum.

Over 1,200 Men Volunteer To Boost Area Blood Supply

More than 1,200 men students at Fort Hays State College will pump new blood into Hays and the surrounding area this year.

Campus Blood Donors, a new organization headed by students in Alpha Phi Omega service fraternity, was enlisted to recruit donors during enrollment. When the week was over, 1,259 students had volunteered.

"This was many more than we had anticipated," said Steve Baumann, chief medical technologist at Hadley Memorial Hospital who is helping with the program. "We are extremely pleased to have secured so many volunteers."

The next step in the project, conducted in conjunction with the community-wide Life Saver Blood Donors program, is to begin a massive typing operation. Baumann

said about 50 persons can be typed nightly at each of the two Hays hospitals, Hadley and St. Anthony's.

About 25 per cent of the volunteers will be excused from the program for medical reasons as a result of the typing, Baumann explained.

New Minister To Expand Campus Religious Program

By Sharon Kleweno

An expanded program of religious activity is planned on the FHS campus this year with the addition

Rev. Goodson

After the typing, students will be called on as needs arise to (1) keep up the supply of blood in the local bank and (2) contribute in emergencies.

About 20 donors are needed each week to supply local needs, so most of the students will be (Continued on Page 4)

have been made, Rev. Goodson expects to center his program around the spiritual needs and interests of the students.

"Hopefully, these needs and interests will lead to group discussions and forums involving anywhere from 10 to 20 people. Each student would then have a chance to express his hopes and his problems," the young minister explained.

For this small group ministry to become effective, Rev. Goodson is spending a large part of his time this semester becoming acquainted with individuals in the college community.

Rev. Goodson emphasized he is not trying to compete with the religious organizations which already exist. Instead, he is trying to work in connection with these organizations to foster a deeper understanding of our personal faith as well as understanding the various faiths and denominations represented on our campus.

McGovern Is Retreat Speaker

A group of 31 students and 25 faculty members will participate in the second annual Student-Faculty Retreat Saturday at Camp Pecusa, near Webster Lake west of Stockton.

The theme for discussion will be "Philosophies and Actions." Dan McGovern, Uplands, Calif., senior, will be the keynote speaker.

Discussion topics will include administrative authority, improvement of instruction and campus services.

Debate Squad Nears 1st Meet

Fort Hays State debaters will begin an attempt to equal last year's record of over 60 per cent wins when they have their first meet of the season Oct. 19 at Kansas State University.

Also scheduled for this fall are meets at Emporia State, Oct. 24-26, and Texas Christian University, Fort Worth, Nov. 2.

The topic for debate this year is: Resolved, that the federal government should guarantee an opportunity for all qualified high school graduates.

Debate coach Jim Costigan said the teams for this year's debate are still undecided, mainly because of having many inexperienced debaters.

However, he is encouraged by the success many of his freshman debaters had in high school.

Returning debaters are Rex Gaskill, Hutchinson senior; Jone Burris, Hays junior, and Tom Teschner and Richard Scott, both Atchison sophomores.

Newcomers on the squad include Ken Brown, Kinsley; Steve Trammel, Atchison; Gerry Michael, Russell; Gary Kisner, Great Bend; Clair Swann, Russell; Connie Leuty, Ellsworth, and Cheryl Bentley, Garden City.

Federal Exam Open to Seniors

Applications are now being accepted for the 1964 Federal Service Entrance Examination, the U. S. Civil Service Commission has announced.

This examination, open to college seniors and graduates regardless of major study as well as to persons who have had equivalent experience, offers the opportunity to begin a career in federal service in one of 60 occupational fields.

These positions, ranging in starting salaries from \$4,690 to \$5,795 a year, are located in various federal agencies throughout the United States.

A written test is required, except for those candidates who have attained a sufficiently high score on the Graduate Record Examination Aptitude Test.

Applicants who file today will be scheduled for the first written test on Oct. 12. Six additional tests have been scheduled. The deadline for applying is April 14, 1964.

Details concerning the requirements, further information about the positions to be filled and instructions on how to apply are given in Civil Service Announcement No. 311. The announcement may be obtained at some post offices, college placement offices, Civil Service Regional Offices or the U. S. Civil Service Commission, Washington, D. C. 20415.

Regular Session Planned

Little Theater will hold its first meeting of the school year at 7 p.m. Friday in the Sunset Lounge of the Memorial Union.

Hereafter, regular meetings are planned for the second and fourth Thursdays of every month at 4 p.m. in the Sunset Lounge.

ASC Finalizes Retreat Plans, Picks Secretary, Treasurer

Final plans for the student-faculty retreat Saturday highlighted the first meeting of the All-Student Council Tuesday night in the ASC office in Picken Hall.

The student governing body completed plans for the retreat program, named committees for activities scheduled for the outing and lined up the cars necessary to transport students and faculty members.

Plans also neared completion for the Student Council Leadership Conference, which will be held Oct. 5 in the Memorial Union.

Every high school in the state has been contacted concerning the conference and asked to send four outstanding seniors. The conference was last held two years ago.

Leland Brodbeck, Kinsley senior, was voted Junior Rotarian of the Month by the council. Each month ASC picks an outstanding senior for the honorary title.

In other action by the council, Jan Montgomery, Holyrood sophomore, was elected ASC secretary and Lance Clay, Meade junior, treasurer.

ASC has agreed to finance the seven FHS cheerleaders to one out-of-state football game this season, continuing a practice followed last year. Megaphones will also be purchased by ASC for the Kit Kats and Tigerettes, co-ed pep groups. The council plans to buy six dozen.

Well-Known Artists Exhibit Prints In Davis Hall

Fifty-three original prints by well-known artists are being displayed in the Davis Hall lounge-gallery at Fort Hays State College until Sept. 26.

On loan from the George Binet Collection, the show features work by such artists as Paul Cezanne and Edouard Manet of France; William Blake, England; J. S. MacNeil Whistler, United States; and Francisco Goya, Spain.

The exhibit covers a variety of subjects—from landscapes to figure studies and portraits.

"It's not often that we get such a collection of famous artists in a single show," said John Thorns Jr., associate professor of art.

This is the first in the regular series of monthly shows sponsored by the department of art.

Leaflet Tells Library Policies

The library being a laboratory for students, all should be familiar with its rules, regulations and methods of use. In order to accomplish this purpose Forsyth Library has issued a leaflet to acquaint students with its policies. It may be obtained at the reference desk.

Listed in the leaflet are methods of using the card catalog, magazine indexes, a guide to the reserve book room, how to find book reviews, a guide to the reference department and the library hours.

A minimum of information is offered in the leaflet which is designed only to supplement the service of the librarian.

In addition to this leaflet of general information, eight similar publications which cover specific areas of the library are available.

Second Floor Ready Soon in McMIndes

Girls living in McMIndes Hall are expected to be situated far better soon after the second floor is completed this Saturday, according to Edward Johnson, housing director.

At this time girls originally assigned to the second floor will move down from the upper four floors. This will not fill the dormitory to capacity.

Completion of the first floor of the new residence hall is expected about the middle of October, and Nov. 1 is the tentative date to begin food service in McMIndes. Agnew and Custer have been carrying the extra load of serving McMIndes girls their meals.

There are two new assistant housemothers on campus—Mrs. Doris Rohrbaugh, McMIndes, and Mrs. Marguerette Walters, Custer.

Bids are being accepted today for construction of 36 married student apartments at FHS.

Union Features Chapel Photos

An exhibition of 31 black and white photographs of the chapel Notre Dame du Haut in Ronchamp, France, will be on display in the upstairs gallery of the Memorial Union through Sunday.

The chapel was designed by Le Corbusier, one of the world's most distinguished architects and winner of the American Institute of Architects Gold Medal in 1961.

The exhibit, planned by the American Institute of Architects, is circulated nationally by the Smithsonian Institution and presents a study in depth of the revolutionary chapel, focusing on the startling, yet deeply religious aspects of the pilgrimage church.

Photographs in the exhibition were taken by Ezra Stoller, who was awarded the institute's Architectural Photography Medal in 1961.

Support The Tigers

When Fort Hays State's basketball team traveled to Kansas City last March to compete in the NAIA Tournament of Champions, probably the biggest following in the history of the school cheered them on to their fourth place finish.

While it would hardly be feasible to wish for such support for all athletic events, it is within reason to advocate strong school backing and loyalty.

Saturday night athletic competition begins at FHS for another school year when the football team travels to Maryville, Mo., for a meeting with Northwest Missouri State.

It would be good to see a large turnout of Bengal rooters at this game and similar events throughout the year. While this athletic contest is being held some distance away, many others are within shorter driving distance and could easily be attended if the student was interested enough.

However, athletic events are not the only group which should receive support by the student body. Music and debate are only two of many other areas on campus which warrant backing.

One of the best ways to insure success is to let the participants in the various competitions know they are being appreciated.

The Leader hopes you support the Tigers Saturday night, and then continue to back FHS in all activities throughout the school year.

Senate Guides Instruction

Perhaps one of the Fort Hays State governing bodies least understood by students is the Faculty Senate. The senate is composed of a member from each educational division on campus and deals with all instructional matter.

Divisions elect representatives to the senate for a one-year term and instructors elected for a second term are then ineligible for a year.

Four main areas on which the senate rules are the addition of new classes, probation, the grading system and the honors program.

In reaching decisions the senate often hears testimony from persons who may be directly involved by any action which is taken or have been working in the specific area.

For instance, when considering whether a new course should be offered at FHS, the instructor who may teach the class would appear before the senate. He may tell of the need for such a course, how he thinks it would be received and give any other pertinent information.

All decisions made by the senate are subject to approval by the president.

Prior to the meetings, which are held on Tuesday at 4 p.m. in the dean's office, an agenda of the business to be discussed is sent out to the representatives so that they may consult with other members of the faculty in their division and prepare for the issues.

Minutes of action taken at the meetings are published regularly in the president's bulletin.

Permits Needed Now, Violators Ticketed

Parking permits must be displayed immediately on all cars. Vehicles not displaying a permit are being ticketed. Permits for students are available in the deans of students office. Faculty may secure their permits at the business office.

members, Dr. Emerald Dechant, Dr. Max Rumpel, Dr. Wilda Smith, Leona Gallion and Kent Collier; and six students, Charles Myers, Great Bend senior; Eldon Fleury, Jamestown senior; Daphne Hawkins, Sylvan Grove senior; Jan Montgomery, Holyrood sophomore; Kent Leichter, Nickerson senior; and Charles Fritzmeier, Stafford senior.

An added attraction for the weekend will precede the homecoming activities when Celeste Holm, singer and entertainer, will present a concert and dramatic program Friday evening as part of the Artists and Lectures series.

Bridge Club Being Formed

The Games Committee of the Memorial Union Program Council announces that a college bridge club is being formed.

During the Activities Merry-Go-Round Friday, experienced teachers will be on hand in the Arapahoe Room to give help to beginning players and to talk with students concerning the club. At a later date, the committee hopes to form a duplicate bridge club.

When this bridge club was tried in the past there seemed to be some misunderstanding as to the club's function. This year it is planned to emphasize opportunities not only to the experienced veteran of the game, but also to encourage beginners to begin play.

Grad Enters Seminary

Paul Max Biays, who received his master's degree in philosophy from Fort Hays State in 1962, is now engaged in advanced studies at the Cincinnati Bible Seminary.

His master's thesis, entitled Parallelism in Romans, was well received and is being published by the college as part of the Fort Hays Studies.

Brewings

To those of you who have noticed the change in the name of this column—salute. This indicates you are good people who read it last week and are giving me another chance.

The reason for the switch from Potpourri to Brewings is simple: I didn't know the meaning of Potpourri and couldn't pronounce or spell it. Not really, but Brewings has at least a trace of originality and somehow connects me with it.

After returning to Hays from St. Joseph, Mo., where I spent the summer, I observed that some of the elephant jokes circulating in that area had not been heard here. Therefore I will pass several on to you and hope that this is true.

Do you know why elephants are gray? So you can tell them from plums.

Do you know why elephants climb trees? To build their nests.

Do you know why elephants have flat feet? From jumping out of trees.

Do you know why you're not supposed to walk through the jungle at 4 p.m.? That's when the elephants are jumping out of trees.

Do you know why elephants have floppy ears? So you can tell them from giraffes.

Do you know why alligators have flat noses? They have a habit of walking through the jungle at 4 p.m.

Do you know why giraffes have long necks? So they can see the elephants hiding in the trees.

Do you know how to tell if an elephant has been in the refrigerator? Look for foot prints in the jello.

Do you know why the elephant lay down in the middle of the street? To trip the rabbits.

Do you know why the elephant wore sunglasses? So Tarzan wouldn't recognize him.

Do you know why an elephant has two toes? So they can wear thongs in the shower.

Do you know what Tarzan said when he saw the elephants coming over the hill? "Here come the elephants."

Do you know how to keep an elephant from charging? Cancel his account.

Do you know why the elephant wore his red sneakers on Sunday? His blue pair was dirty.

Do you know how to transport an elephant free of charge? Put him in his trunk and send it C.O.D.

Do you know what the color-blind man said when he saw the elephants coming? Here come the plums.—Norman Brewer

Blood Donors . . .

called sometime during the year. Although most donations will be used locally, the two Hays hospitals cooperate to help area hospitals when the needs arise.

They also supply needs of Ellis County patients who receive specialized surgery at hospitals in such places as Kansas City and Denver.

The college's program is an outgrowth of a project started last year by Alpha Phi Omega and the Interfraternity Council, fraternity governing body. Only members of social fraternities were asked to contribute last year, but the program was expanded this year to obtain more donations.

IFC and the Panhellenic Council, which comprises sorority representatives, are cooperating with Alpha Phi Omega in the campus-wide project.

Although men will supply most of the blood, women with rare types also may join the program. Bennie Neaderhiser, Cuba junior who is in charge of the college's contributions, said nearly all those who have volunteered are men.

The search for contributors will continue through the early part of the fall semester.

New Minister . . .

(Continued from Page 1)

Rev. Goodson held an interest in the campus ministry even while attending seminary. He was an assistant to the Presbyterian university pastor at the University of Texas and he was Presbyterian student worker at the University of Louisville.

After his ordination into the ministry he was pastor of Dixon Memorial Presbyterian Church in Birmingham, Ala. Before coming to Hays, he completed 15 months training in counseling and pastoral work at the Metropolitan State Hospital, and at the mental hospital in Austin, Texas.

Rev. Goodson's office on campus is located in the southwest corner of the Memorial Union basement.

2 Anonymous Gifts Assist 40 Students

Two gifts totalling more than \$11,000 are helping 40 students to attend Fort Hays State this semester.

Last winter the Endowment Assn. received a check for \$7,000 from a donor who stipulated that the money be used to help students of average scholastic standing.

Later, another donor presented a warehouse receipt for 2,077 bushels of wheat which, when sold, netted the Endowment Assn. \$4,946 for student loans.

Of the \$7,000 gift, \$5,850 has been loaned to 23 students, each loan averaging about \$250. Seventeen loans totalling \$4,200 have been made from the "wheat fund" at an average of about \$235.

Kent Collier, executive secretary of the Endowment Assn., said more than \$2,000 is still available for lending to students during the remainder of the fall term and in the spring semester.

The "wheat loan fund" has already earned \$4.30 in interest from notes repaid by students at 3 per cent interest, Collier added.

"These two funds have been of invaluable help in our student loan program," Collier said, "and as the funds grow they will provide even more benefit to Fort Hays State students."

"I'm sure that many of the 40 students who have received help from these funds couldn't have come to college without these loans," he added.

THE DEAN YOU SAVE MAY BE YOUR OWN

Colleges are complicated and bewildering places, filled with complicated and bewildering people. Today let us examine one of the most complicated and bewildering—yet fetching and lovable—of all campus figures. I refer, of course, to the dean of students.

Policeman and confessor, shepherd and seer, warden and oracle, proconsul and pal—the dean of students is all of these. How, then, can we understand him? Well sir, perhaps the best way is to take an average day in the life of an average dean. Here, for example, is what happened last Thursday to Dean Killjoy N. Dampier of the Duluth College of Belles Lettres and Pemmican.

At 6 a.m. he woke, dressed, lit a Marlboro, and went up on the roof of his house to remove the statue of the Founder which had been placed there during the night by high-spirited undergraduates.

Dean, Policeman, Confessor, Shepherd, Seer...etc.

At 7 a.m. he lit a Marlboro and walked briskly to the campus. (The Dean had not been driving his car since it had been placed on the roof of the girls dormitory by high-spirited undergraduates.)

At 7:45 a.m. he arrived on campus, lit a Marlboro and climbed the bell tower to remove his secretary who had been placed there during the night by high-spirited undergraduates.

At 8 a.m. he reached his office, lit a Marlboro, and met with E. Pluribus Ewbank, editor of the student newspaper. Young Ewbank had been writing a series of editorials urging the United States to annex Canada. When the editorials had evoked no response, he had taken matters into his own hands. Accompanied by his society editor and two proofreaders, he had gone over the border and conquered Manitoba. With great patience and several Marlboro Cigarettes, the Dean persuaded young Ewbank to give Manitoba back. Young Ewbank, however, insisted on keeping Winnipeg.

At 9 a.m. the Dean lit a Marlboro and met with Robert Penn Sigafos, president of the local Sigma Chi chapter, who came to report that the Deke house had been put on top of the Sigma Chi house during the night by high-spirited undergraduates.

At 10 a.m. the Dean lit a Marlboro and went to umpire an intramural softball game on the roof of the law school where the campus baseball diamond had been placed during the night by high-spirited undergraduates.

At 12 noon the Dean had a luncheon meeting with the prexy, the bursar, and the registrar, at the bottom of the campus swimming pool where the faculty dining room had been placed during the night by high-spirited undergraduates. Marlbors were passed after luncheon, but not lighted, owing to dampness.

At 2 p.m., back in his office, the Dean lit a Marlboro and received the Canadian Minister of War who said unless young Ewbank gave back Winnipeg, the Canadian army would march against the U.S. immediately. Young Ewbank was summoned and agreed to give back Winnipeg if he could have Moose Jaw. The Canadian Minister of War at first refused, but finally consented after young Ewbank placed him on the roof of the metallurgy building.

At 3 p.m. the Dean lit a Marlboro and met with a delegation from the student council who came to present him with a set of matched luggage in honor of his fifty years' service as dean of students. The Dean promptly packed the luggage with all his clothing and fled to Utica, New York, where he is now in the aluminum siding game.

Local Sig Eps Receive Top National Honor

Sigma Phi Epsilon social fraternity at FHS was the recipient of a top national honor at the organization's conclave recently. The Hays fraternity, one of 163 chap-

ters across the nation, was chosen one of five most outstanding Sig Ep chapters.

Lynn Nelson, Ness City, president of the group, accepted the gold cup given in recognition of the group's achievements. Others from Hays attending the conclave at Mackinac Island, Mich., were Gary Nagel, Leoti; Jim Johnson, Zenith; and Jim Windholz, Hays. Paul Maneth, Great Bend, was the group's president last year.

One of six chapters in Kansas, Sigma Phi Epsilon was colonized on the FHS campus as the Pegis Club in 1956 and received its charter in 1958. Last year, the chapter's active members had the highest grade average among fraternities on the campus during both the fall and spring semesters. As a group, they won the all-sports title which goes to the fraternity compiling the most points during the year. They also captured sweepstakes honors in the Homecoming float parade and earned first place in the Greek Sing and chariot race.

Cross Country Prospects Appear Bright for 1963

RETURNING LETTERMAN — Lowell Smith, Clyde junior, is one of seven returning lettermen on the cross country team this year.

Seven returning lettermen, one transfer, and ten promising freshmen make the cross country prospects bright at Fort Hays State.

Last season the Tigers captured the runner-up spot in the NAIA behind defending champ Emporia State. The injury-stricken Bengals also placed second in CIC competition behind a very strong E-State squad.

Sophomore Don Lakin of Pawnee Rock shattered the 4-mile record at a home meet and the 3-mile record at Kearney, Neb., State. Lakin finished third in the CIC race and twenty-seventh in the NAIA meet.

Returning lettermen for the improving Bengals are:

Dennis Mannering, Smith Center senior; Gerald Hertel, Ness City sophomore; Jerry Katz, Holcomb junior; Mel Pfannenstiel, Hays senior; Lowell Smith, Clyde junior; Charlie Rose, Haviland junior; and Lakin.

The promising non-lettermen are:

David Brookshire, Long Island, N. Y., freshman; Joe Dunham, Overland Park sophomore; Dwight Gillespie, St. John junior; Richard Harders, Great Bend freshman; Jack Harms, Ellinwood sophomore; James Hicks, Smith Center freshman; Cecil Johnson, McPherson freshman; William Parker, Horton freshman; Stephen Stewart, Courtland freshman; Joe Twyman, Overland Park sophomore, and Harry Walker, Englewood senior.

The first cross country meet is the Wichita U. Invitational Sept. 27.

Penguin Club Members To Swim on Wednesdays

The first meeting of the Penguin Club is scheduled at 4 p.m. Wednesday at the Sheridan Coliseum swimming pool. The group will meet at 4 each Wednesday during the college year. Anyone who can pass the club's swimming requirements is welcome to join.

Nancy Cotham, instructor in physical education, is group adviser. The group stages an annual water show, open to the public, each spring.

Students and faculty are invited to use the pool every weekday except Wednesdays from 4 to 6 p.m.

First Newman Club Meeting Is Wednesday

Newman Club will hold its first meeting of the school year at 7 p.m. Wednesday in the Memorial Union Gold Room, according to Jean J. Oborny, publicity chairman.

Chaplain Father John Terbovich will be the primary speaker. Main topic for the evening is "Newman Apostolate."

FHS Football Heritage . . .

Tigers Start 46th Intercollegiate Season

Fort Hays State begins its 46th intercollegiate football season Saturday night at Maryville, Mo.

The first completely intercollegiate schedule was played in 1915. Earlier FHS teams met some college opponents, but included numerous high school and town teams to fill schedules in the early 1900's.

Since 1915, the college has fielded a team in strictly college competition each year, with the exception of the war years of 1943, 1944 and 1945.

The first football game ever played by a Fort Hays State team was in 1902, the year the institution was founded as the Western Branch of the State Normal School.

That initial gridiron effort was staged Sept. 17, 1902, between the college team and a Hays town team. There was one difficulty not encountered by today's Tigers—in the entire town at that time, there was only one football.

The two teams practiced at different times to use the ball, and the winner of the game was to keep it.

It took two games to resolve the battle. The first contest ended in a tie. The second, one week later, was won by the college team, 15-0.

Why are the Tigers called the Tigers?

According to a history of the college compiled by the late L. D. Wooster, president-emeritus of FHS, the name originated in 1913 when the college severed its relationship with the State Normal

School at Emporia to become Fort Hays Kansas Normal School.

William A. Lewis became president of the school that year. He suggested the Tiger as the nickname or symbol for the athletic teams.

Why would he choose Tigers—not a particularly appropriate tag for an institution on the high plains of Western Kansas? According to Wooster's history, it apparently was due to President Lewis' strong roots in Missouri. He was an avid supporter of the University of Missouri, which, then and now, used the Tiger as the athletic symbol.

Hence his loyalty to that name, and the mascot Fort Hays State has used these 50 years.

Lewis was also responsible for the FHS colors, black and gold.

The college had used one color, gold, during its association with the State Normal School. Gold was also the color at the Normal School.

Lewis suggested adding black to distinguish the colors from that used at Emporia. That was also in 1913.

Since then, Emporia State added black, and both now feature the black and gold combination.

Perhaps the greatest period of

football success at Fort Hays State came in the mid-1930's.

The 1934 team, under Coach Jack Riley, won the college's first Central Intercollegiate Conference grid championship and had a 6-2-1 record.

The 1935 team, coached by Jim Yeager, had an 8-2-0 mark and tied for the CIC crown with Pittsburg State and Wichita University. This Tiger aggregation also beat Kansas State, 3-0, on a heroic field goal by Bill Reissig.

The 1936 squad, with Paul Waldorf coaching, had a 6-3-0 record and again won the CIC title.

FHS hasn't won the league football championship since 1954, when Ralph Huffman, now an associate professor of industrial arts at FHS, led the Bengals to a 7-2-0 slate.

Last year's Tiger squad, runner-up in the conference race, was just two points away from the crown. One point in the 20-20 tie with champion Omaha U. and one point in the 14-13 upset loss at Emporia State would have turned the trick.

Only one FHS football team has compiled an undefeated season. That was in the 1917 campaign, when the Tigers had seven straight triumphs.

Three Pitt Regulars Declared Ineligible

Kansas State College of Pittsburg has voluntarily withdrawn three of its top football players from competition because of doubtful eligibility.

The three are John Bair, tackle from Minneola; Bob Fulton, all-CIC first team halfback from Kansas City; and Chuck Sturdevant, halfback from Neosho, Mo. All are seniors and were scheduled to start against the Southwest Missouri State Bears last week.

The decision is based on CIC and NAIA standards of participation which state that an athlete must complete his athletic eligibility within 10 semesters of study.

Opener Pits Bengal Gridders Against Improved Maryville

Fort Hays State's football Tigers open the 1963 grid season at 8 p.m. Saturday when they meet a tough Northwest Missouri State team at Maryville.

Head coach Wayne McConnell looks for the Bearcats to be 100 per cent improved from last year, when the Bengals defeated the Missourians, 21-0.

Since last week's intra-squad game, McConnell has been drilling the squad on quicker starts, harder running, position, keeping low and covering more territory on defense and general polishing, both on defense and offense.

Junior Varsity To Play Kearney

Sporting an 8-1 record over a three-year period, the Fort Hays State junior varsity squad goes into action against the Kearney (Neb.) State jayvees at 2:30 p.m. Monday.

Last year the Bengal jayvees whipped Kearney State twice, 14-0 and 25-13. The only loss for the Tiger cubs in 1961 at the hands of Kearney, 33-20.

The junior varsity squad is primarily made up of freshmen, with a few upperclassmen who lack college football experience.

The squad is coached by graduate assistant Ron Gardner, a 1963 FHS graduate. Gardner was a four-year tackle letterman and all-CIC second team selection last year.

The young Tigers play three games each year, two with Kearney State and one with Emporia State. The second game against the Nebraskans will be Oct. 7 at Lewis Field Stadium and the final game will be played at Emporia, Oct. 21.

The squad, made up of 33 players, will leave for Kearney at 7:30 a.m. Monday. All members of the Tiger squad will be suited up this weekend, either for the varsity game Saturday night or the jayvee game or both.

ishing, both on defense and offense.

The Maryville team will be featuring a multiple-T offense, similar to that of the Tigers. A good passing attack and speed is expected to spearhead the Bearcat offense.

McConnell released the following lineup for the road trip:

Offensive team: Cliff Leiker and Bill Ham, ends; Ron Schumacher and Clark Engle, tackles; Larry Dreiling and Dave Jones, guards; Ken Palmgren, center; Mike Matson, quarterback; Charlie Canty and Jesse Kennis, halfbacks, and Steve Worley, fullback.

Defense: Bill Walters and Larry Noffsinger, ends; Ken Dreiling and Dudley Fryman, tackles; Jack Hazlett and Kirk Pope, guards; Jesse Kennis and Jack Johnson, linebackers; Max VanLaningham and Jim Hill, halfbacks, and Larry Bates, safety.

Last Friday night at Lewis Field a Black squad made up of the top 22 offensive and defensive grid-ders trounced a younger, inexperienced White squad, 53-7. The Whites were made up of the remaining 32 squad members.

Leading the Blacks' team scoring were Charlie Canty, Steve Worley and Jim Hill, each with two touchdowns. Canty scored on an 85-yard pass play and on an 80-yard punt return. Worley hit pay dirt from seven and one

yards and Hill tallied with three and eight-yard runs.

The opening counter was scored by quarterback Mike Matson on a short run and the other touchdown was added by Max VanLaningham on a 50-yard pass interception. VanLaningham also accounted for five extra points.

The lone White touchdown came on a plunge by freshman quarterback Bob Johnson. Leo Hayden, another frosh signal caller, kicked the extra point.

The leading rusher for both teams was fullback Steve Worley, who netted 93 yards on 14 carries.

Tiger Coach Starts 8th Year

When the Fort Hays State Tigers go into action Saturday night at Maryville, head coach Wayne McConnell will be beginning his third decade of coaching and his eighth season at FHS.

Before coming to Fort Hays State, McConnell coached six years at College of Emporia, guiding his teams to 39 wins, 12 losses, and one tie.

From 1951 to 1955 his teams were undefeated in regular season play. In 1953, he was named Little All-American Coach of the Year by the Rockne Foundation.

Coming to FHS in 1956, McConnell's record at FHS is 24 victories, 35 losses, and three ties in seven years of coaching. This includes last year's mark of 6-2-1, the best in 10 seasons at FHS.

After graduating from Washburn University in 1934, McConnell completed two years of Army service and coached high school teams at Effingham, Gaylord, Downs and Manhattan before moving to C of E. After 20 years of coaching, his record shows 93 victories, 59 defeats and six ties.

He completed his master's work at Emporia State in 1954 and is presently an assistant professor of physical education on the Fort Hays State faculty.

Volleyball Heads Women Intramurals

The women's intramural volleyball tournament will get under way at 7 p.m. Wednesday in the Sheridan Coliseum arena, and continue on several nights through Oct. 24.

A practice will be held at 7 Tuesday night also in the arena. Deadline for those wishing to participate in the tournament is today. Women may sign up in the Union, the women's dressing room in the Coliseum and women's dormitories or sorority houses.

About 20 teams will be participating in the four leagues in the round-robin tournament, according to Judy Rinker, IM director.

An officials clinic will be conducted at 7 p.m. Monday in the Coliseum arena for any women interested in officiating.

Volleyball is the first of 12 sports offered to coeds. Other sports include archery, table tennis, badminton, swimming, bowling, basketball, softball, touch football, hand soccer, golf and tennis.

Wrestling Starts Monday

A meeting of all boys who want to participate in wrestling is scheduled by Dave Winter, new FHS mat coach, at 3:30 Friday in Sheridan Coliseum, Room 210.

Workouts will begin Monday in Lewis Field Stadium.

TIGER BACKFIELD — These Tigers have been named by Coach Wayne McConnell as the starting backfield against Northwest Missouri State. They are (top, left to right) Steve Worley, fullback; Mike Matson, quarterback; (bottom) Charlie Canty and Jesse Kennis, halfbacks.

Men's Intramural Meeting Tuesday

The men's IM program will open with a meeting of all coaches, captains and those wishing to officiate at 7 p.m. Tuesday in Sheridan Coliseum, Room 210.

IM action will start with touch football at 4 p.m. Wednesday on the practice field west of the men's gym.

Those who want to compete in horseshoes and tennis should sign up in the IM office now.

WRA Plans Picnic

The Women's Recreation Assn. will sponsor an all-member picnic Saturday at a surprise lake, which a WRA committee picked.

All members interested in attending the outing should sign up by Friday in the women's dressing room in Sheridan Coliseum or the women's dormitories. The group will meet at 3:00 p.m. Saturday at the Coliseum.

Monday evening the WRA held an all-freshman women's picnic at the City Park, which 100 attended.
