# A Look At Today's Game

Head Coach Bob Noblitt brings his Washburn Ichabods into Lewis Field today to clash with the Fort Hays State Tigers.

After walking through the pre-conference undefeated in three ball games, the Ichabods have had their trouble in the Great Plains Athletic Conference. The University of Nebraska-Omaha handed the Ichabods their first loss, 40-14, and then Southern Colorado State knocked off WU, 13-0.

FHS pulled one of the upsets in the GPAC race last weekend handing Pittsburg State a 28-14 defeat. This leaves the Tigers with a 1-3-1 slate overall in conference play.

At the signal calling position, the Ichabods will have either freshman Paul Garrett, who started his first game last weekend, or sophomore Ed Clark, who held the number one spot for the first four games. Before action last week, Clark was averaging 35.0 yards per game rushing and 24.0 yards passing; while his cohort Garrett averages 29.0 yards on the ground and 24.0 through the air.

Russ Hall, the kicker for the Ichabods, gives WU a threat from any spot on the field. He has converted on four of eight field goal attempts. He also added 12 of 14 extra points.

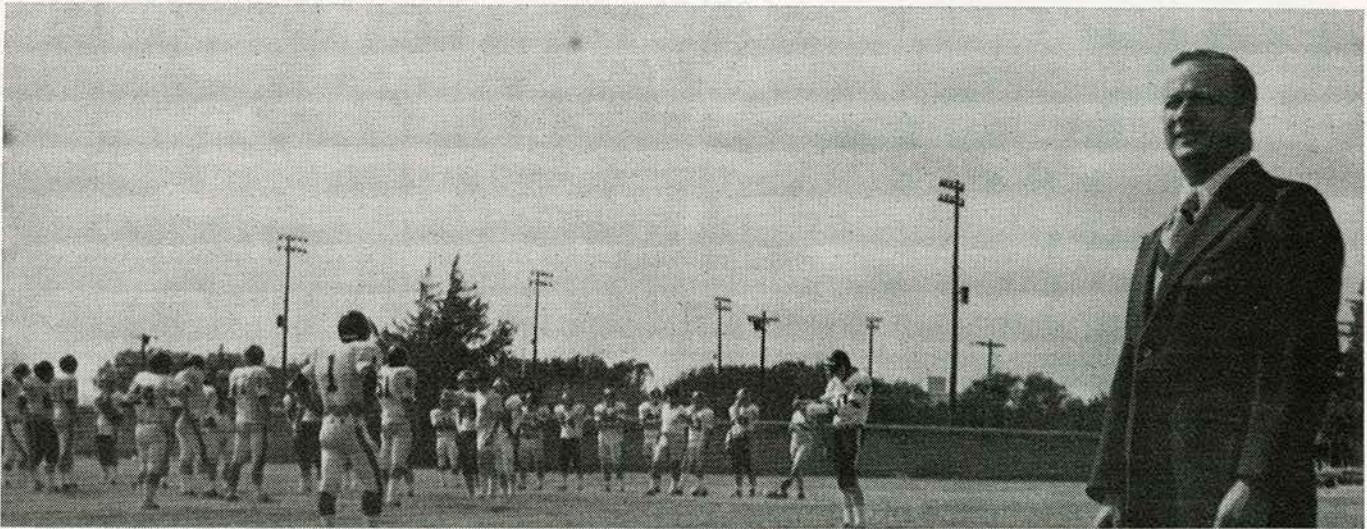

In the conference, WU stands first in total defense allowing 208.2 yards per game. The "Daddy Buzzards", as they are called in Topeka, have allowed a per game norm of 100.7 yards rushing.

Junior tailback Steve Crosby continues to lead the Bengals on offense. Crosby has carried the ball 122 times for 524 yards, an average of 4.3 yards per attempt. He also tops the Tigers in scoring with six touchdowns.

Last week the Tigers had their best showing of the year defensively. J. D. Armstrong and his defensive band allowed the Gorillas from Pittsburg only 25 yards rushing in the second half. For the game, KSC was limited to 118 yards overland and 150 yards through the airways. Armstrong added 16 tackles and a pass interception to his statistics, giving him 76 tackles for the year. John East, a freshman, starting his first game, was involved in six tackles, while Rod Lundgren was credited with nine stops and a fumble recovery.

Even the toughest need protection. Shoulder pads, hip pads, helmet—with these, a player can give the game all he's got without fear of injury.

Life is much the same. Good health is important, but to get the most out of life, you need protection, too. That's where Living Insurance comes in. It can give you the security of knowing that your family will be protected, if you die. And, it can provide a reserve of funds for emergencies, education, retirement. ## QUEEN CANDIDATES

### **Rhonda Nuckolls, Junior, Wiest Hall**

Nursing is the dream that Rhonda Nuckolls wants to pursue in her future. "That's all I ever wanted to do, I even played it when I was a little kid," remarked Rhonda when questioned about her reasons for going into nursing.

Rhonda is against women's lib because she likes being treated different than guys. When told she was to be a finalist, Rhonda commented "I was totally shocked, I never pictured myself as a queen or even a candidate for one." Rhonda is the daughter of Mr. and Mrs. James Nuckolls of Burdett, Kan.

### **Charli Borger, Senior, Veteran's Club**

President of the Student Council for Exceptional Children, member of the Mortar Board, member of the Golden Hearts; these are just a few of the things that Charli Borger participates in to fill her spare time. "Making a mentally retarded child say 'Ah-ha' when discovering something is the greatest feeling there is," remarked the member of the Delta Zeta sorority.

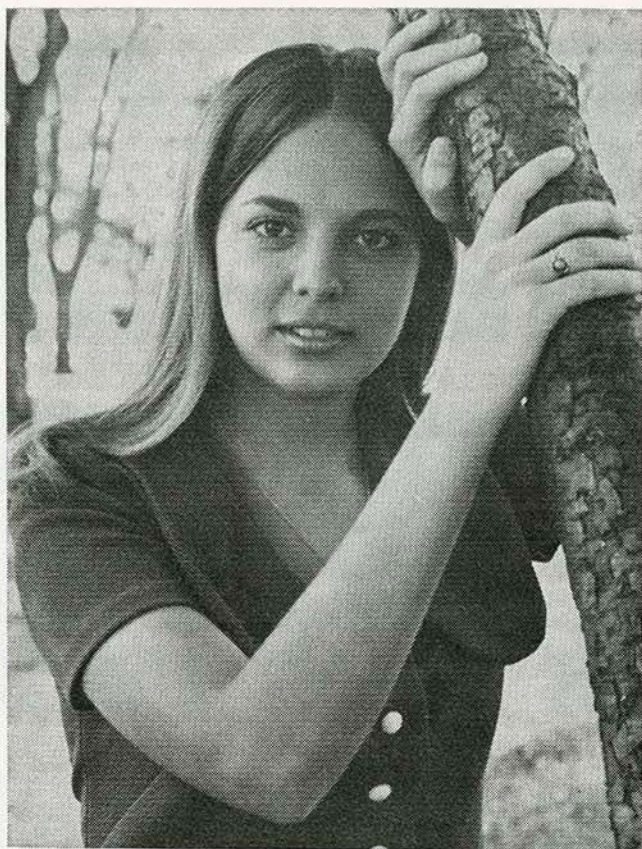

This is the reason Charli gave for going into special education. Upon being elected to the final court, Charli felt "it was really neat." She is the daughter of Mr. and Mrs. Jennings Borger of Mankato.

### **LeAnn Muirhead, Senior, McGrath Hall**

Trying to get a Rotary exchange to another country is one of the accomplishments that LeAnn Muirhead has set for her future. The special education major went into her particular field because "I wanted to help somebody else. I started thinking about other people and not just myself."

LeAnn is a member of the Golden Hearts, Mortar Board, and the Campus Crusade for Christ, along with being unit development chairman for the Student Council for Exceptional Children. "I was shocked to be in the court, I didn't think that people would vote for me," commented LeAnn on her notification of being in the finals. LeAnn is the daughter of Mr. and Mrs. Maurice Muirhead of Oberlin.

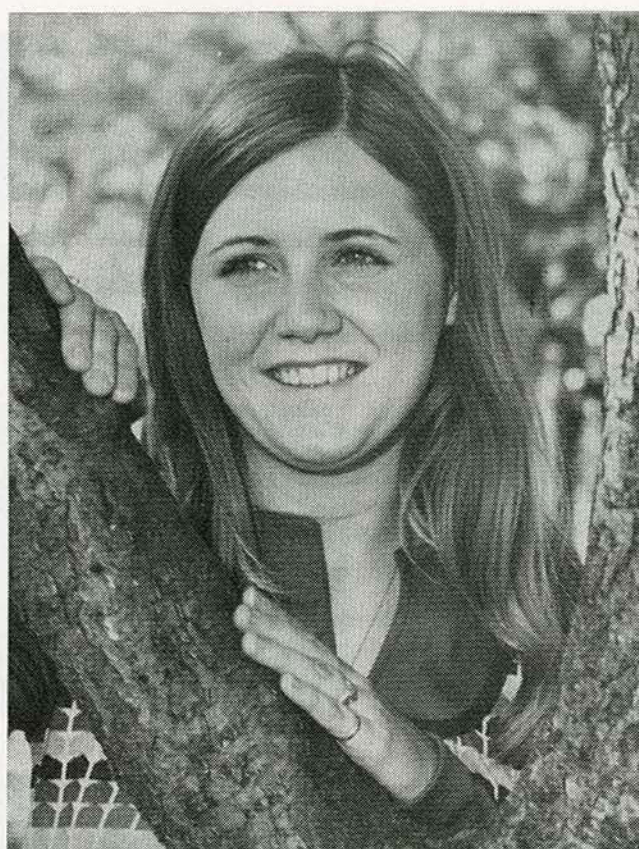

**Pat Pahls, Junior, Alpha Kappa Lambda**

Elementary education is the field that Pat Pahls chose to go into while attending college. She plans to go into teaching because she "loves working with children." In her spare time, Pat collects poems and practices with five other coeds for each Saturday's contests as cheerleaders.

Members of Alpha Kappa Lambda sponsored Pat in the quest for the crown. "They just came up to me after cheerleading practice one day and asked me," recalled Pat, "it really shocked me." Pat feels that "it's quite an honor to be part of the homecoming festivities. Pat is the daughter of Mr. and Mrs. Jake Pahls of Downs, Kan.

**Cheryl Yoxall, Senior, Alpha Kappa Psi**

Speech pathology major, Cheryl Yoxall feels that her field "gives her the opportunity to get something done in an area where there is much to do." During her free time, Cheryl likes to bowl, bicycle, and watch and participate in all sports.

When she was informed that she was in the court for the second year in a row, Cheryl commented "I was shocked that I was up again, it's really an honor." During the summer, Cheryl was Miss Phillipsburg Centennial 1972, and during the school months, she is a member of the Mortar Board. When asked about women's lib, Cheryl responded that she was a libber to a certain extent. Cheryl is the daughter of Mr. and Mrs. Joe Yoxall of Phillipsburg, Kan.

# Chevrolet. Building a better way to see the NCAA

**The 1973 Monte Carlo.** A personal luxury car of the first rank. With elegance, silence, comfort and the confident handling you find in much more expensive cars.

Monte Carlo has been redesigned and re-engineered to the extent that we think you'll find it one of the finest riding, most precise handling cars you've ever driven.

Chevrolet engineers have succeeded in combining this excellent ride and handling with a new body design that reflects the sophistication of these mechanical refinements. Right down to the rear seat opera windows.

And added to these qualities, our engineers have created a quietness that strikes everyone who drives the car. And quietness is one sure mark of a luxury automobile.

The 1973 Monte Carlo. A new and better way to see the NCAA. Even if you follow your favorite team coast to coast. **Chevrolet. Building a better way to see the U.S.A.**

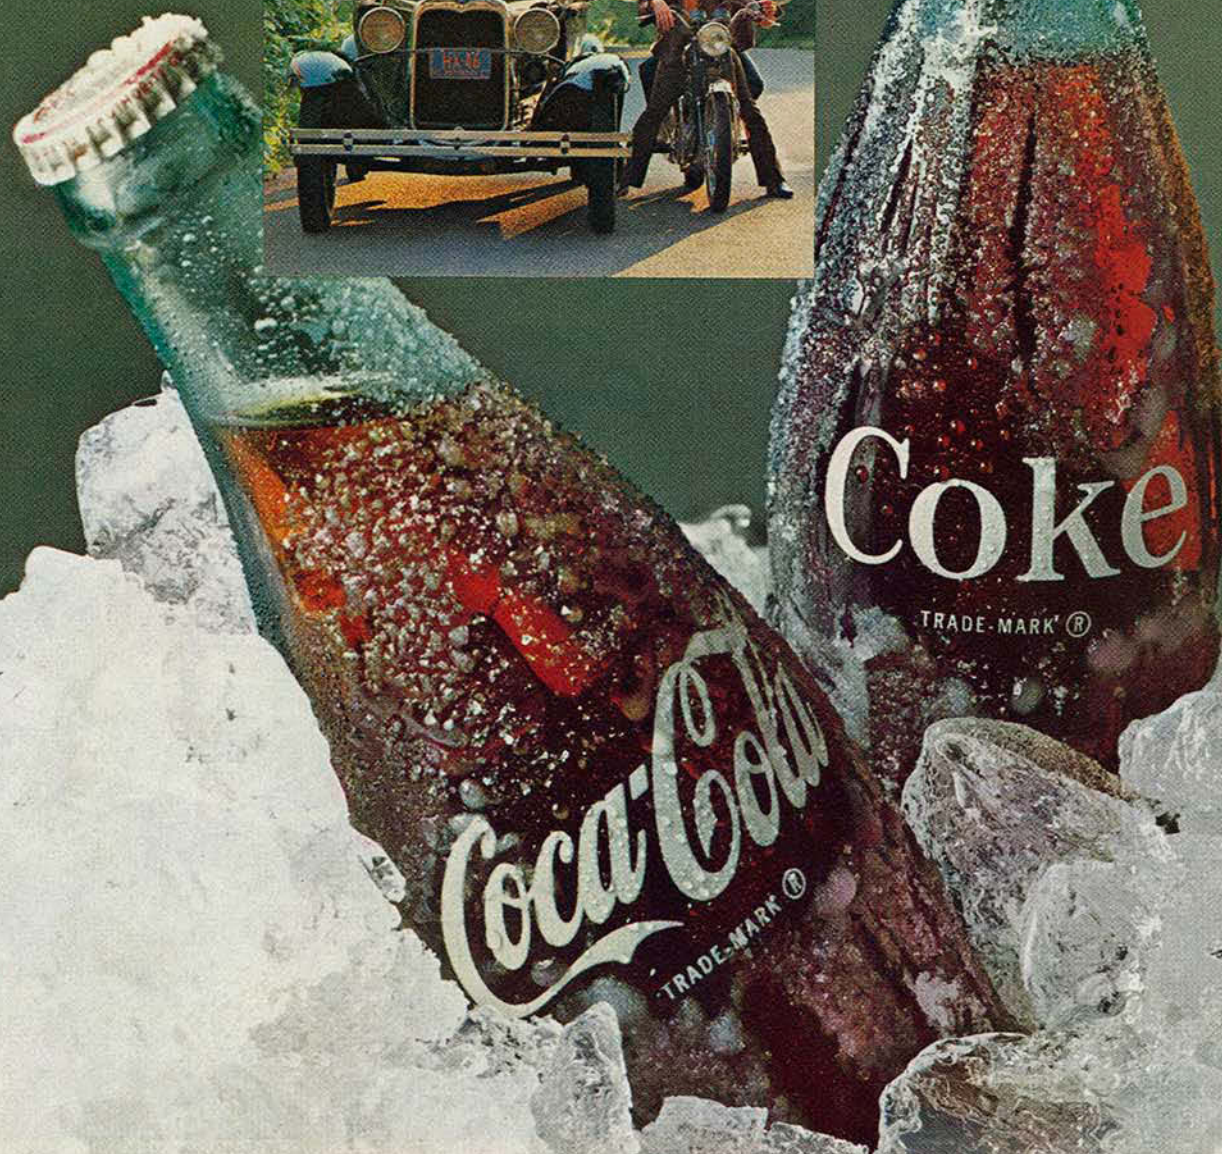

Enjoy the game. And remember to buckle up on your way home.

Last week while the football team was traveling, Fort Hays State fans got a chance to see the Rodeo Club divide a pair of contests. The corral crew copped the first day of events from Kansas State University 35-32 and then came back Sunday to drop a 38½-34½ decision to the FHS Alumni.

Topping the male contingent for the FHS cowboys was Steve Fenster, Wichita senior, who took first in the steer wrestling event both days. J. C. Barr, Cottonwood Falls freshman, was the only other cowboy to place well in both contests, grabbing a first in bull riding against KSU and a second in the same event versus the Alumni.

Arena director, Bronc Rumford, a senior from Abbyville, placed third in calf roping both days and picked up a fourth in steer wrestling Sunday. Gary Bacon, Ada senior, placed fourth in calf roping both days.

For the FHS cowgirls, Colette Graves, Hardtner freshman, made a sparkling debut into college rodeo with a pair of first in barrel racing and pole bending Saturday. She came back to take a first in barrel racing and a second in pole bending Sunday.

Yvette, Colette's older sister, was first in the pole bending and second in barrel racing on Sunday and placed fourth in the pole bending on Saturday. Kathy Geier, Larned freshman, took third place in the barrel racing both days.

## **Next Action For The Bengals**

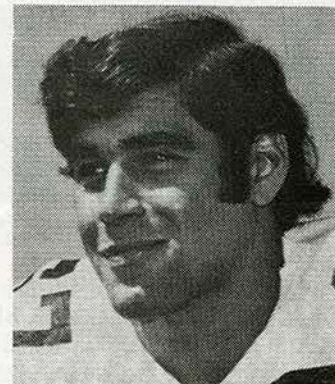

Next action for Head Coach Bill Giles' Tigers will be against the Hornets from Emporia State. Game time is 7:30 p.m. Saturday at Emporia's Welch Stadium.

Last weekend the Hornets pulled off one of the major upsets of the early Great Plains Athletic Conference race knocking the University of Northern Colorado from the top position on a 6-0 decision. The Hornets scored all the points necessary for the victory on two first quarter field goals by Gary Hare.

Emporia is led by running back Abe Welcher, who before last week's action, was ranked fourth in the GPAC with 386 yards in 89 carries good for a per game average of 96.5 yards. Welcher is also in the number three spot in tandem offense gaining 100.8 yards per contest. Besides his running duties, Welcher is fifth in the league in punts, averaging 37.2 yards per kick.

Signal caller Mike White has thrown the football 56 times connecting on 23 for 303 yards. This gives him a per game norm of 75.8 yards. He has also rushed for 22 yards in 23 attempts.

Head Coach Harold "Bud" Elliott expressed guarded optimism at the beginning of the season. To this point, his Hornets stand 3-2 overall and 1-1 in GPAC action. "We are playing one of the toughest small-college schedules in the country," remarked Elliott, "we will need to play our best and avoid injuries if we are to have a winning season."
