# STATE COLLEGE LEADER

Volume LVII Fort Hays Kansas State College, Hays, Kansas, Thursday, Jan. 9, 1964 No. 16

## Court Rules on Student in Year's First Case; Could Be 'Benchmark'

Disciplinary probation for the rest of the school year was meted out to a Prairie View freshman by the Student Court in the court's first case of the school year.

In proceedings prior to the Christmas holidays that could provide grounds for future cases, James Prinson, who was found guilty in the Hays City Court for stealing hubcaps, received the ruling.

As in most disciplinary measures taken on campus, the case was first heard by the Legal Board, consisting of Dean of Men Bill Jellison, Dean of Women Jean Stouffer, court Chief Justice Leland Brodbeck and Attorney General Robert Ochs.

Defending Prinson were Roger Moffett and Bob Dreiling.

Defense was based on three main points:

1. No proper indictment was served.
  2. Much of the evidence was based on hearsay, since no information was taken from city court records, nor was a signed statement received from a police officer or an appearance made in Student Court by an officer.
  3. There is no specific college law against his actions.
- "We entered with a case based on legal factors only to find a court of equity," said Dreiling. "We may not agree with the pro-

ceedings of the court, but the opportunity to have such a court must be pushed forward."

Dreiling also said, "It is better to have a case judged by several of your peers than by one man or one woman."

Dean Jellison said, "This case is probably a benchmark in student court at FHS, and this case could be a guideline in the future."

Jellison continued, "Student court provides a good opportunity, not in a legal sense, but in a practical sense."

"It's much easier for the dean of men or women to handle these cases from the viewpoint of the time consumed," Jellison said. "However, the learning involved and the relationships which may be gained outweigh this."

"The only thing that would make me think otherwise would be if the students began to feel that they and they alone had the right to make these decisions," he stated.

Jellison was also of the opinion that the Student Court is doomed if it must follow technicalities.

"Any lawyer could tie us in knots," he said. "But it will work as a court of equity."

A complete evaluation of the case has not yet been submitted by members of Student Court.

## Six Stolen Prints Returned to Union

The six Japanese prints that had been taken from an exhibit in the Memorial Union were returned Monday, announced Betty Brandenburg, Union program director.

"An odd set of circumstances led to the recovery of the prints," Mrs. Brandenburg said. "I'm not free to divulge names, but I can say that the person responsible for taking the prints was not a Fort Hays State student nor a Hays resident."

She credited an alert FHS student with being responsible for recovery of the prints. "Without his cooperation, we'd never have known what happened to the prints," she said.

The prints were taken from an exhibit of Japanese art early in November. They were on loan fromregon State University, which loaned the six works at roughly \$100.

**JOB INTERVIEW** — Gary Freeman, Sublette, typifies the graduating senior as he discusses a job with a school administrator. This has been a common scene in the placement office during the past two months.

## Nearly a Mile of Lines

Nearly a mile of lines—that's what the basketball court in Sheridan Coliseum has now that it has been re-finished and the markings added.

The 1,600 yards of lines are used by physical education classes—badminton, volleyball, shuffleboard and tennis—as well as basketball.

## Enrollment Fees Payment Undergoes Major Changes

A major change in the procedure for payment of enrollment fees will be effective during the spring semester.

Students are to pay their fees between 8 a.m. and 5 p.m. at the business office in Sheridan Coliseum according to the following schedule:

Thursday, Feb. 6 ... A through C  
Friday, Feb. 7 ... D through H

## Honors Recital Is Tonight; 13 To Perform

Thirteen FHS musicians selected by their counterparts will participate in the fall semester's Honors Recital at 8 tonight in the Sheridan Coliseum arena.

The participants, both instrumental and vocal, were selected by students and faculty on the basis of performances at the regular weekly recitals.

Students selected are Sue Dolezal, Hays sophomore, piano; Judy Shindler, Hays freshman, cello; Gerald Brown, Hays freshman, piano; Victor Sisk, Hutchinson junior, clarinet; Shari Holliday, St. Francis senior, mezzo-soprano, and Brian Thielen, Dorrance senior, trumpet.

David Ketchum, Rexford junior, tenor; Vera Renick, Hays senior, piano; Betty Summer, Goodland junior, French horn; Emilie Miller, Russell junior, mezzo-soprano; Roy Harshbarger, Neosho, Mo., junior, tuba; Margie Colburn, Stockton senior, mezzo-soprano, and Connie Milford, Healy senior, soprano.

Elected to honors recital recognition, but unable to perform are Judith Sillin, Hudson sophomore, and Carol Walker, Cimarron junior. Both are organists and, since FHS has no facility for organ music until the completion of Malloy Hall, will be honored in name only. Organ students usually practice and present recitals in one of the churches of Hays.

Monday, Feb. 10 ... I through M  
Tuesday, Feb. 11 ... N through SM  
Wednesday, Feb. 12 ... SN through Z

Students who have not paid their fees by 5 p.m. Feb. 12 will be withdrawn from school and charged a \$5 fee as a condition of reinstatement of this cancelled enrollment.

A late enrollment fee of \$5 will be charged for enrolling after the beginning of classes, except for classes not scheduled to open at the same time as regular classes of the term.

These changes are necessitated by the machine processing of the enrollment and by the desire of the administration to allow students to adjust schedules prior to payment of the fees.

Students residing in residence halls or college operated apartments should pay their housing charges before Feb. 6. This will facilitate handling of the payment of enrollment fees.

The Board of Regents approved changes in policy concerning refunds.

Students withdrawing within 13 days after the first day of classes of the semester will be refunded all their fees upon application.

A student withdrawing after the 13th day of classes and during the first one-third of a semester will be refunded one-half his fees upon application.

(Continued on Page 4)

Before Enrollment . . .

## Registrar's Office Needs Information

Enrollment for the spring semester demands certain information that cannot be delayed until enrollment day.

S. V. Dalton, registrar and director of admissions, says his office needs information on each student for the new punch card system of enrolling. "We can't wait till enrollment time to put all this data on the cards," he said.

This information applies directly to every person who is not enrolled this semester and who plans to enroll for the spring semester.

It is equally important that each spring enrollee have a Social Security number. The Social Security number is being used as the student's individual identification number for data processing purposes.

Students should note a change in parking permit procedure for the spring semester. Slips will be available in the enrollment line as usual. However, due to the new IBM processing, a student who fails to get his permit in the line will have to wait approximately a week before he can get one at the dean's office.

Students should be sure to get their parking permits in the enrollment line or they may be without any permit at all for several days.

## Dead Week Starts Friday

Fall semester final examinations begin Jan. 17 and continue through Jan. 22; however, no exams will be given over the weekend.

There will be a dead week before the final exams. The Faculty Handbook states, "No written tests or examinations may be given in the last five class days preceding the final examination schedule."

The dean of students office has announced that if a student has more than three exams in one day he can arrange with the dean's office to have one of the exams changed to another day.

Seniors will take final exams at the end of this semester. Only in May when commencement exercises interfere with finals is the procedure altered.

Student grades will be compiled by the registrar's office as quickly as possible after instructors turn them in 2 p.m. Jan. 23.

Probation listings will be completed as soon as possible after grades have been averaged and students who are on probation will be notified at the address they have at the registrar's office.

Freshmen and sophomores may remove probationary status by achieving a grade index of .70. Juniors and seniors must still achieve a 1.0.

Freshmen and sophomores go on probation when they fail to make a .70 and juniors and seniors when they don't make a 1.0.

## Follies and Assemblies Hold ASC's Attention

Two resolutions that were passed prior to Christmas vacation were reconsidered at the regular meeting of the All-Student Council Tuesday night.

The Council reconsidered the resolution to support discontinuance of the Follies on the understanding that they would be combined with the Fort Hays Furlough next school year. The motion was tabled.

Council members expressed opinions that the Union Program Council does not want to stage the Follies, nor does the music department, and that though the Follies were fine as a tradition, they required a lot of work and that there was a general apathetic attitude toward them. Kent Leichter, president of Associated Students, said that there should be a permanent organization to handle the Follies.

(Continued on Page 4)

## Dalton Outlines Procedure for Enrolling

Although the time required to enroll is expected to be reduced, the same basic procedure will be followed as has been used in past semesters.

With social security numbers well in mind and the possibility of finishing the process in as little as 30-45 minutes, the procedure will be:

- Student will pick up permits to enroll and a standard packet of IBM cards in Sheridan Coliseum, Room 201.
- Students will fill out the cards in the packet in any empty classroom near his adviser, but before he sees his adviser.
- Enrollees are to confer with advisers.
- Class slips will then be picked up in the Memorial Union Black and Gold Room.
- Students will go directly from the Black and Gold Room via the west exit to the check out line on the east side of Cody Cafeteria.

S. V. Dalton, registrar, urges students to take care in handling the IBM cards and urges students not to go to the Union for coffee and other drinks while handling the cards since spilling on the cards could damage or ruin them.

Enrollment fees will not be assessed or paid during enrollment, but will be paid the following week according to an alphabetical schedule.

As in past years, students will follow an alphabetical schedule for enrolling. This schedule, and the one for paying fees, will appear in The Leader next week.

## Reveille Fees Due For Fall Graduates

Students who will graduate at the end of the current semester or who do not expect to enroll for the second semester are urged to make the final payment on the Reveille and arrangements for mailing the book.

The payment of \$2 for the book plus 60c mailing fee may be made at the business office or the Reveille office in Martin Allen Hall. Husbands and wives who are leaving the campus and have each made one payment on books may transfer their credit to one account and receive one book.

The Reveilles will be delivered late in May. Only those books for which the mailing fee has been paid will be mailed. All other books must be picked up on campus in May.

# Ecumenical Conference Demonstrates True Unity

Unity of races, nations and religions was an outstanding characteristic of the 19th Ecumenical Student Conference on the Christian World Mission held during the Christmas holidays.

Over 3,000 delegates, including 20 from FHS, representing 78 nations, were in attendance at the conference held in Athens, Ohio.

Delegates at the conference were introduced to "some pretty complex national problems," said the Rev. Bob Goodson, ICF minister from FHS in attendance.

Goodson said one of these problems was poverty. "When you come face to face with some of these people, it is evident that the program for progress is not entirely successful," he said. "It's still the case of the poor getting poorer and the rich getting richer."

"When people are hungry, they don't share the same values," he added.

Another of the problems discussed was the racial question, and the feelings of the delegates were probably best demonstrated by their actions.

A large majority of the conferees, who represented many religions, participated in a joint communion, using the service of Holy Communion according to the Apostolic tradition of Hippolytus, which dates back to about 200 A.D., prior to the present division of churches.

Core of the conference were discussion group meetings. Four worship services were also con-

ducted daily and relaxation came in the form of a hootenanny, also held daily.

An emotional point seldom seen in churches today was related by Rev. Goodson. During a sermon by Episcopal Bishop Daniel Corrigan, the enthusiasm of those present reached such fever pitch that they clapped several times throughout his message, he said.

"The mass communion service was the high point of the conference for me," said Sharon Kleveno, FHS delegate. "While this service demonstrated the various faiths, it also showed the unity that is still the basis of all, in other words, one God."

## Construction Continues; Hackberry To Be Vacated

The 36 new married student apartments now under construction at Wooster Place should be finished by August 15, 1964.

As soon as these housing units are in use, 36 apartments at Lewis Field will be torn down.

Hackberry Trailer Court must be vacated by this June. Facilities are becoming sub-standard and the investment in improvements would be a bad one, since this is a planned site for 36 or 48 more apartments.

Time is being allowed for excavation of sewage and waterpipes and the filling and settling of holes. Construction will begin on the apartments and accompanying parking space in Hackberry when the other new units are completed.

## Seven Talks Planned By Dr. Tomanek

Seven talks during January and February will probably make the next few weeks unusually busy for Dr. Gerald Tomanek, chairman of the division of biological sciences at FHS.

A well-known authority on Great Plains grasslands, Tomanek will address various conservation and civic groups on his treks during that period.

Speeches at annual county soil conservation service meetings are scheduled in Kingman Wednesday, Pratt next Thursday, Medicine Lodge, Feb. 15, Concordia, Feb. 19 and Clay Center Feb. 26. He will address a joint meeting of the Pratt Lions and Rotary clubs, also next Thursday, and talk at the national meeting of the American Society of Range Management in Wichita, Feb. 11.

## ASC Discusses

Although All-Student Council evaded taking a definite stand on two resolutions under consideration, and the promise for a financial budget was not kept, Tuesday night did bring to light some general campus feelings.

The two resolutions passed before the Christmas holidays were for the discontinuance of the Fort Hays Follies and closing the Memorial Union during assemblies.

Concerning the Follies, it was the general attitude of the council that no group willing to handle the organizing, producing and directing of the spring event can be found.

In the past the Union Program Council has been in charge, but a representative of that group said they did not feel qualified to continue.

It was also stated that the music department has withdrawn its support and that production of the Follies should have started if it is to be held this year.

Speaking for several living groups, ASC members were in general agreement that while most students enjoy seeing them, many are not enthusiastic about the work involved.

The possibility of combining the Follies with the Fort Hays Furlough, which will debut this spring, was also discussed.

This appears to be a good avenue to follow. It would mean continuing the Follies, of which The Leader is in favor; it could provide the personnel to direct the production; it leaves a weekend open which would be filled if the Follies continue as a solo project; and it would provide a form of "talent show" for the Furlough.

The discussion concerning closing the Union during assemblies began in that vein, but soon changed to the idea of discontinuing assemblies.

One council member said that most instructors were not in favor of assemblies because classes were interrupted. It was also brought up that assemblies could be held after classes or at night, or if they were held during class-time, each instructor could decide if he wanted to dismiss his or her students.

Poor turnouts have been evident for almost all assemblies, including those for cheerleader tryouts and campus elections. The possibility of holding these latter two in the Union, with no dismissal of school, was considered, and many thought Union officials would be receptive to this idea.

Regardless of what, if any action, is finally taken, The Leader is not in favor of closing the Union. It is fine to promote attendance, but if a student is not going to go, it is doubtful that a closed Union will make any difference.

It also appears unfair to cancel a service which may rightfully be expected.

There are many things to consider when facing these problems. Let's be thankful they're not dependent on the ASC finance committee.

## Final Examination Schedule

Fall Semester, 1963

DAY OF EXAMINATION				
Hour of Exam	Friday January 17	Monday January 20	Tuesday January 21	Wednesday January 22
CLASSES OR CLASS PERIODS				
7:30 to 9:20	Monday at 10:00	Monday at 9:00	Monday at 11:00	Monday at 8:00
9:40 to 11:30	Tuesday at 10:00	Tuesday at 9:00	Tuesday at 11:00	Monday at 3:00
LUNCH PERIOD				
1:00 to 2:50	Monday at 1:00	Biology 1 only	Monday at 12:00	Tuesday at 12:00
3:10 to 5:00	Tuesday at 1:00	Tuesday at 8:00	Tuesday at 2:00	Monday at 4:00
DINNER PERIOD				
7:00 to 8:50	All Evening Classes	Monday at 2:00	Tuesday at 3:00	Tuesday at 4:00
Saturday, Jan. 18, 1964				
10:00 to 11:50 a.m. Accounting 30				

NOTE: The classes which meet for 75 minutes on Tuesday and Thursday will meet for their final examination at the time of the full 50-minute period used by the class. That is, a class meeting at 9:35 to 10:50 will meet at the time for the 10:00 o'clock exam period on Tuesday, and a class meeting at 8:00 to 9:15 will meet for the examination at the time for the 8:00 exam period for Tuesday classes.

A final examination period has been established for the sake of uniformity in completing the work of respective courses.

All classes shall meet for at least one hour at the time indicated on the examination schedule for the final summing up of the work of the course. Whether this "final summing up" is a written examination or a discussion or other form of summarization is for the instructor to decide. But, whatever the form, it should be a most profitable period to the student and instructor for a final checking up of the course. Under no circumstance should this scheduled period be omitted, changed, or be made of no importance.

No student is permitted to take an examination before the scheduled time for the examination.

A student who is unable to take the final examination at the scheduled time is required to pay a fee of \$3.00 for each examination to be taken. The \$3.00 fee shall be paid to the Business Office and the receipt showing payment must be presented, before taking the examination, to the person administering the examination.

Any student having more than three (3) examinations scheduled on the same day may make arrangements with the Dean of the Faculty to have an adjustment made in his examination schedule.

## Follies and Assemblies . . .

(Continued from Page 1)

will be presented at the next meeting.

It was suggested that pep assemblies could be held in the Union or after school hours. It was also suggested that election assemblies could reach more students if they were held in the Union.

The Council agreed to form a committee of students to meet with the faculty Improvement of Instruction Committee.

Topics for discussion by the two committees will be cheating and attitude of students toward instructors.

Members of the student committee were chosen from the council.

Leichliter said that since the council was the most representative group of students on campus, there is no need to choose students not on the council, as was suggested.

Chosen for the five-man committee are: Phil Aldrich, Garfield senior; Jean Oborny, Timken sophomore; Charles Fritzmeier, Stafford senior; Judy Sipe, Denver freshman, and Sandy Whitmore, Brookville junior.

Jim Rock, finance chairman, said that a budget would be ready for the next meeting. Rock had said at the Dec. 17 meeting that a budget would be presented Tuesday night.

Don Vlasz, Aurora, Ill., senior, reported on the IFC National Convention in New York which he and Bill Jellison, dean of men, attended. He said that IFC planned to send at least four representatives to the conference in Chicago next year.

Marvin Martin, Quinter senior, announced that a report on the Student-Faculty Retreat held Sept. 21 has been completed and copies of the report will be ready soon.

A study is also being made concerning furnishing upperclass women who live in dorms with keys.

## Enrollment Fees . . .

(Continued from Page 1)

No refund is received by students withdrawing after the first one-third of the semester.

Unused portions of individual music lesson fees may be refunded students withdrawing in good standing.

W. E. Keating, business manager of the college, said the new policy would benefit students who decide to enroll in more or fewer hours after their first enrollment and students who leave college for one of many reasons after enrolling.

## 4 Rules Listed For Private Housing

With approximately 2,300 students living in off-campus units in the city of Hays, and since many changes of off-campus residences will be made, the following four rules of off-campus housing are set down.

The storage and/or use of intoxicating beverages including liquors, wines and beer is forbidden in all student housing units.

At no time should men be entertained in the rooms of women students or vice versa, unless, in the case of a special event, permission has been secured from the Dean of Students Office.

The householder or authorized representative must live on the premises. In the absence of the householder, a responsible person, with the permission of the Director of Housing or the Dean of Students Office may be left in charge.

When a student chooses an off-campus housing unit in the city of Hays, the student must live in that unit until the end of the semester.

## Pillsbury Award Open To Home Ec Seniors

The 1964 Pillsbury Award Program is now open for applications from home economics seniors.

A position as associate manager of Pillsbury's educational program will go to the winner who will be selected on the basis of scholarship, extra-curricular experience and personal stability. A starting salary of \$4,800 will be supplemented by a cash award of \$500, plus a \$2,500 scholarship for graduate study or a permanent position with Pillsbury following her year of executive training.

Information on the Awards Program has been supplied to Deans and Chairmen of Home Economics. Application closing date is Jan. 17, 1964.

## LITTLE MAN ON CAMPUS

## State College Leader

The State College Leader is published weekly (Thursday) during the school year except during college holidays and examination periods, and bi-weekly during June and July. Published at Martin Allen Hall on the campus of Fort Hays Kansas State College, Hays, Kansas. Mail subscription price: \$7.50 per semester or \$15.00 per calendar year. Second-class postage paid at Hays, Kansas.

## Scanning The Campus

The fraternities of FHS have been awarded a certificate for scholastic excellence by the National Interfraternity Conference. The award was given for the 1961-62 school year when the FHS frat grade average exceeded the national men's average. The organizations that helped earn this award were Alpha Kappa Lambda, Delta Sigma Phi, Phi Sigma Epsilon, Sigma Phi Epsilon, Sigma Tau Gamma, and Tau Kappa Epsilon.

Don Vlasz, Aurora, Ill., senior, accepted the Summa Cum Laude certificate at a conference in New York, Dec. 5-7. Of approximately 1000 U. S. colleges with a national fraternity system, only 15 received this award.

★ ★ ★

Kappa Omicron Phi, honorary home economics fraternity, met Tuesday in the dining room of Davis Hall.

Mrs. Clarence Gerbeding spoke on "Experiences of a Dietitian."

The next meeting of the chapter will be Tuesday at 7 p.m. at Davis Hall. The program will include talks by foreign students on "This

Graduate students now working on a fellowship or assistantship must turn in requests for renewals by 5 p.m. Monday in the Graduate Office, Picken Hall, Room 212.

The renewals for fellowships may be made for spring semester 1964 or for summer, 1964. Assistantship renewals will be for the academic year 1964-65.

★ ★ ★

As an outlet for human emotions and as a device guaranteed to provide status and satisfaction to the participants, committees are unexcelled in the history of man, claims Dr. John Garwood in the Kansas Teacher.

To illustrate his stand, Garwood describes several types of committee chairmen and pokes fun at personalities and unnecessary committee assignments.

But he points out that in the world of education, as elsewhere, it is the coming together and concerned persons to "cross-fertilize ideas" and compare and test them in various environments, which makes committees not only numerous but improved in quality and necessary adjuncts to administration.

## Pianist Featured On Faculty Recital

Marvin Blickenstaff, associate professor of music, will present the annual faculty recital this year. The piano recital will be held at 3 p.m. in Sheridan Coliseum Sunday.

Blickenstaff is new on the Fort Hays faculty this year. He received his bachelor of music degree from Oberlin Conservatory of Music and his master's degree from Indiana University. He also took work at the College of Idaho, and from 1959-60 studied in Frankfurt, Germany, on a German government grant. He is currently working on a performance doctorate in piano.

He was a national finalist in the National Federation of Music Clubs young artist competition in 1963.

## Regular Recital Held This Morning

The next student recital will be held at 11 a.m. in Picken Hall, room 304, Thursday.

The following persons will participate:

Jean Klaurens, Menlo freshman, saxophone; Carl Bice, Hays senior, bass; Anne High, Plainville freshman, flute; Layne Kumberg, Sawyer freshman, piano; Joanne Griffin, Almena junior, bassoon; Ronald Wright, Haven sophomore, trumpet; Jim Krentzel, Hudson senior, vocal solo; Janis Brown, Oberlin freshman, saxophone; Vernon Goering, Hutchinson junior, French horn; and Bonnie Storm, Hays post graduate, piano.

# Famed Kansas Journalist Inspires Lifetime Philosophy of FHS Professor

By Norman Koontz  
Leader Staff Writer

"The bigger the man, the more humble he is to other people."

This is the basic philosophy of Dr. L. W. Thompson, retired chairman of the division of economics and business at FHS.

William Allen White, famed

Dr. L. W. Thompson

Kansas journalist, kindled the fire in Dr. Thompson that led to the development of this philosophy.

While attending Emporia State College, Dr. Thompson was employed as a part-time reporter (1923-1924) for the Emporia Gazette, the paper which Mr. White published for many years.

"Mr. White was a kindly man who made people feel they had status," said Dr. Thompson. "Critical criticism had no part in his life and the door of his office was always open to any person who needed help."

"These qualities created a desire among his employees to put their best effort forward and strive for greater efficiency. A kind, yet stern, hand paved the way for this great man," stated Dr. Thompson.

Dr. Thompson spent much time in college studying journalism and advertising. However, when he graduated from college, low salaries in journalism made him decide to enter teaching.

When asked if he was sorry he didn't pursue a career in journalism, Dr. Thompson said, "No, I have had a good life in teaching."

However, Dr. Thompson felt that the experience he had in journalism was "very valuable."

Prior to coming to FHS, Dr. Thompson taught at Otis and Logan high schools and was head of the economics and business department at Kansas Wesleyan University.

Dr. Thompson has been at

## Endowment Assn. Sets \$15,000 Goal

With the goal of \$15,000 in mind, the FHS Endowment Assn. has over \$3,300 with almost a third of the time allowed in raising it past.

Three sizeable donations launched the appeal and several smaller contributions have been added as the association continues to work to attain the amount before the Jan. 31 deadline.

Three major gifts were for \$1,500, \$1,000 and \$250. Another gift of \$100 combined with a group of smaller sums to make more than an additional \$600.

The \$15,000 is half of the amount needed for matching loan fund programs in 1964 and will be used to provide the college's share of the National Defense Student Loan funds and United Student Aid Loan funds.

"If we don't attain the \$15,000, we may have to forfeit some of the funds already allocated us," said Kent Collier, executive secretary of the Endowment Assn.

## Ski Trip Planned By WRA Members

Members of Women's Recreation Assn. will leave Jan. 22 for their third annual ski trip to Hidden Valley in Estes Park, Colo.

The trip, which is open to any member of WRA, will end with the group's return Jan. 26.

Arrangements have been made at the Y Conference for room and board. The group will be accompanied by two faculty advisers, Judy Rinker and Phyllis Bigby, both physical education instructors.

The approximate total cost is \$35 per member and the club will furnish all transportation.

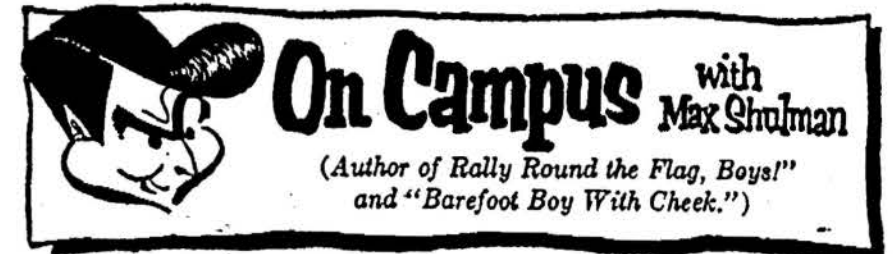

## Union Art Exhibit Prints Are for Sale

An exhibition of 43 watercolor and casein paintings will be on display in the upstairs gallery of the Memorial Union through Jan. 26.

The exhibit is circulated by the National Assn. of Women Artists and is comprised of annual exhibitions of the association held at the National Academy of Design in New York City.

All paintings in the show are for sale and prices may be obtained at the program center.

## 1964: YEAR OF DECISION

Well sir, here we go into 1964, which shows every sign of being quite a distinguished year. First off, it is the only year since 1954 which ends with the Figure 4. Of course, when it comes to Figure 4's, 1964, though distinguished, can hardly compare with 1444 which, most people agree, had not just one, not just two, but three Figure 4's! This, I'll wager, is a record that will stand for at least a thousand years!

1444 was, incidentally, notable for many other things. It was, for example, the year in which the New York Giants played the Philadelphia Athletics in the World Series. As we all know, the New York Giants have since moved to San Francisco and the Philadelphia Athletics to Kansas City. There is a movement afoot at present to move Chicago to Phoenix—the city, not the baseball team. Phoenix, in turn, would of course move to Chicago. It is felt that the change would be broadening for residents of both cities. Many Chicago folks, for example, have never seen an iguana. Many Phoenix folks, on the other hand, have never seen a frostbite.

This would not help make you NATO-minded!

There are, of course, certain difficulties connected with a municipal shift of this size. For instance, to move Chicago you also have to move Lake Michigan. This, in itself, presents no great problem, what with modern scientific advances like electronics and the French cuff. But if you will look at your map, you will find Lake Michigan is attached to all the other Great Lakes, which in turn are attached to the St. Lawrence Seaway, which in turn is attached to the Atlantic Ocean. You start dragging Lake Michigan to Phoenix and, willy-nilly, you'll be dragging all that other stuff too. This would make our British allies terribly cross, and I can't say as I blame them. Put yourself in their place. What if, for example, you were a British costermonger who had been saving and scrimping all year for a summer holiday at Brighton Beach, and then when you got to Brighton Beach there wasn't any ocean? There you'd be with your inner tube and snorkel and nothing to do all day but dance the Lambeth Walk. This, you must agree, would not help make you NATO-minded!

I appeal most earnestly to the residents of Chicago and Phoenix to reconsider. I know it's no bowl of cherries going through life without ever seeing an iguana or a frostbite, but I ask you—Chicagoans, Phoenixians—is it too big a price to pay for preserving the unity of the free world?

I feel sure that if you search your hearts, you will make the right decision, for all of us—whether we live in frostbitten Chicago, iguana-infested Phoenix, or narrow-lapelled New Haven—are first and foremost Americans!

But I digress. We were speaking of 1964, our new year. And new it is! There is, for one thing, new pleasure in Marlboro Cigarettes. How, you ask, can there be new pleasure in Marlboros when that fine flavorful blend of tobaccos, that clean efficient Selectrate filter, have not been altered? The answer is simple: each time you light a Marlboro, it is like the first time. The flavor is such that age cannot wither nor custom stale. Marlboro never palls, never jades, never dwindles into dull routine. Each puff, each cigarette, each pack, each carton, makes you glad all over again that you are a Marlboro smoker!

Therefore, Marlboros in hand, let us march confidently into 1964. May good fortune attend our ventures! May serenity reign! May Chicago and Phoenix soon recover from their disappointment and join our bright cavalcade into a brave tomorrow!

© 1964 Max Shulman

We, the makers of Marlboros, available in soft pack or flip-top box in all fifty states of the Union, wish to join Old Max in extending good wishes for a happy and peaceful 1964.

## Insurance for Students!

TRIPLE "S"  
THE STUDENT SELECT  
SECURITY PLAN  
FOR STUDENTS AGES 15-29

Imagine . . . \$10,000 Life insurance protection for only \$40 annually!!

• And, when future responsibilities increase the insurance DOUBLES to \$20,000 of protection at regular rates.

Yes, there are many more advantages, too many to mention here. So for complete details about this new insurance idea, call: *The Man with the Plan.*

# It's All Greek . . .

Tau Kappa Epsilon will hold their informal, TKE Pajama Party, Friday night. The pledge class will entertain with a skit.

The TKEs recently won a portable television for placing first in the annual Philip Morris contest.

Members of the fraternity are quite proud of the new living room drapes purchased by the Order of Diana, an organization of the mothers and sisters of TKE members, and made by Mrs. Floyd Anderson Jr.

Delta Zeta announces the engagement of Judy Dresselhaus, Vesper junior, to Bob Shaffstall, Lincoln senior.

Penny Renner, Oakley sophomore, and Rogene Peters, Great Bend freshman, recently pledged DZ.

Delta Zeta Alumna Club will hold an informal get-acquainted party with the pledges Jan. 13.

The annual Christmas formal was given the actives by the pledges Dec. 13.

Alpha Gamma Delta held a social with members of Prometheans this week. The sorority recently won a stereo tape recorder for placing second in the Philip Morris contest.

Phi Sigma Epsilon announces the engagements of senior Don Vlasz to Carol Schmidt, both of Aurora, Ill., and Jim Fetters, Glasco senior, to Linda Butler, also of Glasco.

Alpha Kappa Lambda announces the engagements of Tom Teshner, Abilene sophomore, to Mary Harkness, Hays junior; Dean Bergman, Osborne senior, to Patti Percival, Russell graduate, and Jay Weber, Chicago, Ill., junior, to Pat Mermis, Hays junior.

The fraternity actives will be entertained with a skit given by the pledges at the annual "Go to Hell" party tomorrow night.

## Phi Kappa Phi Adds 21 Members to Rolls

Phi Kappa Phi formally initiated 21 new members Wednesday night in the Memorial Union Gold Room.

Fifteen undergraduates and six graduate students were added to the rolls of Phi Kappa Phi, which recognizes scholarship from all areas of academic endeavor.

No more than ten per cent of any senior class may be elected, and graduate students and faculty members are also eligible.

## SPURS Sport Uniforms

Although organized only this fall, members of SPURS are sporting new white uniforms of pleated skirts and V-neck sweaters, with a black and gold felt emblem on the shoulder.

SPURS, which stands for sacrifice, patriotism, understanding and responsibility, must be active on campus for two years before being recognized by the national committee.

## Three To P-t-P Meeting

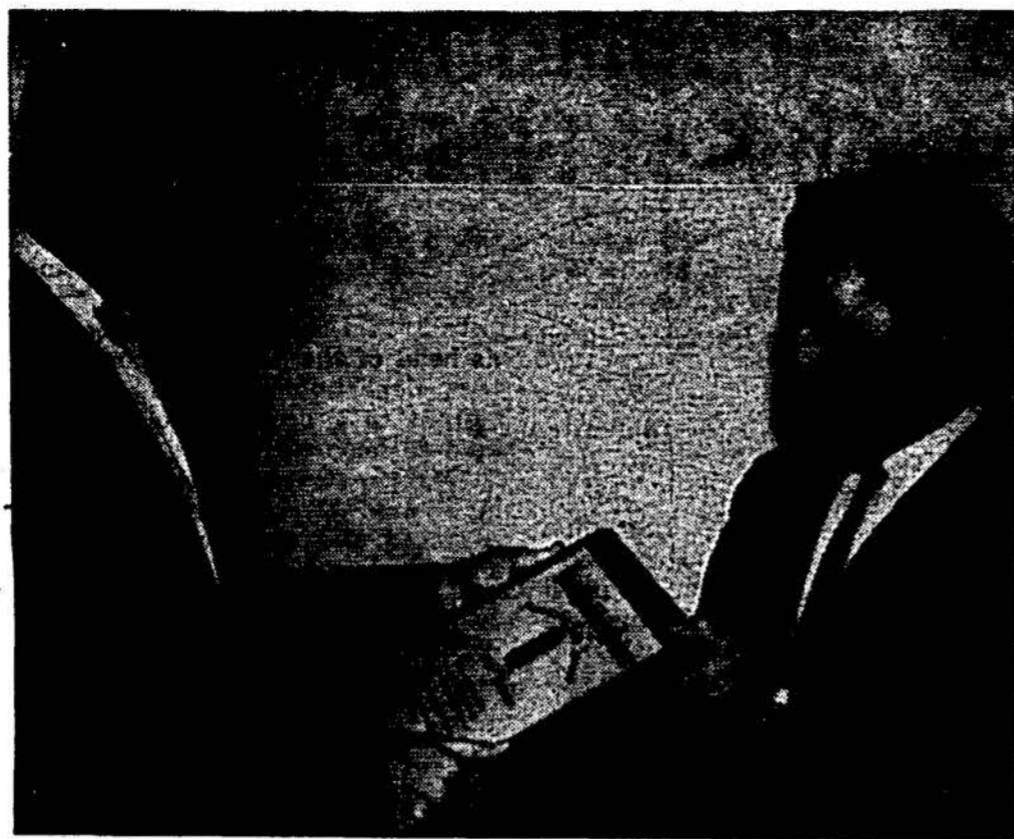

Dean Jean Stouffer and two foreign students, Kozo Terada, freshman from Japan, and Ahmadullah Donto, freshman from Tibet, will attend a meeting of the People-to-People chapter in Ness City this Saturday.

## Peace Corps Test Scheduled Saturday

The next Peace Corps placement test will be held at 8:30 a.m. Saturday at the city library.

Volunteers must be American citizens at least 18 years old. Married couples are eligible if both qualify and have no dependents under 18.

The test helps the Peace Corps determine the overseas assignment for which applicants are best qualified.

IFC AWARD — Dean of Men Bill Jellison is shown presenting a National Interfraternity Conference scholastic award to Don Vlasz, Aurora, Ill., senior, president of the FHS Interfraternity Council.

## "The Last Bridge" Is Next Film Presentation

"The Last Bridge," the fourth in the series of classic and foreign films, will be shown at 7:30 p.m. Friday in Albertson Hall, Room 108.

The movie presents Maria Schell, one of Europe's finest actresses, as a young German doctor captured by Yugoslav partisans and compelled to care for their wounded. She follows them reluctantly at first, but finally voluntarily, and dies on "the last bridge" from both German and Yugoslav gunfire.

## Foreign Students Speak To Area Organizations

Foreign students at FHS frequently give speeches at civic and religious organization meetings in the area.

Renate Hausin, graduate student from Germany, has been a guest speaker at the First Christian Church and the Hays Rotary Club.

Martha Aguirre, freshman from Uruguay, has spoken at a federated women's club meeting in Russell and a Christmas party for Rotarians and Rotary Anns in Smith Center.

## Fraternities Elect New Officers

New officers will soon begin their duties in several of the fraternity houses. Elections for the changes in officers are held annually by the Greeks.

Organizations not listed will be selecting their new ruling bodies within the next few weeks.

Sigma Phi Epsilon officers are Roger Shepherd, Russell sophomore, president; Jerry Nelson, Valley Center sophomore, vice-president; Robert Hottman, Abilene junior, comptroller; Dennis Dietz,

WaKeeney sophomore, recorder, and Charles Thrig, Goodland junior, secretary.

Robert Anthony, Kensington sophomore, senior marshal; Jim St. Aubyn, Russell sophomore, junior marshal, and Mike Leas, Hays sophomore, guard.

New officers of Delta Sigma Phi are Harry Spenser, Lakin sophomore, president; Jerry Patterson, Hill City junior, vice-president; Jerry Lohrmeyer, Logan sophomore, secretary; Wayne Witwer, Abilene sophomore, treasurer and Fred Patterson, Copeland sophomore, sergeant-at-arms.

New officers of Sigma Tau Gamma are Roger Mayhew, Plainville junior, president; Gary Bland, Lucas junior, vice-president; Robert Rucker, Burdett sophomore, secretary; Terry Toole, Hugoton sophomore, corresponding secretary; Larry Belcher, Lewis junior, treasurer, and Ron Sidner, Ada sophomore, pledge trainer.

## Alpha Xi Delta To Colonize Here

New faces and several changes are in store at FHS with the coming semester, but one of the most striking additions will be that of a new sorority.

Alpha Xi Delta is a national group who plans to colonize on the campus and soon establish an active chapter. There is one other active chapter in Kansas, located at Kansas State University, Manhattan.

The total membership of Alpha Xi Delta is 26,000, including 65 college chapters and 135 alumna clubs. The official emblem is a gold quill set with pearls.

# FHS Loses Holiday Trio, Defeats Broncos

FHS dropped its second Central Intercollegiate Conference game Saturday night at Sheridan Coliseum to the Omaha University Indians, 85-82, despite a record-shattering 41 points by Tiger Sam McDowell.

The conference loss ran the Tigers' record to 6-4 overall and 0-2 in CIC play.

McDowell's 41 counters broke the record of 39 set by Herb Stange last year against Rockhurst in the NAIA Tournament at Kansas City.

He hit 17 of 29 field goal attempts and seven of 12 from the free throw line. The 17 field goals also established a new record, bettering the mark of 15 set by Don Nichol in 1949 and tied twice by Stange in 1961.

Omaha freshman Sam Singleton provided the spark for the Indians, finishing with 32 points.

Rebounding difficulties gave the Indians a 44-36 edge over FHS, with McDowell also leading in this category with nine and Dick Schur second with eight.

The Tigers' leading rebounder, Tom Ashleman, was held to seven caroms, while adding 16 points.

In the only victory for the Tigers in the last five outings came Dec. 28 in a holiday double-header at Hutchinson. FHS, paced by McDowell with 31 and Gordon Stout with 18 points, defeated a potent Central Oklahoma State team, 86-84.

The Oklahomans held the lead, which was as much as 14 points, until the Tigers caught fire with 11:06 remaining and scored 14 points in 1:20 while the Broncos could manage only two.

McDowell shattered another record in this comeback, hitting 19 of 22 free throws to surpass the old mark for gift tosses made.

Leading scorers for the Broncos were Luther Peques with 21 and Buddy Armstrong with 20.

The Bengals were downed in their first two games of holiday play on a two-game road trip to Colorado. Southern Colorado State College at Pueblo chalked up a 99-96 victory and Colorado State College, Greeley, won 94-90.

Against SCSC, Ashleman led the scoring with 30 points, aided by Stout with 21, Schur with 19 and McDowell, 17. Guard Bob Graham led the winners with 23, followed by Sam Moore with 21 and Sam Batey with 19.

Against the Greeley cagers, McDowell finished with 27 and Schur

with 23. Ashleman led the Bengals in rebounding with 17.

Forwards Chuck DeMorst and Willie Cross led the rangy Bears with 26 and 25 points, respectively.

## Fourteen IM Teams Remain Undefeated

Fourteen teams remain undefeated in IM competition, with all teams having played two games and four weeks of basketball completed.

The undefeated teams are: Red League: Bullshippers, Conquistadors, Wiest Gunners; White League: Magnificent Seven, Champs; Blue League: Newman Club, Basket Bangers; Black League: Lakers; Green League: Loofers; Yellow League: Roamers; Organization (A): TKE, Sig Ep, Phi Sig, and the Organization (B): Delta Sig.

The top three scoring clubs of the undefeated are the Conquistadors, 126 points; Newman Club, 123 points; and the Lakers, 111 points. The Dingleberries have a total of 113 points, but post a record of 1-1.

The Conquistadors and Dingleberries both have posted the top scoring efforts with 81 points in a single game.

Next week's schedule:  
Monday, Jan. 13: Dingleberries vs. Champs; Individuals vs. Agnew Wildcats; Bullshippers vs. Conquistadors; and Fighters vs. Brown Bombers.  
Tuesday, Jan. 14: Newman Club vs. Humphreys; Basket Bangers vs. EEE; Tasmalian Devils vs. Beavers; and Lakers vs. Cardinals.  
Wednesday, Jan. 15: Prometheans vs. Wiest Gunners; TKE (B) vs. AKL (B); Sig Tau (B) vs. Phi Sig (B); and Delta Sig (B) vs. Sig Ep (B).

## Summer Grants Offered By European Universities

A limited number of scholarships for 1964 summer study are being offered by the Institute of International Education to qualified Americans by two Austrian and four British universities. Awards for summer study at most German universities are also available.

Information and applications for all summer sessions and awards may be obtained from the Counseling Division, Institute of International Education, 800 Second Avenue, New York 17, N. Y. Completed scholarship applications to the British schools must be received by the institute by March 1.

## K-State Frosh Down Jayvees

Kansas State's towering freshman basketball team pulled away from Fort Hays State's junior varsity in the last eight minutes of play for an 88-70 victory Monday at Manhattan.

All five FHS starters scored in double figures. Tieszen and Heitschmidt were the leaders with 15 points apiece.

In the finals of the first annual Holiday Basketball tournament at Goodland, Northwestern Junior College of Sterling, Colo., outdistanced Fort Hays State, 99-77.

The young Tigers had advanced into the finals of the Christmas Classic by defeating McCook (Neb.) Junior College, 89-64. Jerry Maska was the leading scorer for FHS with 26 points.

The scrappy defensive action of freshman guard, Jim Tieszen, earned the young Bengal a position on the first five all-tournament team.

The junior varsity will play again next Saturday and Monday when they host Emporia State and Kearney State.

# Tiger Wrestlers To Meet Nebraska U., Omaha U.

Tiger wrestlers continue the 1963-64 mat schedule with a two-day road trip to Nebraska University, Lincoln, Friday night and Omaha University Saturday night.

Dave Winter, FHS wrestling coach, expects the Tigers to come out on top against Omaha. But Winter predicts that if the Bengals defeat Nebraska it will be only by a narrow margin.

Last year the Tiger grapplers defeated both Nebraska teams—Omaha, 19-8, and Nebraska U., 14-11.

NU's lineup will consist of sophomores and one senior, while freshmen dominate the Omaha squad.

Adams (Colo.) State trounced Omaha Dec. 17, allowing OU only two points which were earned in a draw. Adams State also defeated FHS in the first dual meet of the season for both teams, 21-8.

In the tentative Tiger lineup for the road trip is Ed Hanson, Atwood freshman, who will see action

for the first time on the varsity squad at 137 pounds.

Tentative lineup for FHS—123, Lee Albert; 130, Glenn White; 137, Hanson; 147, Bob Brown; 157, Dennis Hupfer; 167, Vic Lyczak; 177, Delbert Erickson, and heavyweight, Jim Tinkler.

FHS evened its dual record at 1-1 by downing Kearney State, 29-5, at Kearney Dec. 9.

The Tigers won seven of the eight matches against Kearney, four by pins and the rest by decisions.

FHS grapplers pinning their opponents were Alberts at 123; Brown at 137; Lyczak, 157, and Bangert, 167. The Tigers only loss came in the heavyweight bracket when Kearney's Don Hather pinned Tinkler in 4:43.

Those scoring by decisions were White at 130; Hupfer, 147, and Erickson, 177.

The Bengal freshmen squad was defeated by the Kansas State University frosh, 22-10, Dec. 20 in Manhattan.

## Gymnasts Entertain Double-Dual Meet

The FHS gymnastics team plays host to Colorado State University and Kansas University in a double-dual meet tomorrow evening at 8 in Sheridan Coliseum.

The Bengal gymnasts will be shooting for a 3-1 won-loss record after losing to Nebraska University, Dec. 21 at Lincoln, 82-30.

Jim Mull, Kansas City, Kansas, sophomore, gained 8 points in four events against the tough NU squad.

Mull is the leader in total points for the Tiger gymnasts with 53. Johnnye Appleton, Wichita sophomore, has 31; Gary Cooper, Alton, Ill. junior, 28; and Alex Bieker, Hoxie junior, 26.

## Norge Laundry & Dry Cleaning Village

MOST MODERN LAUNDRY IN TOWN

Mix all colors.

SATISFACTION GUARANTEED

Also & pressing and ironing. Attendant on duty at all times.

Located East of Tastee Freez  
Centennial Blvd. and Gen. Hayes Road

# Despite Size, McDowell Sets Scoring Marks

By Bill Scott  
Leader Sports Writer

At 5-11 Sam McDowell may be at a height disadvantage, but it hasn't stopped him from becoming the highest scoring basketball player in the history of FHS.

In the past four years, Sam has scored 1,121 points. He surpassed the old mark of 1,054 points Dec. 28 when he sank 31 against Central Oklahoma State. The old standard was set by Marvin Andrews in the 1951-55 seasons.

Just last week, Sam set an all time record for points scored in a single game when he fired in 41 points against Omaha University. While accomplishing this record, Sam also set the new record for most field goals scored in one game (19).

Asked whether or not he knew of his record or even of his approaching the record in the closing minutes of the contest, Sam said he had no idea of the record, but he did know he had put in quite a few points.

When his senior season began, McDowell ranked eighth among FHS's all-time high scorers with 856 points. In his first 10 games this year, the sensational forward popped in 265 points, an average of 26.5 per game.

If Sam can keep his average close to this mark for the entire season, he will easily smash the current individual season average of 20.0 points per game set by Herb Stange in 1961-62.

The other cage records held by Sam are: most free throw attempts in a season (233) and in a career (565); most free throws made in a game (19), in a season (169), and in a career (403). He is also closing in on the marks for field goals made in a career and the best one-season scoring average.

Sam began his basketball playing at a guard spot. But since he moved from guard to forward in early February of his junior year, he has averaged 23.5 points and 8.6 rebounds per contest. In the 23 games he has played at forward, he has led the team in scoring 12 times, including eight of the first 10 games this season.

As a high school cager at Smith Center, Sam was all-area and averaged more than 23 points his senior year. He earned four basketball letters, four more in track as a weightman and three as an end in football.

Sam came to Fort Hays State in 1960 and had previously planned to attend college here for only two years, but he of course changed his plans.

When asked why he decided to continue his education at Fort Hays State, Sam replied, "After we won the conference champion-

ship my sophomore year, I decided to stay at Fort Hays State."

Coach Suran mentions McDowell's quick hands, footwork, timing and ability to get a shot away under almost any circumstances as attributes of his outstanding performances.

"He's tremendous, absolutely tremendous, in any one-on-one situation," Suran continues. "If there's a basketball move he doesn't have, I don't know what it is."

Suran tags his star "the best all-around player for his height that I've ever coached."

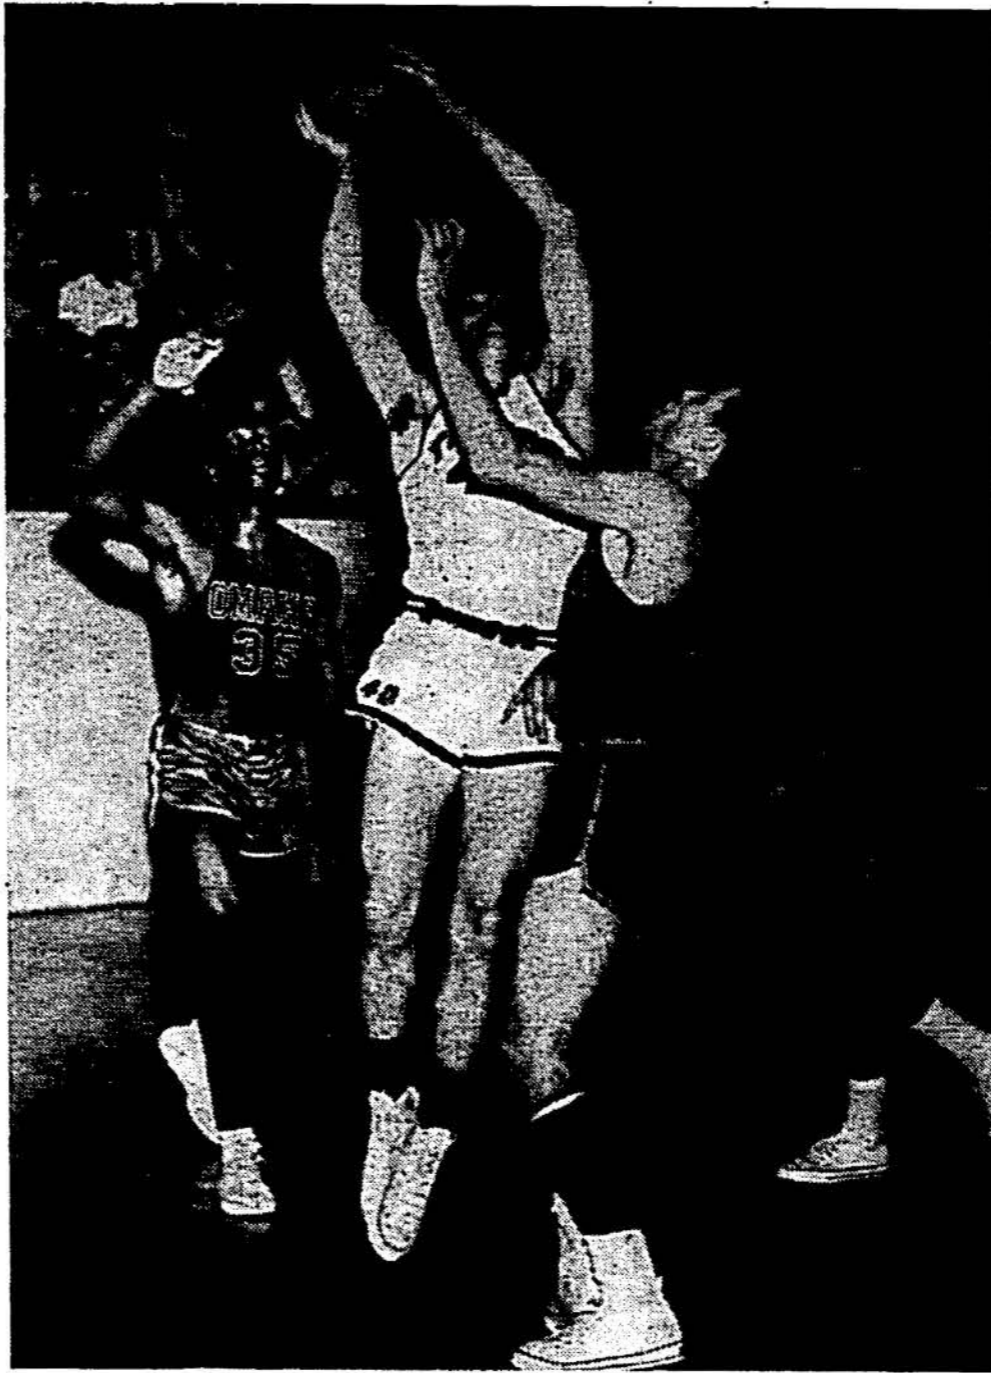

Sam earned honorable mention for all-conference honors as a freshman, but was by-passed as a sophomore. He won a second-team all-league berth last year and appears headed for a certain first-team spot as he ends his career this season.

Besides his basketball ability, Coach Suran also talks about Sam's character. "Not only is he an exceptionally fine athlete, he is a most even-tempered young man. His attitude toward teammates, opponents and officials is exemplary," Suran says.

Suran thinks the fact that McDowell has attended the Fellowship of Christian Athletes Conference at Estes Park, Colo., four times has a lot to do with his fine disposition.

He finds sufficient time for studying during the pressure of a long basketball season—sufficient, that is, to be an honor student with a B average through six semesters.

He was married last summer to his high school sweetheart, the former Gaylene Howard, a 1963 FHS graduate. She seems quite pleased with Sam's basketball career and Sam says his basketball exploits do not seem to hinder his homelife in any way.

UP AND OVER — Although eight inches shorter than Omaha center, 6-7 Larry Villnow, 5-11 Sam McDowell arches a short shot over Villnow. McDowell set a new school field goal record with 19 connections despite the upset over the Tigers, 85-82. Number 35 is Omaha's Sam Singleton, 6-5 freshman.

# Tigers Seek CIC Victory

Pre-season CIC favorite Emporia, sporting a 9-3 record, invades Sheridan Coliseum Saturday to play the Tigers in the third conference game for the Tigers and the second for the Hornets.

The Hornets, winners of eight of their last nine games, have upset the NAIA ranked team, Pan American, 69-56, in a holiday tournament and Rockhurst, 84-59, top NAIA team in Missouri.

Athletic director Paul "Busch" Gross said that the Coliseum will open at 5 p.m. Saturday for the double-header with Emporia. The doors will open at 6 p.m. for all remaining games.

FHS has lost its first two CIC games and E-State has won its only conference start, 80-77, over the Pittsburg Gorillas, Monday night.

Denny Bolen, 6-4 forward, has been the leading scorer for the Hornets this year with a 20-plus average. Bolen scored 20 points against the Gorillas. Pittsburg led the Hornets until eight minutes in the second half when Bob Goldsmith, 6-5 junior forward, hit a jump shot and the lead changed hands.

Other Hornets hitting in the double figures were Travis Wallace, 6-0 senior guard; Doug Glaysner, 6-5 senior center; and Goldsmith.

The remaining starter is Garry Patterson, 5-9 senior guard.

In the Pan American Holiday Tournament, Dec. 17, Emporia defeated Texas A & I, 64-59, before meeting Pan American for the championship.

A week later in the Hastings Invitational Tournament, the Hornets defeated South Dakota Southern and Illinois Normal before falling to Mankato (Minn.), 77-58 in the championship game.

## Marauders Clash at Sterling Saturday

The Fort Hays State Marauders, women's basketball team, will meet Sterling College's women cagers in two games Saturday at Sterling.

The two teams will tangle in the morning and afternoon.

FHS's women cagers record is 1-1. Dorthy Hull, Plainville junior, leads the Marauders in scoring with 15 points followed by Judy Boller, Natoma sophomore, with 14.

## Fort Hays Thinclads Schedule 14 Meets

Fourteen track and field meets are scheduled for the 1964 FHS track team, which includes the CIC outdoor meet slated to be held at Hays for the first time since 1957.

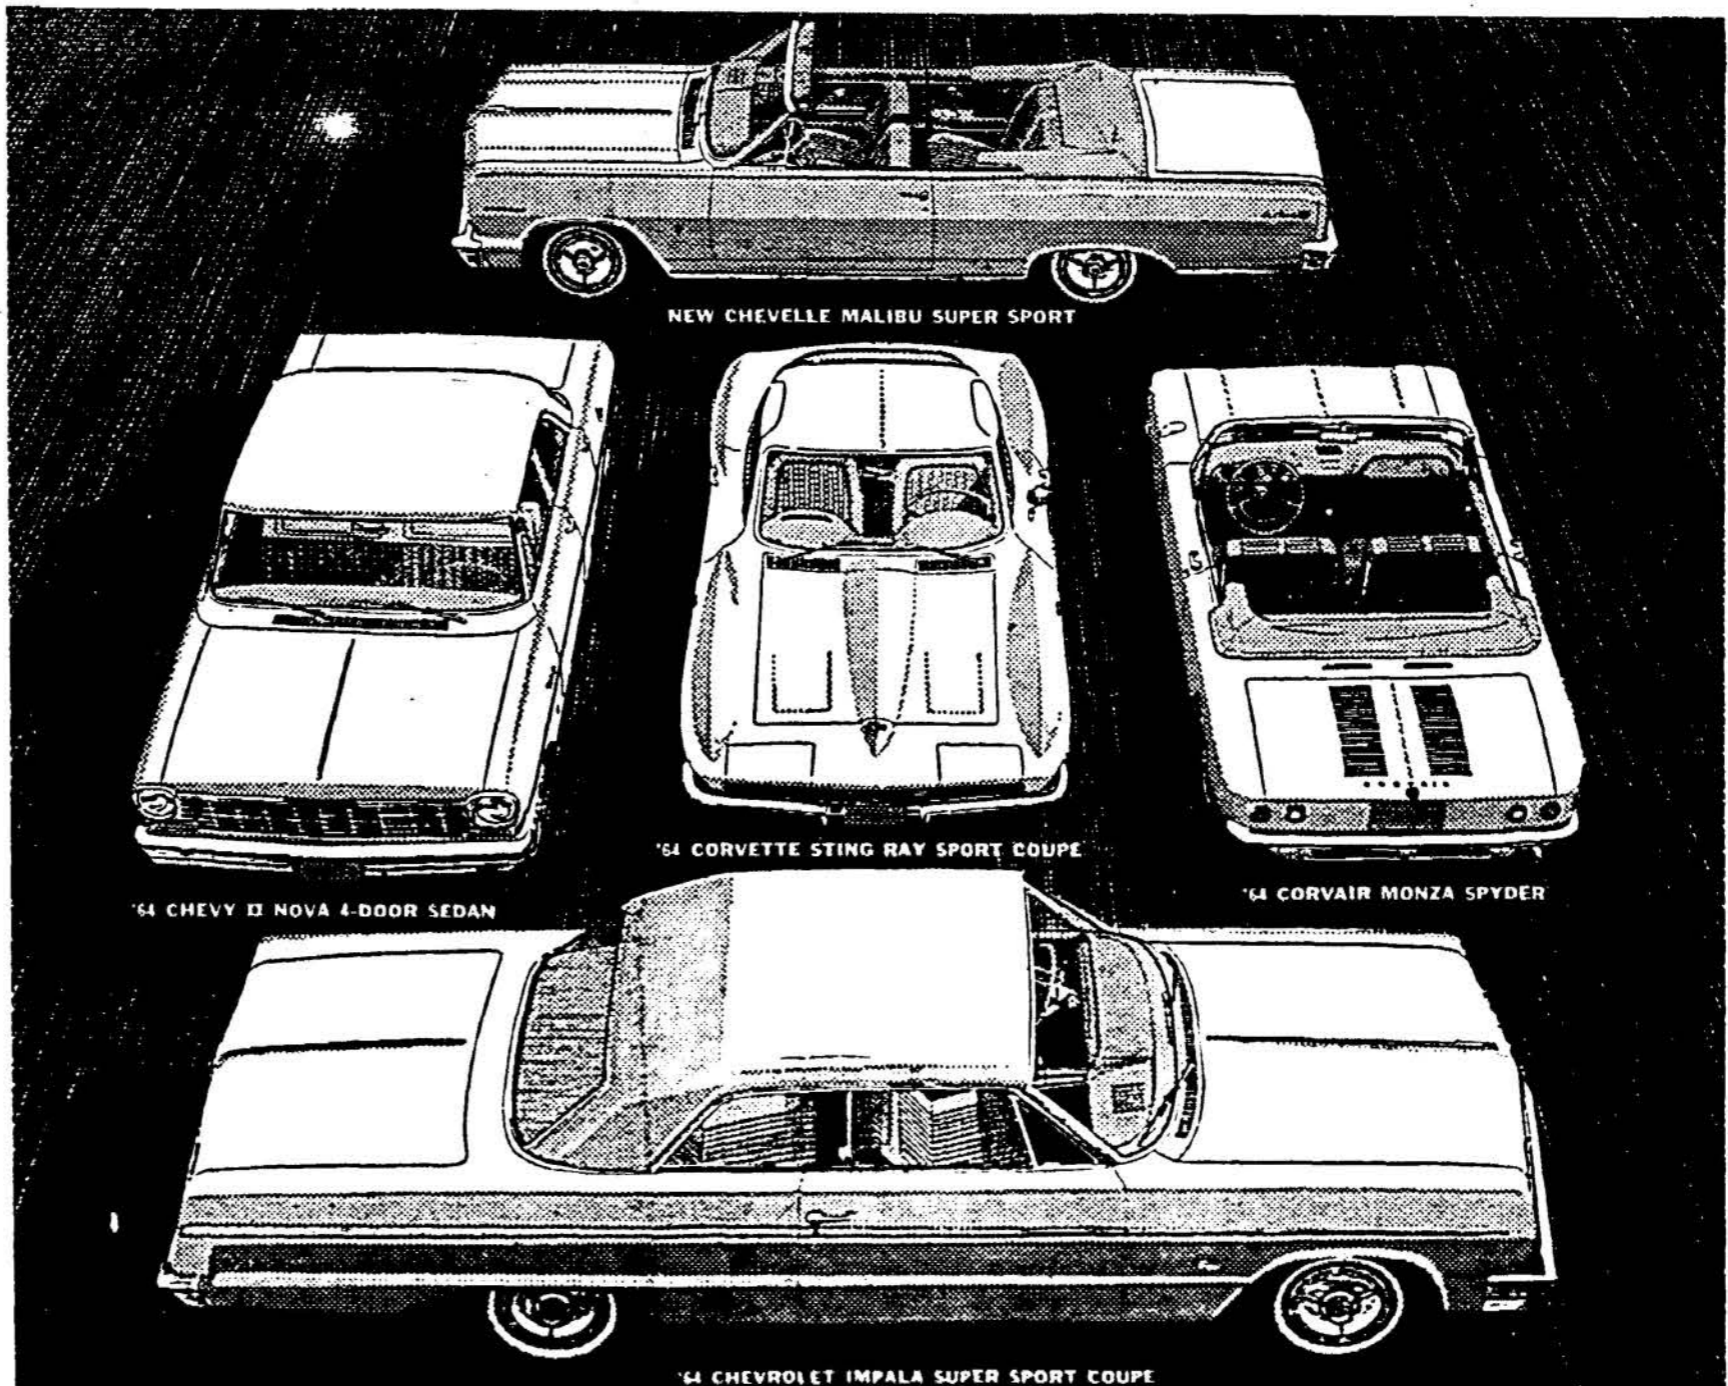

The first four meets compose the indoor activity, while the rest are scheduled for outdoors.

The 1964 season schedule:  
February—15, indoor dual at Kearney State; 29, triangular meet, South Dakota University, Kearney State and FHS at Kearney.

March—6 and 7, CIC indoor meet at Omaha; 14, Kansas State University invitational indoor at Manhattan.

April—3 and 4, Texas Relays at Austin; 11, Emporia Relays at Emporia; 14, dual at Hays with Kearney State; 17 and 18, K. U. Relays at Lawrence; 21, dual at Emporia; 25, Colorado Relays at Boulder; 29, dual at Hays with Wichita University.

May—8 and 9, CIC meet at Hays; 23, AAU Missouri Valley Meet at Kansas City; 29 and 30, NAIA Meet at Sioux Falls, S. D.

## COUNT ON CHEVROLET TO BUILD THE ONE YOU WANT

ONE-STOP CHEVROLET SHOPPING never meant more than it does today. Five lines to choose from—starting with the Jet-smooth luxury Chevrolet, then the totally new Chevelle, the better-than-ever Chevy II, sporty Corvair, and the exciting Corvette Sting Ray. And you've got 45 models and 22 engines to choose from.

Chevrolet's Impala Super Sport series tops the lineup with luxury you'll love to get used to.

Chevelle has the room you want in a size you can handle. Chevy II's handsome in sparkling new trim. Corvairs for '64 enjoy crisp styling accents and more power—nearly 19% more horsepower in the standard engine. The famous Corvette Sting Rays have a smoother ride and smarter interiors.

Put all this choice together and you see why you can count on Chevrolet to build the one you want in '64! And it's at your Chevrolet dealer's

THE GREAT HIGHWAY PERFORMERS Chevrolet • Chevelle • Chevy II • Corvair • Corvette
