BOBBY THOMPSON, HEAD FOOTBALL COACH

Fort Hays State Athletic Director Phil Wilson knew who he wanted as his head football coach when the position became open in late December of 1978. Wilson wanted Bobby Thompson.

Thompson accepted the Fort Hays State job only after he completed his obligations as the recruiting coordinator at Kansas State University. A thorough person, Thompson wanted nothing standing in

his way when he started managing the Tiger football fortunes.

Success marks Thompson's career at every place he has undertaken responsibility.

As a college athlete, the diminutive Oklahoman, won honors as a junior college All-American quarterback at Eastern Oklahoma JUCO. Thompson matriculated to Adams State College in Alamosa, CO, where he directed the Indians to a Rocky Mountain Athletic Conference championship as the number one signal-caller in 1960.

Upon graduation, Thompson took a position at Highland High School in Albuquerque. He coached the "B" team for a season before taking on the varsity. Under Thompson, Highland High won the 1962 New Mexico State High School Championship. Highland went undefeated, 12-0, and allowed just 22 points to be scored by the opposition.

The call to return to his native Oklahoma was strong and when the Altus High School head coaching job opened, Thompson applied and won the post. In just two seasons Thompson turned Altus High into the Oklahoma High School State Champions. Coach of the Year honors were bestowed upon the champion-maker in 1965.

Oklahoma State University knew of Thompson's talent with high school athletes and hired him to direct their recruiting program. Handpicking 11 of 22 Cowboy starters, Thompson found success again. Responsibility for coaching the defensive ends and linebackers was also part of the Stillwater job.

The need to fulfill an educational goal then directed Thompson to the University of Idaho in 1969. In addition to obtaining his Master's degree in Physical Education, he directed the Vandals' offensive units. Under Thompson's tutelage Idaho teams led the nation in passing one year and were the number one offensive team in the Big Sky Conference for three straight years. The Vandals, in 1971, posted an 8-3 record, the best ever for an Idaho team.

With new degree in hand, recruiting again became Thompson's forte. This time at West Texas State. For two years, 1973-74, Thompson directed the defensive units while combing Texas and California for student-athletes.

Next came the opportunity to become the main man at Northwestern Oklahoma State. The Rangers were guided to a 7-3 mark. The 1975 season, under Thompson, was the best year in NWOSU football history. The Rangers edged the Fort Hays State Tigers, 21-20, that year.

The lure of coaching another high school championship team brought Thompson to Ardmore, Oklahoma, High School. Once again, Thompson directed his team to the Oklahoma State High School title. His Ardmore team won 12 games, while only dropping two contests on their way to the 1976 state championship. Thompson also held down the athletic director's position.

After Thompson spent a year in private business, Kansas State University found themselves in need of a recruiting director. During 1978, Thompson recruited Wildcats and coached the defensive backfield.

Phil Wilson saw the coaching talent and the recruiting expertise needed by a Tiger head coach and he knew that Bobby Thompson was the right man to be the next Fort Hays State head football mentor.

Wilson asked Wildcat head coach Jim Dickey for permission to talk to Thompson about the head coaching job at Fort Hays State. Dickey reluctantly gave Wilson the O.K., knowing that he was about to lose a plum from his coaching staff.

Shortly thereafter, Wilson got what he wanted . . . Bobby Thompson became the 15th head coach of the Fort Hays State Tiger football team.

Thompson plans to do at Fort Hays State as he has done at every place he has been . . . and that is to be successful. And that is what all Fort Hays State football fans want.

TIGER HEAD COACH BOBBY THOMPSON POINTS TO THE FHSU DESTINATION—THE GOAL LINE.

ASSISTANT FOOTBALL COACHES

BRIAN NABER/OFFENSIVE LINE

The Tigers' offensive line will be directed by Brian Naber. Coach Naber is in his third year at Fort Hays State. Naber has welded the offensive front for the Tigers into a unit to be reckoned with.

Before coming to Fort Hays State, Naber coached two seasons at the American School in Japan. Naber is also a former high school head coach. The Waco, NE native coached Minneapolis (Minn.) Lutheran High School to an 8-2 record and a conference championship prior to going to the Orient.

Naber holds a master's degree from the University of Northern Colorado, which he earned in 1972. In 1971, Naber received his bachelor's degree from Concordia College in Nebraska.

Coach Naber is married to the former Janice Fredrickson of St. Louis. The couple have one child.

JERRY SIMMONS/LINEBACKERS

Jerry Simmons is in his second year as a Tiger coach. In 1979, Simmons will once again handle the linebackers.

A 1976 graduate of Fort Hays State University, Simmons earned two varsity letters as Tiger linebacker before entering graduate school in 1978.

Simmons will complete his work toward a master's degree in physical education in the fall.

After graduation, Simmons would like to continue coaching on the collegiate level.

Simmons hails from Elkhart, KS and is single.

TERRY PASBY/DEFENSIVE BACKS

A 1978 All-CSIC cornerback, Terry Pasby returns to help teach the Tigers' defensive secondary what made him such an outstanding player.

Pasby also graduated in 1978, earning a bachelor's degree in physical education. While working as an assistant with the football team, he will also begin work toward a master's degree in physical education.

The Elk City, Oklahoma native would like to return to his home state and coach on the high school or collegiate level upon receiving his advanced degree.

Pasby is a bachelor.

DAVE METER/RECEIVERS

Just a few years ago the most potent Tiger offensive threat was the passing duo of Skip Numrich to Dave Meter. This year Meter returns to Fort Hays State to help coach the receivers.

The former honorable mention All-American spent the last year teaching and coaching at Great Bend High School.

In addition to his coaching duties, Meter will begin work toward an advanced degree in physical education and administration.

MARK GOODHEART/DEFENSIVE LINE

A 1975 graduate of McPherson College, Mark Goodheart joins the 1979 Tiger coaching staff to assist with the defensive line and linebacker coaching chores.

Goodheart has coached the past three seasons at Gorham High School.

THE TIGER OUTLOOK IN 1979

BY BOB DAVIDSON
Sportswriter, Salina Journal

Something old, something new. Something borrowed, something blue. That old phrase may best describe the 1979 Fort Hays State gridiron edition.

The old portion of the '79 Tigers are the 35 returning lettermen who led the Tigers to a 6-5-1 record in 1978, including a third place finish in the Central States Intercollegiate Conference with a 4-2-1 mark.

The new is reflected in Coach Bobby Thompson, who moves west after directing the efforts of the defensive backfield at Kansas State University last fall. Thompson replaced last year's Tiger mentor Bill Giles in late January.

Also new will be the recruits Thompson brings in, which will include highly touted quarterback Hoskin Hogan and running back Freddie Hurd.

As for the borrowed, Thompson plans to bring back the "Pro-set" for the Tiger offense with the emphasis being on the pass. The native Oklahoman has been heard to say, "We will live or die by the forward pass. It is the fastest way to the end zone that I know."

And as for the blue, the graduation of halfback Tom Doll and five other starters from last year's squad will present Thompson and Co. with some key holes to fill.

Doll capped a brilliant four-year career at FHSU last season and now holds virtually all of the Tiger rushing records. Replacing the school's all-time leading rusher will be a task sure to make the Tiger coaching staff a little blue.

But despite the loss of Doll and the rest of last year's senior corp, Thompson need only glance at the long list of returning lettermen that includes 16 starters and he will know the future holds promise.

With Thompson's plans to pass in '79 and the returning offensive cast along with Hogan and Hurd should make the Tigers an exciting lot to watch.

Hogan, highly rated among NCAA I-AA passers last year, has proven that he can throw the football. He transfers to Fort Hays State from Boise State University. And there is more than adequate help in sophomores Rick Mondt and Mike Moore who were sensational as freshmen.

Toss in a veteran offensive line that includes tackles Dennis Johnson and Bob Heider, guard David Metzler, and centers Andy Mattison and Craig Stephenson along with big and bruising fullback Wes Alstatt, experienced receivers in Terry Georgeson and Sam Farmer and the breakaway threat of Hurd and it's easy to see how the Tigers could score points in large amounts.

Defensively, the Tigers return their top seven players on the front line including all five linemen in Thompson's 5-2 scheme.

Ends Ron German and Junior Hartig are candidates for post-season honors and noseguard Bill Turner is definitely All-American material. Strength at the tackles will be provided by Justin Marchel, Rick Peters and Jeff Jennings. Tackle-noseguard Bill Sand will add depth to the front line. Linebackers Danny Bloedorn and Mike Carney, who missed all last season with a neck injury, return. Sophomore lettermen Greg Black and Steve Ayers will be used frequently. Kelly Cruise, a part-time starter as a linebacker last year will be moved to an offensive guard slot to utilize his quickness.

Thompson's major defensive concern will be in the backfield — an area the fiery Oklahoman knows something about. The graduation of cornerbacks Gary DuBois and Terry Pasby will hurt, but cornerbacks Jimmy Wittman and Alan Shull return along with part-time starter Gary Sechrist. Thompson's second job at Kansas State - recruiting coordinator - should also help in this area.

The kicking game should be in good hands with Dennis Dehm handling the place kicking after being hampered most of 1978 with a severely bruised thigh. Joe Bloss will add depth at this critical position. Punting is a question mark, depending on whether last year's punter Bill Giles IV decides to concentrate solely on basketball.

The 1979 Tiger squad has the experience and the talent to be one of the best in Fort Hays State University history. Additions in a couple of key areas could put the Tigers in position again to battle Kearney State, Missouri Southern, and Pittsburg State for the CSIC title as they did last year.

The always rugged CSIC along with non-conference games against Illinois State and Eastern New Mexico will give Tiger fans what promises to be an interesting year.

No doubt, the 'something new' Coach Thompson and the Tigers are looking for is the CSIC crown in 1979.

Since 1947, Dr. Tomanek has been a part of Fort Hays State University serving in several capacities. On January 17, 1976, Dr. Tomanek was named the seventh President of Fort Hays State University. Dr. Tomanek holds two degrees from the University and has his doctorate in Botany from the University of Nebraska.

Several honors have been bestowed on the expert of grassland ecology and range management. The highest of which came in the early spring of 1979 when Governor John Carlin decreed Dr. Tomanek as "Kansan of the Year."

Dr. Tomanek recognizes the need for strong academics and the need for excellent administration in an institution of higher learning. The President knows also the importance that athletics can play in institutional success.

"I am very proud of our total athletic program, and it is an integral part of our total university," said Dr. Tomanek. "Young men and women are very fortunate to participate in intercollegiate athletics and can learn valuable lessons like friendship and teamwork in a way that will enhance their horizons."

PHIL WILSON

FORT HAYS STATE UNIVERSITY ATHLETIC DIRECTOR

Fort Hays State Athletic Director Phil Wilson works unendingly for the betterment of Tiger athletics. Over the past three years, under Wilson's direction, Fort Hays State teams have risen in quality. An overall ranking of total athletic programs found Tiger teams to be the sixth best among NAIA competition in 1977-78.

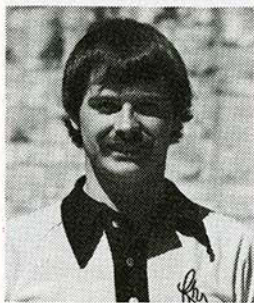

"We fully expect to be even better in the future, in fact we want Fort Hays State to be the Number One school in the NAIA," said Wilson.

Always an innovator, Phil Wilson's hard work to promote Fort Hays State has paid off. New scoreboards for football and basketball, and new exciting basketball tournaments have become realities through Wilson's efforts. In addition, Wilson's creative mind has created many special fund raising projects and some very attractive road trips and better scheduling for all Fort Hays State teams. With Wilson as the mastermind for Tiger athletics, the goal of Number One cannot be very far away.

The two-time graduate of Kansas State University is a former baseball coach of the Wildcats. Under Wilson, the KSU baseball nine was always a contender for the Big Eight title. His teams compiled a 139-110 record over five years, the most victories in the school's history.

Wilson, also served Kansas State as an assistant athletic director. Wilson's duties included athletic ticket sales, facility management, promotions, and the "Steer-A-Year" club.

The 32-year-old Wilson is married to the attractive former Venita Felton of Mt. Vernon, Illinois. 'Nita can be seen lending vocal support at most Tiger athletic contests. The Wilsons have two daughters, Tammy and Sulynn.

BRAD BROWN

HEAD TRAINER

The first person on the scene when a Tiger athlete is injured is usually head trainer Brad Brown. Brown is in his second year at Fort Hays State University.

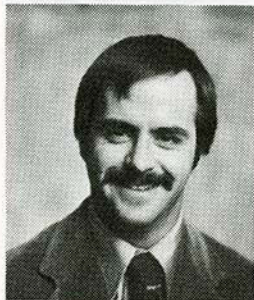

No stranger to Tiger athletics before assuming the duties as head trainer, Brown served a four-year apprenticeship,

under Bill Lyons and Steve Antonopolus, as a student trainer at Fort Hays State.

A double graduate of Fort Hays State (1977-1978), Brown earned both his bachelor's and his master's degree in physical education.

In addition to his trainer's duties, Brown serves as a part-time instructor.

The Norton, KS native and his wife, Kristi, are expecting their first child in the fall.

MAC YATES

SPORTS INFORMATION DIRECTOR

Providing statistical information, rosters, programs, brochures, and other information regarding Fort Hays State athletics and athletes is sports information director Mac Yates.

Yates is in his second year as the Tigers' media liaison man.

An Ohio State University graduate in 1978, Yates earned his master's degree in athletic administration while working in the OSU sports information office as a graduate assistant. He also holds a degree in communications from Ohio University.

Although born in Oregon, Yates calls Huntington Beach, California home.

The Tigers' sports information director is married to the former Kristy Mann of Westerville, Ohio.

FORT HAYS STATE UNIVERSITY

Fort Hays State University is 77 years young. The western Kansas campus is a combination of native limestone, new concrete, and copper. Compare old Sheridan Coliseum to "the Palace on the High Plains," Gross Memorial Coliseum.

The tradition of a quality education is alive on the Fort Hays State campus. An outstanding faculty employs modern teaching techniques and new technologies to help over 5,300 students reach their goals.

Located in the historic Hays, Kansas, Fort Hays State University straddles the banks of Big Creek, on the west side of the city.

At one time western legends such as "Wild Bill" Hickok and Calamity Jane populated the town.

While Fort Hays State University is the educational center of western Kansas, Hays is the hub for agriculture, business and service industries.

The University fills the needs for education, service and research to the community by offering degrees from its five schools, Business, Education, Nursing, Arts and Sciences, and the Graduate School.

Fort Hays State University stands for high quality education on the high plains.

TIGER BOOSTER CLUBS

Contributors to the Fort Hays State University athletic program can join one of several booster clubs depending on the amount of their contribution.

The Black and Gold Club is for contributions of \$10 to \$35. Features of this club include a membership card entitling holder admittance to Tiger Rooms, schedules of athletic events, the athletic newsletter, priority on purchase of football and basketball season tickets and special events and travel.

Contributions of \$36 to \$99 denote the Varsity Club level. Included in this club are all the features of the Black and Gold Club plus a higher priority on the purchase of season tickets.

A \$100 to \$499 donation enables contributors to be classified as Century Club members. Besides the above-mentioned features, members receive a leatherette plaque with name, reserved parking space at athletic events, name listed on Athletic Board and a card decal.

All-American Club status is achieved with a contribution of \$500 to \$999. Club members, in addition to the features of the Century Club, are entitled to varsity brochures, coaches letters and after-game parties.

The highest level of membership is the Flying Tigers Club for contributions of \$1000 or more. Flying Tiger members have top priority on purchase of football and basketball season tickets, VIP parking, receive a special plaque and attend a special dinner. They are also eligible for all the features of the other clubs.

A popular booster club at Fort Hays State University is the Tiger Beef Club. Membership in the Beef Club is awarded to interested boosters who contribute a steer or cash (\$250 or more which is used to buy a steer) each year. Proceeds from the sale of such livestock go directly into the department's budget. Beef Club Members receive similar benefits as do members of the Century Club.
