5-7,000 Expected This Weekend

Fair Entrants, Musicians To Fill Campus

Three events, including the industrial arts fair and state music contest, are expected to draw between 5,000 and 7,000 visitors to the FHS campus this weekend.

Nearly 3,000 top musicians from 143 schools are expected for the State Music Festival and an undetermined number of prep students have entered nearly 3,800 projects in the fifth annual Western Kansas Industrial Arts Fair. In addition, some 150 seniors are expected to take the American College Tests, which will be given Saturday.

Earlier this week nearly 70 schools had requested entry blanks for the industrial arts

fair Friday and Saturday in Davis Hall.

Sponsored by the Industrial Arts Club to stimulate interest in industrial arts, competition for the fair has been divided by school class—AA, A, B and BB. Trophies will be awarded the five schools compiling the most points in these divisions, and also to the best project in the fair, school divisional winners and the high individuals in each division.

Divisions are arts and crafts, drawing, wood, graphic arts, metal, electrical and open.

Defending divisional champions are Campus High of Wichita, Anthony, Victoria, Mount Hope and

North Junior High of Salina.

Setting up the huge display for entries from these defending champions and other schools are about 85 members of the Industrial Arts Club and FHS faculty members.

"Workmanship on fair projects has improved tremendously since the fair started," said Dr. Richard Cain, professor of industrial arts, "and this year promises to be no exception."

Judges of the projects will be a team from the Kearney (Neb.) State College industrial arts faculty—Floyd Krubek, Ora Lindau, Edward Monson and Gene Buck.

The State Music Festival Saturday brings together the win-

ners of several district festivals held early in April in the Western half of Kansas.

Similar festivals will be held on the same day at Wichita and Emporia for students from Class AA, A and B high schools.

Sponsored by the Kansas State High School Activities Assn., the festival is administered by the FHS division of music.

Entries, both instrumental and vocal, include 595 solos and 301 ensembles, which range from trios to groups of 15. Numbers will be presented on five and six-minute schedules starting at 8 a.m. and will continue until late afternoon.

Medals will be awarded recipi-

ents of top ratings and other entrants will receive certificates.

Judges, all from out of state, will rate the entries one, two, three or four on individual skill and performance, not in competition with other entries.

Judges for the festival include Karl Webb, Richard Weerts, Lansing Bulgin and Barbara Kinsley, all of Northeast Missouri State at Kirksville; Walter Olsen and Charles D. Wilhite of Midland College, Fremont, Neb.; Lytton Davis, Omaha; Richard Grace, University of Nebraska; Robert Waterstripe, Hastings (Neb.) College, and Melvin Lee, Ad Acres and X. Gudenburr, all of Oklahoma City.

NUMBER TWENTY-NINE

Convocation Honors 75

Approximately 75 students were honored for scholastic achievement at the Honor Convocation Wednesday morning in Sheridan Coliseum.

Dr. Walter Judd, former Congressman from Minnesota, was the featured speaker at the convocation, sponsored by Phi Kappa Phi, national honorary scholastic fraternity.

Honored students were members of Phi Eta Sigma, freshman men's honor society; Alpha Lambda Delta, freshman women's honor society; students in the Honors Program; seniors who made a 3.00 grade point last fall, and Phi Kappa Phi.

Judd's address was the first of three speeches he made Wednesday. He also spoke to faculty members at a noon luncheon and at the Wooster Fund Dinner Wednesday night.

ASC Buys Trophies; Sends 8 Members To Wooster Dinner

The All-Student Council opened its coffers to the tune of \$280 Tuesday night, allotting money for the Fort Hays Furlough and to send representatives to the Wooster Fund Dinner.

Representing the Furlough Committee was Ernie Miller, Liberal senior, who asked the Council to finance the trophies for the bicycle races this year because of the large expense incurred in starting the Furlough.

Trophies will be awarded to first and second place teams, downtown sponsors and to individual team members. They are expected to cost nearly \$200. Dave Meckenstock, Hays freshman, moved to give not over \$200 for the trophies and the motion passed on a division count.

The Council also decided to buy eight tickets to the Wooster Fund dinner to send the four class presidents and four Council representatives. The tickets cost \$10 apiece.

Jim Rock, finance committee chairman, presented and corrected the proposed \$2,000 ASC budget for next year. Dean of Men Bill Jellison asked whether provisions had been made so that funds could be moved from one item of the budget to another. Rock said that the budget was merely a guide for next year's finance committee to follow and that since all the money was in fund it could be moved at will.

WEARY RIDER — Charles Stos, Otis freshman (left) catches Marvin Dinkel, Bison sophomore, as he finishes his lap in the Fort Hays Furlough bicycle race time trials held Saturday in the state park. Moving in to replace the exhausted Dinkel

is Richard Lebsack, Otis sophomore. Riding on an independent team, the men and three teammates finished sixth in a field of 15, with a time of 7:12 over the two-mile course.

Bicycle Race Moved to Park, Delta Sigs Win Pole Position

Fort Hays Furlough bicyclers will race in the west state park, rather than in Lewis Field Stadium May 1 and 2.

The location for the men and women's bicycle races and the Greek chariot race was changed because the racing might damage the track for the CIC track meet scheduled the following week.

The park area to be used is the west side just south of the stadium. The track is black-topped but is narrower and longer than the stadium track. Because of the track conditions, the races have been shortened to 40 miles for the men's and 10 miles for the women's.

"Naturally we are disappointed that we can't use the stadium track as planned," said Kent Collier, executive secretary for the Endowment Assn., "but we understand the damage that might be done to the track in using the stadium."

Delta Sigma Phi won the pole position for the men's race with a time of 6:56 on a two-mile track in the time-trials Saturday morning.

Other positions determined by the trials are: McGrath Hall, 2;

Sigma Phi Epsilon No. 2, 3; Prometheus, 4; Sigma Tau Gamma, 5; Independents, 6; Alpha Kappa Lambda No. 1, 7; South Agnew, 8; Tau Kappa Epsilon No. 1, 9; Sigma Phi Epsilon No. 1, 10; Phi Sigma Epsilon, 11; Delta Sigma Phi No. 2, 12; and Alpha Kappa Lambda No. 2, 13. Tau Kappa Epsilon No. 2 and the physical education majors who did not ride in the trials, will be in the 14 and 15 positions.

Miss Hays of 1964, Dottie Lay, will reign over the two-day event. She will lead the Saturday morning parade in which campus queens

President Returns From World Trip

"Tired and broke." President M. C. Cunningham returned to his office this week after a trip to Pakistan and around the world.

He arrived in Hays by plane Sunday night, after having more trouble getting home from San Francisco than he had getting to the far corners of the world.

Because of a delay in his flight from Honolulu, he missed his plane

and area bands will participate. She will also participate in the variety show Saturday night.

Other events for the fund-raising weekend include a spring football game, an alumni breakfast, dance, variety show, a barbecue, and a chicken dinner.

Student Recital Slated

David Ketchum, Rexford junior, will present a recital at 4 p.m. Sunday in Sheridan Coliseum.

Ketchum, a tenor, will be accompanied by Bonnie Storm, Hays post graduate student.

30 Per Cent Affected by Fag Report

Slightly more than 30 per cent of FHS students were affected by the government report on the effects of cigarette smoking, a Leader survey indicates.

Assuming that effects of the report have had time to stabilize, Leader staff members took a poll of 83 students—49 men and 34 women.

Of the women interviewed, 11, or 32.4 per cent, said the government report Jan. 11 had some affect on their smoking habits. Of these five had completely quit.

A smaller percentage, 28.6 or 14 of the men said their nicotine habits had been affected, but only two said they had completely quit.

However, 10 indicated they now smoked a pipe or cigars or both. Male smokers who did not cut down after the report averaged almost a pack a day (19), while the "reformers" averaged just over half a pack.

The difference was not so great among the women—"non-reformers" smoking just under three-fourths a pack a day and "reformers" just over a half a pack.

Of the 83 students, only six were in favor of the Board of Regents ban on the sale of cigarettes on state college campuses, which went into effect April 15. Five of these were co-eds.

The general consensus is that "While it is inconvenient, it will do little good because we will go elsewhere," and "This ban is only costing the Memorial Union money."

One co-ed said it was a "nice gesture" because it "tells mama they're trying to help." A member of the male set commented, "People are entitled to their own vices."

Band Concert Is Friday; Students Will Conduct

The FHS Symphonic Band will present a spring concert at 7:30 p.m. Friday in Sheridan Coliseum.

Conducting numbers in the concert will be Lyle Dilley, assistant professor of music and band director; Bill Bolton, Smith Center graduate student who is assistant conductor, and Joe Dolezal, Cuba junior, student conductor.

High school students staying overnight for the state music festival Saturday are special guests of the college for the concert.

Composers of the numbers include Hector Berlioz, Vincent Persichetti, Jose Padilla, Richard Wagner and Gordon Jacob.

Follow the Furlough

The age-old example of skepticism about Henry Ford's horseless carriage is only one of many instances which prove man's uncertainty about new ideas.

Students, faculty and business men planning the first Fort Hays Furlough are hoping that enthusiasm, rather than skepticism and disinterest, will prevail around this new idea.

Just as it took time to perfect the automobile, it will take time to make the Furlough as effective as possible. The goal for perfection can only be reached if students, faculty, businessmen and people of Western Kansas cooperate in guiding the Furlough to its ultimate success.

A steering committee has been working on the Furlough since last summer in order to organize an event which will provide scholarship funds and two days of recreation and fellowship for town and college people.

To insure a successful beginning, cooperation and enthusiasm on the part of all students is needed. Many businessmen have already pledged their support.

The unswerving enthusiasm of Henry Ford earned him lots of fun—and money—didn't it?

Scanning The Campus

Dr. Ruth A. Stout, assistant secretary of professional relations for the Kansas State Teachers Assn., will be the featured speaker for the last student National Education Assn., meeting of the school year at 6 p.m. Wednesday in the Memorial Union Trails Room.

Dr. Stout is a past president of the National Education Assn., and is currently state consultant to SNEA.

Newly elected officers will be installed at the meeting.

Two FHS musical groups, the Brass Choir and the Clarinet Choir, will present a joint concert at 8 p.m. Tuesday in Sheridan Coliseum.

The Brass Choir will feature numbers by Felix Mendelssohn, J. S. Bach, William Presser, Leonard Lebow and John Hartmeyer Leland Bartholomew, associate professor of music, directs the group.

Numbers by George Frederic Handel, Antoine Francisque and Giovanni Battista Grillo are on the Clarinet Choir's program. The group is directed by Harold G. Palmer, associate professor of music.

Emilie Miller, Russell junior, will sing a musical comedy selection.

An Air Force Officer Selection Team will be in the Memorial Union Lobby Wednesday and Thursday.

Interested students may discuss the opportunities of the Air Force Officer Training Program.

Applications Taken For Greek Grant

Applications for Greek scholarships provided by funds from the Greek Sing must be in no later than May 1.

Applicants, which will be screened by a committee made up of the vice-presidents of Panhellenic and Interfraternity Councils, Dean of Women Jean Stouffer and Dean of Men Bill Jellison, must have a 2.0 grade index and be a junior or senior next fall.

Winners must also have been active in Greek life and campus activities and financial need will also be considered. Tuition scholarships will be awarded to one man and one woman.

Application blanks and additional information may be picked up at the Dean of Students office, Picken Hall, Room 208.

Brewings

"It's rather unfortunate," comments the BUNEWS of Boston University, "that Venus de Milo got chipped in transport—but, anyway, when it comes to eating—you've still got to hand it to her."

The Creightonian at the University of Omaha says that "Nebraska is about the only place where you can get caught in a blizzard on the way to the beach." I think this would apply better for Kansas—if you could find a beach.

Dave Miller, sports editor of the Kansas State Collegian comments: "As far as girl watching at K-State is concerned, no official statistics are kept, but this sport seems to be in good hands."

Sign on the door of a prosperous funeral director: "We bury the upper crust."—The College Chronicle at St. Cloud State College; from a column designed "to take the reader's mind off weighty problems like whether to bid hearts or spades."

"I kissed my first woman and smoked my first cigarette on the same day. I have never had time for tobacco since."—Arturo Toscanini.

The Leader extends its appreciation to Monte Millard for his help in the print shop last week when two of the printers were sick. —Norman Brewer

New Officers Elected For Junior IFC

Newly elected officers for Junior Interfraternity Council are Ron Kruse, Delta Sigma Phi, president; Errol Glaze, Alpha Kappa Lambda, vice-president, and Doug Warren, Sigma Phi Epsilon, secretary-treasurer.

Tribunal Trial Plan Nets More Parking Space

Parking permits will not be required of students from 1 p.m. on Fridays until 8 p.m. Mondays for the rest of the school year.

Under a plan started by the Traffic Tribunal, students will only be required to have a registration sticker to park anywhere on campus, except in restricted areas such as those reserved for the campus doctor or nurse.

This is a trial program. It was started after a check was made by FHS Patrolman Wendell Wyatt, who found between 20 and 30 empty spaces on South Campus Drive.

It's All Greek

Sigma Phi Epsilon appointed Joe Kelly, Goodland, chaplain; Tom Kelley, La Crosse, rush chairman, and Paul Monty, Concordia, intramural chairman. Men initiated Sunday were: Eldon Grauerholz, Kensington; Terry Shoemaker, Hays; Dale Newell, Stafford, and Dr. Richard Burnett as sponsor.

Netmen Battle Emporia Here

The FHS Tiger tennis team battles Pittsburg State at 1:30 p.m. Monday at the Wichita North High School tennis courts and Emporia State at 1 p.m. Wednesday at Hays.

E-State, the CIC favorite, shut out FHS, 7-0, in the season opener for Hays. Pittsburg defeated the Bengals, 5-2, last season.

Pitt, a strong CIC contender, has all its netmen back, except one. Leading the Gorillas' attack will be Steve Wood, number one, followed by Mike Doherty. Wood took the conference single championship and Doherty got beat out in the single finals last year.

Tennis coach Malcolm Applegate will take his regular five-man squad to the meets. They are Don Fry, Hays junior; Jim Wells, Garden City junior; Rex Vonachen, Pratt junior; Pat McAtee, Ellsworth junior; and Jim Tieszen, Newton freshman.

Tieszen-Fry and McAtee-Vonachen will pair up for the doubles matches.

The Tigers dropped Hutchinson Junior College, 7-2, for Hutch's first loss of the season Thursday afternoon here.

FHS won four of the six singles and swept all three doubles matches in their first home debut match. Those winning singles victories were Vonachen, McAtee, Tieszen and Bud Campbell, Ellis junior. Sweeping the doubles were Fry and Tieszen, Vonachen-McAtee, and Wells-Derry Whitney, Hays sophomore.

Kearney State revenged an earlier 4-3 defeat at the hands of the Tigers by defeating FHS by a similar score on the local courts. The loss left FHS's racketeers with a 2-5 record.

Vonachen and Wells registered the only two victories out of five singles matches. Wells and McAtee outplayed their opponents for a doubles triumph.

KAYS To Honor Lettermen, Coaches

James Jeffrey, the executive director of the Fellowship of Christian Athletes, is the featured speaker at the Hays' Athletic Achievement Banquet at 6:30 p.m. Wednesday in the Memorial Union Black and Gold Room.

The banquet, sponsored by the KAYS Radio Sports Booster Club, honors FHS, St. Joseph's Academy and Hays High School lettermen and their coaching staffs.

Jeffrey, a widely proclaimed speaker, named to the All-Southwest Conference football team in 1960 when he was a fullback on the Baylor University team. While in the Air Force he played service football with the Carswell Base team in 1951 and was named to the All-Service team that year.

An attendance of 350 is expected. Special guests are members of the Sports Boosters Club.

PENTATHLON WINNERS — Phil Unruh, center, AKL senior from Copeland, won the Phi Sigma Epsilon Pentathlon Saturday at Lewis Field Stadium. Clarence Taylor, left, TKE freshman from Oakley, placed second and Flanders Byford, independent, Great Bend freshman, finished third.

The athletes competed in five events—high jump, broad jump, shot put, 100-yd. dash, and 220-yd. dash.

Other fraternity representatives who scored were Dennis Vrbas, Phi Sig, Atwood sophomore; Keith Wilson, TKE, Pawnee Rock senior; Jim Johnson, Sig Ep, Stafford junior.

Independent scorers were Ken Butler, Salina freshman; Jim Tieszen, McPherson freshman; Francis Weers, Seward junior; Ed Johnson, Hugoton sophomore; Carl Johnson, Ulysses junior; Rich Jarvis, Almena sophomore, and Marc Meng, Ingalls freshman.

Tiger Linksmen To Meet Kansas Wesleyan, Baker

FHS's golf squad meets Kansas Wesleyan and Baker University in a three-team match at 1 p.m. Wednesday at Salina.

The Tiger linksmen met Omaha University this morning and Kearney State Wednesday afternoon in a two-day road trip to Nebraska. The results will be in the next issue of The Leader.

Making the trip to Salina will be R. J. Smiley, Hays junior, and Bud Carlisle, Russell junior, plus three other golfers which have not yet been picked by Coach Joel Moss.

The Bengals did not meet Kansas Wesleyan and Baker University last season.

The Tigers split two three-team meets to even their season record to three victories with three losses.

In the first triangular meet with Washburn University and St. Benedict's College, FHS handed St. Benedict's a 10½ to 4½ defeat at Topeka April 15. But Washburn, who finished second in the NAIA last year, buried FHS 14-1. Washburn dumped St. Benedict's 13-2. WU's Jerry Adams was the medalist winner with a 76 tally.

The Bengals edged Hutchinson Junior College, 9½ to 8½, and fell to Dodge City Junior College, 7-5, in their first home meet Friday afternoon. Hutch pounded Dodge 10½ to 1½. Hutchinson's Dean Wingert carded a 72 for medalist honors.

FHS vs. Hutchinson:
Wingert (72), HJC, def. Ficken (81), 3-0.

Hornets Dump FHS In Dual Meet, 89-56

About two dozen Fort Hays State track and field squadmen will compete in the Colorado Relays Friday and Saturday.

Coach Alex Francis said he plans to enter that many in the meet at Boulder, Colo., but would decide exact entries after Tuesday night's dual at Emporia State.

Emporia State used balanced scoring in most events to dump the Tigers for the fourth consecutive year, 89-56, at Emporia, Tuesday night.

Running under the lights, the Hornets won 12 of 17 events as they pulled away from the outmanned Bengals. Absent from the Tiger squad were Tom Kindsvater, Larry Pickering and Jerry Hertel.

FHS firsts came from Ed Walters in the high hurdles; Ron McKown in the intermediate hurdles; Bob Schmidt in the triple jump; Schmidt and Rod Williams in the high jump and the mile relay team of Cecil Johnson, Bob Anthony, Dennis Mannering and Jack Harms.

In the mile relay, the Hornets led the Bengals for two laps, but the Tigers got back into the race with a strong leg by Mannering. Then Harms reversed an earlier 440-yard dash finish beating Emporia's Burt Wolfson in the anchor lap with a 48.2 clocking.

FHS swept all three places in both hurdle events while Emporia did the same in the javelin, discus, pole vault and mile run.

Pawnee Rock sophomore Don Lakin ran second to Ireland Sloan in the two-mile, turning in a 9:11, more than 10 seconds under the school record, but the time was not official and the mark cannot be listed as a FHS record.

FHS set meet records in the mile relay, the 330-yard intermediate hurdles and the triple jump. The last two events are new in the dual meet.

Emporia set new records in the 440 relay, javelin, mile, two-mile and 220 and tied the meet standards in the 100 and 440.

Saturday the Tigers placed in three events at the Kansas Relays. Williams jumped 6-4½ tying for first place with KU's Tyce Smith, but lost in a jump-off.

Tiger two-mile relay team was unofficially clocked in 7:43.2, one-tenth of a second off the school record for fourth place. The distance medley time was an unofficial 10:20.6, nine-tenths off the school mark, also for a fourth place.
