Fort Hays State University Student Senate

Gillogly/Engel

Resolution No. 08/S/105

04/17/08

Originated By: Student Fee Review Committee
 Presented By: Student Fee Review Committee

Whereas: The Student Fee Review Committee, issued with the task of reviewing and auditing all facets receiving student fee dollars, has researched a proposal for an inflationary increase in student fees; and

Noting: The buying power of the dollar decreases over time due to inflation; and

Also Noting: The United States Bureau of Labor Statistics publishes a consumer price index (CPI) on a yearly basis to determine the inflation and buying power of the dollar for that given year; and

Realizing: The need for departments receiving student fee dollars to benefit from an annual inflationary increase to avoid substantial student fee increases in the future due to increased costs of operations; and

Also Realizing: Any department receiving a dedicated, lump-sum increase in student fee dollars for the given year shall not be eligible for the standard inflationary increase.

Therefore: Be it resolved by a majority vote of the Student Senate and the signature of the Student Body President, that the Student Government Association recommends an inflationary increase of 4.3% for Fiscal Year 2009 for the following student fee accounts: Parking, Athletic, Memorial Union, and the Educational Opportunity Fund.
