# Where is the Harmony?:

## Examining Ideological Divides

**Speaker: Dr. Nuchelle Chance, Assistant Professor of Psychology**

**In an era of heightened polarization, understanding the social psychological underpinnings of ideological divides is crucial.**

In this presentation, Dr. Nuchelle Chance will discuss contemporary debates, examining how ideologies intersect and diverge from a social psychology standpoint. By analyzing social, political, health, and legal categories, the author aims to shed light on the underlying threads that bind or fray our societal fabric. Join us as we navigate these ideological bridges, seeking common ground and promoting informed dialogue to address social concerns for humanity.
