October 14, 1966

Mr. Stacey Johansen
Purchasing Division
Department of Administration
State Office Building
Topeka, Kansas 66612

Enclosed is Purchase Requisition No. 2343 covering the equipment for the new library. This equipment is being purchased under a federal grant and the conditions of the bid should be the same as for the library stacks.

Under separate cover we will ship you about 35 copies of blue prints showing exact location of each piece of equipment by item number. Please note this is an expansion of the plan for the stacks (Group I) in our project.
