ELIZABETH CUSTER HALL

DORMITORY FOR WOMEN

Elizabeth Custer Hall, the state college dormitory for women, is a fire-proof, electrically lighted, steam-heated building of native stone, situated across the lake from the main campus, in a secluded spot which lends itself to attractive landscaping.

This building was granted the school by the legislature in 1921, and was opened for use in September 1923. The total cost, including its furnishings, was approximately \$102,000.

Elizabeth Custer Hall was named for Elizabeth Custer, the wife of General Custer, who was a prominent figure in the pioneer days of Western Kansas, having been an officer at old Fort Hays.

Custer Hall is one of the most beautiful and efficiently equipped halls to be found at any institution. Its equipment is of the very best. Each room has a lavatory with hot and cold water, and each floor has complete facilities for shower and tub baths. There is a "Frigidaire" system for drinking fountains on two floors.

There is a general reception room, 32x36, and a sunroom 18x36 on the main floor.

The basement or the first floor has a well equipped laundry with stationary tubs, hot plates, electric irons and pressing boards, also on each of the four floors there is a pressing board. There is no extra charge for the use of the laundry.

This hall of residence accomodates eighty-eight women in forty-three double rooms and two single rooms. All rooms, excepting those on the first floor are equipped with "Murphy-in-a-Dor" single beds, double study table with drawer and book shelves, for each

girl, chairs, dressers and additional wall mirror. In the first floor rooms, strong steel, cot-style beds are used instead of the "Murphy--in-a-Dor" beds, and there is no additional mirror.

FURNISHINGS

The hall furnishes:—

- Shades and marquisette curtains
- Mattresses and mattress pads
- Pillow cases
- Sheets.

The students furnish:

- Pillows
- Blankets and additional bed covers
- Dresser scarfs
- Towels
- Window drapes (if desired)
- Rugs (if desired.)

ASSIGNMENT OF ROOMS

Students are assigned rooms for the entire semester and the obligation is cancelled only for good and sufficient reasons. Changing of rooms may be done only by permission of the Dean of Women. The college reserves all rights in connection with the assignment or reassignment of rooms or the termination of their occupancy. Under no circumstances will students be permitted to sublet the rooms. Students finding it necessary to give up rooms should inform the Dean of Women at once.

Rooms are assigned in the order of application. All applications for rooms in Custer Hall must be accompanied by a deposit of five dollars which will apply on the room

rent if the student enrolls or be forfeited if by any chance the student changes her plans and does not enroll.

THE PRICE OF ROOMS

Side rooms in the basement: \$1.25 per week for each girl with two girls in the room. Corner rooms on the first floor \$1.50 per week for each girl with two girls in the room. Side rooms on the three upper floors \$1.75 per week for each girl with two girls in the room. Corner rooms on the three upper floors \$2.00 per week for each girl with two girls in the room. Single rooms \$2.25 per week.

The price for the use of the guest room is fifty cents per night for each bed.

Residents of Custer Hall may share their room with a guest for a period of not more than two nights of each month. Exceptions to this rule shall be only by special permission of the social director. All over-night guests should be registered at the desk.

A room at Custer Hall carries with it the privileges of light housekeeping in a community kitchen, equipped with electric refrigerator, gas stoves, lockers, chairs, and dining tables, by the payment of \$2.00 per semester.

BOARD

Cody Commons, one of the most attractive buildings on the campus, is the dining hall for residents of Custer Hall.

HALL REGULATIONS

Custer Hall is under the general supervision of the Dean of Women, but is under the direct charge of the Social Director.

All women residing in Custer Hall become ipso facto members of the student self-government organization known as the Elizabeth

Custer Hall Association, and each woman is expected to do her part in service and in the payment of dues, the amount of which is determined by a vote of the members of the organization, to maintain a good name for the group, and to promote a social program which will not only give pleasure to the members at the time, but will be the means through which each member may store up for herself many happy memories. The aim at all times is to create an ideal home atmosphere with enough freedom to develop self-control, and enough supervision to maintain and develop high ideals and right standards of living.

QUIET

Realizing that community life of college necessitates quiet hours in order that all students may have the same opportunity for study and concentration, the constitution provides for the following schedule:

Monday, Tuesday, Wednesday, Thursday:
8 to 11 a.m., 2 to 5 p.m., 8 p. m. to 6 a.m.

Friday and Saturday
8 to 11 a.m., 10:30 p.m. to 6 a.m.

Sunday:
9:30 to 11 a.m., 10:30 p.m. to 6 a.m.

Elizabeth Custer Hall maintains the same general rules governing the social life of its group that the college sets for all approved rooming houses throughout the city.

On Sundays, Mondays, Tuesdays, Wednesdays, and Thursdays the doors are closed at 10:30 p.m., and on Friday and Saturday at 12 o'clock p.m.

Parties given in the Hall shall conform to the regulations required of all student organizations on the campus.
