VOLUME LIX FORT HAYS KANSAS STATE COLLEGE, HAYS, KANSAS 67602 THURSDAY, OCTOBER 28, 1965 NUMBER EIGHT

## Curtain Goes Up on Drama Tonight

"New Drama '65-'66" formally opens at 8 tonight in Felten-Start Theater, Malloy Hall, with the three-day presentation of "A Thousand Clowns" by Herb Gardner.

"New Drama," directed by Perry Schwartz and Robert Reinecke, has slated four major productions for the 1965-66 school year. "New Drama" is designed to put new emphasis on theater and drama at FHS. The four plays have a basic theme, that of the individual and his relationship to the society he lives in.

"A Thousand Clowns" is a modern comedy that takes place in New York. It concerns an unemployed television script writer and the trouble he encounters trying to keep his 13-year-old nephew as his ward.

Major role players are Murry Burns, played by Kenneth Bauer, Garden City junior; Sandra Markowitz, played by Polly Williams, Medicine Lodge junior; Albert Anderson, played by James Brumitt, Hays sophomore; Leo Herman, played by Wayne Sipe, Bazine freshman; Arnold Burns, played by Doug Teel, Russell junior; and Nick Burns, played by Robert Sackett, Hays High School freshman.

Tickets for the play are on sale in the Memorial Union from 9 a.m. to 3 p.m. Reserved seats may be obtained by phoning ext. 372 from 9 a.m. to 5 p.m. Admission will be by activity ticket or \$1.

### ★ ★ ★ ★ Tryouts Next Week For Second Production

Auditions for the second major production of "New Drama '65-'66," "Rhinceros," by Eugene Ionesco, will be held Monday and Tuesday in Felten-Start Theater in Malloy Hall from 7 to 9 p.m.

There are 17 roles to be cast, including 11 male roles and six female. All students are eligible to take part in the production and Perry Schwartz, director of "New Drama" urges anyone interested to audition.

The production dates are scheduled for Dec. 9-11.

### Dole Will Visit Campus

State Representative Bob Dole will visit the FHS campus Wednesday, sponsored by Collegiate Young Republicans.

Dole will speak to three classes, have lunch with faculty members and Hays businessmen, have supper at McMindes Hall and speak at 7 p.m.

## Festivities Draw Crowds At Homecoming Weekend

The crowning of Tammy Weigel, Oakley senior, as Homecoming Queen highlighted Homecoming activities at FHS last weekend.

Miss Weigel's first attendant was Doris Leiker, Hays junior, and her second attendant was Sue Ann Mapes, Natoma junior. President M. C. Cunningham crowned the Homecoming Queen during halftime at the football game.

On Saturday morning 2,000 pounds of freshmen pulled a like amount of sophomores into Big Creek during the annual tug-of-war. The freshman class became the second freshman group to win the event. The freshman class of 1963 won in a record time of 11 seconds and recorded its second victory last year as sophomores.

Saturday morning a crowd estimated at more than 7,500 by Hays

police lined Main Street for the parade. The theme was "Fables and Fairytales" and 30 bands, three drill teams and 20 competitive floats marched down Main Street in near perfect weather.

Alpha Kappa Lambda won the sweepstakes award for the third straight year. Other winners in the float competition were Independents; Newman Club; Men, Prometheans, first and Sigma Phi Epsilon second; Women, Alpha Gamma Delta, first, and Sigma Sigma Sigma, second.

Capping the 30-hour Homecoming schedule was the Tigers' 42-7 victory over Emporia State's Hornets.

## Card Burning Draws Fired Opinions

By Becky Bodenhamer  
Leader Reporter

(See editorial on page 2)

"We may disagree with American foreign policy, but it's our duty as American citizens to respect the majority rule," said Roger Bawsky, Great Bend freshman, concerning college demonstrations opposing U. S. policy in Viet Nam.

Bawsky was one of eight FHS students interviewed on American policy in Viet Nam, demonstrations on college campuses and the burning of draft cards.

Gordon Stout, Alden senior, said the burning of selective service cards shows "a radical and immature personality."

Rick Erickson, Salina sophomore, gave his views on student demonstrations against our Viet Nam policy. "I think the demonstrations are communist inspired and an overall plot by the Communist party within America to discourage able-bodied men from defending our last stronghold in the Far East," Erickson said.

"The Communists know that if we lose Viet Nam and Laos, eventually Japan and India will fall under Communist domination," Erickson added.

Jerry Grecian, Beloit junior, believes draft card burning doesn't accomplish anything. "People who go to extremes like burning draft cards should be the first ones to go," Grecian noted.

A Japan junior, who requested

his name not be used, summed up his views about student demonstrations. "It's disgraceful to the United States."

Connie Smiley, Kinsley sophomore, reflected this view by saying that "I don't think such individuals have very much consideration for their country." Kevin Hase, Springfield, Va., senior, called draft card burning "absurd."

"I'm against these demonstrations," said M. M. Patel, India junior. "The students have an obligation to their country and at times one must fight to maintain freedom. Students can burn their draft cards, but they should think what would happen in Russia or Red China if they acted that way," Patel said.

"I'm against anyone who burns

draft cards," says FHS President M. C. Cunningham.

"If we should be in Viet Nam or not, I don't know," Cunningham said, "but we must back U. S. policy regardless and should stop Communism wherever it raises its ugly head."

Dr. William D. Moreland, chairman of the division of social sciences, shares Dr. Cunningham's views. Moreland said many of the protestors are just looking for attention. "When you burn a draft card you're breaking the law and should be punished accordingly," Moreland said.

John Tomlinson, instructor in political science, said, "I disagree with the position the protestors have taken on American policy. U. S. policy should be supported, but the right to demonstrate is one

### FHS Debate Team To Novice Tourney

One four-man FHS debate team will travel to Kansas State University at Manhattan this weekend for the Kansas State Novice Tournament.

Affirmative debaters of the team are Marilyn Brubaker, Bird City freshman, and Mary Lou Smith, Garden City freshman, are facing their first tournament.

The negative side of the team, Ron Morford, Oberlin freshman, and Sharla Barber, Goodland freshman, hold a 1-2 record from the Regis College Tournament.

Last weekend, the senior team of Richard Scott, Atchison senior, and Clark Chipman, Hill City junior, brought home a 2-4 record from Emporia State Tournament.

They defeated Kansas State University and Northern Illinois and were defeated by the University of Southern California, the University of Minnesota, Southwestern Missouri and Concordia College of Minnesota.

### Second Reading Course Will Begin in November

Applications are now being taken in Rarick 203 for the eight-week reading improvement course to begin Nov. 8.

This non-credit course is open to all students interested in improving their reading rate and comprehension.

Eighty-seven students have already enrolled and 33 more will fill the maximum enrollment. Classes are open at 9:30, 10:30 and 11:30 a.m. on Monday and Wednesday. All Tuesday and Thursday classes are closed.

Anyone who has completed this eight-week course may enroll in advanced reading improvement, scheduled to the student's convenience.

## Wilson Elected Chairman Of Newly-Seated ASC

Marilynn Wilson, Great Bend senior, was elected chairman of the All-Student Council Tuesday in the first meeting of the newly-seated council.

She was elected by an 11-10 vote with one abstention defeating the other contender, Ernest Miller, Liberal graduate. Her term of office is for one year.

Other officers elected for the coming year were John Duff, Beloit senior, vice-chairman; Kerry Thalheim, Great Bend junior, secretary; and Larry Roberts, Wakeeney senior, finance chairman. Elected to represent ASC on the Union Board was Chris Woelk, Russell junior.

John Duff was selected by the Council to be the junior rotarian of the Month. Duff will attend weekly Rotary meetings in November.

Paul Monty, student body president, recommended that ASC approve his appointments to Student Court. Appointments approved were Clark Chipman, Hill City junior, Attorney General and Chief Justice, Tom Kindsvater, Dodge

City junior. Shelly Watkins, Wellington junior and Judy Sipe, Denver junior, were appointed as Associate Justices. Their terms will

### Puff Decapitated

Alpha Kappa Lambda fraternity members, winners of the sweepstakes award in Saturday's Homecoming parade, were understandably pleased that their float won.

However, members are now displeased. Some overzealous person (or persons) stole the dragon head that was part of AKL's float. The head is rented from an invalid Lindsborg man, who makes his living renting articles for use in parades and other events.

Whoever took the head probably didn't realize the consequences of his deed. Well, friend, you know it now, so how about giving it back? Just return it to the AKL house... no questions will be asked.

## Editorial Views

### Opinion Stated

Although a highly vocal minority is burning draft cards, protesting U. S. foreign policy in Viet Nam and vowing to dodge the draft, the Leader stands behind the United States government and its policies.

However, the Leader also supports the individual's right to protest. Free speech is basic to the United States constitution and includes several spheres of thought on questions of national concern. Opinions, not rigid enforcement of one idea, makes democracy function.

But the same constitution that guarantees freedom of speech also provides clauses for national defense, election of representatives and provisions for obeying the laws enacted by those duly elected representatives.

Machinery exists to change the government if it undertakes policies against public opinion. Yet, while the government must have the blessings of the people, they must obey its laws.

It has been suggested that the protesters "put up or shut up" by going overseas in poverty areas of the world and work to benefit mankind. The prevailing opinion is that those with the loudest voices would pack their protest signs and find something else to complain about. A few of the more sincere ones possibly would jump at the chance.

In a country without a professional army that must rely on citizens to fill its ranks in time of emergency, military service, however odious it may seem, is the obligation of every fit American male.

If belief in the laws of the nation makes the Leader conservative, a stick in the mud and "a sellout to the system," then damn right we are.

### Petitions Up in Smoke

Acting against a petition by Kansas State and Wichita State Universities, the Board of Regents again voted down the sale of cigarettes on state university and college campuses.

On a smaller scale, this is reminiscent of Prohibition in the Twenties. It didn't work either.

Students haven't stopped smoking. They've just had to go off-campus to buy their fags. Student unions are losing revenue they should have.

The information desk at the Memorial Union has taken in \$15,000 less since the ban. According to Jerry Ruttman, Union director, this figure isn't all cigarettes, but includes some related purchases such as gum, candy, etc.

The owner of a grocery store close to campus estimates his cigarette sales have more than doubled since April, 1964.

In an editorial, the Hutchinson News called the sales ban "only a gesture" and said, "its effects will be little if any." The Wichita Eagle said, "Historically, most attempts of officialdom to save people from their own folly have been dismal failures."

The Leader agrees with both papers that the attempt is morally just, but to be consistent, smoking should be barred in all college buildings and on campus.

This would be rather hard to enforce. There aren't enough campus police.

### MCC, Stones Say Thanks For Homecoming Success

To the Editor:

To all who had a part in making the 1965 Homecoming the biggest and best, sincere congratulations. From the beginning of the pep parade to the close of the weekend, Homecoming was a huge success.

Many individuals and organizations gave countless hours in the preparation and carrying out of the Homecoming activities. To each goes the thanks and appreciation of Fort Hays State.

M. C. Cunningham  
President

To the Editor:

Homecoming is an affair which requires so much effort from so many people that it is virtually impossible to personally thank everyone involved.

Only those who work closely with it conceive the countless hours and people involved. Let me somehow express my thanks to the finest student body anywhere by saying that your efforts are not taken for granted, but are noticed and appreciated.

We look forward to serving you now and in the future.

### Pearcing Comments

A parting shot at IBM controlled schooling. The big advantage of pushing 4,700 frustrated students through enrollment in three days is offset by the fact that grades get home sooner.

During the recent riots over US involvement in Viet Nam, the Hutchinson News made one of the deeper stabs of the year. In the Intercepted Letter column was a letter directed to Gen. Lewis B. Hershey, Selective Service Chief, which said, "Why don't you draft the protesters? Maybe they could replace WACs for front-line duty."

Now that the newly-elected representatives of All-Student Council are seated, I hope they take advantage of the position and get more done than show off their knowledge of parliamentary procedure.

Seems a shame that even though women outnumber men in the world, an article in last week's Leader stated there is a 3-2 men-women ratio at FHS. Being written by one of the women staffers, the tone is understandably enthusiastic.

But I'd prefer it the other way around.

Those of you that were still around at the end of the parade Saturday may have noticed a rather strangely dressed young man being pulled in a wagon behind a VW.

Although he isn't representative of what goes on around the office, we do call him the "Leader Leader."—Dennis Pearce

### Dr. Coder Names Deadline

Woodrow Wilson Fellowship nominations must be made by Sunday, according to Dr. Ralph Coder, dean of the graduate division.

Eligible persons are graduates of or seniors in a college or university of the United States or Canada. Applicants must be Canadian or U. S. citizens. Coder said the men and women applying should have "outstanding intellectual promise."

Applicants must be nominated for the fellowship by the major adviser in their field. Nominees must then send completed forms to Prof. Walter F. Wright, regional chairman, Lincoln, Neb., by Nov. 20.

The Woodrow Wilson National Fellowship Foundation primarily supports candidates in the humanities and social sciences. However, those in science and mathematics who wish to teach may also apply. Students seeking professional

training are not eligible for nomination.

Fellowships are awarded to 1,000 first-year graduates annually. A single person or a married student without children receives \$2,000 in addition to his tuition. A married male student with children receives an additional \$1,000 for the first child and \$250 for each additional child.

## Teaching Stint Begins For 27 Students Monday

Twenty-six FHS seniors and one post-graduate elementary education majors will be on the other side of the school desk Monday when they begin eight weeks of student teaching in five public school systems.

The 27 students are enrolled in the "education block" this semester, carrying 17 credit hours. Nine hours of theory and class lecture are almost finished and eight hours of classroom experience in selected schools completes the load.

During the next eight weeks, there will be weekly conferences of the student teacher, college personnel and the master teacher, with specific attention directed to individual problems of the student teacher.

Students return to campus Jan.

## Committee Names Award Recipients

Working and studying are sometimes unlikely combinations.

Not so for five FHS students who will be awarded work scholarships by the Student Endowment Committee Saturday.

Recipients of the \$100 awards are Joseph Thomasson, Hays sophomore; James Adams, Great Bend sophomore; Jerry Michel, Bunker Hill junior; Larry Kruse, Seldne senior, and Charles Lovenstein, Hoxie junior.

Money for the scholarships was earned by the Fort Hays Furlough last spring. Equal credit was given to need based on hours per week the individual worked and the scholastic rating earned last semester.

Each applicant's grade point was multiplied by the number of credit hours carried (12 was the minimum load and the maximum counted). To this was added the number of work hours (a maximum of 34) to compile the total score.

For example, had a student received a 3.0 grade index multiplied by 12 credit hours, plus 34 work hours, he would have received the maximum score of 70.

## Grad Exam Scheduled

All graduate students who have not taken the Graduate Record Examination will take the test Nov. 13.

Applications can be obtained at Dean Garwood's office, Coliseum 109, and should be completed by students and mailed back by Saturday.

Directions for taking the test will be mailed at a later date.

"In a way it's healthy to see that a large number of students are concerned, and I don't believe the demonstrations are Communist inspired," he added.

Dr. William Robinson, assistant professor of education, noted that the situation in South Viet Nam "is a necessary evil." Robinson said, "I don't approve of anyone burning their draft cards." "Although Americans have the right to protest, they're not helping the U. S. meet commitments by protesting at this time."

Dr. Archie Thomas, professor of economics and business, said, "I disagree with most of the protests because the majority of students don't have enough solid information to make intelligent protests. I believe most actions are Communist inspired and many students are unwitting dupes."

# Tigers To Face Undefeated Indians

NUMBER SIX — Palco end Ron Morel hauls in an 11-yard touchdown pass from quarterback Bob Johnson, his sixth of the season. Every pass Morel catches this fall will be a new individual season record.

Undefeated but once tied Southern Colorado State will provide the opposition as Fort Hays State's Tigers seek their sixth win of the season Saturday.

The Pueblo, Colo., Indians will also be seeking their sixth win with one tie. The tie came with Colorado State College of Greeley, the only team to beat the Tigers this fall.

Southern has won handily in its last three outings, with a 55-27 win over Ft. Lewis (Colo.) last weekend; a 23-13 verdict over Emporia State the week before; and a 45-14 bombing of Washburn.

With a 5-1 season record, the Tigers are riding the best mark they have chalked up in several years. However, in their last three games, they must face undefeated Southern Colorado State; Pittsburg State at Pittsburg against the Gorillas who are currently riding a

1-1 CIC mark; and CIC title favorite Omaha University, which carries a 5-1 slate into this week's game.

In last week's outing, Bengal quarterback Bob Johnson used the Tigers' blocking to the fullest to erase two individual game records he set just two weeks ago.

With superb blocking and running, Johnson netted 264 yards rushing for a FHS record. He also passed for two touchdowns and 65 yards to give him a game total of 329 total offense, also a FHS record.

With Johnson adding touchdown runs of 13, 25 and 83 yards to Max VanLaningham's two-yard score, the Bengals walloped Emporia State 42-7 in the Tiger Homecoming.

Johnson's scoring passes were an 11-yarder to Ron Morel and a

seven-yarder to Bob Anthony.

## Red League Finds Steelers On Top

PA Steelers, defending campus champions, grabbed the Red League lead by blasting the Billard Bulls 53-0 Thursday.

The second-place Rangers suffered their first defeat of the season 7-6 at the hands of the Boozers, but roared back the following day to slam Wiest II 29-0.

The Koors Kids continued their losing way by falling to 21st St. All-Stars 39-0 and to Billard Bulls 25-14. The other Red League game found Flegalls thrashing 21st St. All-Stars 20-6.

In Greek League the untoppable TKE's kept their goal line uncrossed by demolishing Phi Sig 38-0. Second-place Sig Tau had little trouble in smashing Prometheans 33-0, while Delta Sig edged AKL 21-20.

Undefeated Newman Club, powerhouse of the Blue League, stomped No Names 31-6. Gnads shut out Gamma Delta 6-0, and Wiest I also triumphed by a 6-0 score.

## Harriers To Lawrence; Swamp Kearney State

Fort Hays State's cross country team will be after win number four when it travels to Lawrence Saturday for the Kansas State Federation Invitational Meet.

Expected entries include the University of Kansas, Kansas State University, Pittsburg State, Emporia State and FHS.

The Tigers placed second in the six-mile event last year.

Friday, in the only home meet of the season, the Bengals captured the first ten places to sweep past Kearney (Neb.) State 15-50.

Don Lakin, Pawnee Rock senior,

captured first place in the four-mile dual, covering the course in 19:43. Following Lakin was Phillipsburg sophomore John Mason with a time of 19:59.

Lowell Smith, Clyde senior, took third in 20:55, followed by senior Jerry Hertel, 20:58. Fifth and sixth places were captured by seniors Jerry Katz and Jack Harms, with times of 21:06 and 21:09.

Joe Twyman, also a senior, placed seventh in 21:13, followed by sophomore Neal Cleaves, with a time of 21:16.

Marlon Neeley and Bruce Zamrula, both freshmen, captured ninth and tenth places with times of 21:22 and 21:26.

Other Tiger runners were freshman Maylon Neeley, 13th; freshman Gary Arthaud, 15th; sophomore Duane Harper, 18th; and freshman Ken Allen, 19th.

Tuesday, the junior varsity cross country team will host Hutchinson Junior College in a three-mile dual.

The meet will begin at 4 p.m. at the Fort Hays Country Club golf course.

## Engle Receives Gross Award

Clark Engle, a four-year Tiger letterman in football and track, was announced winner of the ninth annual Busch Gross Award in pre-game ceremonies Saturday.

The award, honoring the late Paul (Busch) Gross, is presented annually to an FHS senior athlete of the preceding year. It is awarded on the basis of scholarship, leadership, character and athletic achievement.

Engle lettered in football in 1960 and 1962-64. He was a second team CIC selection as a starting offensive tackle his junior and senior years and was an honorary co-captain in 1964.

In track, Engle was a discus thrower and a member of the 1965 conference championship.

Now a physical education director at the Johnson County YMCA, Engle attained a 1.92 overall grade average at FHS.

Busch Gross, in whose name the award is presented, was a Tiger athlete from 1917-1920. He later became head basketball coach and co-athletic director, before assuming the position of athletic director from 1935 until his death last December.

In 1957 he was named to the NAIA Hall of Fame for achievement in basketball.
