General Information

Name of School: Fort Hays Kansas State College
1902-1913, Western Branch of the State Normal School
1913-1923, Fort Hays Kansas Normal School
1923-1931, Kansas State Teachers College at Hays
1931-present, Fort Hays Kansas State College

Location: Hays, Kansas (population 11,947 in 1960 census; now estimated at slightly over 12,000). Located in the northwestern quarter of the state, 100 miles west of Salina and 175 miles northwest of Wichita. County seat of Ellis County. Named after Civil War General Alexander Hays, the 95-year-old city is steeped in the history of the late 1800's and is the site of historic old Fort Hays. Served by Union Pacific railroad, Central Airlines, Greyhound and Continental bus lines. Junction of U. S. highways 40 and 183. New Interstate 70 system will run just north of Hays.

Enrollment: 3,550 (Fall, 1962). Fall enrollment in 1961 was 3,267.

Nickname: Tigers

Colors: Black and Gold. General policy is to wear white uniforms at home and black on the road.

Administration:

Dr. M. C. Cunningham, President
Dr. John D. Garwood, Dean
Dr. Ralph V. Coder, Graduate Dean
Walter E. Keating, Comptroller
Standlee V. Dalton, Registrar, Director of Admissions

Memberships: Central Intercollegiate Conference, National Association of Intercollegiate Athletics

Band: Fort Hays State band, directed by Lyle Dilley.

Pep Clubs: Tigerettes, composed of selected upperclass coeds. Kit Kats, open to all freshman coeds.

Gymnasium: Sheridan Coliseum, built in 1915. Seating capacity 1,800 for basketball. Located at Park Drive and West Sixth Street (see campus map, page 5).

Conference Information

The Central Intercollegiate Conference was founded in 1928 as the Central Intercollegiate Athletic Conference, with seven founding schools—Fort Hays State, Emporia State, Washburn University, Pittsburg State, Southwestern College, Wichita University and College of Emporia.

FHS, Emporia State, Pittsburg State and Washburn are still members of the league. St. Benedict's joined in 1937. Omaha University is the newest member, joining in 1958 when Southwestern dropped out.

Another former member, in addition to Southwestern, College of Emporia and Wichita U., is Rockhurst College of Kansas City.

The present conference information:

Kansas State Teachers College (Emporia State)

Enrollment, fall of 1962: 4,900

Emporia, Kansas Population: 16,000

Fort Hays Kansas State College (Fort Hays State)

Enrollment, fall of 1962: 3,550

Hays, Kansas Population: 12,000

Municipal University of Omaha (Omaha U.)

Enrollment, fall of 1962: 3,902

Omaha, Nebraska Population: 300,000

Kansas State College of Pittsburg (Pittsburg State)

Enrollment, fall of 1962: 3,909

Pittsburg, Kansas Population: 20,000

St. Benedict's College

Enrollment, fall of 1962: 750

(all men)

Atchison, Kansas Population: 14,000

Washburn University of Topeka (Washburn U.)

Enrollment, fall of 1962: 3,201

Topeka, Kansas Population: 125,000

It's a top-flight conference

. . . that has been proved time and again. In nearly any sport, the CIC has had top-notch teams in national rankings and national competition in recent years. Pittsburg State has won two NAIA national football titles in six seasons. Both Pitt and Omaha U. were rated among the nation's top 20 small college football squads this fall. A CIC team is in the NAIA basketball tourney at Kansas City annually, almost without exception. Emporia State and Fort Hays State each year are among the top cross country and track teams in the country. In 1961-62, CIC teams also finished among the top 10 teams nationally in NAIA bowling, tennis and wrestling.

History of the College

Fort Hays Kansas State College, founded in 1902, marked its 60th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United States government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

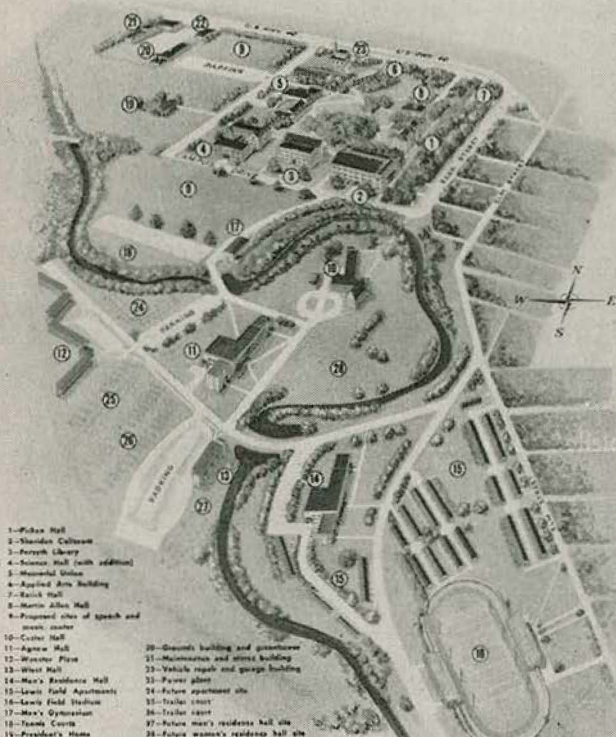

The institution has grown steadily until it now has an estimated 1962 enrollment of 3,500 students and offers more than 700 courses, with about 170 faculty members. This growth is further reflected in a steady building program that includes such recent construction as complete remodeling of several campus structures, an addition to Science Hall, new maintenance buildings and new housing for men and for married students. Now under construction is a six-story women's residence hall that will eventually house some 600 coeds. In various stages of planning are a new library and a speech and music center.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which meanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

The Campus

THE CAMPUS OF FORT HAYS STATE

Game Broadcasts

All Tiger basketball games, at home and on the road, will again be broadcast by KAYS radio. 1400 kilocycles, in Hays. Sports director Keith Cummings, a Fort Hays State graduate and a veteran of several years of Tiger game broadcasting, will be at the microphone, along with Bob Templeton, program director of KAYS radio. The broadcasts are sponsored by the KAYS Sports Booster Club.

Any station wishing to arrange a feed or a special game broadcast should contact Cummings at KAYS, Hays.

Cummings

Templeton

History of FHS Athletics

Beginning as the Western Branch of the Normal School in 1902, the college has had athletic activities from the start. Though records, appearing elsewhere in this brochure, are incomplete for the early years, it is known that there was a girls' basketball team and a boys' football team during the first term of the new college. Most of the early games were with town teams and high school teams, and trips were made by railroad or by horsepower—literally.

In the early years, baseball was the major sport at the college.

By 1908, athletic events had been held with Kansas Wesleyan, Bethany College, McPherson College and Washburn, but records of these events are not complete. The first football game in the history of the school was with the Hays town team on Sept. 17, 1902, using the only football in town. The teams practiced at different times to use the ball, and the winner was to keep it. The first game ended in a tie; the second, a week later, was won by the Normal team, 15-0.

The first coaches were volunteers; sometimes they were students who also played on the team. The first was a student, Fred Lindley. The next coach, Harry Kent, was a member of the faculty and played on the college team in town team games. Claude Bice was the first coach and physical education instructor employed by the college for that purpose (1908-1909).

After the college was admitted to the Kansas Conference in 1914, men's athletic teams competed on a par with other Kansas colleges. In 1917 the football team won the school's first ath-

The 1919 Fort Hays State basketball team

letic championship with seven consecutive victories. It was the only undefeated grid team in the history of the school. The coach was W. G. "Bunt" Speer, and present Athletic Director Paul "Busch" Gross was the team's quarterback. The team won another conference championship in the 1921 football season, with Gross again quarterbacking.

Track gained momentum in the early 1920's and baseball was dropped. It has never been resumed.

A charter member of the Central Intercollegiate Conference in 1928, FHS won its first league football title in 1934, tied for the crown in 1935 and won it again in 1936. These three seasons are the brightest period in FHS grid history.

The basketball squad won its first title in any conference in 1937, finishing in a three-way tie, and won in another three-way tie in 1940. Busch Gross coached both squads.

Tennis was added in 1937, and track continued to gain in importance.

Intercollegiate athletic competition was abandoned during World War II, and following the war, FHS had a new coaching staff—Cade Suran, basketball; Alex Francis, track, and Ralph Huffman, football. Suran and Francis are in their respective positions today, and Huffman, grid coach for 10 years, is an associate professor of industrial arts.

In 1947, Francis brought the first track championship to FHS, winning the CIC cinder title. In 1950, Suran's basketball squad won its first solo CIC cage championship. Francis also developed the school's extensive intramural program during this period, and he heads the program at present.

Following the war, the college's competitive athletic program was enlarged to include swimming, wrestling, golf and cross country, in addition to resuming tennis competition.

During recent years, FHS athletic teams won several championships: football, tie in 1954; basketball, 1959 and 1962; track, 1957; golf, 1960, 1961; swimming, 1957; indoor track, 1959. In addition, the school became active in National Assn. of Intercollegiate Athletics competition. The basketball squad competed in the national championships in 1959 and in 1962, finishing fourth in the 32-team tourney in 1959. The golf, wrestling, cross country and track teams competed in NAIA competition in recent years, with the cross country team twice finishing second in the national meet (1956, 1961).

Athletic Facilities

Sheridan Coliseum, the home of the Tiger basketball squad, is actually the hub of athletic activities on the FHS campus. Built in 1915, it houses gymnastics and basketball facilities, the physical education offices and the K-Club trophy room. Home wrestling meets are held in the Coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for phys ed swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Lewis Field Stadium is the headquarters for the Tiger football and track squads. It was built in 1936 and seats 7,000.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Between the courts and the coliseum are the intramural fields, used for softball and touch football as well as for phys ed class activity.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

Welcome to the "Snake Pit" . . .

. . . as the Sheridan Coliseum arena is often called—by Tiger opponents. The unique arena setting, coupled with the intense enthusiasm of a Fort Hays State basketball crowd, may justify the "Snake Pit" label. One thing's certain: It doesn't hurt the Tigers. In the past four seasons, the Bengals have won 38 and lost only 4 at the Coliseum, including 11-0 records in 1958-59 and last year. The Tigers are riding a 14-game home winning streak into this season—they haven't lost on the friendly maples since Jan. 14, 1961, when Emporia State won, 79-59.

Athletic Program

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities.

Spring sports include track and field, golf and tennis, and all three compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college does not field a baseball team due to a combination of difficulties in travel distances and unpredictable spring weather. The last FHS diamond team was fielded in 1924.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

Those wearing the block K

... on the black and gold award jackets are FHS athletic lettermen and members of the K Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

Press Facilities

Facilities for the press, publicists and radio are available at Sheridan Coliseum. Most suitable arrangements can be provided if the sports information service is notified in advance of the need for working space.

Though we do not have space for a floor level press table as such, we will do our best to accommodate you in the best possible fashion.

A table will be available above the east goal for members of the press or visiting statisticians. If you wish to work at floor level, it is usually possible to sit with the team you are covering at the bench. No space is available at the score table for press, radio, publicists or statisticians, unless one of the latter is keeping the visitors' scorebook.

Four radio booths are available high above the playing court on the north side. These are fine facilities and are usually filled. One booth is used by KAYS radio, one by the Fort Hays State radio department and one by the official FHS statisticians. The other is held for a visiting radio station; if no station requests it, press representatives are seated there.

A telephone booth is located in the Coliseum lobby; there is another phone in the training room. Telephone facilities are also available following the game in Martin Allen Hall on campus. For any extended calls, we suggest you use the latter.

Statistical summaries will be available at half-time and following the game to those requesting them in advance. Programs, starting lineups, number changes, etc., are also available before each game. Any additional services are available upon advance request.

Radio stations wishing to broadcast should notify Miss Mary Jo Seibert, head of the radio department at FHS, to determine available facilities. A note to the sports information director would be appreciated so we can accurately plan our services for that game. Stations must make their own arrangements with the Southwestern Bell Telephone Co. of Hays for a loop.

Memorial Union food service facilities are available for all visiting teams. Contact Mrs. Betty Brandenburg, Director, Memorial Union, for additional information.

Athletic Director Gross

Athletic Director Paul "Busch" Gross, a Hays native, began serving Fort Hays State as an athlete in 1917. With the

exception of a period of eight years as a high school coach, he has served the school ever since and is now in his 33rd year on the faculty.

Busch was a standout quarterback at FHS during the seasons of 1917, 1919, 1920 and 1921 and was an all-state college choice during the first and last of those seasons. His college career was interrupted by a 13-month stint with the field artillery in England and France at the end of World War I.

He was a member of the school's first two athletic championship teams, the 1917 and 1921 title-winning football squads in the old Kansas Conference.

After receiving his degree in 1922, he coached high school athletics for one year at La-Crosse, one year at Howard and six years at Augusta. In 1930 he returned to his alma mater as head basketball coach and co-director of athletics.

In 1935 he assumed full responsibility in the athletic director's post and has controlled FHS athletic efforts since that time. He gave up the head basketball coach position in 1946 when the present coach, Cade Suran, joined the staff.

Busch earned his master's degree at the University of Missouri in 1939 and has done additional graduate work at the University of Illinois, Northwestern University, the State University of Iowa and the University of Michigan.

In 1957 Gross was nominated to the Helms Foundation Hall of Fame for noteworthy achievement in NAIA basketball. The Busch Gross award is now presented annually to the outstanding senior athlete on the FHS campus.

Division Chairman Jim Belisle

Dr. James J. Belisle was named Chairman of the Division of Health, Physical Education and Recreation early in Sep-

tember when Dr. Walter Kroll, chairman for three years, requested a reassignment of responsibilities. Dr. Belisle had earlier been named tennis coach, replacing Richard Burnett who is serving as acting dean of men at FHS.

Dr. Belisle has been an assistant professor of physical education at FHS for two years, handling an extensive class load, including considerable graduate work, in the division.

He is a native of Menomonie, Wisc., where he received his elementary and secondary education. He attended Hamline University for one year before transferring to River Falls (Wisc.) State College, where he earned his bachelor's degree in social science in 1954. He completed his master's and doctorate work at Indiana University, obtaining the latter in 1960. Both graduate degrees are in physical education.

Belisle was an instructor in physical education at Indiana for two years and an assistant instructor in graduate statistics at Indiana another year prior to coming to FHS.

He served in the Army for about two years and was company coach for the athletic program at Seventh Army Headquarters, Stuttgart, Germany.

Belisle is a life member of Phi Epsilon Kappa fraternity at Indiana and is a member of the American Assn. for Health, Physical Education and Recreation. In July he was appointed by the latter organization to serve as national director for student services in the state of Kansas.

Belisle is married, and he and his wife, Marge, have one daughter, Jane, born earlier this year.

Coach Cade Suran

Cade Suran, one of the most successful small college basketball coaches in the Midwest, has guided his Fort Hays State

College basketball teams to 224 victories and only 122 losses in his 16 seasons at the college. That's a winning percentage of 64.7.

The span includes only three losing records and one of those was during the 1957-58 campaign when Suran was on a leave of absence due to ill health.

In the past four seasons, since returning from the leave of absence, his teams have won 68 games and lost only 22, a percentage of 75.5. His 1958-59 team, often considered the finest in the history of the school, compiled a 23-4 record enroute to winning the Central Intercollegiate Conference championship, the NAIA (National Association of Intercollegiate Athletics) District 10 title, and fourth place in the 32-team NAIA Tournament of Champions in Kansas City.

The 1961-62 team had a 19-4 record, again winning the conference crown, the district championship and representing the district in the national tourney.

Cade was born on a Saline County farm and received most of his public school education at Kipp, Kansas. He attended Emporia State for one semester before earning his B.A. at Kansas Wesleyan University in 1934. At KWU, he was an outstanding basketball player and was named captain of the all-conference team.

He coached at high schools in Harlan, Downs and Wellington before joining the Fort Hays State faculty in 1946. He earned his master's degree at Fort Hays State in 1950. Now an associate professor of physical education, he also spends his summers as an insurance adjuster and has farming interests in Central Kansas. He is a noted speaker and square dance caller.

Mr. and Mrs. Suran have two daughters, Sue, now Mrs. Robert Peterson, and Kay, a freshman at Kansas State.

Senior Assistant Don Reed

Serving as a senior assistant under Coach Suran is Don Reed, Great Bend senior. Don will be in charge of the Tiger junior varsity squad.

Reed was graduated from Great Bend Senior High School in 1959 and was an all-conference selection as a high school cager. He played on the Fort Hays State junior varsity as a freshman and saw limited action for one semester on the varsity during his sophomore season.

He is majoring in physical education and plans to teach and coach after graduation.

To the victor . . .

Where is he now?

... Last year's junior varsity coach, Larry Daugherty, is now teaching at Palco High School, where he is an industrial arts instructor. The head basketball coach at Palco is Dave Stonebraker, a 1962 Fort Hays State graduate and a 1960-61 basketball letterman. Daugherty, a four-year Tiger letterman, was a senior assistant and graduate assistant last year.

*Numbers listed are for white and black uniforms, respectively, and were assigned before the season began. Updated numerical rosters will be available at any time.

**High school attended in parentheses.

In experience column, number indicates letters earned at FHS; T indicates transfers; SQ indicates 1961-62 squadman who did not letter, and JV indicates 1961-62 junior varsity squadman.

Hometowns in Kansas unless otherwise listed.

Game by Game '61-62

Southwestern—FHS opened its 1961-62 season Nov. 28 with a decisive 96-71 victory over the Moundbuilders at Sheridan Coliseum. Held to a 46-40 halftime lead, the Tigers used 16 players in pulling away to the triumph. Herb Stange was high with 22; Bob Rumfelt had 28 for the losers.

SW Oklahoma—The Tigers continued their high-scoring antics with a 100-60 triumph over the Bulldogs at the Coliseum Dec. 4. The first two games marked the top two-game point production in the school's history. John Channell had 22 and Stange 20 to pace FHS; Gary Abercrombie got 15 for the Bulldogs.

Colorado College—On the first road trip of the year, FHS dumped the CC Tigers, 85-74, at Colorado Springs Dec. 8. Channell and Stange each had 24 points in the contact-packed contest.

Colorado State—The next night the Bengals outlasted the Greeley Bears, 69-65, at Greeley. Far off their game, the Tigers used their stall to win. Channell and Stange had 16 and 15, respectively. Bob Ruffin meshed 19 for CSC.

Kearney—Channell set a school scoring record with 34 points as FHS outran the Antelopes for a 100-90 triumph at Hays Dec. 12. The Tigers poured in a frantic 59 points in the second half to overcome a 44-41 Kearney halftime advantage. Stange and Dean Larson each added 21 points for FHS. Eldon Benson and Harry Boss had 18 each for Kearney.

Omaha—The Black and Gold squeaked by an improved Indian squad for a 71-65 victory in the CIC opener at the Coliseum Dec. 16. Stange had 20 for FHS; Bill King, a freshman, tossed 28 for OU. On Feb. 10, the Tigers outraced OU for a 94-85 verdict at Omaha. Channell and Stange got 29 and 28 in that one. Newcomer Paul Kaster and veteran Bruce Hunter tossed in 26 and 20 for OU.

Adams State—The point-happy Bengals had their top score of the season with a 105-81 romp past the Coloradans at Hays Dec. 19. Stange tied Channell's week-old scoring record with 34 points.

Holiday Tourney—FHS lost its first game of the season but bounced back for two victories and fifth place in the "Top of the Nation" meet at Alamosa, Colo., Dec. 28-30. St. Michael's (N. Mex.) upset the Tigers, 87-83. Then Suran's men nudged Panhandle A&M, 66-63, and buried Carthage (Ill.), 79-56. Stange, fighting influenza, had 66 points in the three games.

St. Benedict's—With Stange sidelined by illness, FHS lost to the Ravens, 80-63, Jan. 6. Channell had 23 points, but Don Listar and John Ritter flipped 21 and 19 to pace the Ravens. In the return match at Hays Feb. 17, FHS climaxed its long uphill fight for the CIC lead by bumping the Ravens, 75-63. Stange got 20 to lead FHS. Ritter injured an ankle in a practice session the night before the game, so Carl Pratt took up the slack with 26 tallies for the losers.

Emporia—The Bengals lost to Emporia State, 72-67, at Emporia Jan. 8, with Stange still out of action. The Hornets outlasted a tough last-ditch Tiger rally for the nod. Channell's 23 boosted the Tiger cause; Monroe Fordham and Travis Wallace each had 25 for E-State. When the teams met again at Hays Feb. 3, the Suranmen won with a three-pronged attack, 87-74, eliminating E-State from the title chase. Stange and Bill Townsend each meshed 24 and Channell had 21. Doug Glaysher's 29 led the Hornets.

Pittsburg—FHS blistered Pitt for a 92-68 triumph at Hays Jan. 13, hitting 56.4 per cent the first half. Channell and Stange had 29 and 19 for the winners. Richard Massey spiked 19 for the Gorillas. At Pitt two weeks later, the Tigers notched their first victory on the Pitt court in 10 years with an 81-71 edge. Channell had 21 for the Bengals. Massey got 17 and Paul Vega, now sitting out a year of residence at FHS, had 16.

Kansas Wesleyan—The Tigers put on a sparkling show for about 11 minutes before settling back to a methodical 90-77 decision over the Coyotes at Hays Jan. 16. Stange had 20 to set the pace. Ray Thome's 20 total was tops for KWU, Coach Suran's Alma Mater.

Washburn—FHS beat Washburn at its own low-scoring, defensive game at Topeka Feb. 9, winning 62-54. Washburn didn't score in the final 5:16 of play. Stange and Channell led FHS with 18 and 15; Gregg Gibb had 13, Bill Quick 12 and Fred Strathe 11 for WU. Two weeks later at Hays, the Bengals rode a hot first half to a 50-44 lead at intermission. Then the Ichabods tried a slow-down game the second half, but the Tigers stayed ahead, went into their ball control pattern and took a 74-63 victory. Channell got 18 for the Bengals. Quick flipped 18 for WU.

District 10 Playoff—The champion Tigers stopped KCAC champ Ottawa twice in a row, 76-52 at Ottawa and 42-36 at Hays, to win the district's berth in the NAIA tourney at Kansas City. Reserve Sam McDowell led the Tigers with 18 at Ottawa. The Tigers outyawned the Braves in the second game as the Ottawa team tried to stall throughout, even when trailing by as much as 13 points. Stange's 11 were high for that affair.

Kansas City—The Tigers' bid for national honors ended abruptly when Lewis & Clark of Oregon won a 75-69 verdict in the first round of the NAIA Tournament of Champions. The Oregonians' zone defense stymied the Kansans. Channell blazed in 31 points for FHS, but husky Jim Boutin had 32 to keep the Pioneers ahead.

The Season Outlook

"Reasonably good prospects."

That's Coach Cade Suran's appraisal of his 1962-63 court forces as he begins his 17th season as head coach. With seven returning lettermen and several prize transfers, the Tigers stack up strong and are getting the CIC nod from many observers.

But all is not roses in Tigerland. The Black and Gold crew will have the favorite's role with the pressure on from the start. "This is the type of season that gives a coach the jitters," Suran says. "Everyone expects you to continue with great things." After the 19-4 record, the CIC championship and the NAIA District 10 crown last winter, "great things" will be hard to duplicate.

In addition, the squad will be called upon to operate without four-year starter and last year's captain, Dean Larson, one of the top all-time scorers in the school's cage history. Starter and playmaker Billy Townsend, a three-time letter-winner, did not clear scholastic hurdles and won't be around to guide the attack. Reserve forward Dick Anderson, a starter as a junior in 1960-61, has graduated with Larson. So there are gaps to be closed.

The return of the lettermen, paced by high-scoring John Channell and Herb Stange, makes prospects "reasonably good," as Suran says. The pair collaborated for 843 points last winter; Channell holds the single season scoring mark and the two are tied for the single game record.

Starting guard Tom McKain, the team's top passer last winter, will be co-captain with Stange. Seniors Jim Bodge and Dave Hurt add depth and speed at guard. Sam McDowell will probably move into a starting role after two years as a valuable "fireman." Tough Jude Gerstner gives strength under the boards.

Transfers Bill Royer, Rick Brown, Merv Heitschmidt and Keith Wilson and a good freshman crop will add considerable depth. "Barring sickness and injury, we'll give a respectable account of ourselves," Suran concludes.

Conference Outlook

Excluding his own defending champs, Coach Suran sizes up the remainder of the conference as follows:

Emporia State—The Hornets should be one of the toughest teams around, as always. They didn't lost many top hands, and four starters return. They could be the best in the league.

Omaha University—This could be the real surprise team in the CIC; the probable darkhorse. The Indians have nearly everyone back, plus lots of new talent and an improving big man in Larry Villnow.

St. Benedict's—The Ravens lost all of their big guns. This could be a rebuilding year for them.

Pittsburg State—John Lance's teams must always be reckoned with. They finished strong last year despite losing many players at the semester. They'll be tough.

Washburn University—The Ichabods are the big question mark in the league. They lost lots of good talent, but have some top men back. Could rely on newcomers.

The majority of the CIC coaches are looking toward FHS and E-State to battle for the crown.

Where They'll Stay

The following arrangements have been planned for motel or hotel facilities on road trips this season:

Albuquerque—Highway House No. 2, night of Nov. 30, Dec. 1.

Kearney—no overnight, will return to Hays.

Wichita—Diamond Inn, night of Dec. 27, Dec. 28, Dec. 29.

Topeka—Jayhawk Junior Motel, Jan. 4-5.

Salina—no overnight; will return to Hays.

Pittsburg—Hotel Besse, Jan. 26. Will stay at Ranch House Motel at Emporia night of Jan 25.

Winfield—Sonner's Motel, Jan. 27-28.

Atchison—Jayhawk Junior Motel in Topeka, Feb. 3-4.

Omaha—Tower Courts, Feb. 8-9.

Emporia—Ranch House Motel, Feb. 12.

Channell

Stange

FORWARDS

John Channell, 6-5, 180, 21, Senior, Goodland . . . all-CIC and honorable mention NAIA All-American last season . . . led Tiger scoring with 424 points, a new season record . . . led rebounders with 258 . . . deadly under the basket but also accurate along the baseline . . . lettered twice at Hutchinson JC, where he was named to the national juco all-tourney team . . . brother of former Tiger Duane Channell . . . majoring in biology.

Herb Stange, 6-4, 170, 21, Senior, Sterling . . . co-captain with Tom McKain . . . all-CIC and honorable mention NAIA All-American last season . . . was the top Tiger scorer on basis of average per game, 20.0 for 21 contests . . . scored 419 points, added 221 rebounds . . . will play forward or center; can play anywhere . . . lettered twice at Hutchinson JC and was honorable mention for juco All-American honors . . . all-state in high school at Nickerson . . . married . . . majoring in biology.

Bill Royer, 6-2, 185, 20, Sophomore, Lawrence . . . transfer from Kansas University, where he was enrolled one semester . . . all-area selection both junior and senior years at Lawrence High School where he lettered four times in basketball . . . tremendous jumping ability; good shot . . . will probably be front-line reserve . . . undecided on major field.

Keith Wilson, 6-4, 180, 20, Junior, Pawnee Rock . . . transfer from Hutchinson JC, where he lettered twice in both basketball and track . . . had 12 athletic letters at Pawnee Rock High School . . . all-state in high school . . . strong and experienced; will see lots of action . . . majoring in business.

Sketches---Varsity

Gerstner

McKain

Rick Brown, 6-2, 180, 18, Sophomore, Ellis . . . transfer from Kansas University, where he was enrolled one semester . . . lettered in football, basketball and track at Ellis High and was an all-state choice in basketball . . . good shot; fine passer . . . married . . . majoring in chemistry.

Don Givens, 6-2, 200, 18, Freshman, Phillipsburg . . . all-state at Phillipsburg High School last year . . . one of the state's top prep scorers with 29 points per game average . . . earned nine sports letters in high school . . . strong; good rebounder . . . undecided on major.

Kenny Jones, 6-1½, 165, 19, Freshman, Phillipsburg . . . teamed with Givens on Phillipsburg's fine team last year . . . was all-conference . . . lettered in football, basketball, track and baseball . . . good jump shot; good speed . . . married . . . undecided on major.

CENTERS

Merv Heitschmidt, 6-6, 190, 20, Sophomore, Cass Lake, Minn. . . . transfer from Bemidji (Minn.) State, where he lettered as a freshman . . . strong family ties in Western Kansas; brother attended FHS . . . four-year basketball letterman in high school; all-conference at Cass Lake . . . also lettered in football once and baseball twice . . . good agility and speed for a big man . . . will probably be the starter at center . . . plans major in physical education.

Jude Gerstner, 6-3, 182, 19, Sophomore, Hays . . . lettered as a forward last winter . . . contributed 17 points and 24 rebounds in 10 games . . . good jump shot; tough under the boards . . . one of the hardest workers on the roster . . . former basketball and baseball standout at St. Joseph Military Academy in Hays . . . majoring in business.

Sketches---Varsity

McDowell

Bodge

Dee Deckert, 6-2, 210, 20, Freshman, Tescott . . . former Tescott High standout is in his first year of college . . . 1960 Tescott grad; played on state tourney teams . . . big, strong and durable; tough rebounder . . . married . . . plans to major in elementary education.
