FHSU Tiger Pride Alumni and Friends Chapter to Sponsor Holiday Angel Tree

FHSU Tiger Pride Alumni and Friends Chapter (formally known as FASTigers) invites students, faculty, staff to join them in a service project this holiday season. The group is partnering with Teaming Up for Tots to support the Angel Tree project. Each angel on the tree represents either a clothing or gift item requested by an underprivileged child in Ellis County. In 2015, the organization served approximately 456 children and nearly 174 families. The number served is expected to grow for 2016.

An angel tree will be stationed in the Memorial Union (near Starbucks) Friday, November 18 through Wednesday, December 14. To participate, simply select an angel, purchase the item indicated, and return the angel and gift to one of the drop-off locations listed on the back of the angel. The Center for Student Involvement will serve as a drop-off location on-campus. **Drop off deadline is December 14.**

One other way you can support Teaming Up for Tots is by participating in the 27th Annual Fred P. Ruda Teaming Up for Tots Day, Saturday, December 3, starting at 9:00am, in the Davis Hall wood lab on the FHSU campus. This event will provide 200 wooden toys to area youth and is sponsored by the Institute of Applied Technology.

Thank you for your consideration of this important service project, and Happy Holidays!

Absence Management: The Balancing Act – Address the Issues and Stay Legally Compliant

Tuesday, November 15, 1:00pm - 4:30pm

Memorial Union Stouffer Lounge

Facilitated by: Ruth Bealer, SPHR, SHRM-SCP

This workshop provides managers and supervisors at all levels with the nuts and bolts of managing absences. Every organization struggles with determining the level of action to take in both day-to-day excessive absenteeism, as well as longer-term illness and injury situations. Fear of litigation is a factor that almost paralyzes management in taking any action. Participants will gain tools to determine when absences and tardiness are excessive, how to address absences and how to navigate compliance regulations in longer-term situations. The workshop will provide basic education on the

Americans with Disabilities Act and the Family Medical Leave Act. Most importantly, participants will learn not only how to comply with these regulations, but how to minimize exposure. *The workshop is not presented to provide legal advice or worker's compensation management.*

PARTICIPANTS WILL:

- Learn how to identify when absences have reached an excessive level
- Learn how to overcome the fear of litigation and manage the situation
- Learn how to navigate compliance regulations of the Americans with Disabilities Act (ADA) and the Family Medical Leave Act (FMLA)
- Practice the action steps in real-life application

Your registration fee is either complimentary or significantly reduced thanks to your FHSU Vice President. Please register through the Management Development Center Application on Lotus Notes (click on workshop registration). Contact Conni Dreher by phone at (785) 628-4121 or email at cdreher@fhsu.edu if you need assistance with registration. **Please register prior to Friday, November 11, 2016.**

Rock Your Mocs!
