INTRODUCTION

The general aim of this bibliography is to provide a source from which investigators in subjects pertaining to Kansas can find out what material is available in their fields and where to find it. The work done in this thesis is the continuation of a work started in the Kansas State Historical Library at Topeka in 1929. The source from which the material contained in my thesis was obtained is the Forsythe Library at Fort Hays Kansas State College. The material contained in my thesis are general Kansas Material and Kansas State Publications.
