Scheduling of classes in order to make better use of the available classrooms.
The chairman reviewed what was done at the last meeting regarding the sched-
uling of classes in an effort to relieve the congestion in the classrooms.
At the last meeting the Faculty Senate favored:

1. The scheduling of classes to start on the hour beginning
at 8:00 a.m. and continue to 4:50 p.m.
2. Schedule classes on TTS during the morning at 8:00, 9:00,
10:00 and 11:00.
3. Schedule three-credit hour classes for seventy-five minute
periods on TT at 11:00, 12:35 and 2:00.

4. Schedule 40% of the classes in each subject field in the afternoons beginning at 12:00 noon.

The TTS class scheduling was discussed. Senate members reported that in discussing this with faculty members, the reaction was that this should not be tried until the afternoon scheduling was given a good try. It was stated that if everyone, faculty and students, realized that afternoon classes were absolutely necessary it would be much easier to schedule afternoon classes than Saturday classes.

It was agreed that scheduling classes on TTS should be postponed until the other plans had been tried.

RECOMMENDATION: It was recommended that:

1. The schedule of classes should begin at 8:00 a.m., and continue through the 4:00 class period with classes scheduled at 12:00 noon,
2. Forty per cent of the classes in each subject field should be scheduled in the afternoons beginning with the 12:00 noon period, and
3. Three-credit hour courses should be scheduled for a 75-minute period on Tuesdays and Thursdays at the following times: 7:35, 9:00, 11:00, 12:35, and 2:00.

Seconded and carried.

The meeting adjourned at 5:15 p.m.
