Discussion: Enrollment of freshmen students

Suggestion from Personnel Committee

RECOMMENDATION: That the enrollment of the freshmen students be in the fall on the dates as set up in the schedule.

Minutes of the Meeting of the Faculty Senate, Wednesday, May 15, 1957, at 4:00 p.m. in the Dean's Office.

Members present: Dr. Coder, Mr. Dalton, Dr. Adee, Mr. Brooks, Dr. Garwood, Dr. Kuhn, Dr. Moss, Dr. Ray, Mr. Rematore, Dr. Tomanek, Dr. McCartney, Chairman.

Members absent: Dr. Nutt.

The meeting was called to order by the chairman, Dean McCartney.

Enrollment of freshmen students:

Dean McCartney presented the question regarding the enrollment of the freshmen students. It was asked if the practice started last summer of enrolling the freshmen students during the summer should be continued.

The Personnel Committee of which Mr. Dalton and Dr. Ray are members has been studying this question. Dr. Ray reported that the Committee wished to present the following plan for the enrollment of freshmen students for the coming fall:

All students will have completed the orientation tests. In order to have this done, there will be a final testing on Saturday, September 7. There may be a few "stragglers," those who decide at the very last minute to come to college, and the tests will be administered to them on Monday morning.

All freshmen students to be assigned to advisors, Monday morning and enrollment will begin.

All the profile cards for these students will be in the hands of the advisors Monday a.m. The exception will be those few students who are taking the tests, see the first paragraph above.

The Senate discussed this and compared the advantages and disadvantages of having the enrollment in the summer time with having it in September.

RECOMMENDATION: It was recommended that the enrollment of the freshmen students will be in the fall on the dates as set up in the schedule. Seconded and carried.

The meeting adjourned at 5:15 p.m.

E. R. McCartney, Chairman

S. V. Dalton, Secretary
