Fresh Produce in the Tiger Food Exchange

We are harvesting produce (as is available) from the Victor E Garden on Tuesday mornings to bring to the Tiger Food Exchange (located on the main floor of the Forsyth Library) during the summer.

Herbs and produce that do not require staying cool will be displayed on the main table, and bundled greens will be placed in the fridge. During the season the produce available will change based on what is ready to harvest, so check in weekly!

We would also like to remind everyone that the Tiger Food Exchange is available for the entire FHSU community: students, faculty, staff and alumni.

Contact Shane at sfkeller2@mail.fhsu.edu with any questions.
