The Institute will occur from June 20 – 24 on the FHSU campus. This is the 2nd year of this program and it would not be possible without the support of so many fantastic volunteers.

 - Hispanic Stars is an opportunity for members of the Hispanic/Latino community to share personal stories about their education and professional lives. Lunch will be provided.
- **Issues to Action:** Thursday June 22, 11:15 AM – 3:00 PM (6 volunteers needed)
 - Issues to Action invites teams of student participants to identify an issue and develop a plan of action to present to a panel of judges. Volunteers will serve as judges by listening to the presented plans and providing scores and feedback to the student teams. The top 5 teams will present during the finals on Friday. Volunteers will participate in both the morning and afternoon sessions with a break in the middle. Lunch will be provided.
- **Issues to Action Finals:** Friday 5:45 PM – 7:15 PM (3 volunteers needed)
 - The 5 finalists from Thursday's presentation will present their issue and their proposed plan of action to the panel of judges. Volunteers will serve as judges by listening to the presented plans and providing scores and feedback to the student teams.
- **Lip Sync Battle:** Friday 7:00 PM - 9:00 PM (5 volunteers needed)
 - Student groups will design and perform a lip sync routine and compete against each other for the best performance. Volunteers will serve as the judging panel, scoring each team and deciding the winner.

As a project manager you understand the need for tools to help coordinate, plan, execute and complete projects on-time and on-budget. This program will give you hands-on experience and real-life applications for many of the widely recognized project management methods in business, including: work breakdown structure, network diagramming, critical path technique and earned value management. Key process steps are practiced through team exercises, allowing participants to understand how, when and why they should be used. You are sure to come away from this seminar better prepared to confidently manage projects from small to large using the most effective techniques available.

This workshop is facilitated by DeAnn Sullivan. Please view the full details on our website:
