ANNOUNCEMENTS

Victor E Garden Work Evening - Food & Garden Club

The Food & Garden Club is meeting Monday and Thursday evenings at 5pm in the Victor E Garden (located next to the Robbins Center) during the summer, unless it is raining/storming.

These work evenings are open to everyone, not just club members! Evenings will typically consist of 60-90 minutes of light garden work (weeding, mulching, cleaning/organizing storage spaces, etc). When available, at the end of the evening, volunteers can harvest some produce to take home with them.

Contact Payton at pbzweifel@mail.fhsu.edu with any questions.

Volunteers Needed

Fort Hays State University is hosting the Hispanic College Institute, a free four-day program that prepares high school Hispanic students to enter and succeed in higher education. The Institute will occur from June 20–24 on the FHSU campus. This is the 2nd year of this program, and it would not be possible without the support of so many fantastic volunteers.

We have many opportunities for you to share your time and talents to help mentor the next generation of Hispanic college students. Volunteers are needed for the following areas:

- **Networking Reception:** Tuesday June 20, 6:00 PM – 7:15 PM (approximately 30 volunteers needed)
 - This reception will allow current FHSU students who are serving as leaders for the Institute to network. Volunteers will visit with leaders and allow them to practice the social and networking skills they have learned.
- **Hispanic Stars:** Thursday June 22, 9:30 AM – 3:00 PM (approximately 15 volunteers needed)
 - Hispanic Stars is an opportunity for members of the Hispanic/Latino community to share personal stories about their education and professional lives. Volunteers will engage with students in small groups, sharing their stories. Volunteers will participate in both the morning and afternoon rotations with a break in the middle. Lunch will be provided.
- **Issues to Action:** Thursday June 22, 11:15 AM – 3:00 PM (6 volunteers needed)
 - Issues to Action invites teams of student participants to identify an issue and develop a plan of action to present to a panel of judges. Volunteers will serve as judges by listening to the presented plans and providing scores and feedback to the student teams. The top 5 teams will present during the finals on Friday. Volunteers will participate in both the morning and afternoon sessions with a break in the middle. Lunch will be provided.
- **Issues to Action Finals:** Friday 5:45 PM – 7:15 PM (3 volunteers needed)
 - The 5 finalists from Thursday's presentation will present their issue and their proposed plan of action to the panel of judges. Volunteers will serve as judges by listening to the presented plans and providing scores and feedback to the student teams.
- **Lip Sync Battle:** Friday 7:00 PM - 9:00 PM (5 volunteers needed)
 - Student groups will design and perform a lip sync routine and compete against each other for the best performance. Volunteers will serve as the judging panel, scoring each team and deciding the winner.

Sternberg Museum

As a project manager, you understand the need for tools to help coordinate, plan, execute, and complete projects on-time and on-budget. This program will give you hands-on experience and real-life applications for many of the widely recognized project management methods in business, including: work breakdown structure, network diagramming, critical path technique, and earned value management. Key process steps are practiced through team exercises, allowing participants to understand how, when, and why they should be used. You are sure to come away from this seminar better prepared to confidently manage projects from small to large using the most effective techniques available.

This workshop is facilitated by DeAnn Sullivan. Please view the full details on our website:
