Dr. C. E. Rarick,
Hays, Kansas.

Dear Mr. Rarick:-I am rather anxious to get some material in regard to the Park, as I believe I have a chance to get a few news stories printed.

Have wondered if my former letter, a week or so ago, went astray. In that letter I asked for some pictures, and any of the facts pertaining to the Park, and I could use perhaps quite a lot of material. So if you have booklets, etc. that I may get some of the early history.

Any present data would be fine, also something about what the CCC boys accomplished, and how the college boys looked after the Park and went to college. I believe I have a chance to get more than one good story in the AP and perhaps one of the state papers.

Thanks so much,

Cordially,

Mrs. F. W. Boyd.
