## **ANNOUNCEMENTS**

### **Security Awareness Training Has Begun**

Technology Services is happy to announce that **Security Awareness Training has officially started!** FHSU has purchased "Securing the Human" to train faculty, staff, and student employees. Securing the Human is an online computer-based training program produced by SANS, one of the most trusted sources for information security training and security certification in the world. Training consists of a number of videos that cover specific security topics. The videos range anywhere from 1 to 5 minutes in length and can be completed at your own pace. There are approximately 45 minutes of mandatory modules, as well as several recommended modules that you can choose to watch. You can re-watch the videos at any time.

All faculty and staff should have received an email from FHSU Security Awareness [noreply@securingthehuman.org] on Wednesday, August 9. The email's subject was "Welcome to your Security Awareness Training Account." **If you did not get an email**, try logging in to [Securing the Human](#) with your TigerNetID username and password. If you receive an error message, please contact Jessica States at [jlstates@fhsu.edu](mailto:jlstates@fhsu.edu).

**Faculty (including adjuncts, Virtual College, part-time, and full-time) and staff (including part-time and full-time) must complete training by **October 31**.**

Student employees and graduate assistants will start training in November. We will send out further details in October.

Please use **Firefox** or **Chrome** to complete this training. The buttons don't work in Internet Explorer!

To read the FAQs and more detailed directions, please visit this web page:

## FHSU Phone Conversion

**Beginning Friday, July 28, 2017: 4-Digit Dialing functionality will be affected** during the conversion. 4-Digit Dialing will only work if **BOTH** the caller **AND** the receiver are on the same system (either the legacy FHSU system or the new Nex-Tech system). Until the conversion is completed throughout campus, it is highly recommended that **when making calls or transferring calls, dial 9-628-XXXX (4-digit extension) if you are on the old system OR dial 628-XXXX (4-digit extension) if you are on the new Nex-Tech system.**

**Conversion Progress:** View buildings/areas on campus that are [coming soon, in progress, or completed](#).

***A notice will be sent to campus when the conversion has been completed.***

**Your Department Conversion Date:** Your department will be contacted by Telecommunication Services regarding your conversion date.

**Speed Dial Setup Request Form:** Use this [form](#) to submit Speed Dials (if desired) **before** your phone is converted. In order to allow the technicians to complete the Campus Phone System conversion as quickly as possible, **you will not be notified** when your Speed Dials are set up. They will be programmed into the system as soon as possible. After your Speed Dials have been set up, they will automatically display on your phone's screen following an overnight system update.

Nex-Tech will be providing **open training sessions** for anyone interested. Each session will be held in **Tomanek Hall 161, from 8:30am – 10:00am.**

Currently, there are four (4) sessions available to attend (see dates below).

- *Friday, August 11*
- *Thursday, August 17*
- *Friday, August 18*

For more information about the conversion, including user guides and video tutorials, please visit:

## Watching for Password Phishing Attempts

We've had several small phishing attempts claiming your Outlook or email password is about to expire. Here are some ways to tell if an email is really from Tech Services.

Official emails from Tech Services will always talk about your TigerNetID password. Outlook doesn't have a separate password.

We will always provide multiple notifications and give you more than 24 hours to change your password.

We will always send you to an fhsu.edu address to change your TigerNetID password.

We will always send notifications from an fhsu.edu email account.

We will never ask you to reply to an email with your password.

You can call or chat with TigerTech and ask if Tech Services sent the email.

## Writing Center: Class Visits

Please let us know if you would like a Writing Center representative to visit your class! We work with undergraduate and graduate students on any writing project at any stage in the process. We are also happy to work with faculty and staff.

We offer two kinds of class visits:

1. **Introduction to Services:** We will discuss our services, show students how to make an appointment, and emphasize the benefits of multiple writing center sessions through the life of a writing project.
2. **Workshops:** We can offer your class or group a readymade workshop (e.g., APA) or consult with you to develop a workshop specific to your needs (e.g., writing introductions to scientific articles).

Please Contact Amanda Fields at [ajfields@fhsu.edu](mailto:ajfields@fhsu.edu) if you would like to schedule a Writing Center visit this semester.

## Alumni Association Seeking Nominations for the 2017 Tiger Honorary Alumni Family of the Year

This new award, established by the FHSU Alumni Association, will recognize a multi-generational family annually with strong ties to the university. Applications, which require an essay of no more than 1,000 words and a list of names and graduation years of the family members being considered for the award, are **being accepted until August 15**.

“Families who share the tradition of being FHSU graduates enjoy a unique bond which continues to enrich their lives and the spirit of the university forever,” said DeBra Prideaux '86, '92, director of alumni and governmental relations. “The Alumni Association is pleased to be able to honor those families who have demonstrated their loyalty and support of FHSU across multiple generations.”

The family chosen for the award will be recognized during the [2017 Homecoming festivities](#). On Saturday, Oct. 7, the family will serve as marshals for the homecoming parade and will be honored on the field during the FHSU vs. Pittsburg State University football game that evening.
