Discussed: Make-up of the Catalogue and Guidebook.

Minutes of the meeting of the Faculty Senate, Wednesday, February 24, 1960
at 4:00 p.m. in the Dean's Office.

Members present: Mr. Dalton, Dr. Coder, Mrs. Bogart, Dr. Craine, Mr. Friesner,
Dr. Garwood, Dr. Martin, Dr. Moreland, Dr. Parish, Mr. Toalson,
and Dr. McCartney, Chairman

Member absent: Dr. Herren

The meeting was called to order by the chairman, Dr. McCartney, who presented the statement regarding student conduct as prepared by the committee which follows:

Student Conduct

The College expects that students will conduct themselves in and out of the classroom in accordance with standards adhered to be self-respecting educated men and women, and in accordance with the laws of the nation, state, and local community.

Students who fail to live up to what is expected of them bring discredit upon the College as well as upon themselves.

Fort Hays Kansas State College reserves the right to sever at any time the connections of any student whose conduct is found to be unsatisfactory to the standards of the institution.

The above was discussed.

RECOMMENDATION: It was recommended that the Senate approve this statement for inclusion in the Catalogue and other publications. Seconded and carried.

Probation: The reinstatement of students who were not enrolled for one semester because of academic probation was discussed. Some of the questions and problems discussed were:

When may the student return and for how long a period? Is the student eligible to return for one semester only? How is the student to be reinstated? Should there be a form for the student to fill in when requesting reinstatement? Perhaps there should be another paragraph added to the material on academic probation. This could be paragraph E in which the details regarding reinstatement would appear. Should there be a time limit previous to the opening of a semester for making the request for reinstatement? It was suggested that a form for reinstatement should be prepared and presented to the Senate for consideration.

Catalogue and Guidebook makeup: The makeup of the Biennial Catalogue was discussed. It was suggested that the pictures which have been used seem to be rather a poor selection and that action pictures would be preferred. At present action pictures have not been available. To put pictures of buildings in the Catalogue seems to make poor use of the pages.

Would it be better to put more material in the Guidebook and to use some pictures, preferably colored, and a more attractive cover? This might be substituted for the view booklet. It might be called the Students' Catalogue. It was the consensus that the Guidebook should be made more attractive by the use of appropriate pictures.

The meeting adjourned at 4:55 p.m.

E. R. McCartney, Chairman

S. V. Dalton, Secretary
