Proper Email Usage

Since the start of the semester, Technology Services has received several questions in regards to email usage. Most of the questions that have come in can be addressed by the FHSU email policy.

So, as a reminder to everyone, here is the main part of the FHSU email policy:

Official FHSU e-mail accounts are provided for currently employed faculty and staff and certain University affiliates. The official FHSU e-mail account for faculty and staff is in the form [TigerNetID]@fhsu.edu. These accounts must be activated before the University can correspond with its faculty and staff using the official e-mail accounts. Faculty and staff official e-mail addresses will be included in directory information.

The official FHSU e-mail account is the only electronic mail platform for communicating University business. Official e-mail communications are intended only to meet the academic and administrative needs of the campus community.

All electronic notifications from the University are transmitted through the official FHSU e-mail account. Faculty and staff are expected to read, and shall be presumed to have received and read, all FHSU e-mail messages sent to their Official FHSU e-mail accounts. The University expects that such communications will be received and read in a timely fashion.

Faculty and staff are not to forward their official @fhsu.edu e-mail to another vendor for themselves including their @mail.fhsu.edu Google account.

The complete policy can be found at <http://www.fhsu.edu/policies/info-access/> and then clicking on E-mail policy. If you still have questions regarding the policy, please send those to Mark Griffin at magriffin2@fhsu.edu.

Mark Griffin, Assistant VP of Technology Services and CIO

Novels 4 Hope

Diversity Book Club is a dynamic book club bringing students, faculty, and staff together to explore current social justice issues & diversity topics.

The Office of Inclusion and Diversity Excellence will be hosting the club in reading four books throughout the year. The book selection is a mixture of fiction & non-fiction literature to appeal to a variety of demographics.

The following is this year's book selection and when they will be read: Density of Souls (September & October), Same Kind of Different as Me (October & November), The New Jim Crow (January & February) and HISPANIC (March & April).

You can participate in one, two, three, or all four readings throughout the year. Being a part of the club does not mean you have to join us for every novel.

The first 30 people to sign-up will receive a free copy of the novel and a diversity cup. We will send an email confirmation with more information once you register. Our purpose for Novels 4 Hope is to keep conversation continuous on campus amongst students, faculty, & staff on issues of race, religion, ethnicity, sexuality, and gender.
