[FHSU's Entrepreneur Direct Series to Feature Couple Entrepreneurs](#)

Students, faculty, and staff are invited to the next installment of the Entrepreneur Direct speaker Series. Fort Hays State University will showcase a special type of team. It will feature two married couples who have built successful business entrepreneurial careers and personal lives. They will present their stories on November 7 from 10:30-11:45 a.m. in the Eagle Communication Hall of the Robbins Center. The couples are Rick and Gail Kuehl of Hays and Gail and Cindy Boller of Norton.

Rick and Gail Kuehl opened their first McDonald's restaurant in 1979 in Hays, Kansas. They have continued to grow their organization, and currently own two restaurants in Hays, and one restaurant in Russell and WaKeeney, Kansas. Their philosophy is *people first* as they work with a team of 210 employees. They believe in giving back to the communities they serve, and are supporters of education at all levels. Early in their professional careers they also owned three radio stations and founded Media-Net, Hays' first Internet provider.

Gail Boller founded Natoma Corporation in 1982 in Natoma, Kansas. Two years later, he moved company to Norton, Kansas. Natoma Corporation is a world-class contract manufacturer that is ISO, AS 9100 certified & ITAR compliant. The company's primary customers are aerospace, medical, and energy related. Natoma Corp's assets were sold to Natoma Manufacturing Corporation in April 2017. Owners of Natoma Mfg. Corp. are home-grown Nortonites. The company currently employs over 80 people.

In 2009 Cindy Boller, working with a partner, founded Destination Kitchen, a unique retail kitchen store in Norton. Destination Kitchen is a destination for delectable desserts, California Roasted Peets Coffee, a top line of teas and an exciting menu of baked goods, sandwiches and lunch items. Destination Kitchen provides essential tools and gifts for the home cook.

Entrepreneur Direct is a speaker series conducted by Fort Hays State University's Robbins College of Business and Entrepreneurship that features successful entrepreneurs in an informal setting free to students, faculty and the public. The program is intended to connect students with successful entrepreneurs who have stories and advice to share. A panel asks questions about entrepreneurship and encourages questions and interaction with the audience.

You don't have to be a veteran to support our student veterans. All faculty and staff are welcome and encouraged to participate in this initiative. We look forward to seeing you on **November 7**.

Why do student veterans struggle with college?

- Use to being with others of similar background.
- Need personal support.
- View college as confusing
- "Unfriendly" policies and procedures.
- Lack of funds / benefits slow to arrive.
- Feel out of place with traditional age students.
- Overwhelmed by life.
- Lack of empathy from fellow students/staff

Alarming veteran statistics:

- Number of service members with PTSD is higher than at any time in history since the Vietnam War.
- Traumatic Brain Injury (TBI) is the signature wound of this war leading to social adjustment and anxiety disorders
- Veteran suicide rate is currently at 22 veterans a day taking their own life.
