Virtual Send-Off for All Athletes

No matter where you are, show us your Tiger pride and send your best wishes to these student athletes by posting a message on our [Facebook page](#), tweet to us [@fhsualumniassoc](#), or send us an e-mail at alumni@fhsu.edu and we'll post it on your behalf.

Learning Quest

The Learning Quest office would like your help in promoting Learning Quest as a way for employees to save for education expenses through payroll deduction. [I am available to do presentations as a “Lunch and Learn” or during other times that work best for your agency.](#) We would also appreciate it if you would send the following email to your list of associates.

As a parent with two students in college next year and a state employee, I know the challenges of paying for your children or grandchildren’s education. Learning Quest is the state’s 529 education savings program with tax advantages to help you save and be prepared to this expense.

- Contributions are with “post tax” dollars.
- You can deduct the amount of your contributions on your Kansas return up to \$3,000 for single filers and \$6,000 for joint filers per beneficiary.
- Payroll deduction is a great way to make your contributions automatic.
- Earnings grow tax free and can be withdrawn tax free for qualified expenses.
- Beginning in 2018 up to \$10,000 per student can be withdrawn as a qualified expense for tuition at a K-12 school.
- The state will match your contributions up to \$600 each year that you are eligible through K.I.D.S. Matching Grant Program if your federal adjusted gross income is less than 200% of the federal poverty level based on the number of family members in your household (currently \$50,200 for a family of four, plus or minus \$8,640 for each family member.)

You can visit www.learningquest.com to learn more, call a Learning Quest specialist at 1-800-579-2203, or feel free to contact me with your questions.

Would you like to recognize a staff or faculty member who has guided, mentored, supported, provided leadership and/or fostered meaningful intellectual growth with you?

If the answer is “yes,” the Scholarship Environment Committee (SEC) invites you to nominate that person(s), using this link:

<https://goo.gl/forms/hUdF9x66vrEMvmsj2>.

Nominations are due April 1.

Nominees appreciate your reason for nominating them. Here is an example from 2017: “....My Go-To worked with me to plan my goals and build a strategy for my position. She helped me with the particulars of running meetings, and offered insight based on her experience and sensitivity about working with people to get the job done. My ‘Go-To’ has a positive attitude and knowledge of FHSU, providing me invaluable mentorship...”

For questions, please contact Robb Scott at rbscott@fhsu.edu.

Honors Course Proposal Deadline – March 9!

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Spring 2019 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university’s Programs

of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is March 9. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at jnscheele@fhsu.edu.

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at clpatrick@fhsu.edu or 785-628-4406.

Special Education Leaders to Debate New License

Elementary education in Kansas is facing new challenges that are forcing teacher preparation programs to question the status quo and look to redesign traditional curricula.

A new unified elementary education license in Kansas requires teachers to learn knowledge and skills for working with all students, including children with significant disabilities. To contribute to discussions going on at institutions across the state concerning how to design programs to train teachers for this new license, the FHSU Department of Teacher Education and the FHSU Student Chapter of the Council for Exceptional Children (CEC) are hosting a panel, "Developing Partnerships to Build New Unified K-6 Licensure Programs," on Thursday, March 1st, at 3:30 p.m., in Rarick Hall 201.

Panelists will be: Colleen Riley, Director of Early Childhood, Special Education, and Title Services, KSDE; Jennifer Kurth, Ph.D., Assistant Professor of Special Education, University of Kansas; Rebekah Helget, Executive Director of Special Education, USD 475 - Junction City Public Schools; Raj Sharma, Ph.D., Director of Special Education Services, USD 489 and Director of the Hays West Central Kansas Special Education Cooperative. Moderator for this panel discussion will be Jacqueline Lubin, Ed.D., FHSU Assistant Professor of Special Education.

This session is free and open to the public. It will be recorded and made available on the Internet as well.

You don't have to be a veteran to support our student veterans. All faculty and staff are welcome and encouraged to participate in this initiative. We look forward to seeing you on March 12th.

Why do student veterans struggle with college?

- Use to being with others of similar background.
- Need personal support.
- View college as confusing
- “Unfriendly” policies and procedures.
- Lack of funds / benefits slow to arrive.
- Feel out of place with traditional age students.
- Overwhelmed by life.
- Lack of empathy from fellow students / staff

Alarming veteran statistics:

- Number of service members with PTSD is higher than at any time in history since the Vietnam War.
- Traumatic Brain Injury (TBI) is the signature wound of this war leading to social adjustment and anxiety disorders
- Veteran suicide rate is currently at 22 veterans a day taking their own life.
