Dear Frank:

We have chosen Homecoming weekend for the dedication and naming of our newest campus facility, the radio and television building. It will be known as Heather Hall in honor of Professor Jack Heather who started the program years ago and still serves as an active member of the faculty.

The dedication will be at 8:30 a.m. on Saturday, October 11, 1986 in front of Heather Hall. We would like very much for you to be a part of the platform party and say a few words at the dedication ceremony, which will be outdoors if weather permits.

May I hear from you as to whether this request fits into your calendar? We hope that you can stay and enjoy some of the other Homecoming activities of the day such as the mid-morning parade and afternoon football game with Wayne State.

Best regards.

Sincerely,

G. W. Tomanek
President
