Introducing Handshake!

Career Services has launched a new recruiting platform, Handshake, to replace our previous Careers for Tigers system. Handshake offers great features allowing students in all majors to:

- Access internship and full-time job opportunities based on their major and interests
- Find part-time Jobs for Tigers listings in the Hays area
- Schedule appointments with Career Services staff
- Manage on-campus interviews
- Register for Career Fairs, Workshops, and other events

Please encourage students to utilize Handshake to connect with employers and search for nationwide job and internship opportunities.

We want to partner with you!

Please help us in making Handshake a one-stop destination for all FHSU students and employers. If you have employers contact you with vacancy information, please encourage them to connect to FHSU students through Handshake at fhsu.joinhandshake.com or send us their contact information and we would be happy to reach out.

Are you interested in incorporating Handshake, mock interviews, or career fairs into your syllabus? We have created sample lesson plans, so please reach out to us if interested.

Career Services staff would be happy to visit your class to introduce Handshake and/or other services we offer.

We are happy to set-up faculty with a Handshake account. Please email us if you would like access.

Do you have a colleague who deserves to be recognized for their outstanding service or innovation? Maybe they've designed an exemplary course or provided exemplary leadership?

The Colleague to Colleague (C2C) Awards are presented annually at the Summer Institute on Distance Learning and Instructional Technology (SIDLIT). Nominations for the four awards are now being accepted through May 31. This year's awards will be presented at SIDLIT 2018 to be held at Johnson County Community College on Thursday and Friday, August 2 – 3, 2018. Note: These are awards for the C2C group, nominated by members, to honor outstanding service in the C2C membership. While we acknowledge the number of top-notch professionals in distance learning and instructional design across the regional area, these awards are limited to C2C members.
